

2019 Summer Food Program

Programa de Alimentación de Verano

The Summer Food Service Program for Children is a federally funded program operated nationally by the U.S. Department of Agriculture (USDA) and administered by the USDA regional office. The agency reimburses sponsors (such as schools) for meals served at approved sites in low-income areas to children and teens 18 years old and younger.

Anyone in the community 18 years of age and younger is eligible to receive summer meals. All meals will be served free of charge, regardless of what a child's meal benefit was during the regular school year. Meal times vary by site and by program at some sites. **Meals available Monday through Friday when programs are open. No programs on July 4.** Times are subject to change. Please contact each site directly to confirm closer to program start dates.

El Programa de Servicios de Alimentación de Verano para Niños es un programa federal fundado y operado de forma nacional por parte del Departamento de Agricultura de los Estados Unidos (USDA por sus siglas en inglés) y administrado por la oficina regional del USDA. La agencia reembolsa a patrocinadores (tales como las escuelas) por comidas servidas a niños y adolescentes menores de 18 años en sitios de alimentación aprobados, en áreas de viviendas con bajos ingresos.

*Cualquier persona en la comunidad que sea menor de 18 años es elegible para recibir comidas durante el verano. Todas las comidas se servirán de forma gratuita, sin importar cuál fue el beneficio de alimentación del niño durante el año escolar regular. Los horarios de comida varían dependiendo de cada sitio y el programa en algunos sitios. **Los almuerzos se servirán de lunes – viernes cuando los programas estén abiertos. No habrá programas el 4 de Julio.** Los horarios pueden cambiar. Por favor comuníquese con cada sitio de forma directa para confirmar las fechas de inicio de los programas.*
