Claiming your NetID (GW email)

Claiming your NetID allows you to create your GWMail account. Your NetID will be the first part of your email address (before @gwu.edu), and also your username when signing in to Blackboard.

- All official university communication will be sent to your GWMail address. You should plan to check your GWMail a few times each week

To claim your NetID:

- Visit <https://identity.gwu.edu/claim/index>
- Select the option to “Claim your GW Email Address/NetID”
- Enter your GWID*, your Last Name, and your Date of Birth (mm/dd/yyyy)
- Check the box to accept GW Policies and “Claim Email/Account”
- Your email should be something you will easily remember!
 - some derivation of your name is usually best

Remember! Your GW email address will follow you throughout your time at the University. Should you attend GW as an undergraduate student, you will not be able to change your email address.

*If you do not remember your GWID, please email the Office of Student Life and Academic Support (OSLAS) at RaiseHighHS@gwu.edu with your full name and date of birth. The advisors in this office will provide you with your GWID.
