Dear Parent/Guardian:

During the 2018-2019 school-year, your child will be included in Family Life Education (FLE) lessons. The purpose of FLE is, among other things, to teach students to develop a positive self-image, to combat unwanted peer pressure, and to understand age-appropriate aspects of their own growth and development. You can access more information about the program by reviewing the summaries below or by visiting the library at your child’s school.

**PLEASE NOTE: You do not need to return this form unless you are opting your child out of some or all of the Family Life Education lessons.**

In order to exclude your child from any or all FLE content, please sign and date below and return this form to your child’s classroom teacher.
