Message to Parents and Students

The following pages list the bus routes serving T.C. Williams for the high school summer program and George Washington and F.C. Hammond Schools for middle school summer programs.

The middle and high school summer program will consist of two sessions; the first session will be 7:25 a.m. to 11:00 a.m. and the second session from 11:15 a.m. to 2:50 p.m. Each bus run indicates the times each bus will be operated for each session. Please have your child at the bus stop five minutes before the scheduled bus stop arrival time.

Each student should be aware that any misconduct on a school bus is subject to disciplinary action by the school principal. Rules of conduct that apply in school also apply on school buses. Disciplinary action will be taken when behavior does not comply with established rules of conduct. Generally, misconduct on a school bus constitutes an unsafe situation which cannot be tolerated.

Summer School will begin on July 5, 2011 and will end on July 29, 2011.
