Alexandria PTA Council Summer Camp Directory 2011

The Alexandria PTA Council (PTAC) conducts the Summer Camp Fair as a service to the community and as a fundraiser (camps pay a fee to participate). The PTAC does not endorse any particular camp. The Camp Fair provides an opportunity to personally meet camp representatives, ask for references, and ask questions appropriate to your individual needs. The parent resource table is staffed with Camp Fair volunteers who can answer general questions. In the directory, "CIT Program" refers to Counselor in Training (opportunities for older campers to share responsibility and earn job experience while attending camp).

We are always looking for ways to improve the Camp Fair. Please send suggestions to Marianne Hetzer at alexptaccamp@comcast.net or (703) 823-3367.

Some things to consider when choosing a camp:	Web Resources
<ul style="list-style-type: none"> ➤ What type of camp? Same-sex or coed? Overnight or day camp? ➤ Should you consider a specialty camp that offers a focused curriculum, such as basketball, or a special-needs camp designed for specific physical or medical disability? ➤ How long a session? A child may attend camp for a week or two – or an entire summer. ➤ Is the staff trained in safety, supervision, counseling, problem solving, and other issues important to working with young children? ➤ Is the price all-inclusive or do extra charges apply for transportation, food service, group pictures, t-shirts, special skills instruction such as horseback riding, and other items? Check with local agencies and/or specific camps to find out about scholarship availability and eligibility. ➤ For day camps, if before and after care is offered to accommodate working parents, who will be supervising children and what activities take place? ➤ Is lunch and/or a snack served, or do campers bring their own? ➤ If swimming is offered, are lessons included, or is swimming only recreational? ➤ Does one counselor stay with a group all day? Or are campers free to roam from one activity to another? How is adequate supervision assured? ➤ Are parents allowed to drop by for visits at any time? <p>As an additional consideration, camps accredited by the American Camp Association (ACA) comply with nationally recognized health, safety, and program quality standards, including these requirements: emergency transportation; first aid facilities and training; aquatic programs supervised by staff who are certified lifeguards; health histories, including immunizations, for all campers and staff; emergency exits from second-floor sleeping quarters.</p>	<p>American Camp Association (Virginia section) www.acavirginiascamps.org (800) 347-7523 The American Camp Association is a not-for-profit educational body that accredits all types of camps throughout the United States. The Virginia Section provides information and a free directory of residential camps in Virginia and West Virginia.</p> <p>Frost's Summer Camp Guide www.gocamps.com (845) 726-3232 This website has articles for kids and parents and also has a discount summer camp page. Visitors can customize searches by region or camp specialty. Publishes an annual magazine listing summer camps.</p> <p>Camp Page Guide to Summer Camps www.camppage.com (828) 877-6653 This website is a national resource guide for traditional summer camps in the United States and Canada with comprehensive camp lists and descriptions of camps by state.</p> <p>National Camp Association www.summercamp.org (800) 966-2267 NCA is an independent organization whose main goal is to supply the public with recommendations about summer camps. Get advice on how to choose a summer camp, and then fill out a questionnaire for a list of camps that might be right for your child.</p>
