Dr. Gregory C. Hutchings, Jr.

2018-2019 Family Life Education (FLE) 

The Alexandria City Public Schools (ACPS) is committed to providing a healthy and safe learning environment for all students. As part of this commitment, ACPS offers Family Life Education (FLE) to students in grades 6-12. FLE is a curriculum that focuses on health education, including topics such as substance abuse prevention, healthy relationships, and sexual health.

This Information and Exemption Form is provided to inform parents or guardians about the FLE curriculum and its content. It also provides an opportunity for parents or guardians to exempt their child from the FLE curriculum if they choose not to.

Parents or guardians are encouraged to review the FLE curriculum and its content with their child. If they have any questions or concerns, they should contact their child's school or the ACPS Office of Health and Wellness.

At the end of this form, parents or guardians will be asked to sign and date the form to acknowledge receipt of this information.
