

**ALEXANDRIA CITY PUBLIC SCHOOLS  
2011-2012  
GRADES 6-12  
BUS SCHEDULES**

The following pages list the bus runs serving grades 6-12. These are the finalized bus schedules for the 2011-2012 school year as current requirements are known.

As the year progresses and new needs are assessed, these runs may be changed. You will be notified of significant changes.

Please note that each school is listed separately. Decide which bus runs will best serve your child. No runs are designed to allow a child to cross a 4 lane highway.

Each student should be aware that any misconduct on a bus is subject to disciplinary action by the school principal. Rules of conduct which apply in school also apply on school buses.

Disciplinary action will be taken when behavior does not comply with established rules of conduct. Generally, misconduct on a school bus constitutes an unsafe situation which cannot be accepted.

The following table shows each school and their respective hours:

<b>School</b>	<b>School Starts</b>	<b>School Ends</b>
George Washington Middle School	8:30	3:15
Francis C. Hammond Middle School	8:30	3:15
Minnie Howard School	8:30	3:15
T.C. Williams High School and S.T.E.P. Center	8:35	3:15

Bus transportation is provided free of charge to Francis C. Hammond, George Washington and Minnie Howard students who live a distance of more than a one (1 1/2) mile radius of the school. T.C. Williams and S.T.E.P. Center students are provided free transportation if they reside a distance greater than a one and one-half (1 1/2) mile radius of the school. Those students who live a distance less than the radius specified above must provide their own transportation or walk to school.

Note: Please understand transportation staff may need to adjust schedules the first week of school. We are here to provide you the “customer service” your child deserves. Because of changing requirements that occur the first week of school, your support and patience is appreciated in allowing time for staff to make necessary changes to certain runs in a timely manner.

**School starts on September 6**
