The use of school buses for purposes other than transporting children to and from school for the regular school hours and for extracurricular activities is permitted with prior approval of the Superintendent or designee and in accordance with regulations pertaining to field trips.

In addition, the School Board may enter into agreements with the Alexandria City Council, or any state agency or any federal agency established or identified pursuant 42 U.S.C. § 3001 et seq. providing for the use of school buses of the Division by such body or agency for public purposes, including transportation of Alexandria City residents. Each such agreement shall provide for reimbursing the School Board in full for the proportionate share of any and all costs, both fixed and variable, of such buses attributable to their use pursuant to such agreement. Alexandria City Council, or an appropriate state or federal agency, shall indemnify and hold harmless the School Board from any and all liability by virtue of the use of its buses pursuant to such an agreement.
