**STATE OF ILLINOIS**  
**The Religious Freedom Protection and Civil Union Act**  
**Effective June 1, 2011**

The Religious Freedom Protection and Civil Union Act ("the Act") creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance's website at [www.insurance.illinois.gov](http://www.insurance.illinois.gov).

**Utah:**

1. If the **Sending Proof of Loss** provision provides a timeframe in which proof must be submitted before it affects Your claim, this time limitation shall not apply to You.

**Vermont:**

1. The following requirement applies:

**Purpose:** Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons.

**Definitions, Terms, Conditions and Provisions:** The definitions, terms, conditions or any other provisions of the policy, contract, certificate and/or riders and endorsements are hereby superseded as follows:

- 1) Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms, include the relationship created by a civil union established according to Vermont law.
- 2) Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree", "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.
- 3) Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.
- 4) "Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.
- 5) "Child or covered child" means a child (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

**CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE**

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under COBRA for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under the policy,

contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.

- 2) the date on which You complete the Eligibility Waiting Period for Coverage shown in the Schedule of Insurance, if applicable.

### **Enrollment:** *How do I enroll for coverage?*

All eligible Active Employees will be enrolled automatically by the Employer.

## PERIOD OF COVERAGE

### **Effective Date:** *When does my coverage start?*

Your coverage will start on the date You become eligible.

### **Deferred Effective Date:** *When will my effective date for coverage or a change in my coverage be deferred?*

If You are absent from work due to:

- 1) accidental bodily injury;
- 2) sickness;
- 3) Mental Illness;
- 4) Substance Abuse; or
- 5) pregnancy;

on the date Your insurance, or increase in coverage, would otherwise have become effective, Your insurance, or increase in coverage will not become effective until You are Actively at Work one full day.

### **Continuity From A Prior Policy:** *Is there continuity of coverage from a Prior Policy?*

If You were:

- 1) insured under the Prior Policy; and
- 2) not eligible to receive benefits under the Prior Policy;

on the day before the Policy Effective Date, the Deferred Effective Date provision will not apply.

### *Is my coverage under The Policy subject to the Pre-existing Condition Limitation?*

If You become insured under The Policy on the Policy Effective Date and were covered under the Prior Policy on the day before the Policy Effective Date, the Pre-existing Conditions Limitation will end on the earliest of:

- 1) the Policy Effective Date, if Your coverage for the Disability was not limited by a pre-existing condition restriction under the Prior Policy; or
- 2) the date the restriction would have ceased to apply had the Prior Policy remained in force, if Your coverage was limited by a pre-existing condition limitation under the Prior Policy.

The amount of the Monthly Benefit payable for a Pre-existing Condition in accordance with the above paragraph will be the lesser of:

- 1) the Monthly Benefit which was paid by the Prior Policy; or
- 2) the Monthly Benefit provided by The Policy.

The Pre-existing Conditions Limitation will apply after the Policy Effective Date to the amount of a benefit increase which results from a change from the Prior Policy to The Policy, a change in benefit options, a change of class or a change in The Policy.

### *Do I have to satisfy an Elimination Period under The Policy if I was Disabled under the Prior Policy?*

If You received monthly benefits for disability under the Prior Policy, and You returned to work as a Full-time or Part-time Active Employee before the Policy Effective Date, then, if within 6 months of Your return to work:

- 1) You have a recurrence of the same disability while covered under The Policy; and
- 2) there are no benefits available for the recurrence under the Prior Policy;

the Elimination Period, which would otherwise apply, will be waived if the recurrence would have been covered without any further elimination period under the Prior Policy.

**Termination:** *When will my coverage end?*

Your coverage will end on the earliest of the following:

- 1) the date The Policy terminates;
- 2) the date The Policy no longer insures Your class;
- 3) the date premium payment is due but not paid;
- 4) the last day of the period for which You make any required premium contribution;
- 5) the date Your Employer terminates Your employment; or
- 6) the date You cease to be a Full-time or Part-time Active Employee in an eligible class for any reason;

unless continued in accordance with any of the Continuation Provisions.

**Continuation Provisions:** *Can my coverage be continued beyond the date it would otherwise terminate?*

Coverage can be continued by Your Employer beyond a date shown in the Termination provision, if Your Employer provides a plan of continuation which applies to all employees the same way. Continued coverage:

- 1) is subject to any reductions in The Policy;
- 2) is subject to payment of premium by the Employer; and
- 3) terminates if:
  - a) The Policy terminates; or
  - b) coverage for Your class terminates.

In any event, Your benefit level, or the amount of earnings upon which Your benefits may be based, will be that in effect on the day before Your coverage was continued. Coverage may be continued in accordance with the above restrictions and as described below:

Family and Medical Leave: If You are granted a leave of absence, in writing, according to the Family and Medical Leave Act of 1993, or other applicable state or local law, Your coverage may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by other applicable law, following the date Your leave commenced. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

**Coverage while Disabled:** *Does my insurance continue while I am Disabled and no longer an Active Employee?*

If You are Disabled and You cease to be an Active Employee, Your insurance will be continued:

- 1) during the Elimination Period while You remain Disabled by the same Disability; and
- 2) after the Elimination Period for as long as You are entitled to benefits under The Policy.

**Waiver of Premium:** *Am I required to pay premiums while I am Disabled?*

No premium will be due for You:

- 1) after the Elimination Period; and
- 2) for as long as benefits are payable.

**Extension of Benefits for Disability:** *Do my benefits continue if The Policy terminates?*

If You are entitled to benefits while Disabled and The Policy terminates, benefits:

- 1) will continue as long as You remain Disabled by the same Disability; but
- 2) will not be provided beyond the date We would have ceased to pay benefits had the insurance remained in force.

Termination of The Policy for any reason will have no effect on Our liability under this provision.

## BENEFITS

**Disability Benefit:** *What are my Disability Benefits under The Policy?*

We will pay You a Monthly Benefit if You:

- 1) become Disabled while insured under The Policy;
- 2) are Disabled throughout the Elimination Period;
- 3) remain Disabled beyond the Elimination Period; and
- 4) submit Proof of Loss to Us.

Benefits accrue as of the first day after the Elimination Period and are paid monthly. However, benefits will not exceed the Maximum Duration of Benefits.

**Mental Illness and Substance Abuse Benefits:** *Are benefits limited for Mental Illness or Substance Abuse?*

If You are Disabled because of:

- 1) Mental Illness that results from any cause;
- 2) any condition that may result from Mental Illness;
- 3) alcoholism; or
- 4) the non-medical use of narcotics, sedatives, stimulants, hallucinogens, or any other such substance;

then, subject to all other provisions of The Policy, We will limit the Maximum Duration of Benefits.

Benefits will be payable:

- 1) for as long as You are confined in a hospital or other place licensed to provide medical care for the disabling condition; or
- 2) if not confined, or after You are discharged and still Disabled, for a total of 24 months for all such disabilities during Your lifetime.

**Recurrent Disability:** *What happens if I Recover but become Disabled again?*

Periods of Recovery during the Elimination Period will not interrupt the Elimination Period, if the number of days You return to work as an Active Employee are less than one-half (1/2) the number of days of Your Elimination Period.

Any day within such period of Recovery, will not count toward the Elimination Period.

After the Elimination Period, if You return to work as an Active Employee and then become Disabled and such Disability is:

- 1) due to the same cause; or
- 2) due to a related cause; and
- 3) within 6 months of the return to work;

the Period of Disability prior to Your return to work and the recurrent Disability will be considered one Period of Disability, provided The Policy remains in force.

If You return to work as an Active Employee for 6 months or more, any recurrence of a Disability will be treated as a new Disability. The new Disability is subject to a new Elimination Period and a new Maximum Duration of Benefits.

**Period of Disability** means a continuous length of time during which You are Disabled under The Policy.

**Recover or Recovery** means that You are no longer Disabled and have returned to work with the Employer and premiums are being paid for You.

**Calculation of Monthly Benefit: Return to Work Incentive:** *How are my Disability benefits calculated?*

If You remain Disabled after the Elimination Period, but work while You are Disabled, We will determine Your Monthly Benefit for a period of up to 12 consecutive months as follows:

- 1) multiply Your Pre-disability Earnings by the Benefit Percentage;
- 2) compare the result with the Maximum Benefit; and
- 3) from the lesser amount, deduct Other Income Benefits.

The result is Your Monthly Benefit. Current Monthly Earnings will not be used to reduce Your Monthly Benefit. However, if the sum of Your Monthly Benefit and Your Current Monthly Earnings exceeds 100% of Your Pre-disability Earnings, We will reduce Your Monthly Benefit by the amount of excess.

The 12 consecutive month period will start on the last to occur of:

- 1) the day You first start work; or
- 2) the end of the Elimination Period.

If You are Disabled and not receiving benefits under the Return to Work Incentive, We will calculate Your Monthly Benefit as follows:

- 1) multiply Your Monthly Income Loss by the Benefit Percentage;
- 2) compare the result with the Maximum Benefit; and
- 3) from the lesser amount, deduct Other Income Benefits.

The result is Your Monthly Benefit.

**Calculation of Monthly Benefit:** *What happens if the sum of my Monthly Benefit, Current Monthly Earnings, and Other Income Benefits exceeds 100% of my Pre-disability Earnings?*

If the sum of Your Monthly Benefit, Current Monthly Earnings, and Other Income Benefits exceeds 100% of Your Pre-disability Earnings, We will reduce Your Monthly Benefit by the amount of the excess. However, Your Monthly Benefit will not be less than the Minimum Monthly Benefit.

If an overpayment occurs, We may recover all or any portion of the overpayment, in accordance with the Overpayment Recovery provision.

**Minimum Monthly Benefit:** *Is there a Minimum Monthly Benefit?*

Your Monthly Benefit will not be less than the Minimum Monthly Benefit shown in the Schedule of Insurance.

**Partial Month Payment:** *How is the benefit calculated for a period of less than a month?*

If a Monthly Benefit is payable for a period of less than a month, We will pay 1/30 of the Monthly Benefit for each day You were Disabled.

**Termination of Payment:** *When will my benefit payments end?*

Benefit payments will stop on the earliest of:

- 1) the date You are no longer Disabled;
- 2) the date You fail to furnish Proof of Loss;
- 3) the date You are no longer under the Regular Care of a Physician;
- 4) the date You refuse Our request that You submit to an examination by a Physician or other qualified medical professional;
- 5) the date of Your death;
- 6) the date You refuse to receive recommended treatment that is generally acknowledged by Physicians to cure, correct or limit the disabling condition;
- 7) the last day benefits are payable according to the Maximum Duration of Benefits Table;
- 8) the date Your Current Monthly Earnings:
  - a) are equal to or greater than 80% of Your Indexed Pre-disability Earnings if You are receiving benefits for being Disabled from Your Occupation; or
  - b) are greater than the lesser of the product of Your Indexed Pre-disability Earnings and the Benefit Percentage or the Maximum Monthly Benefit if You are receiving benefits for being Disabled from Any Occupation;
- 9) the date no further benefits are payable under any provision in The Policy that limits benefit duration; or
- 10) the date You refuse to participate in a Rehabilitation program, or refuse to cooperate with or try:
  - a) modifications made to the work site or job process to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Your Occupation;
  - b) adaptive equipment or devices designed to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Your Occupation;
  - c) modifications made to the work site or job process to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Any Occupation, if You were receiving benefits for being disabled from Any Occupation; or
  - d) adaptive equipment or devices designed to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Any Occupation, if You were receiving benefits for being disabled from Any Occupation;provided a qualified Physician or other qualified medical professional agrees that such modifications, Rehabilitation program or adaptive equipment accommodate Your medical limitation.

**Family Care Credit Benefit:** *What if I must incur expenses for Family Care Services in order to participate in a Rehabilitation program?*

If You are working as part of a program of Rehabilitation, We will, for the purpose of calculating Your benefit, deduct the cost of Family Care from earnings received from work as a part of a program of Rehabilitation, subject to the following limitations:

- 1) Family Care means the care or supervision of:
  - a) Your children under age 13; or
  - b) a member of Your household who is mentally or physically handicapped and dependent upon You for support and maintenance;
- 2) the maximum monthly deduction allowed for each qualifying child or family member is:
  - a) \$350 during the first 12 months of Rehabilitation; and
  - b) \$175 thereafter;but in no event may the deduction exceed the amount of Your monthly earnings;
- 3) Family Care Credits may not exceed a total of \$2,500 during a calendar year;
- 4) the deduction will be reduced proportionally for periods of less than a month;

- 5) the charges for Family Care must be documented by a receipt from the caregiver;
- 6) the credit will cease on the first to occur of the following:
  - a) You are no longer in a Rehabilitation program; or
  - b) Family Care Credits for 24 months have been deducted during Your Disability; and
- 7) no Family Care provided by someone Related to the family member receiving the care will be eligible as a deduction under this provision.

Your Current Monthly Earnings after the deduction of Your Family Care Credit will be used to determine Your Monthly Income Loss. In no event will You be eligible to receive a Monthly Benefit under The Policy if Your Current Monthly Earnings before the deduction of the Family Care Credit exceed 80% of Your Indexed Pre-disability Earnings.

**Cost-Of-Living Adjustment:** *How do my benefits keep pace with inflation?*

We will adjust Your Monthly Benefit for increases in the cost-of-living if:

- 1) You have been Disabled for 12 consecutive month(s); and
- 2) You are receiving benefits; and
- 3) Your Current Monthly Earnings are less than or equal to 20% of Your Pre-disability Earnings;

when the Cost-of-Living Adjustment is made. We make the Cost-of-Living Adjustment each year on January 1st.

*What is the Cost-of-Living Adjustment formula?*

We apply the Cost-of-Living Adjustment formula by:

- 1) determining the lesser of:
  - a) 3%; or
  - b) 1/2 the percentage change in the Consumer Price Index;
- 2) multiplying the resulting percentage (%) times the Monthly Benefit for Disability being received; and
- 3) adding the resulting amount to Your Monthly Benefit.

*When will the Cost-of-Living Adjustments end?*

You will not receive a Cost-of-Living Adjustment after:

- 1) You cease to be Disabled; or
- 2) You have received 5 adjustments.

**Consumer Price Index (CPI-W)** means the index for Urban Wage Earners and Clerical Workers published by the United States Department of Labor. It measures on a periodic (usually monthly) basis the change in the cost of typical urban wage earners' and clerical workers' purchase of certain goods and services. If the index is discontinued or changed, We may use another nationally published index that is comparable to the CPI-W.

For the purposes of this benefit, the percentage change in the CPI-W means the difference between the current year's CPI-W as of July 31, and the prior year's CPI-W as of July 31, divided by the prior year's CPI-W.

**Survivor Income Benefit:** *Will my survivors receive a benefit if I die while receiving Disability Benefits?*

If You were receiving a Monthly Benefit at the time of Your death, We will pay a Survivor Income Benefit, when We receive proof satisfactory to Us:

- 1) of Your death; and
- 2) that the person claiming the benefit is entitled to it.

We must receive the satisfactory proof for Survivor Income Benefits within 1 year of the date of Your death.

The Survivor Income Benefit will only be paid:

- 1) to Your Surviving Spouse; or
- 2) if no Surviving Spouse, in equal shares to Your Surviving Children.

If there is no Surviving Spouse or Surviving Children, then no benefit will be paid.

However, We will first apply the Survivor Income Benefit to any overpayment which may exist on Your claim.

If a minor child is entitled to benefits, We may, at Our option, make benefit payments to the person caring for and supporting the child until a legal guardian is appointed.

The Survivor Income Benefit is calculated as 3 times the lesser of:

- 1) Your Monthly Income Loss multiplied by the Benefit Percentage in effect on the date of Your death; or
- 2) The Maximum Monthly Benefit.

**Surviving Spouse** means Your wife or husband who was not legally separated or divorced from You when You died.

**Surviving Children** means Your unmarried children, step children, legally adopted children who, on the date You die, are primarily dependent on You for support and maintenance and who are under age 25.

- 2) were eligible to be claimed as dependents on Your federal income tax return for the last tax year prior to Your death.

**Workplace Modification Benefit:** *Will the Rehabilitation program provide for modifications to my workplace to accommodate my return to work?*

We will reimburse Your Employer for the expense of reasonable Workplace Modifications to accommodate Your Disability and enable You to return to work as an Active Employee. You qualify for this benefit if:

- 1) Your Disability is covered by The Policy;
- 2) the Employer agrees to make modifications to the workplace in order to reasonably accommodate Your return to work and the performance of the Essential Duties of Your job; and
- 3) We approve, in writing, any proposed Workplace Modifications.

Benefits paid for such Workplace Modification shall not exceed the amount equal to the amount of the Maximum Monthly Benefit.

We have the right, at Our expense, to have You examined or evaluated by:

- 1) a Physician or other health care professional; or
- 2) a vocational expert or rehabilitation specialist;

of Our choice so that We may evaluate the appropriateness of any proposed modification.

We will reimburse the Employer's costs for approved Workplace Modifications after:

- 1) the proposed modifications made on Your behalf are complete;
- 2) We have been provided written proof of the expenses incurred to provide such modification; and
- 3) You have returned to work as an Active Employee.

**Workplace Modification** means change in Your work environment, or in the way a job is performed, to allow You to perform, while Disabled, the Essential Duties of Your job. Payment of this benefit will not reduce or deny any benefit You are eligible to receive under the terms of The Policy.

**Ability Plus Benefit:** *What is the Ability Plus Benefit?*

We will pay You the Ability Plus Benefit if:

- 1) a Monthly Benefit is payable;
- 2) You become Cognitively Impaired or unable to perform two or more Activities of Daily Living (ADLs) for which You cannot be reasonably accommodated by adaptive equipment:
  - a) during or after the Elimination Period, and
  - b) for at least 30 consecutive days; and
- 3) the Disability and such impairment or inability begins while You are covered under this benefit.

The Ability Plus Benefit will be 10% of Your Pre-disability Earnings, but not greater than the lesser of:

- 1) \$5,000; or
- 2) the Maximum Monthly Benefit.

We will pay the benefit to You monthly. For periods of less than one month, We will pay 1/30th of the Ability Plus Benefit for each day of covered loss. The Ability Plus Benefit is payable in addition to the Monthly Benefit payable under the Disability Benefit.

The Ability Plus Benefit will not:

- 1) be reduced by Other Income Benefits;
- 2) increase or reduce other benefits under The Policy; or
- 3) be subject to the Cost-of-Living Adjustment.

You are not restricted in any way as to Your use of this Ability Plus Benefit.

We will stop paying You the Ability Plus Benefit on the date:

- 1) Your Monthly Benefit terminates; or
- 2) You are not Cognitively Impaired and You are able to perform five or more ADLs.

**Cognitively Impaired** means You suffer severe deterioration, or loss of:

- 1) memory;

- 2) may request copies of all documents, records, and other information relevant to Your claim; and
- 3) may submit written comments, documents, records and other information relating to Your claim.

We will respond to You in writing with Our final decision on the claim.

**Social Security:** *When must I apply for Social Security Benefits?*

You must apply for Social Security disability benefits when the length of Your Disability meets the minimum duration required to apply for such benefits. You must apply within 45 days from the date of Our request. If the Social Security Administration denies Your eligibility for benefits, You will be required:

- 1) to follow the process established by the Social Security Administration to reconsider the denial; and
- 2) if denied again, to request a hearing before an Administrative Law Judge of the Office of Hearing and Appeals.

**Benefit Estimates:** *How does the Company estimate Disability benefits under the United States Social Security Act?*

We reserve the right to reduce Your Monthly Benefit by estimating the Social Security disability benefits You or Your spouse and children may be eligible to receive.

When We determine that You or Your dependent may be eligible for benefits, We may estimate the amount of these benefits. We may reduce Your Monthly Benefit by the estimated amount.

Your Monthly Benefit will not be reduced by estimated Social Security disability benefits if:

- 1) You apply for Social Security disability benefits and pursue all required appeals in accordance with the Social Security provision; and
- 2) You have signed a form authorizing the Social Security Administration to release information about awards directly to Us; and
- 3) You have signed and returned Our reimbursement agreement, which confirms that You agree to repay all overpayments.

If We have reduced Your Monthly Benefit by an estimated amount and:

- 1) You or Your dependent are later awarded Social Security disability benefits, We will adjust Your Monthly Benefit when We receive proof of the amount awarded, and determine if it was higher or lower than Our estimate; or
- 2) Your application for Social Security disability benefits has been denied, We will adjust Your Monthly Benefit when You provide Us proof of final denial from which You cannot appeal from an Administrative Law Judge of the Office of Hearing and Appeals.

If Your Social Security benefits were lower than We estimated, and We owe You a refund, We will make such refund in a lump sum. If Your Social Security benefits were higher than We estimated, and if Your Monthly Benefit has been overpaid, You must make a lump sum refund to Us equal to all overpayments, in accordance with the Overpayment Recovery provision.

**Overpayment:** *When does an overpayment occur?*

An overpayment occurs:

- 1) when We determine that the total amount We have paid in benefits is more than the amount that was due to You under The Policy; or
- 2) when payment is made by Us that should have been made under another group policy.

This includes, but is not limited to, overpayments resulting from:

- 1) retroactive awards received from sources listed in the Other Income Benefits definition;
- 2) failure to report, or late notification to Us of any Other Income Benefit(s) or earned income;
- 3) misstatement;
- 4) fraud; or
- 5) any error We may make.

**Overpayment Recovery:** *How does the Company exercise the right to recover overpayments?*

We have the right to recover from You any amount that We determine to be an overpayment. You have the obligation to refund to Us any such amount. Our rights and Your obligations in this regard may also be set forth in the reimbursement agreement You will be required to sign when You become eligible for benefits under The Policy.

If benefits are overpaid on any claim, You must reimburse Us within 30 days.

If reimbursement is not made in a timely manner, We have the right to:

- 1) recover such overpayments from:
  - a) You;
  - b) any other organization;
  - c) any other insurance company;
  - d) any other person to or for whom payment was made; and
  - e) Your estate;
- 2) reduce or offset against any future benefits payable to You or Your survivors, including the Minimum Monthly Benefit, until full reimbursement is made. Payments may continue when the overpayment has been recovered;
- 3) refer Your unpaid balance to a collection agency; and
- 4) pursue and enforce all legal and equitable rights in court.

**Subrogation:** *What are the Company's subrogation rights?*

If You:

- 1) suffer a Disability because of the act or omission of a Third Party;
- 2) become entitled to and are paid benefits under The Policy in compensation for lost wages; and
- 3) do not initiate legal action for the recovery of such benefits from the Third Party in a reasonable period of time;

then We will be subrogated to any rights You may have against the Third Party and may, at Our option, bring legal action against the Third Party to recover any payments made by Us in connection with the Disability.

**Third Party** as used in this provision, means any person or legal entity whose act or omission, in full or in part, causes You to suffer a Disability for which benefits are paid or payable under The Policy.

**Reimbursement:** *What are the Company's Reimbursement Rights?*

We have the right to request to be reimbursed for any benefit payments made or required to be made under The Policy for a Disability for which You recover payment from a Third Party.

If You recover payment from a Third Party as:

- a) a legal judgment;
- b) an arbitration award; or
- c) a settlement or otherwise;

You must reimburse Us for the lesser of:

- a) the amount of payment made or required to be made by Us; or
- b) the amount recovered from the Third Party less any reasonable legal fees associated with the recovery.

**Third Party** as used in this provision, means any person or legal entity whose act or omission, in full or in part, causes You to suffer a Disability for which benefits are paid or payable under The Policy.

**Legal Actions:** *When can legal action be taken against Us?*

Legal action cannot be taken against Us:

- 1) sooner than 60 days after the date Proof of Loss is given; or
- 2) more than 3 years after the date Proof of Loss is required to be given according to the terms of The Policy.

**Fraud:** *What are the consequences of making fraudulent statements?*

Any person who, with the intent to defraud or knowing that he or she is facilitating a fraud against an insurer, submits an application or files a claim containing a false or deceptive statement may have violated state law.

**Misstatements:** *What happens if facts are misstated?*

If material facts about You were not stated accurately:

- 1) Your premium may be adjusted; and
- 2) the true facts will be used to determine if, and for what amount, coverage should have been in force.

No statement, except fraudulent misstatements, made by You relating to Your insurability will be used to contest the insurance for which the statement was made after the insurance has been in force for two years during Your lifetime. In order to be used, the statement must be in writing and signed by You.

All statements made by the Policyholder, the Employer or You under The Policy will be deemed representations and not warranties. No statement made to affect this insurance will be used in any contest unless it is in writing and a copy of it is given to the person who made it, or to his or her beneficiary or Your representative.

**Policy Interpretation:** *Who interprets the terms and conditions of The Policy?*

We have full discretion and authority to determine eligibility for benefits and to construe and interpret all terms and provisions of The Policy.

**Physical Examinations and Autopsy:** *Will I be examined during the course of my claim?*

While a claim is pending We have the right at Our expense:

- 1) to have the person who has a loss examined by a Physician when and as often as reasonably necessary; and
- 2) to make an autopsy in case of death where it is not forbidden by law.

## DEFINITIONS

**Actively at Work** means at work with the Employer on a day that is one of the Employer's scheduled workdays. On that day, You must be performing for wage or profit all of the regular duties of Your Occupation:

- 1) in the usual way; and
- 2) for Your usual number of hours.

If school is not in session due to normal vacation or school break(s), Actively at Work shall mean You are able to report for work with the Employer, performing all the regular duties of Your Occupation in the usual way for Your usual number of hours as if school was in session.

**Active Employee** means an employee who works for the Employer on a regular basis in the usual course of the Employer's business. This must be at least the number of hours shown in the Schedule of Insurance.

**Any Occupation** means any occupation for which You are qualified by education, training or experience, and that has an earnings potential greater than the lesser of:

- 1) the product of Your Indexed Pre-disability Earnings and the Benefit Percentage; or
- 2) the Maximum Monthly Benefit.

**Current Monthly Earnings** means monthly earnings You receive from:

- 1) Your Employer; and
- 2) other employment;

while You are Disabled.

However, if the other employment is a job You held in addition to Your job with Your Employer, then during any period that You are entitled to benefits for being Disabled from Your Occupation, only the portion of Your earnings that exceeds Your average earnings from the other employer over the 6 month period just before You became Disabled will count as Current Monthly Earnings.

Current Monthly Earnings also includes the pay You could have received for another job or a modified job if:

- 1) such job was offered to You by Your Employer, or another employer, and You refused the offer; and
- 2) the requirements of the position were consistent with:
  - a) Your education, training and experience; and
  - b) Your capabilities as medically substantiated by Your Physician.

**Disability or Disabled** means You are prevented from performing one or more of the Essential Duties of:

- 3) after that, Any Occupation.

If at the end of the Elimination Period, You are prevented from performing one or more of the Essential Duties of Your Occupation, but Your Current Monthly Earnings are equal to or greater than 80% of Your Pre-disability Earnings, Your Elimination Period will be extended for a total period of 12 months from the original date of Disability, or until such time as Your Current Monthly Earnings are less than 80% of Your Pre-disability Earnings, whichever occurs first. For the purposes of extending Your Elimination Period, Your Current Monthly Earnings will not include the pay You could have received for another job or a modified job if such job was offered to You by Your Employer, or another employer, and You refused the offer.

Your Disability must result from:

- 1) accidental bodily injury;
- 2) sickness;

- 2) the period of time covered by the lump sum or settlement.

We will pro-rate the lump sum or settlement over this period of time. If You cannot or do not provide this information, We will assume the entire sum to be for loss of income, and the time period to be 24 month(s). We may make a retroactive allocation of any retroactive Other Income Benefit. A retroactive allocation may result in an overpayment of Your claim.
