

LICENSED STAFF

All teachers regularly employed by the Alexandria City School Board or paid from public funds shall:

- Hold a license or provisional license issued by the Virginia Board of Education; or
- Hold a three-year license to teach high school career and technical education courses in specified subject areas; or
- Be hired to teach in a trade and industrial education program and for whom the teacher licensure requirements have been waived by the Virginia Department of Education.

If a teacher employed under a provisional license is activated or deployed for military service within a school year (July 1 - June 30), an additional year will be added to the teacher's provisional license for each school year or portion thereof that the teacher is activated or deployed. The additional year or years shall be granted the following year or years after the return of the teacher from deployment or activation.

The Virginia Board of Education prescribes, by regulation, the requirements for the licensure for teachers and other school personnel required to hold a license.
