Students choosing Booster Courses will need to self-enroll in a FEW EASY steps:

❖ Click into Edgenuity via Clever
❖ Follow the steps for self-enrollment (video on next slide)
❖ Example: A rising 7th grader would enroll in Summer 2020 Boost ELA 7
  ➢ This means if you just completed 6th grade, you are a “rising” 7th grader enrolling in Boost 7 courses to prep for next school year.

Tips for Success

TAKE NOTES ON WHAT YOU’RE LEARNING
You might use eNotes, and you might use a pen and paper. But rephrasing what you learn in your own words helps you pay attention and remember what you’ve learned.

STAY ON PACE
Make sure your progress bar is in the blue or even in the green. If you fall too far behind, it gets hard to catch up later.

ASK FOR HELP WHEN YOU NEED IT
If you don’t understand something, tell your teacher. He or she can explain it in a different way and point you toward other online resources.

AVOID PLAGIARISM
It’s never okay to copy and paste other people’s work and submit it as your own. Always cite your sources or rephrase ideas in your own words.

Email Etiquette/Communication Tips

❖ You have access to work in your class(es) everyday 24/7! Take advantage of this - especially on the weekend when the target “freezes” and does not move.
❖ Please note - teachers have 24 hours to respond
❖ Check in with your teacher to see when they will hold office hours. Some teachers can offer flexibility and meet by appt.
❖ Please be respectful and mindful when you are corresponding with teachers. TIP: Use a greeting before you make a request, and sign your name at the end of the email.
Edgenuity Learning Management System

Important Reminders

1. “Log-in” by clicking the Edgenuity button in Clever. Then, you will be in your course lobby.
2. ALL of your communication with your online teacher(s) will be through Edgenuity. You MUST check email DAILY!
3. You MUST check progress tiles/assignment calendars DAILY to ensure that you are on pace and passing your courses.
4. You MUST stay in the BLUE/GREEN to finish the course on-time & successfully.
Important Grading Reminders

❖ Actual Grades and Relative Grades are NOT the same.
❖ Relative Grade is what your grade would be if you completed no more coursework.
❖ Actual Grade is based on the student being on pace. If the student is behind - automatic zeros are factored in TEMPORARILY until the student is back on pace.
❖ Actual Grades will be used for progress reports.
❖ If a student does not complete all of their coursework - the Relative Grade is reported as their final grade. See picture on next slide & see guidelines in the online learning contract you filled out and submitted at time of registration.

1. Do not Google answers and/or copy and paste. Teachers will check your work and award a score of zero for plagiarism. You are subject to the ACPS Honor Code.

1. Honor code violations may result in removal from the course and/or a failing grade (F).

1. Reach out to the teacher if you need assistance with citing sources for your work!

1. If you do not complete your course, you will receive the Relative Grade.

1. You MUST take notes. There is a lot of info in the lessons! You can use notes on ALL quizzes, tests, and exams.
Courses for Credit - Exit Tickets

❖ You will complete a daily exit ticket for each credit-bearing course. [Click here for a SAMPLE]

❖ The exit tickets (and reminders to complete them) will be sent to you by your teacher.
