

Alexandria City Public Schools

# FY 2019 Final Budget

## ACPS 2020 Mission

Every student succeeds: Educating lifelong learners and inspiring civic responsibility.

## ACPS 2020 Vision

Our students achieve at high levels, are well-rounded, critical thinkers, and have a passion to learn.

ACPS has an engaging and collaborative climate that promotes ethical behavior and values diversity.

ACPS is a vital part of the fabric of our community, and Alexandria residents and businesses take pride in our schools.

## Superintendent's Message

### **FY 2019 Proposed Combined Funds Budget**

***Keeping our eye on the prize - Every Student Succeeds!***

January 11, 2018

To Students, Staff, Parents, Members of the School Board and the Alexandria Community:

Alexandria City Public Schools' (ACPS) leadership and staff continue to focus on one primary priority – insuring that every student who walks through our schoolhouse doors succeeds. We remain committed to our strategic plan, *ACPS 2020* as our navigational tool to make that priority a reality and to guide our budget decisions. Our enrollment continues to grow and our division remains one of great diversity, providing a rich cultural experience for our students, families, and staff as well as challenges. Each success we realize is to be celebrated as we recognize that the investments we have made to provide resources to our teachers and their classrooms are making a difference.

I am pleased to present the Superintendent's Proposed Budget for FY 2019. It is a budget that addresses our ever increasing enrollment, the opening of two new school buildings, support for our staff and non-discretionary cost increases. This budget reflects input from community members, advisory committees and councils, parents, students and staff, all of whom share a commitment to making Alexandria City Public Schools a high-performing school division.

The proposed operating budget of \$275.4 million and 2,374.89 FTEs is \$13.5 million or a 4.9% increase over the current year, and provides our staff with the resources they need to help our students succeed.

#### **Budget Priorities and Guiding Principles**

In September 2017, the School Board set forth its budget priorities for FY 2019. These priorities provided guidance and broad areas of focus for the Superintendent and staff to consider when developing the detailed budget for next year. The priorities are:

- Core Achievement in specialized instruction, English learner services, gap group achievement, mathematics, literacy and writing
- Family and Community Engagement including communications and customer service for external stakeholders
- Exemplary Staff including leadership and professional development, competitive compensation and retention and recruitment

- Facilities and Learning Environment including safe schools for students and faculty and optimal and equitable learning environments
- Health and Wellness including mental and social/emotional health, physical education/fitness and nutrition programs
- Effective and Efficient Operations including communications and customer service for internal stakeholders

The budget we have developed addresses those priorities, accomplishing several key goals. The FY 2019 Proposed Budget is one that:

- Protects the classroom, addressing growing enrollment across all grade levels.
- Strengthens the provision of services for specialized instruction, English learners and Gifted and Talented learners.
- Positions ACPS to recruit and retain highly qualified staff, and to offer competitive salaries and benefits.
- Supports the operation and maintenance of our facilities, creating optimal learning environments.

Budgets always present us with hard choices. The decisions reached reflect our efforts to drive resources to where they will most impact our students' ability to succeed.

In addition to the operating budget, ACPS serves each student through funding from grants and special projects and the school nutrition program. When combined, the FY 2019 budget totals \$298.2 million including 2,571.14 FTEs.

### **Highlights of the FY 2019 Proposed Operating Budget**

There are key areas within the FY 2019 Proposed Budget that require additional funds or the realignment of resources within the budget. These include the staffing necessary to address growing student enrollment, rising medical benefit costs, a modest increase in compensation for our employees, and other targeted growth areas to support academic achievement. Here is a high-level look at the primary drivers for next year's budget:

#### **Growing Student Enrollment: \$5.3 million**

Growing student enrollment impacts our budget directly. FY 2019 enrollment is projected to increase by 2.5%, giving us a total of 15,928 students. By FY 2027, ACPS is projected to have an enrollment of just over a total of 18,100 students.

## Enrollment Growth FY 2015 to Projected FY 2019

### ACPS Enrollment History by Grade Level

Data based on September 30 Fall Membership

\*Includes Jefferson-Houston and Patrick Henry enrollments for grades six, seven, and eight.

We are committed to the belief that the key to student success is based on having qualified and talented teachers in all of our classrooms. The changing needs of our students require additional staffing for specialized instruction and English learners.

This proposed budget also represents an ongoing commitment to ACPS students by supporting initiatives that have been implemented to decrease gaps in achievement across economic, educational and racial groups.

The budget continues to allow us to offer a broad spectrum of challenging educational opportunities for our students, including elementary Dual Language programs, a secondary STEM Academy, a STEM focus at the elementary level, the Advancement Via Individual Determination (AVID) Program, and honors and Advanced Placement classes, to name a few.

In total, the FY 2019 Proposed Budget allocates an additional \$5.3 million to cover the costs of the additional teachers and instructional support personnel needed at all grade levels of the division. These additions directly support our goal of achieving academic excellence and educational equity for all students.

### **Compensation and Benefits: \$7.8 million**

The ACPS 2020 strategic plan states that we must attract and retain the best and brightest teachers to our school division. In doing so, we must offer compensation that

is competitive with our surrounding school divisions. ACPS plans to award eligible staff a full-step increase at the beginning of the contract year and adjust salary scales so that an additional step is added at the top. The increase in compensation is projected to be \$4.7 million.

Health care costs are projected to increase next year. In all, benefits are projected to increase by \$4.4 million.

**Other Areas of Focus: \$2.7 million**

The FY 2018 Proposed Budget includes additional resources to further support our strategic plan goals of academic achievement and effective operations as follows:

- Materials and operating costs for two new school buildings.
- Textbooks for elementary reading and social studies.
- Increased HVAC maintenance.

**Areas of Reductions: (\$2.5) million**

To ensure resources are allocated efficiently, the FY 2019 Proposed Budget includes reductions in several areas. These include:

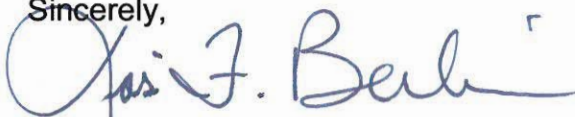

- Each department, with the exception of Educational Facilities, Curriculum and Instruction, and Technology Services reduced their non-personnel budgets by at least 5.0%(\$0.5 million)
- PIE grants (\$0.2 million)
- Overtime (\$0.3 million)
- Flex Positions and Salary Savings (\$1.5 million)

We invite families, students, employees and community members to get involved in the budget process and offer suggestions and ideas. Please take advantage of opportunities such as the Superintendent's monthly chats which will be published on our website at [www.acps.k12.va.us](http://www.acps.k12.va.us). You may also send your budget comments and questions directly to the Superintendent and staff at <http://www.acps.k12.va.us/budgets/>.

We are committed to making Alexandria City Public Schools the very best they can be. I am confident that the FY 2019 budget provides the resources in our classrooms that will give our students the opportunity to succeed.

Thank you for your continuing support of our school division.

Sincerely,

Lois F. Berlin, Ed.D.

Interim Superintendent of Schools

## Understanding the Budget

The ACPS budget document is a source of useful information. It contains fund statements and supporting details that provide the reader with an understanding of the school division's financial position and spending plan for the coming year. The document is also filled with information regarding division-wide priorities, planning activities, educational programs, and initiatives. The document provides a look at our recent history (where we have been), the present (what we are doing now), and the future (what we are planning and what the outlook is for several years down the road).

When reading the document, it is important to remember that the development of the budget is a year-long endeavor, with the final approved budget evolving through a series of iterations. Budget planning and development takes place from July through December. The budget approval process starts in January and features three major milestones:

- *Proposed Budget*

The Superintendent's Proposed Budget is presented to the School Board and released to the public in January of each year. This budget is the result of detailed work by the Superintendent and the ACPS leadership team, and it reflects what the Superintendent believes are the resources the division needs to meet the School Board's budget priorities for the coming year. The budget contains projections for enrollment, revenue and expenditures by fund, and highlights the major changes planned.

- *Approved Budget*

After receiving the proposed budget, the School Board reviews it, receives answers to any questions members may have, and holds a public hearing to provide community members an opportunity to express their thoughts. The School Board may then suggest changes to the proposed budget. The Superintendent takes those suggestions under advisement, creating a series of recommendations that are incorporated into a revised budget. The School Board may make additional changes to the proposed budget, ultimately agreeing on the Approved Budget, which reflects what they believe are the resources required by the division.

- *Final Budget*

In early May when Alexandria City Council adopts its budget for the coming year, ACPS comes to a clear understanding of the total funding the City is planning to allocate to support the school division. In a process similar to the development of the approved budget, the Superintendent presents recommendations for revising the budget to be consistent with the City's budgeted funding support. The School Board may again make changes to the budget, which when passed, becomes the Final Budget.

## Budget Document

The budget document is organized into four major sections: Executive Summary, Organization, Financials, and Information. The Information section has four sub-sections: division information, schools, departments, and appendix, which includes the glossary. Each section is further described below:

- *Executive Summary*

The Executive Summary of the ACPS budget document is a comprehensive summary and presents a complete picture of the budget story. It includes major highlights from each of the other sections of

the budget document and can be used as a stand-alone document.

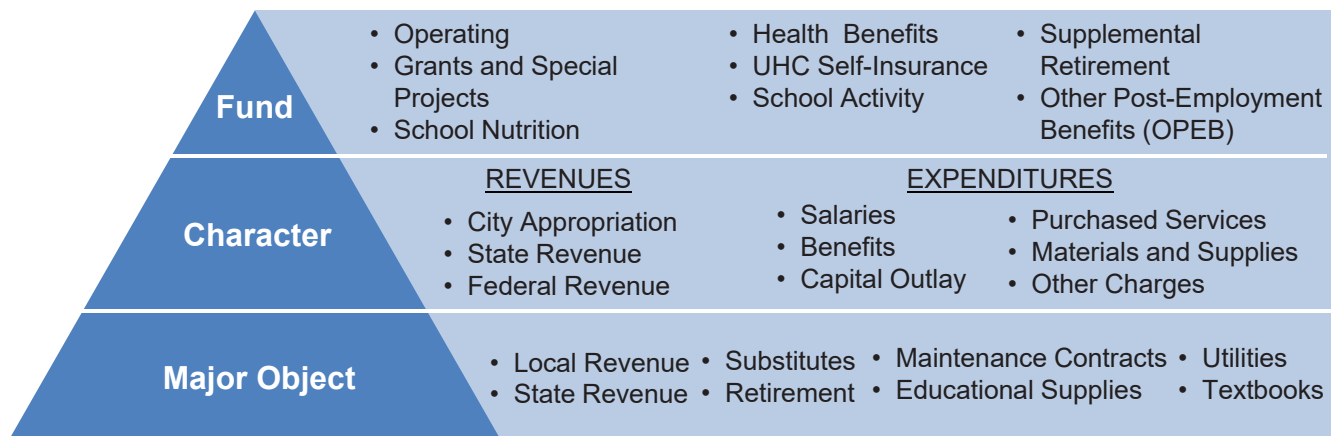

- **Organization**

The Organization section includes information related to organizational structure, as well as long-term, division-wide, strategic goals that provide the context for decisions within the annual budget. It also includes an overview of the budget process and calendar, as well as a summary of the division's financial policies and practices.

- **Financials**

The Financials section includes summaries of all School Board funds, including the governmental, internal service, and fiduciary funds. This section presents information in a pyramid format: starting with fund statements, then detailing revenues and expenditures. An overview of major changes in expenditures and detailed financial reports comparing the current budget to the previous fiscal year is also included. The pyramid format allows the reader to view the information from the highest level of the combined funds statement to the more detailed information contained in individual fund statements.

For purposes of budget presentation, ACPS classifies its revenues and expenditures according to the following structure: fund, character, and major object. Funds represent the highest level of the classification structure. Character classifies revenues and expenditures into high-level categories. Major object provides a finer level of detail. The chart below shows how this structure forms a pyramid, moving from the most detailed (object) at the bottom, to the most summarized (fund) at the top, and provides examples of the major types of elements in each layer.

- **Information**

The Information section of the document provides the details of ACPS' enrollment, demographics, and staffing. This section compares the unique make-up of our student population and also describes the various staffing formulae that are used to allocate staffing for elementary homeroom and encore, division-wide specialized instruction, English learners (EL), elementary talented and gifted (TAG), and assistant principal staffing. In addition to these data, readers can find information regarding Alexandria community demographics, school allocations, and cost per pupil details. The information section of the budget document is organized into three major sections: Schools, Departments, and Appendix.

## *Schools*

*The Schools sub-section contains summary-level information for all ACPS' schools, Alternative Education Programs, and School-wide Resources. Included are schools' education plans, demographics, performance tables, staffing, and budget reports.*

## *Departments*

*Similar to the Schools sub-section described above, this sub-section contains information for each department within ACPS. These pages include the organizational structure, responsibilities, work plans, staffing, and budget reports.*

## *Appendix*

*The Appendix includes a glossary of terms and positions used in the budget document and additional resources.*

## **What the Alexandria Community Needs to Know about the ACPS Budget**

Citizens are encouraged to learn about the ACPS budget. It is helpful to take a broad view first and understand concepts that are key factors in the development of the budget.

- ACPS is required by law to operate within a balanced budget. Because of this requirement, the Operating Fund budget is purposefully conservative in its projections of revenues and expenditures, which helps the school division end the year with an available balance, typical of other school divisions as well as local and state governments. Under current practice, ACPS retains this balance to pay for the carryover of encumbered obligations (orders of goods and services which have not been received as of the end of the fiscal year) and to support the following year's budget (currently limited to no more than two percent of proposed operating expenditures). The remainder is held as a cushion against extraordinary circumstances that might cause significant, one-time increases in expenditures or decreases in revenue.
- The final budget is informed by ACPS 2020: A Strategic Plan for Alexandria's Future, the division's strategic plan. The plan was developed with significant input from stakeholders, including students, parents, teachers and other staff, and members of the Alexandria community. The plan approved by the School Board reflects the educational landscape, the specific needs of the school division, and the aspirations of the Alexandria community. ACPS 2020 is the roadmap guiding the division's decision making for the next several years.
- The City of Alexandria is the primary source of the school division's operating fund revenue. The Commonwealth of Virginia views Alexandria as a wealthy community in comparison to other jurisdictions in the state. When the State determines the amount of funding it will provide to ACPS, it takes into consideration this wealth factor (called the Local Composite Index) and adjusts allocations down, based on the calculation of financial resources available in the City. As a result, the State provides ACPS with less direct aid support on a per pupil basis than other Virginia school divisions.
- School operations are labor-intensive and because of this, salaries and benefits comprise the majority of the budgeted operating expenditures. Most of these expenditures are for resources provided directly in the schools; for teachers and paraprofessionals; for counselors, nurses, and other licensed professionals; for principals and their administrative teams; and for support staff including custodians, security officers, and cafeteria aides.

- Major drivers of the labor expenditures include enrollment growth, market competition, health care costs, and State mandates (both funded and unfunded).
  - Growth in enrollment, in total and in subgroups of students with additional needs, drives the number of staff and the number of classrooms required. Many school-based positions are driven by formula prescribed by Standards of Quality (SOQs) established by the Virginia General Assembly.
  - Competition for staff is intensive in the Northern Virginia area, requiring the school division to offer competitive salary and benefit packages.
  - Health care costs have risen dramatically over the last several years, including a projected 13.6% increase for FY 2019.
  - Certain benefit expenditures are mandated by the Commonwealth of Virginia, notably retirement rates for licensed professionals and administrative staff in the Virginia Retirement System (VRS).
- ACPS recognizes that revenue constraints require careful consideration of current expenditures to identify areas where costs may be reduced and operational efficiencies gained. During the course of the annual budget process, all major programs are reviewed to assess what changes can be implemented to offset the expenditure increases noted above. Budgets are often about making hard choices, and sometimes an area which is no longer a strategic priority needs to be reduced or eliminated to make funds available for new priorities.

## Where to Get More Information

ACPS is committed to making the budget process as understandable and accessible as possible, and strives to improve the transparency of the process every year. The key place to find more information is the ACPS website, where there is a page specifically dedicated to the budget. Visit <https://www.acps.k12.va.us/budgets> to see the latest information on:

- The budget calendar, which details upcoming meetings, key activities, and milestones leading to the approval of the annual budget.
- The final budget for the current year, and proposed budget for next year (when published), as well as an archive of historical budgets dating back to FY 2003.
- Questions about the budget, posed by the School Board, the City Council and community members, along with detailed answers from staff.
- A summary of revisions proposed by School Board members and the Superintendent's recommended adjustments.

## How to Provide Feedback

Feedback from the community is an important part of the budget process and there are several ways to provide comments and voice concerns. Specific opportunities include:

- Send comments using the ACPS website: <https://www.acps.k12.va.us/budgets>
- Email the Superintendent at [superintendent@acps.k12.va.us](mailto:superintendent@acps.k12.va.us)
- Contact your school's PTA president and send your questions and comments through the Parent-Teacher Advisory Council (PTAC)
- Sign up to speak at one of the School Board's public hearings on the budget
- Join the School Board's Budget Advisory Committee: <https://www.acps.k12.va.us/domain/1025>

## Alexandria City Public Schools

### Students and Schools

The City of Alexandria and Alexandria City Public Schools (ACPS) are dedicated to ensuring academic success for each and every student. ACPS celebrates its diversity with students who come from 118 different countries, speak 120 native languages and represent a multitude of ethnic, cultural, and economic groups. The School Board's Academic Excellence and Educational Equity Policy (Policy IGBJ) pledges to educate students in an atmosphere of excellence and educational equity that prepares them for citizenship and ensures they are challenged to stretch their talents and aspirations.

The school division is comprised of one Early Childhood Center, 12 elementary schools, one Pre-K through seven school, one Pre-K through eight school, two middle schools (grades six through eight) and one high school. T.C. Williams High School consists of a ninth-grade campus and a separate main campus for grades 10-12. ACPS provides educational opportunities through a flexible online learning Satellite Program and the Chance for Change Academy (an interim education facility). ACPS also operates the Northern Virginia Juvenile Detention Center School and the ShelterCare facility.

ACPS will serve a projected 15,928 students in FY 2019. Based on VDOE's fall 2017 membership data, ACPS ranked 16th of 132 school divisions in the Commonwealth of Virginia in terms of size. The three largest Virginia school divisions - Fairfax, Prince William, and Loudoun County Public Schools - are also located in Northern Virginia.

### Governance

The Alexandria City School Board is a nine-member elected body whose primary

responsibilities are to adjust and oversee capital and operating budgets annually, to formulate and adopt policy, to select a Superintendent to implement policy, and to evaluate the results (Policy BBA). The City of Alexandria is divided into three voting districts and three Board members are elected from each district. Each member is elected concurrently for a three-year term of office. The most recent election took place in November 2015 and the newly elected Board members took office in January 2016.

School Board meetings are typically held twice a month, Thursday evenings, in the School Board Meeting Room located at 1340 Braddock Place. Board meetings are televised live in Alexandria on Channel 71, streamed live and archived on the ACPS website. Meeting agendas are maintained online at <http://esbpublic.acps.k12.va.us> by the School Board Office. They also are posted online at [www.acps.k12.va.us/domain/851](http://www.acps.k12.va.us/domain/851). For more information, please contact the Clerk of the Board at 703-619-8019.

Any citizen may address the Board at any regular meeting during the designated period called "Communications and Addresses to the Board." Persons wishing to appear before the School Board are asked to contact the Clerk of the Board or sign up online at [www.acps.k12.va.us/domain/852](http://www.acps.k12.va.us/domain/852) for inclusion on the agenda. A reasonable period of time, as determined by the School Board, will be allocated at each regular meeting for citizens to present matters of concern.

The Superintendent, Dr. Gregory C. Hutchings Jr., is the chief executive officer for the school division. The Superintendent's mission is to ensure that all activities within the school system support the six goals of the *ACPS 2020: A Strategic Plan for Alexandria's Future*. As part of this strategic plan, the Superintendent's mission is to ensure that:

- Every child in every classroom receives the highest quality education and instruction;

# Overview of Alexandria City Public Schools

---

- Safe and secure learning and working environments are available for all students and employees;
- The Alexandria City Public School system attracts and retains the best possible employees;
- All employees are properly trained through ongoing staff and professional development to stay informed of current educational trends and to develop new skills in their areas of expertise;
- State of the art technology is readily accessible to all students and staff;
- Parent and community involvement in the educational process of our students is properly and continuously promoted and encouraged; and,
- All Alexandria City Public Schools are fully accredited.

The following pages show ACPS' School Board assignments, division organizational structure, school leadership contacts, and a map of school sites across the city.

The Superintendent works closely with executive staff to manage all aspects of school division operations. All chief officers and the directors of communications and school, business and community partnerships all report directly to the Superintendent.

The work of central office concentrates on planning, continuous improvement, leadership development, and culture as shared responsibilities of all ACPS administrators. The organizational structure is intended to ensure that the key focus remains on quality instruction, curriculum, and comprehensive student support. Focus also remains on aging infrastructure and ensuring students and staff are housed in safe and secure buildings.

ACPS, like many other school divisions, is retooling significant operations to ensure increased efficiency and effectiveness as budget discussions become increasingly difficult. Each year, all programs are evaluated to look for efficiencies and new programs are placed on hold or phased in over multiple budget years.

# Organizational Information

# Enrollment Information

## ACPS Enrollment

ACPS' enrollment data series counts all students, including students under the age of 5 and over the age of 20, as well as all special placements. The division incurs costs for all enrolled students even if they are not included in the state's definition of average daily membership.

As shown on the chart below, from FY 2015 through FY 2018, the elementary school enrollment has increased from 8,033 to 8,501 students. Middle school has increased from 2,660 to 3,043 students and high school has increased from 3,474 to 3,949 students during this same period. Over the same time period, the number of students attending special placement facilities decreased by 10.

Enrollment projections are prepared annually as a collaborative effort by ACPS' Operations Department and the City's Planning and Zoning Department. In general, the enrollment

projections are based on trends experienced throughout the school division by school and by grade. An average "Cohort Survival Rate" from the previous 3 or 4 years at each school and grade is used to determine the numbers of students who would be retained and/or added in each school and at each grade level.

For FY 2019, elementary school enrollment is projected to be 8,493 with middle school at 3,314, which includes students in grades 6-8 at Jefferson-Houston and Patrick Henry. High school is expected to grow by 125 students to 4,074. Enrollment in all schools is projected to increase for FY 2019 by 388 students, including students being served in special placement facilities.

With the projected changes in enrollment for FY 2019, elementary school enrollment represents 53.5 percent with middle and high schools at 20.9 percent and 25.6 percent, respectively, of total enrollment, not including special placements.

## ACPS Enrollment History by Grade Level

Data based on September 30 Fall Membership

\*Includes Jefferson-Houston and Patrick Henry enrollments for grades six, seven, and eight.

# Budget Process and Timeline

---

## Budget Process

The budget is a resource allocation and policy document. It incorporates the best estimate of the school division's revenues and expenditures for the next fiscal year based on a snapshot of current fiscal year revenue and expenditures. These estimates are modified to reflect changes in plans, priorities and trends in enrollment as well as the economic environment.

The Code of Virginia requires that each school Superintendent prepare a budget that estimates the expected funding needed to support public schools during the coming year. It is then the responsibility of the School Board to balance the needs of the school division with respect to the economic and political environment.

The budget provides a framework for measuring and monitoring expenditures. Throughout the year, actual spending is compared with the budget in each organizational and programmatic area. The comparison can provide a measure of effectiveness and also help ensure that funds are used for their intended purpose.

### Key Elements of the ACPS Planning Process

- Strategic plan
- Board budget priorities
- School education and departmental work plans
- Student and school achievement data
- Operating cost trend analyses
- Parent and community input
- Capital Improvement Program budget
- Current fiscal year budget
- Grant or program-specific plans

## Planning Activities in ACPS

The *ACPS 2020: A Strategic Plan for Alexandria's Future* is the foundation document for all the actions of the school division. It directs the actions the division takes in meeting the goals and aspirations of the Alexandria community and guides the activities of employees and leaders as well as the expenditure of all funds entrusted to the School Board. The Strategic Plan informs the development of the Board Budget Priorities, the School Education Plans, and the Departmental Work Plans, all of which provide a framework for the school division's operations. The annual budget process quantifies the resources needed to carry out those plans.

Major planning activities in ACPS are as follows:

- On June 11, 2015, the School Board adopted *ACPS 2020: A Strategic Plan for Alexandria's Future*, a comprehensive strategic plan for fiscal years 2016-2020. The full 2016-2020 strategic plan can be found in the Organization section of this document.
- All school principals have prepared education plans congruent with the goals and objectives of the current strategic plan. Education plan summaries are located in the Schools section of this document.
- All department leaders have created departmental work plans congruent with the goals and objectives of the strategic plan. Department work plan summaries can be found in the Departments section of this document.
- The School Board's Combined Funds Budget is adopted annually and reflects ongoing programs as well as initiatives for the following year.

# Budget Process and Timeline

---

- Analysis of student and school achievement data is done on a regular basis by school staff in professional learning communities and in collaboration with central office staff from the Departments of Curriculum and Instruction and Accountability.
- Analyses of trends that affect ACPS costs and operations are conducted regularly in a variety of areas.
- School Board advisory committees work regularly with staff to provide input and feedback on ACPS operations and report annually to the School Board. These committees include the Athletic Hall of Fame Committee, the Budget Advisory Committee, the Career and Technical Education Advisory Committee, the School Health Advisory Board, the Special Education Advisory Committee, the Student Achievement Advisory Committee, and the Talented and Gifted Advisory Committee.
- The Superintendent receives input for planning from a variety of advisory groups, such as the Business Advisory Council, the Education Association of Alexandria (EAA), the Superintendent's Student Leadership Council, and the Teachers Advisory Council.
- The Capital Improvement Program (CIP) budget is adopted annually by the School Board. The CIP budget provides a 10 year prioritized plan for major facility changes.
- In addition to division-wide plans such as the annual budget, there are many subsidiary areas that require detailed plans. The Commonwealth of Virginia requires plans for talented and gifted, career and technical, technology, and adult education programs. Division plans, including special education, are impacted by the federal entitlement grant process which requires comprehensive planning.

## Budget Overview

The FY 2019 Final Combined Funds Budget represents an ongoing commitment to ACPS students as aligned with *ACPS 2020: A Strategic Plan for Alexandria's Future*. A full review of programs and services was conducted to confirm focus on student achievement and support of initiatives that have been implemented to decrease gaps in achievement across various economic, educational and racial groups.

The FY 2019 final operating expenditures budget totals \$273.81 million, an increase of 5.2 percent compared to the FY 2018 final budget. The final appropriation to ACPS from the City of Alexandria totals \$223.83 million, an increase of 4.56 percent compared to the FY 2018 final budget. Total positions show a net increase of 67.11 FTE or 2.6 percent.

For FY 2019, overall student growth is projected to increase by 2.5 percent, or 388 students, for a total enrollment of 15,928 (excludes special placements). Elementary enrollment is projected to decrease by 8, while secondary enrollment is projected to increase by 396 students. Additionally, special placement students will remain unchanged.

Although exceptional progress can be seen through the division-wide transformation efforts over the past several years, the work is not complete. The School Board, Superintendent, and staff continue long-term efforts that require strategic planning, investment in our staff, professional learning, accountability and community engagement. This budget aligns our resources effectively and efficiently in order to support student achievement, provide top quality teachers, improve facilities, engage families and ensure the safety and security of students and staff.

# Strategic Plan

---

## ACPS Strategic Planning

On June 11, 2015, the School Board adopted *ACPS 2020: A Strategic Plan for Alexandria's Future*. A summary of this strategic plan appears on the following pages, and the entire plan can be found in the Organization section of this document. The mission of the strategic plan is: *Every Student Succeeds*.

Schools align their School Education Plans to the strategic plan and use school-specific data to identify SMART (Specific, Measurable, Aggressive and Achievable, Relevant, Time-Bound) goals that guide their actions throughout the school year. Through a root-cause analysis, schools identify the top strategies used to reach their SMART goals and create action plans to support the strategies. Summaries of the School Education Plans can be found in the Schools section of this document.

Departments have mapped their department work plans to these strategic plan goals and measurable objectives have been developed. Summaries of the department work plans can be found in the Departments section of this document.

## School Board Budget Priorities

Each year, the School Board provides guidance to the Superintendent and staff regarding budget priorities for the upcoming school year. These priorities range from academic achievement to operational effectiveness, and are tied to the goals set forth in *ACPS 2020: A Strategic Plan for Alexandria's Future*.

The School Board has approved the following FY 2019 Budget Priorities:

- **Goal 1: Academic Excellence and Educational Equity** - Specialized Instruction, English Learner Services, Gap Group Achievement, Math , Literacy, and Writing.

- **Goal 2: Family and Community Engagement** - Communications and Customer Service for External Stakeholders.
- **Goal 3: An Exemplary Staff** - Leadership and Professional Development, Competitive Compensation, and Retention and Recruitment.
- **Goal 4: Facilities and the Learning Environment** - Safe Schools for Students and Faculty and Optimal and Equitable Learning Environments.
- **Goal 5: Health and Wellness** - Mental and Social/Emotional Health, Physical Education/Fitness, and Nutrition Programs.
- **Goal 6: Effective and Efficient Operations** - Communications and Customer Service for Internal Stakeholders.

All school and department budgets were created with these priorities as a focus. In addition, all budget decisions made by the Superintendent and Leadership Team are based on these budget priorities and their relationship to the strategic plan. The table "Budget Alignment to ACPS 2020" in the Organization section, shows specific funding areas that support these budget priorities and the strategic plan.

## ACPS 2020: Every Student Succeeds

## ACPS 2020: Every Student Succeeds

---

### Mission

*Every Student Succeeds: Educating lifelong learners and inspiring civic responsibility.*

### Vision

*Our students achieve at high levels, are well-rounded, critical thinkers, and have a passion to learn.*

*ACPS has an engaging and collaborative climate that promotes ethical behavior and values diversity.*

*ACPS is a vital part of the fabric of our community, and Alexandria residents and businesses take pride in our schools.*

### Principles

**We Believe In Educational Excellence**

**We Believe In High Achievement for All**

**We Believe In a Culture of Collaboration**

**We Believe In Continuous Improvement and Accountability**

**We Believe In Environmental Stewardship**

### Goals

**1. Academic Excellence and Educational Equity:**

Every student will be academically successful and prepared for life, work, and college.

**2. Family and Community Engagement:**

ACPS will partner with families and the community in the education of Alexandria's youth.

**3. An Exemplary Staff:**

ACPS will recruit, develop, support, and retain a staff that meets the needs of every student.

**4. Facilities and the Learning Environment:**

ACPS will provide optimal and equitable learning environments.

**5. Health and Wellness:**

ACPS will promote efforts to enable students to be healthy and ready to learn.

**6. Effective and Efficient Operations:**

ACPS will be efficient, effective, and transparent in its business operations.

# Budget at a Glance

## ACPS 2020 Goals

- Academic Excellence and Educational Equality
- Family and Community Engagement
- An Exemplary Staff
- Facilities and Learning Environment
- Health and Wellness
- Effective and Efficient Operations

## ACPS Top 10 Challenges

- Under-performance of gap groups; disproportionality
- Improving reading/literacy, math and science results
- Under-representation of minority students in Talented and Gifted program
- Behavioral support: Reducing suspension rates
- Capacity of facilities to support increasing enrollment
- Funding and housing more Pre-K programs
- Aging and failing mechanical systems
- Maintaining competitive staff compensation
- Messaging for a multi-language community and engaging families
- Public/community perception of ACPS

## FY 2018 Actual Enrollment and Demographics

**15,540 Total Students\***

\*as of October 2017

# Financial Information

## Combined Funds Statement

The table below shows the combined funds statement. Actual figures are shown for FY 2015 through FY 2017, final budget figure shown for FY 2018, and final budget figure shown for FY 2019. The presentation of revenue and expenditures has been adjusted to show "Other Financing Sources and Uses" on a separate line. This presentation more closely aligns with the statement of revenues, expenditures, and changes in fund balances as presented in the Comprehensive Annual Financial Report (CAFR).

The Combined Funds budget consists of three separate funds:

**Operating Fund:** This fund provides for the day-to-day operation of the school division and includes the division's primary revenue sources from the Commonwealth of Virginia and the City of Alexandria. Projected Operating Fund revenues increase by 5.2 percent in FY 2019, compared to the FY 2018 final budget.

**Grants and Special Projects Fund:** This fund accounts for all federal, state, and local grants. Federal and state grant funds are primarily entitlement funds allocated to the school division on a formula basis, but operating under grant rules as they relate to requirements, management, performance, and reporting. Grants and special projects revenue projections increase by 2.5 percent compared to the FY 2018 final budget.

# Financial Information

**School Nutrition Fund:** This enterprise fund covers all food service operations and administrative costs, primarily from food sales and federal revenue. It does not include cafeteria aides who are budgeted in the Operating Fund. School Nutrition Fund revenues increase by 9.1 percent from the FY 2018 final budget.

**Combined Funds:** As shown on the pie chart to the right, the Operating Fund revenue (excluding other financing) represents 91.9 percent of the combined funds budgeted revenue and totals \$270.17 million. Grants and Special Projects fund revenue represents 4.6 percent and totals \$12.19 million. School Nutrition fund revenue represents 3.5 percent and totals \$10.23 million of the combined funds budget revenue.

The chart below shows the distribution of salary, benefits, and non-personnel expenditures for all funds, combined. Total salary and benefits expenditures comprise approximately 85.8 percent of the total combined funds budget

**FY 2019 Final Combined Funds Budget  
Total Revenue**

in FY 2019, which is up from 85.6 percent in the FY 2018 budget. Salary and benefits expenditures comprise approximately 87.9 percent of total Operating Fund in FY 2019.

Of significance, salaries and benefits expenditures increase by 5.4 percent. This increase is driven primarily by enrollment driven staffing, compensation increases, and medical plan increases.

**ACPS Combined Funds Expenditures  
FY 2015 - FY 2019**

# Financial Information

## Sources of Revenue by Fund

**Operating Fund:** The primary source of operating revenue for ACPS is the city appropriation which comprises 82.8 percent of projected operating revenue and other financing. State revenue is much smaller at 16.7 percent and local and federal revenues total approximately 0.5 percent. The school division is fiscally dependent on the City of Alexandria and not permitted to incur long-term debt.

The approved **city appropriation** of \$223.83 million is an increase of \$9.77 million, or 4.6 percent greater than the previous fiscal year. The city appropriation per student is projected at \$14,053, as shown in the table below.

**State revenues** are projected to total \$45.06 million, an increase of \$3.10 million or 7.4 percent. State revenues are projected to increase mainly in the area of basic aid, sales tax, english as a second language, and remedial summer school. This is slightly

offset by a decrease in special education regional tuition and compensation supplements.

**Local revenue** projections total \$1.04 million in FY 2019, an increase of 0.33 million or 45.8 percent. This increase is primarily driven by new local revenue of community partnerships/grants.

**Federal funds** total \$0.29 million, an increase of \$0.16 million or 131.1 percent compared

City Appropriation: Total and Per Student

# Financial Information

to FY 2018. This increase is a result of projected new federal revenue for impact aid in FY 2019. The remaining funds support the ROTC program at T.C. Williams High School. Additional federal revenue received by ACPS include entitlement grants which are budgeted in the Grants and Special Projects Fund.

**Other Financing** includes other sources of funds from Medicaid, the Health Benefits Fund, E-Rate, and increase in obligation under capital leases. These other sources of funds were used in FY 2017 but were not available in FY 2018 and will not be available for FY 2019. Included in FY 2019 is other uses of funds for the Virginia Preschool Initiative (VPI) which is tracked in a separate grants and special projects fund. The FY 2019 Operating Fund support for the preschool program is \$1.61 million.

The FY 2019 budget also includes the **use of operating fund balance**. The total amount of \$5.21 million budgeted for FY 2019 is an increase of 3.4 percent from the amount budgeted for FY 2018. This amount is equal to 2.0 percent of the total budget and is in compliance with School Board Policy DAB.

**Grants and Special Projects Fund:** Total budgeted revenues in this fund are projected to increase to \$13.57 million, a 14.0 percent increase. Additional grant funding may be available during FY 2018 through the use of carryover from prior year grant funds or if new awards become available.

**School Nutrition Fund:** An increase in revenues of \$0.85 million, or 9.1 percent, is mainly driven by increases in projected federal revenue for the school breakfast program, the national school lunch program, and meal reimbursements for summer feeding. Additional information can be found in the Financials section of this document.

## Expenditure Overview by Fund

**Operating Fund:** The FY 2019 Operating Fund expenditure budget totals \$273.81 million, an increase of \$13.50 million or 5.2 percent when compared to the previous fiscal year's budget.

As shown on the following page, salary accounts increase by \$7.87 million or 5.3 percent compared to the FY 2018 budget as a

**Expenditures by Fund  
FY 2015 - FY 2019**

# Financial Information

result of new FTEs for enrollment growth and a full step increase for all eligible employees which will be awarded at the start of the contract year. The benefit expenditures increase by \$4.42 million or 7.3 percent, primarily the result of changes to health benefit premiums.

Non-personnel accounts increased by \$1.20 million or 3.8 percent. As the Division analyzed options for leases and rentals primarily associated with the new West End School and the new centrally located Pre-Kindergarten center, an opportunity arose to purchase a property for a West End elementary at significant long-term savings compared to the lease option. As a result, funds were transferred in support of this purchase within the FY 2018 – 2027 Capital Improvement Program Budget and the related operating costs have been extended to the FY 2019 operating budget.

## Grants and Special Projects Fund:

The total budgeted expenditures for the Grants and Special Projects Fund in FY 2019 is \$15.18 million, an increase of \$1.70 million or 12.6 percent from the FY 2018 Final Budget. Salaries and benefit expenditures total \$11.94 million, or approximately 78.7 percent of the total grants and special projects budget. Non-personnel expenditures total \$3.24 million and account for approximately 21.4 percent of the total grants and special projects budget. These changes are seen in more detail in the Financials section of this document.

The Grants and Special Projects Fund budget is a preliminary estimate based on current year awards which will be adjusted later in the year as additional information is received. Final grant award amounts are typically confirmed by the grantors in the fall. In addition, carry-over funding will be determined based on the FY 2018 year-end audited actual expenditures.

**School Nutrition Fund:** The Food and Nutrition Services Fund is a major special revenue fund used to account for revenues internally restricted to expenditures for certain purposes, specifically for the procurement, preparation and serving of student meals. The FY 2019 budgeted expenditures total \$10.68 million, an increase of \$0.47 million compared to the FY 2018 budget.

Salaries increase by \$0.12 million or 3.9 percent due to a step increase awarded to eligible employees at the beginning of the contract year. Benefits expenditures increased by \$0.20 million, or 16.1 percent. This change is associated with a large increase in the health care premiums for FY 2019. Non-personnel accounts increased by \$1.6 million or 2.7 percent. In FY 2018, significant one-time non-CIP capital expenditures were planned. In FY 2019, additional non-CIP capital expenditures related to school nutrition are budgeted more than in FY 2018. These changes are shown in more detail in the tables in the Financials section of this document.

## Major Changes in Operating Expenditures

The FY 2019 Final Budget represents the commitment ACPS has toward achieving the mission and vision articulated in the strategic plan and meeting the priorities that School Board established for the coming year. The budget aligns resources in a way that:

- Protects the classroom, addressing growing enrollment across all grade levels;
- Strengthens the provision of student support services, such as nursing, psychological services, and translation;
- Allows the Division to recruit and retain highly-qualified staff and continue to offer competitive salaries and benefits;
- Continues to increase the efficiency and effectiveness of Central Office and improve support provided to schools; and,
- Supports the modernization and maintenance of our facilities to create optimal learning environments.

When compared to the FY 2018 Final Budget, the FY 2019 operating budget features a \$13.50 million, or a 5.2 percent, increase in operating expenditures, while FTEs increase by 61.26 FTEs or 2.6 percent. Enrollment growth, complexity of student needs, and staff compensation and benefits are the primary drivers of this increase. Staffing changes are primarily the result of enrollment growth and the opening of the Early Childhood Center, and Ferdinand T. Day Elementary School. Details of the enrollment driven staffing changes and other staffing changes can be found throughout this document.

The tables on the following pages highlight the major cost drivers and staffing changes in the FY 2019 budget. They include technical adjustments and other expenditure additions, a summary of available revenue and other

funding sources and finally, the resulting funding gap and the expenditure reductions/revenue enhancements required to balance. The details for these changes can be found in the Financials section.

# FY 2019-2023 Fiscal Forecast

## FY 2019-2023 Fiscal Forecast

The FY 2019-2023 fiscal forecast incorporates the revenue and expenditures of the final FY 2018 budget and projects financial performance for the Operating fund through FY 2023. The forecast utilizes assumptions concerning enrollment and demographics, class size and staffing levels, as well as revenue and expenditure inflation trends, to provide a long-range picture of the financial challenges facing ACPS. The model underlying the forecast provides an analytical framework that allows the Alexandria City School Board and ACPS leadership to examine how changes in operating assumptions affect this financial picture, and will be used to determine how best to close the projected operating gap.

## Multi-year Revenue and Expenditure Projections

The chart below displays the revenue (inclusive of other financing sources and uses) and expenditures from FY 2018 Final Budget through FY 2023 Projected Budget.

## Budget Imbalance Given Baseline Assumptions

In order to develop the Operating Fund Fiscal Forecast, the FY 2018 Final Budget is used as a baseline. All future-year deviations from the FY 2018 Final Budget are due to the assumptions detailed below in narrative form and in chart form at the end of the FY 2019-2023 Fiscal Forecast section.

# FY 2019-2023 Fiscal Forecast

Under the current assumptions, ACPS revenue and expenditures for FY 2018 through FY 2022 are structurally imbalanced. Revenue, and principally the revenue from the City of Alexandria's annual appropriation, is not anticipated to keep pace with the growth in Operating fund expenditures. The gap in revenue and expenditures grows from \$18.3 million in FY 2019 to \$53.5 million in FY 2023.

Grants and Special Projects Fund Fiscal Forecast FY 2018-2023

## Other Information

### Cost per Pupil

ACPS's cost per pupil calculations determine the average cost per pupil for all students, then disaggregates the cost into three components:

- all general education
- special education
- English learner (EL) services

The table and bar chart below show the average per pupil cost projected to increase by 3.2 percent to \$17,740, from the FY 2018 final to the FY 2019 final budget. The FY 2019 final budget for general education per pupil cost increases by 2.9 percent to \$14,144, special education per pupil cost decreases by

2.6 percent to \$33,159, and EL cost per pupil increases by 3.0 percent to \$18,054 compared to the prior fiscal year.

The ACPS cost per pupil formula includes the Virginia Preschool Initiative (VPI) grant expenditures and updates the special education transportation cost factor, which apportions a share of the transportation cost to special education based on the ratio of special education buses to standard school buses.

### Capital Improvement Program (CIP) Introduction

The Alexandria City Public Schools (ACPS) FY 2019-2028 Capital Improvement Program (CIP) is framed by two main considerations: capacity issues due to continued enrollment growth and the deteriorating condition of aging facilities and infrastructure, with incorporation of the recommendations of the Ad-Hoc Joint City-Schools Facilities Investment Task Force (Task Force).

ACPS incorporates current enrollment information, program requirements, city population data, and planning & zoning assessments, along with principal and department head needs. In addition, staff uses operations and maintenance data, School Board strategic plans and facility needs assessments to determine capital needs. The adoption of the Capital Improvement Program is an annual commitment to a series of projects with estimated costs based on current knowledge, market conditions and priorities.

The City of Alexandria defines a capital project as one that acquires or improves a physical asset with a useful life of three or more years for greater than \$10,000 not including day-to-day maintenance tasks. Several capital projects have a direct impact on the operating budget and are typically related to capacity.

While the program serves as a long range plan, it is reviewed and revised annually based on current planning circumstances. Priorities may change due to facilities assessments, the economic environment, new laws and regulations, population shifts or the strategic planning process.

#### **Educational Facilities Department and the CIP**

The Educational Facilities Department of ACPS manages and executes the ACPS Capital Improvement Program. The department

executes tasks ranging from small maintenance projects to the design and construction of new school buildings to increase capacity. Examples of several prominent CIP projects for FY 2019 will follow.

#### **Patrick Henry School and Recreation Center**

The new Patrick Henry School and Recreation Center project reached many scheduled milestones this fiscal year. Design was completed and all required approvals regarding the planning commission and Development Special Use Permit (DSUP) have been achieved. Upon the completion of these tasks construction began on the project with a plan to build the new facility adjacent to the current building, allowing students to utilize the old school as swing space during construction.

This facility promises to help improve capacity challenges at the elementary school level and provide a new and improved facility that will meet the educational adequacy standards established for Alexandria City Public Schools.

Patrick Henry School and Recreation Center

#### **Ferdinand T. Day Elementary School**

This year marks the implementation of new and dynamic solutions to addressing school capacity concerns facing the city. One of the most dynamic was the addition of a new west end school named Ferdinand T. Day Elementary School. It utilizes an existing 6-story office building and adjacent parking garage structure creating a mixed-use

## Other Information

---

educational facility and office space. Design work was initiated with a design-build contractor for the conversion of this office building into a school and developing site improvements to accommodate busing and pedestrian access. Student safety and how to ensure the separation of students from other occupants of the site was a significant consideration during design.

## Other Information

### Alexandria City Real Estate Property Tax Information

Real estate property tax rates in the City of Alexandria are set by the Alexandria City Council.

All real estate parcels in the City of Alexandria are annually assessed at 100 percent of estimated fair market value as of Jan. 1. Real estate assessed values are based on trends in the region and in the city, but primarily from large numbers of sales that are analyzed to determine values for groups of properties. Real estate taxes are based on these assessed values and the real estate tax rate.

Alexandria has the second lowest tax rate in Northern Virginia for CY 2018, as shown in the real estate tax rate line graph. The graph shows a comparison of tax rates among the City of Alexandria and neighboring jurisdictions, including Arlington County, Fairfax County, Loudoun County and Prince William County over the past ten calendar years. Rates listed are per \$100 of assessed value.

The FY 2019 budget reflects a real property tax rate of \$1.130 per \$100 of assessed value, unchanged compared to the FY 2018 rate.

**Real Estate Tax Rates Cents Per \$100 of Assessed Value  
CY 2009-2018**

Beginning in CY 2008, Arlington County and Fairfax County levied an additional tax on most commercial real property for transportation purposes.

Arlington County's rate includes a Sanitary District Tax of 1.3 cents for stormwater management and a transportation add-on tax on commercial property of 12.5 cents.

The Fairfax County rate includes add-on tax rates of 0.1 cents for pest infestation and 12.5 cents on commercial properties for transportation.

Prince William includes a county-wide fire and rescue levy of 8.0 cents and 0.25 cents for mosquito and forest pest management.

## Overview of Alexandria City Public Schools

Alexandria City Public Schools (ACPS) serves the City of Alexandria, just outside Washington, D.C. in Northern Virginia. For school year 2018-2019, ACPS will serve a projected 15,928 students from preschool to grade 12 at one Early Childhood Center, 12 elementary schools, one Pre-K through seven school, one Pre-K through eight school, two middle schools, one high school (consisting of a ninth-grade center and a separate main campus for grades 10-12), a flexible online learning Satellite Program, and the Chance for Change Academy (an interim education facility). ACPS also operates a school at the Northern Virginia Juvenile Detention Center and the ShelterCare facility. The FY 2019 budget includes funding for the new Ferdinand T. Day elementary school and the Early Childhood Center.

ACPS is considered a component unit of the City of Alexandria. The City of Alexandria has a total area of 15.8 square miles and has a population of 160,035 people, as of the 2017 Census Bureau Population Estimate. The City funds 82.8 percent of the ACPS operating budget.

The organizational structure of ACPS is designed to best meet the goals of the strategic plan and the needs of its diverse student population while effectively managing the various schools and programs within the division.

The ACPS School Board is a nine-member elected body whose primary responsibilities are to adjust and oversee capital and operating budgets annually, to formulate and adopt policy, to select a Superintendent to implement policy, and to evaluate the results (Policy BBA).

The Superintendent works closely with executive staff in managing all aspects of school division operations. All schools, the Offices of School, Business and Community Partnerships,

Accountability, and Communications, and all Chief Officers report directly to the Superintendent.

The Director of School, Business, and Community Partnerships serves as the initial point of contact and liaison between the City, community and ACPS and coordinates major community funded facilities projects and outreach efforts. This office allows for consistent communication to interested partners and develops work flow processes associated with large complex projects that involve multiple departments. In addition, the office oversees the family and community engagement center and grants development.

The Director of Communications oversees all division-level communications and public relations, video and video production services, audio-visual services and school-level public relation liaisons. The department is responsible for all emergency notifications, ACPS Express, ACPS Insider, school eNewsletters and the release of information from the school division to the media.

The Chief Accountability Officer works closely with schools and central office staff to oversee instructional assessments, program evaluations and research, data analysis, and reporting. The department provides decision-makers with valid, reliable, and timely data to enhance the quality of education offered to students.

The Chief Academic Officer directly oversees all aspects of instructional programming including curriculum and effective teaching to ensure all ACPS students are prepared and equipped for success in college, work, and life in a global society. The offices include Adult Education, AVID/College Readiness, Career and Technical Education, Curriculum Design and Instructional Services, English Learner Services, Early Childhood, Specialized Instruction, Talent Development, Talented and Gifted Programs, and Title I Programs.

# Division Structure

---

As part of the reorganization to better align with School Board goals, the offices of Elementary School Instruction and Secondary School Instruction will report directly to the Chief Academic Officer.

The Executive Director of Elementary School Instruction oversees elementary school principals, elementary administrative transfers, elementary school summer learning programs, and provides leadership development programs for aspiring ACPS leaders.

The Executive Director of Secondary School Instruction oversees middle and secondary school principals, division-wide middle school programs, middle and secondary administrative transfers, and summer learning programs. In addition, as part of the reorganization, the Executive Director will oversee the Career and Technical Education, Talented and Gifted, Adult Education, and AVID/College Readiness offices.

The Chief Technology Officer oversees the division's technology program, including education and business applications, instructional technology, infrastructure and support services, and online learning. This position also coordinates the Freedom of Information Act (FOIA) requests.

The Chief of Student Services, Alternative Programs and Equity Officer oversees home schooling, equity and cultural competence, school counseling services, school health services, school psychology services, school social work services, residency verification, truancy, and homelessness, as well as the alternative education programs, including the Satellite Campus, Chance for Change Academy, Northern Virginia Juvenile Detention Center School, and ShelterCare. The department also provides counsel and support to the administration, school principals, and staff to help ensure that schools provide a safe and equitable learning environment for all students.

The Chief Human Resources Officer oversees compensation and benefits, employee relations, employment services, licensure and onboarding of new employees, succession planning, and continuous improvement.

The Chief Financial Officer oversees accounting services, audit support, budget and financial planning, financial systems and reporting, fiscal procedures and compliance, grants management, payroll services, procurement, and general services.

The schools are supported in non-instructional operations by the Chief Operating Officer, who oversees the support services provided by the Departments of Educational Facilities, Pupil Transportation, and School Nutrition Services.

The organizational structure is intended to ensure the key focus remains on quality instruction, curriculum, and comprehensive student support, as outlined in *ACPS 2020: A Strategic Plan for Alexandria's Future*. ACPS, like many other school divisions, continues to monitor and evaluate its departmental operations to ensure increased efficiency and effectiveness as budget discussions become more difficult, understanding that additional capacity is needed for increased enrollment, and that focus on student achievement remains central.

The central office concentrates on planning, continuous improvement, leadership development, and a culture of shared responsibilities of all ACPS administrators.

School Board member assignments, division map, organization chart for the division, and list of principals are shown on the following pages.

# Strategic Plan

---

## ACPS Strategic Planning

On June 11, 2015, the School Board adopted *ACPS 2020: A Strategic Plan for Alexandria's Future*. A summary of this strategic plan appears on the following pages, and the entire plan can be found in the Organization section of this document. The mission of the strategic plan is: *Every Student Succeeds*.

Schools align their School Education Plans to the strategic plan and use school-specific data to identify SMART (Specific, Measurable, Aggressive and Achievable, Relevant, Time-Bound) goals that guide their actions throughout the school year. Through a root-cause analysis, schools identify the top strategies used to reach their SMART goals and create action plans to support the strategies. Summaries of the School Education Plans can be found in the Schools section of this document.

Departments have mapped their department work plans to these strategic plan goals and measurable objectives have been developed. Summaries of the department work plans can be found in the Departments section of this document.

## School Board Budget Priorities

Each year, the School Board provides guidance to the Superintendent and staff regarding budget priorities for the upcoming school year. These priorities range from academic achievement to operational effectiveness, and are tied to the goals set forth in *ACPS 2020: A Strategic Plan for Alexandria's Future*.

The School Board has approved the following FY 2019 Budget Priorities:

- **Goal 1: Academic Excellence and Educational Equity** - Specialized Instruction, English Learner Services, Gap Group Achievement, Math , Literacy and Writing.
  - **Goal 2: Family and Community Engagement** - Communications and Customer Service for External Stakeholders.
  - **Goal 3: An Exemplary Staff** - Leadership and Professional Development, Competitive Compensation, and Retention and Recruitment.
  - **Goal 4: Facilities and the Learning Environment** - Safe Schools for Students and Faculty and Optimal and Equitable Learning Environments.
  - **Goal 5: Health and Wellness** - Mental and Social/Emotional Health, Physical Education/Fitness, and Nutrition Programs.
  - **Goal 6: Effective and Efficient Operations** - Communications and Customer Service for Internal Stakeholders.
- All school and department budgets were created with these priorities as a focus. In addition, all budget decisions made by the Superintendent and Leadership Team are based on these budget priorities and their relationship to the strategic plan. The table "Budget Alignment to ACPS 2020", in the Organization section, shows specific funding areas that support these budget priorities and the strategic plan.

## ACPS 2020: Every Student Succeeds

## ACPS 2020: Every Student Succeeds

---

### Mission

*Every Student Succeeds: Educating lifelong learners and inspiring civic responsibility.*

### Vision

*Our students achieve at high levels, are well-rounded, critical thinkers, and have a passion to learn.*

*ACPS has an engaging and collaborative climate that promotes ethical behavior and values diversity.*

*ACPS is a vital part of the fabric of our community, and Alexandria residents and businesses take pride in our schools.*

### Principles

**We Believe In Educational Excellence**

**We Believe In High Achievement for All**

**We Believe In a Culture of Collaboration**

**We Believe In Continuous Improvement and Accountability**

**We Believe In Environmental Stewardship**

### Goals

**1. Academic Excellence and Educational Equity:**

Every student will be academically successful and prepared for life, work, and college.

**2. Family and Community Engagement:**

ACPS will partner with families and the community in the education of Alexandria's youth.

**3. An Exemplary Staff:**

ACPS will recruit, develop, support, and retain a staff that meets the needs of every student.

**4. Facilities and the Learning Environment:**

ACPS will provide optimal and equitable learning environments.

**5. Health and Wellness:**

ACPS will promote efforts to enable students to be healthy and ready to learn.

**6. Effective and Efficient Operations:**

ACPS will be efficient, effective, and transparent in its business operations.

# Strategic Plan

---

## **Introduction**

*In the summer of 2014, the Alexandria City School Board initiated a stake-holder driven process to develop a new long-range plan for the Alexandria City Public Schools. It began the process by drafting new Mission and Vision statements for the school division and by appointing co-chairs for the planning effort – John Lennon and Janet Eissenstat – and a Steering Committee to guide the effort. It then appointed a Stakeholder Committee responsible for reviewing the needs of the school division, the educational landscape, and the aspirations of the Alexandria community. The Stakeholder Committee consisted of Bill Campbell, Michael Carrasco, Amelia Castañeda, Trisha Christopher, Dr. Alvin Crawley, Keenan Cooper, Erin Davidson, Daria Dillard, McKenya Dilworth, Janet Eissentstat, Pilar Garcia, Bill Hendrickson, Purvi Irwin, Justin Keating, Ellen Kennedy Folts, Ellen Klein, John Lennon, Mari Lou Livingood, Dr. Tammy Mann, Dr. Terri Mozingo, Linda Odell, Denny Okudinani, Clinton Page, Joyce Rawlings, Marguerite Rippy, Tricia Rodgers, Dr. Nancy Runton, LaDonna Sanders, Cynthia Skinner, Jennifer Walker, and Deborah Warren.*

*The Stakeholder Committee met frequently between October 2014 and May 2015 and conducted a number of forums to gather community input into the process of settling on the Goals and Objectives for ACPS 2020. The committee was assisted by an External Scan of Local, State, National, & International Factors Influencing the Future of the School Division and by a Survey of the Alexandria Community that attracted 1200 respondents. Following completion of the first draft of ACPS 2020, the committee conducted two forums and met with various stakeholder groups, including students at the school division's secondary schools. The committee presented its recommendations to the School Board on May 6.*

*The draft plan was introduced as new business at the School Board's May 14 meeting. The Board conducted public hearings on the plan on May 14 and May 28 and held work sessions on May 21 and June 2. It adopted the plan on June 11 and directed the Superintendent of Schools to deploy the plan throughout the school division and to formulate a strategy for regular reporting to the Board and to the community on progress toward meeting the goals and objectives of ACPS 2020.*

# Strategic Plan

---

## **1. Academic Excellence and Educational Equity: Every student will be academically successful and prepared for life, work, and college.**

*Why this is important: The preparation of students for post-secondary life is a fundamental purpose of PK-12 education. ACPS pledges to educate students in an atmosphere of excellence and educational equity, and to ensure that students are challenged to stretch their talents and aspirations. Upon graduation, students will be ready to pursue college, or a career, or independent living. Although educational equity does not mean that all students will have the same experiences or the same results, it does mean that the education provided by ACPS will respond to each student's individual challenges, interests, and abilities, and that each student will be provided with the tools needed to excel.*

### **1A: A Curriculum that Challenges and Engages: Every student will experience a rigorous, relevant, and engaging learning environment that responds to his or her interests and challenges.**

*Why this is important: Students who are challenged learn to problem-solve and create solutions to difficult issues. They stretch themselves to do things they did not know they could do, and they prepare for facing and resolving issues and circumstances they will face in other settings. All students can be challenged and thereby motivated to reach beyond perceived limits. A challenging education engages students and encourages them to reach new levels of personal excellence.*

## **Objectives**

### **1.1 Educational Excellence**

ACPS will regularly assess and respond to the needs, interests, and abilities of individual students.

### **1.2 Achievement Gaps**

ACPS will target academic achievement gaps and increase positive educational outcomes across race/ ethnicity, income, disability, and language subgroups.

### **1.3 Disproportionality**

ACPS will focus on increasing representation of minority students in talented and gifted programs and in Honors and Advanced Placement courses; decreasing suspension rates of minority students, particularly males; and preventing over-identification of racial/ethnic minorities for remedial or special education services. ACPS will also focus on eliminating gender and racial/ethnic disparities among students enrolling in science, technology, engineering, math, and literature classes and in advanced classes such as honors and Advanced Placement.

### **1.4 Educational Equity**

ACPS will provide each student with opportunities to be challenged and supported.

### **1.5 Teacher Resources and Supports**

ACPS will make available to each teacher the resources and supports needed to provide an outstanding education for each and every student, differentiated according to the student's learning style and background.

### **1.6 Early Childhood Education**

ACPS will continue to participate with the Early Care and Education Work Group to create an

# Strategic Plan

---

early care and education (ECE) system focused on improved access, quality, and public awareness of ECE services available for children and families.

## **1.7 Adult Education and Services for Adult English Language Learners**

In pursuit of its desire to provide life-long learning opportunities, ACPS will facilitate English-language education programs in support of individual economic advancement and civic engagement in Alexandria.

## **1.8 Alternative Education**

ACPS will create or expand alternative education strategies and programs that will respond to individual learning styles, minimize out of school suspensions, and improve opportunities for all students.

***1B: An Inclusive Organizational Culture: Every student will develop habits and attitudes that reflect the principles of cultural inclusiveness, civic responsibility, and ethical and respectful behavior.***

*Why this is important: In the change-dominated and technology-driven world of the 21st century students must “see themselves” in the curriculum they study. They must be challenged and supported to maximize their achievement. This process requires that the demographic diversity of the school division guide and inform educators’ commitment to cultural competence and building an atmosphere of mutual respect in every school and office. In addition to a rigorous, relevant, and engaging curriculum, students must also have access to a range of school and community service opportunities that promote civic engagement. Finally, ACPS must set expectations for the habits and behaviors that every student needs to succeed, laying the foundations for students’ exploration and demonstration of ethical conduct.*

## ***Objectives***

### **1.9 Cultural Competence and an Atmosphere of Respect**

ACPS will implement practices that maximize the benefits of cultural, linguistic, racial, ability, religious, gender, gender-identity, and ethnic diversity within the student body to ensure optimal levels of cultural competence among staff members and students, and that engage every student in a respectful school environment.

### **1.10 Civic Engagement and Civic Responsibility**

ACPS will engage with its students in an atmosphere conducive to mutual respect, civic engagement, and good citizenship.

### **1.11 Ethics and Behaviors for Success**

ACPS will set expectations for the habits and behaviors students need to succeed and will lay the foundations for student explorations of ethical conduct.

***2. Family and Community Engagement: ACPS will partner with families and the community in the education of Alexandria’s youth.***

*Why this is important: The education of Alexandria’s young people is a shared responsibility of families and schools, and by recognizing the important role that families play and by assisting families to understand curricula and ways they can support children, we all benefit. By recognizing the role of the community in its public schools, we can extend the reach of the school division and strengthen the supports we provide to students. By nurturing welcoming*

# Strategic Plan

---

*environments at school facilities, we can help make schools centers of civic activity and help develop pride in school facilities. Community engagement, including outreach to the business community, can expand the number of partnerships that provide services to schools, including tutoring, internships and jobs, and other opportunities for students.*

## **Objectives**

### **2.1 Family Engagement**

ACPS will collaborate with parents and guardians in providing the high-quality services they need to be leaders in the education of their children.

### **2.2 School Engagement**

ACPS will create an atmosphere of mutual trust and respect to ensure effective communication in schools, enhanced engagement with families, and culturally responsive relationships.

### **2.3 Community Engagement**

ACPS will actively engage families, students, staff, and community members regarding school programs and activities, volunteer opportunities, and events.

### **2.4 Partnerships and Civic Engagement**

ACPS will partner with external organizations to extend its services and programs, to encourage a sense of community ownership of our schools, and to support the development of the academic, social, physical, creative, and emotional needs of students.

### **2.5 Media and Public Outreach**

ACPS will use a wide variety of media to reach out to the community on issues of importance to the people of Alexandria.

### **2.6 Collaboration with Social Service Organizations**

ACPS will promote the general welfare of its students, their families, and members of its community by collaborating with local and state agencies and non-profit organizations.

## **3. An Exemplary Staff: ACPS will recruit, develop, support, and retain a staff that meets the needs of every student.**

*Why this is important: Our employees need to be resourceful, flexible, and creative. They must value diversity and collaboration and work well in teams. To this end, we must actively recruit, hire, train, and retain our staff using innovative methods and incentive. We must empower our people to be educational leaders. We must be driven by research and a constant adaptation in light of evidence. We must seek to reflect in our workforce the diversity of our community and meet the diverse needs of a multicultural student body. The school district needs to ensure that there are no barriers between the central office and school sites to create an effective flow of services and support. Pockets of excellence—programs and methods proven to work for students—should be shared, replicated, and made systemic.*

## **Objectives**

### **3.1 Staff Recruitment and Retention**

ACPS will hire the best employees possible and create an environment that motivates, competitively compensates, and retains them.

### **3.2 Collaborative Instructional Achievement**

ACPS will nurture a school culture in which professionals collaborate closely to share knowledge, skills, and best practices aimed at improving student achievement.

# Strategic Plan

---

## **3.3 Individual Professional Development Opportunities and Strategic Plan Focus**

ACPS will expand professional development opportunities that include self-identified goals and that provide teachers and other staff members with multiple opportunities for improving their individual effectiveness and that respond to Strategic Plan priorities.

## **3.4 Staff Wellness**

ACPS will promote the health and wellbeing of all members of the staff.

## **3.5 Leadership Development**

ACPS will establish programs to identify talent and provide opportunities for future leadership roles.

## **3.6 Staff Evaluation and Performance Improvement**

ACPS will provide multiple opportunities for all employees to receive feedback and coaching on their performance and resources needed to improve and excel.

## **4. Facilities and the Learning Environment: ACPS will provide optimal and equitable learning environments.**

*Why this is important: High quality facilities and a comprehensive infrastructure are fundamental to learning and teaching. The physical environment of school buildings and school grounds is a key factor in the overall health and safety of students, staff members, and visitors. Student achievement can be affected positively by the physical environment. Safe and clean environments are most conducive to learning and teaching. A robust infrastructure, including central office supports and an ever-improving technological framework, facilitates student learning and high quality teaching. Schools should be a source of pride for students, teachers, and community members.*

### **Objectives**

#### **4.1 Optimal Learning Environments and Infrastructure**

In collaboration with City partners, ACPS will move aggressively to modernize all learning environments, expand or otherwise adapt facilities to meet projected changes in school enrollment, and ensure equitable application of capital improvements throughout the school division.

#### **4.2 Well Maintained Facilities**

ACPS will ensure that facilities are maintained at high levels and that repair needs are addressed in a timely and efficient manner to support the educational mission and daily operations of the district.

#### **4.3 Sustainable Facilities**

ACPS will model sustainable environmental practices.

#### **4.4 Safe and Secure Facilities**

ACPS will ensure that its facilities are safe and secure.

#### **4.5 Information Technology Infrastructure**

ACPS will maintain an IT infrastructure within which an equitable distribution of resources provides support to every educational program and learning environment.

#### **4.6 Outdoor Learning and Recreational Opportunities**

ACPS will ensure its outdoor recreation and learning spaces are accessible and appealing to the community.

# Strategic Plan

---

## **5. Health and Wellness: ACPS will promote efforts to enable students to be healthy and ready to learn.**

*Why this is important: Students who are healthy are better able to learn and attend school than those who are not. Students with high levels of such “developmental assets” as family support, relationships with caring non-family adults, an ethos that promotes service to others, and safe environments are more likely to engage in positive social interactions and exhibit respect, tolerance, and self-discipline. Families that are knowledgeable about health and wellness activities are able to encourage their students to make healthy decisions and pursue active lifestyles.*

### **Objectives**

#### **5.1 Student Physical, Social, and Emotional Health**

ACPS will develop, implement, and monitor effective programs that promote physical, social, and emotional wellness in order to maximize students' learning potential.

#### **5.2 Values, Experiences, Relationships, and Qualities that Benefit Young People**

ACPS will help students develop positive attitudes, self-confidence, and self-direction by increasing the values, experiences, relationships, and qualities that have been identified to benefit young people.

#### **5.3 Physical Fitness, Recreation, and Play**

ACPS will promote activities and curricula designed to promote lifelong commitments to active, healthy lifestyles among its students and to creative expression.

#### **5.4 Safe Routes to Schools**

ACPS will encourage walking and bicycling and collaborate with city authorities to ensure that safe routes are available and publicized in order that students will develop a sense of autonomy and healthy, life-long habits.

#### **5.5 Healthy Meals and Nutrition**

ACPS will ensure that all students are ready to learn by having the benefit of access to nutritious, appealing school meals and that lessons on the importance of nutritious foods are included in the curriculum.

#### **5.6 Persistence and Resilience**

ACPS will provide opportunities and motivations for students to develop the attributes, dispositions, social skills, attitudes, and intrapersonal resources that high-achieving individuals draw upon to succeed.

## **6. Effective and Efficient Operations: ACPS will be efficient, effective, and transparent in its business operations.**

*Why this is important: To maintain the confidence and trust of stakeholders, an organization must be responsible for implementing, and accountable for maintaining, sound business practices. As a steward of taxpayers' funds, ACPS must implement fiscal, administrative, and personnel practices that meet both legal requirements and accepted professional standards. All procedures regarding current and future budgets must be transparent, and ACPS must live within its means. ACPS must protect Alexandria's financial investment in its children and, in so doing, maintain its credibility and integrity through the use of a comprehensive performance management system.*

# Strategic Plan

---

## *Objectives*

### **6.1 Fiscal Policies and Practices**

ACPS will plan, manage, monitor, and report spending to provide decision-makers and the community with a reliable, accurate, and complete view of the financial performance of the educational system at all levels.

### **6.2 Continuous Improvement**

ACPS will engage in cycles of continuous improvement at every level of the school division, and it will employ evidence-based decision-making in its consideration of process improvements, policy making, and budgeting and accountability.

### **6.3 Operational Efficiency and Performance Management**

ACPS will focus resources on student learning by utilizing a comprehensive performance management system that ensures efficient, cost-effective business operations.

# Budget and Financial Management

---

## FY 2019 Budget Calendar

The ACPS fiscal year runs from July 1 through June 30, and corresponds to those of the City of Alexandria and the Commonwealth of Virginia. ACPS is a fiscally-dependent entity and, therefore, has a budget cycle that is driven by statutory deadlines from the city and state.

**July to Sept. 2017:** ACPS financial staff close out FY 2017 and begin FY 2018 financial operations.

Staff members analyze FY 2017 actual expenditures and FY 2017 budget variances to prepare for FY 2019 budget development.

Planning for the FY 2019-2028 Capital Improvement Program (CIP) begins.

**Sept. to Nov. 2017:** Department staff prepare FY 2019 budget submissions. Budget Office staff members compile and review FY 2019 budget requests and prepare compensation and benefit data for FY 2019 based on FY 2018 compensation as of September 30, 2017. Compensation estimates are not available until after the first payroll in mid-September because the majority of ACPS teacher contracts do not begin until Sept. The most recent health insurance enrollment data and retiree health benefit data are collected and analyzed.

Enrollment projections are prepared based on the state September 30 Student Membership Report. Formula-driven staffing calculations for elementary schools are prepared based on these enrollment projections. The FY 2019-2028 Proposed CIP Budget is prepared.

**Nov. to Dec. 2017:** The Superintendent and Executive Leadership Team review all funding requests.

**Nov. 30, 2017:** Presentation of the Proposed FY 2019-2028 CIP Budget.

**Dec. 2017:** ACPS financial staff prepare the FY 2019 Proposed Combined Funds Budget Book by developing proposed budget numbers and generating reports. The School Board considers the CIP Budget and discusses details during budget work sessions.

**Jan. 11, 2018:** The School Board adopts the FY 2019-2028 Approved CIP Budget. The Superintendent presents the FY 2019 Proposed Combined Funds Budget to the School Board. Copies of the proposed budgets are distributed and are posted on the ACPS website.

**Jan. to Feb. 2018:** School Board members, staff, and the community review and discuss the proposed budget. Budget work sessions, public hearings, and add-delete work sessions are held throughout this period.

Budget staff prepares and disseminates responses to budget questions from Board members and the community.

**Feb. 20, 2018:** The City Manager presents the City of Alexandria's FY 2019 Proposed Budget.

**Feb. 22, 2018:** The School Board adopts the FY 2019 Approved Combined Funds Budget.

**Mar. to Apr. 2018:** The City Council and community review and discuss the City Manager's budget, including the city appropriation to schools and the ACPS Capital Improvement Program Budget. City Council holds public hearings and work sessions and advertises the maximum tax rate for the new fiscal year. In addition, City Council and the School Board hold a joint budget work session.

**April 26, 2018:** ACPS budget staff present the FY 2018 year-end estimate, including encumbrances carried over from FY 2017. This serves as the mechanism by which ACPS is authorized to spend the funds carried forward from the prior year.

# Budget and Financial Management

Key Dates	Activity
September 14, 2017	Regular School Board Meeting: Including Public Hearing on the Combined-Funds Budget and CIP as well as Adoption of the Budget Calendar, Budget Process Resolution, Rules of Engagement and Discussion of the Combined-Funds and CIP Budget Priorities
September 21, 2017	School Board Work Session: Fiscal Forecast, Employee Compensation, Combined-Funds and CIP Budget Priorities
September 28, 2017	Regular School Board Meeting: Adoption of FY 2017 Budget Resolution, and FY 2017 Board Budget Priorities
November 30, 2017	Regular School Board Meeting: Presentation of the Superintendent's Proposed FY 2019-2028 CIP Budget
December 5, 2017	School Board CIP Work Session #1
December 7, 2017	School Board CIP Work Session #2; Public Hearing on the CIP
December 8, 2017	Deadline for School-Board Questions on the CIP Budget
December 11, 2017	School Board CIP Work Session #3
December 14, 2017	Regular School Board Meeting
December 19, 2017	School Board CIP Add/Delete Work Session #1
December 21, 2017	Ad Hoc Joint City-Schools Facility Investment Task Force - Projected Release of Final Deliverables
January 3, 2018	School Board CIP Add/Delete Work Session #2
January 4, 2018	School Board Organizational Meeting
January 11, 2018	Regular School Board Meeting: School Board Adoption of the FY 2019-2028 CIP Budget; Presentation of the Superintendent's Proposed FY 2019 Combined-Funds Budget
January 18, 2018	Public Hearing followed by Regular School Board Meeting and Combined Funds Work Session #1
January 22, 2018	City Council/School Board Subcommittee Meeting
January 24, 2018	School Board Combined-Funds Work Session #2
January 25, 2018	Regular School Board Meeting
January 30, 2018	School Board Combined-Funds Work Session #3
February 8, 2017	Regular School Board Meeting
February 15, 2018	School Board Combined-Funds Add/Delete Work Session #1; Public Hearing on the Combined-Funds Budget
February 20, 2018	City Manager Presents the City of Alexandria's FY 2019 Proposed Budget
February 20, 2018	School Board Combined-Funds Add/Delete Work Session #2
February 22, 2018	Regular School Board Meeting: School Board Adoption of the FY 2019 Combined-Funds Budget
March 13, 2018	City Council Introduces Tax rate Ordinance and Sets Maximum Tax Rate
March 15, 2018	City Council Advertises Effective Tax Rates
March 22, 2018	Regular School Board Meeting
March 26, 2018	City Council/School Board Subcommittee Meeting
April 12, 2018	Regular School Board Meeting
April 23, 2018	City Council/School Board Subcommittee Meeting
April 24, 2018	City Council Add/Delete Session #1
April 26, 2018	Regular School Board Meeting
April 30, 2018	City Council Add/Delete Session #2
May 3, 2018	City Council Adoption of Tax Rate, FY 2019 General Fund and FY 2019-2028 Capital Improvement Program Budgets
May 8, 2018	School Board Combined-Funds and CIP Work Session
May 10, 2018	Regular School Board Meeting: Public Hearing on the Combined-Funds Budget and CIP
May 24, 2018	Regular School Board Meeting: School Board Combined-Funds and CIP Add/Delete Work Session #1
May 28, 2018	City Council/School Board Subcommittee Meeting
May 31, 2018	School Board Combined-Funds and CIP Add/Delete Work Session #2
June 7, 2018	Regular School Board Meeting: School Board Adoption of the Final FY 2019 Combined-Funds Budget and FY 2019 - 2028 CIP

# Budget and Financial Management

---

**May 3, 2018:** The City Council adopts the tax rate, FY 2019 General Fund, and FY 2019-2028 CIP Budgets, including the final appropriation to schools.

**June 7, 2018:** The School Board passes the FY 2019 Final Combined Funds Budget and the FY 2019-2028 Final CIP Budget.

**June to Sept. 2018:** Financial staff prepares reports and budget documents and makes these available to principals and department heads.

The School Board holds its first public hearing on the FY 2020 Proposed Budget and FY 2020-2029 CIP Budget.

Staff closes FY 2018, which ends June 30, 2018, and prepares for the annual financial audit. Staff analyzes FY 2018 grant balances, estimates carry-over for use in FY 2019, and loads data into the financial system/database.

Throughout the year, actual spending is compared with the budget in each organizational and programmatic area. This comparison provides a measure of effectiveness and helps to ensure that funds are used for their intended purpose.

## Key Elements of the ACPS Planning Process

- Strategic plan
- Board budget priorities
- School education and departmental work plans
- Student and school achievement data
- Operating cost trend analyses
- Parent and community input
- Capital Improvement Program budget
- Current fiscal year budget
- Grant or program-specific plans

## Budget Process

The budget is a resource-allocation and policy document. It incorporates the best estimate of the school division's revenues and expenditures for the next fiscal year based on a snapshot of current fiscal year revenues and expenditures. These estimates are modified to reflect changes in plans, priorities, and trends in enrollment, as well as the economic environment.

The *Code of Virginia* requires each school Superintendent to prepare a budget that estimates the amount of money needed during the coming year to support public schools. It is then the responsibility of the School Board to balance the needs of the school division with the considerations of the economic and political environment.

The budget provides a framework for measuring and monitoring expenditures.

## Planning Activities in ACPS

The *ACPS 2020: A Strategic Plan for Alexandria's Future* is the foundation document for all the actions of the school division. It directs the actions the division takes in meeting the goals and aspirations of the Alexandria community and guides the activities of employees and leaders as well as the expenditure of all funds entrusted to the School Board. The Strategic Plan informs the development of the Board Budget Priorities, the School Education Plans and the Departmental Work Plans, all of which provide a framework for the school division's operations. The annual budget process quantifies the resources needed to carry out these plans.

Major planning activities in ACPS are as follows:

- On June 11, 2015, the School Board adopted *ACPS 2020: A Strategic Plan for*

# Budget and Financial Management

---

*Alexandria's Future*, a comprehensive strategic plan for fiscal years 2016-2020. The full 2016-2020 strategic plan can be found earlier in this section.

- All school principals have prepared education plans congruent with the goals and objectives of the current strategic plan. Education plan summaries are located in the Schools section of this document.
- All department leaders have created departmental work plans congruent with the goals and objectives of the strategic plan. Department work plan summaries can be found in the Departments section of this document.
- The School Board adopts a Combined Funds budget annually that reflects ongoing programs as well as initiatives for the following year.
- School professional learning community staff, in collaboration with central office staff from the Departments of Curriculum and Instruction and Accountability, analyze student and school achievement data on a regular basis.
- The standards of accreditation requirements and other student test and achievement data provide the framework for the school planning process.
- Analyses of trends that affect ACPS costs and operations are conducted regularly in a variety of areas.
- School Board advisory committees work regularly with staff to provide input and feedback on ACPS operations and report annually to the School Board. These committees include: the Athletic Hall of Fame Committee; the Budget Advisory Committee; the Career and Technical Education Advisory Committee; the School Health Advisory Board; the Special Education Advisory Committee; the Student Achievement Advisory Committee; and, the Talented and Gifted Advisory Committee.
- The Superintendent receives planning input from a variety of advisory groups, such as the Business Advisory Council, the Education Association of Alexandria (EAA), the Superintendent's Student Leadership Council, and the Teachers Advisory Council.
- The School Board adopts a Capital Improvement Program (CIP) budget annually, that provides a 10-year prioritized plan for major facility changes.
- In addition to division-wide plans such as the annual budget, there are many subsidiary areas that require detailed plans. The Commonwealth of Virginia requires plans for talented and gifted, career and technical, technology and adult education programs. Division plans, including special education, are impacted by the federal entitlement grant process which requires comprehensive planning.

# Budget and Financial Management

---

## Financial Policies and Practices

### Budget Structure

All budgets are developed using a variety of assumptions based on future expectations. Funding decisions also reflect policies of the School Board.

Public sector budgets are governed by accounting and reporting requirements established by the Governmental Accounting Standards Board (GASB) and by generally accepted accounting principles (GAAP). The ACPS budget structure is consistent with these requirements.

The budget is divided into three major funds, each of which is grouped by related accounts used to maintain control over resources earmarked for specific activities or objectives. The funds in the ACPS budget include:

- **Operating Fund:** This fund is comprised of the school division's primary revenue sources, including appropriations from the City of Alexandria, revenue from the Commonwealth of Virginia, selected federal sources and miscellaneous local fees, as well as the expenditures charged against these revenues. The Operating Fund accounts for 91.9 percent of ACPS revenue in the FY 2019 Final budget.
- **School Nutrition Fund:** Local, state, and federal revenue as well as expenditures for the operation of all school food service activities are accounted for in this fund. The School Nutrition Fund accounts for 3.5 percent of ACPS revenue in the FY 2019 Final budget.
- **Grants and Special Projects Fund:** Entitlement and competitive grant monies are accounted for in this fund. Budgeted here are federal funds from the Individuals with Disabilities Education Act (IDEA),

various entitlement programs of the Elementary and Secondary Education Act (ESEA), as well as other smaller entitlement monies and competitive grants. The Grants and Special Projects Fund accounts for 4.6 percent of ACPS revenue in the FY 2019 Final budget.

The School Board is responsible for establishing policy for the governance and operation of ACPS. These policies and practices are aligned with the *Code of Virginia* and best practices as recommended by the Government Finance Officers Association (GFOA) and the Association of School Business Officials (ASBO). They provide a consistent framework for the budget process, long-term school division planning and decision-making regarding the use and allocation of resources. These policies and practices are developed by staff, presented to the School Board and reviewed each year during the budget process.

The following pages summarize the major accounting, budget, and financial policies and practices used to develop long-term, multi-year financial plans and the annual budget. These practices also guide the management of school division funds throughout the year.

## Financial Management

### Financial Planning

The Superintendent or designee shall be responsible for administering the division budget in accordance with School Board policies and applicable state and federal laws and regulations; therefore, the Superintendent or designee will use appropriate fiscal planning and management methods, modeled after the best-accepted business practices and directed toward the educational goals of the division. The following addresses both the fundamental principle of a balanced budget and long-range financial planning.

# Budget and Financial Management

---

**Balanced Budget:** Each fiscal year, the Superintendent, with input from the staff and the community, shall prepare, with approval of the School Board and submit to the appropriating body, an estimate of the amount of money needed during the next fiscal year for the support of the public schools of the division (policy DB). The School Board follows its adopted budget process to offer and review adjustments to the Superintendent's proposed budget in order to arrive at the final, Board-approved budget.

Under the *Code of Virginia*, School Boards are mandated to adopt a balanced budget which means projected revenues plus beginning fund balance must fully cover total estimated expenditures. A budgeted surplus at the fund level is also considered a balanced budget.

**Long-Range Financial Planning:** Prior to approving the annual budget, the School Board reviews the five-year budget forecast and the long-term financial implications of current and proposed operating and capital budgets. Each year, as a part of the budget process, ACPS staff develop and present a five-year fiscal forecast with varying revenue and expenditure assumptions to facilitate informed decision making. With approximately 83 percent of Operating Fund revenue derived from the City appropriation, assumptions regarding the City's revenue growth and the resulting increase or decrease in the City appropriation drive forecast results. Similarly for expenditures, salaries and benefits comprise approximately 88 percent of total Operating Fund expenditures and assumptions related to salary increases, as well as the growth of healthcare and retirement costs, also drive forecast results.

## Revenues

To enhance revenue streams, promote fiscal stability, and ensure prudent financial planning, ACPS follows these guidelines:

**Use of One-time Revenues:** The use of one-time revenues for recurring expenditures is discouraged.

**Revenue Diversification:** To improve the ability to handle fluctuations in revenue sources and still provide quality instructional programs, diversification of revenue sources through grant opportunities, fund-raising, public/private partnerships, and other sources is encouraged.

## Expenditures

ACPS strives to ensure prudent expenditure planning, fiscal accountability, and transparency.

**Debt Policy:** The school division is fiscally dependent on the City of Alexandria and not permitted to incur long-term debt.

**Reserve Policy:** The school division maintains three reserves to protect the division during times of revenue shortfalls and/or unpredicted, one-time expenditures:

- The Staffing Reserve is allocated by the Superintendent to relieve critical staffing needs arising from unanticipated enrollment growth or other changes in the student population.
- The Enrollment Adjustment Reserve is used to adjust the base allocation for schools when the actual September enrollment exceeds the projected enrollment in the final budget. This reserve may be used to cover necessary, unforeseen expenditures.
- The Health Benefits Reserve is maintained to protect ACPS from unanticipated spikes in health care costs for medical and dental benefits, particularly the self-insured plan. This reserve is funded by contributions from ACPS and its employees.

The School Board establishes the size of all reserves as part of the budget process. The

# Budget and Financial Management

---

reserves of the City of Alexandria also are available to the division.

## Salary Adjustments

All adjustments to ACPS salary scales are subject to School Board approval and are generally part of the normal budget development process for the subsequent fiscal year.

ACPS has four salary scales:

- The Support Scale is for paraprofessionals, clerical, technical, bus driver, custodial, and financial support staff.
- The Licensed Administrative Scale is primarily for licensed administrators in schools and departments. These include principals, assistant principals, and instructional department leadership positions.
- The Support Administrator scale is for leadership and specialized, technical positions in the support departments.
- The Professional Scale is for all teachers and other licensed staff such as school counselors, library media specialists, nurses, social workers, and psychologists.

## Position Control

A position is defined as the authorization to hire an employee with full benefits. No position should be filled until it has been properly authorized and approved. Schools and departments are permitted to change budgeted positions, subject to Superintendent approval, as long as the change is aligned with the education plan and the changing needs of students. All position changes are reported as part of the budget cycle, through the preparation or approval of the subsequent fiscal year's budget.

Requests for new positions that result in an increase to FTEs must be approved by the School Board. Grant-funded positions may be added during the year when additional grant monies are awarded outside of the budget cycle. Changes in grant-funded position allocations are subject to the approval of the Superintendent, if not specifically directed by the grantor.

## Modified Zero-Based Budgeting

For FY 2019, all departments prepared their budgets using the modified zero-based budgeting (MZBB) methodology which requires staff to scrutinize each line item and build their budget from the ground up. MZBB is difficult to administer for schools because many of their resources are determined by formula (e.g. core teaching staff, funds for supplies and stipends). For this reason, the standard budgeting process for school principals focuses on activities linked to the strategic plan.

## Expenditure Controls

The official ACPS budget document is a means to formulate the planning and resource allocation for the school division. It also serves as the primary vehicle to inform Alexandria residents and the community at-large about the mission, strategic plan, and priorities of the school division. After the School Board adopts the final budget in June, it becomes the primary financial management tool for administering, controlling, and monitoring the expenditures.

The budget is controlled at both legal and administrative levels. The legal level is placed at the individual fund level, while administrative controls are placed at the office and school level within each fund.

Certain portions of the budget are administered and controlled centrally. Budgeting and monitoring of all full-time salary accounts and employee benefits are handled through a collaboration of the Financial Services and

# Budget and Financial Management

---

Human Resources Departments. Purchased services, internal services, other charges, materials and supplies, and capital outlay are managed at the local office and school level within guidelines developed in accordance with the Virginia Public Procurement Act (VPPA) and School Board policies.

School principals, department heads, and program managers are responsible for monitoring the efficient and appropriate use of funds. These leaders are authorized to approve the expenditure of funds within their respective school, office or program in accordance with ACPS procurement procedures and other legal requirements. Most non-compensation expenditures are done via purchase order. ACPS purchasing guidelines require that, prior to approval and processing, all purchase orders be verified for availability of funds and appropriate contracting authority.

The Procurement Office ensures all orders and purchases comply with legal purchasing regulations. This is the only office authorized by the School Board to approve all bid awards and contracts. It is the responsibility of each school principal, department head, and program manager to regularly and carefully monitor and control expenditures, thus ensuring proper use of public funds and avoiding expenditures beyond the authorized budget.

Unspent balances in the regular (contracted position) salary and benefit accounts are reviewed by the Financial Services Department's Budget Office. Any savings from these accounts accrue to the division as a whole and not to any specific department.

## **Budget Amendment**

The School Board reviews the budget each monthly and formally amends the its budget once a year during the spring. The Financial Services Department prepares the budget analysis, evaluates all revenue and expenditure accounts, and recommends amendments.

## **Transfers Between Budget Accounts**

Because needs and plans may change between approval of the final budget and the beginning of the school year, principals, department heads, and program managers have the flexibility to request reallocation of budget funds up to \$25,000 throughout the fiscal year. Any transfer request exceeding \$25,000 must be approved by the Superintendent. System controls on the transfer of funds ensure expenditures do not exceed total available financial resources and that expenditure guidelines are enforced. Any budget amendment that leads to an increase or decrease of the total Operating Fund requires School Board approval. Additionally, staff must submit a monthly report to the Board detailing all budget transfers in the Operating, School Nutrition, and Grants and Special Projects Funds when such transfers are equal to or greater than \$25,000. The capital program requires School Board approval for transfers greater than \$50,000 that cross major project categories and/or sites/locations as defined in the adopted CIP Budget (policy DA).

## **Appropriation Control and Encumbrance Accounting**

Another important component of the ACPS financial control and reporting system is the use of encumbrance accounting. All non-payroll expenditures – purchase orders, contracts, or other monetary commitments – must have funds set aside or encumbered to ensure funds will be available when payment is due. The encumbrance accounting process is used as an extension of formal budgetary control. It is an important financial planning tool and a control measure to prevent inadvertent over-expenditure of budget appropriations due to lack of information about future commitments.

Encumbrances outstanding at year end in the Operating Fund are reported as assignments of fund balance and do not constitute expenditures or liabilities of the current year

# Budget and Financial Management

---

because the commitments will be honored during the subsequent year. The year-end encumbrances represent the estimated amount of contractual obligations for goods or services in the current year that will be received and paid in the following year. Funding for all encumbered appropriations is re-appropriated at the beginning of the new fiscal year.

## Financial Information and Reporting

Financial reports are made available monthly to the School Board, schools, departments, and programs for monitoring purposes. The School Board reviews and approves a monthly financial report for all funds, which includes the revenues and expenditures at the major object level. The monthly financial report to the School Board also shows the changes in revenue and expenditure appropriations that have occurred since the budget was approved.

Monthly detail and summary reports of all expenditures in miscellaneous salary accounts and all non-personnel accounts are reviewed by the Financial Services staff.

Grant financial reports are prepared subject to the detailed grant management requirements from the granting agency.

The Commonwealth of Virginia also has a number of reporting requirements, including the Annual School Financial Report for all division expenditures and program specific reports such as homebound teacher costs. ACPS complies with all reporting requirements as mandated by the state, grantors, and other legal entities.

## Basis of Presentation – Fund Accounting

Governmental resources are allocated and accounted for in individual funds based on the purpose and the means by which spending activities are controlled. ACPS uses funds to maintain its financial records during the fiscal year. Fund accounting is designed to demonstrate legal compliance and to aid management by segregating transactions

related to certain ACPS functions and activities. ACPS accounts are organized on the basis of funds, each of which is considered a separate accounting and budgetary entity. The operations of each fund are accounted for in a separate set of self-balancing accounts that constitute its assets, liabilities, fund equity, revenues and expenditures or expenses.

## Basis of Accounting

All governmental funds are reported using a flow of current financial resources measurement focus and the modified accrual basis of accounting. ACPS' primary sources of revenue are funds appropriated by other governmental units. Accordingly, most revenues are considered to be available at the time they are appropriated. For certain types of revenue, availability is determined to be 360 days from the end of the current fiscal year. Governmental fund expenditures are recognized when the liability is incurred.

All proprietary and trust funds follow the accrual basis of accounting. These funds are accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities associated with the operation of these funds are included on the balance sheet. Proprietary fund equity (i.e., total net position) is segregated based upon the accessibility of the underlying resources; net investment in capital assets, restricted and unrestricted. Proprietary fund-type operating statements present increases (e.g., revenue) and decreases (e.g., expenses) in total net position.

## Budgetary Basis

Annual budgets are adopted for all governmental funds except capital projects. The Capital Improvement Program (CIP) is budgeted on a project-by-project basis that spans multiple fiscal years for a total of ten years. All budgets are consistent with GASB and GAAP requirements.

# Budget and Financial Management

---

Budgetary basis is the same as the basis of accounting -- modified accrual for all governmental funds and accrual for proprietary and trust funds. The budget period is the same as the accounting reporting period, July 1 to June 30. The budget document contains fund statements for all governmental and proprietary funds.

## Legal Authority

The ACPS School Board is charged by the Commonwealth of Virginia and the regulations of the Virginia Board of Education with providing and operating the public schools in the City of Alexandria. It is the function of the School Board to set general school policy and, within the framework of Virginia Board of Education regulations, to establish guidelines and rules that will ensure the proper administration of the school program.

The School Board does not have taxation authority. Most operating revenue is derived from local tax dollars appropriated by the city. The remaining revenue is derived from federal, state, and local sources. CIP funds are allocated by the city from a combination of general and bond funds.

## Other Budget Issues

Carryover from Prior Fiscal Years: Encumbered carryover is allowed. If the carryover encumbrance exceeds the final payment, the balance of the carryover encumbrance funds are suspended and are not available to be re-allocated for spending in the current year.

Centrally Budgeted and Managed Accounts: ACPS budgets and manages a variety of accounts centrally. This is done to make budgeting and position management easier, to improve the efficiency of the purchasing process, or to generate cost savings from bulk purchases. The accounts managed in this fashion include, but are not limited to:

- Utilities for all buildings

- Building/equipment repair and maintenance
- Custodial and security contract services
- Telephone services
- Technology and facilities equipment
- Leasing of network copier machines
- Textbook accounts
- Division-wide software and online products
- Selected itinerant and part-time staff (particularly custodians, physical therapists, occupational therapists and speech language pathologists)
- Tuition reimbursement
- School-based temporary help services
- Translation services
- Substitute Teacher paid/unpaid leave

## Inventories

Inventories consist of various consumable supplies and commodities maintained by the School Nutrition Services Department. The School Nutrition Fund values and carries its inventory on a cost basis using the weighted-average method. The purchase method of accounting is used in the governmental funds. Reported inventories in the governmental funds are designated as nonspendable fund balance. Food commodities received from the U.S. Department of Agriculture (USDA) are stated at fair market value and the amount consumed is recognized as revenue.

The amount of unused food commodities is reported as inventory and deferred revenue. ACPS participates in the single food inventory record-keeping system, which allows the combination of USDA commodity and commercial inventory records. This program was approved jointly by the USDA and Commonwealth of Virginia Child Nutrition and Food Distribution Divisions.

## Capital Assets

Capital outlays are recorded as expenditures in the governmental funds and as assets in the

# Budget and Financial Management

---

government-wide financial statements to the extent the ACPS capitalization threshold is met. Capital assets are defined by ACPS as assets with an initial, individual cost of more than \$5,000. Major additions, including those that significantly prolong a capital asset's economic life or expand its usefulness, are capitalized. Normal repairs that merely maintain the asset in its present condition are recorded as expenses and are not capitalized. Depreciation expense for capital assets is identified with a specific function and is included as a direct expense on the statement of activities.

All capital assets are capitalized at historical cost (or estimated historical cost) and updated for additions and retirements during the year. Donated fixed assets are recorded at estimated value at the date of donation. Upon sale or retirement of equipment, the cost and related accumulated depreciation, if applicable, are eliminated from their respective accounts and any resulting gain or loss is included in the results of operations.

All reported capital assets other than land and land improvements are depreciated. Building improvements are depreciated over the shorter of ten years or the remaining useful lives of the related capital assets. Depreciation is computed using the straight-line method.

## **Compensated Absences**

ACPS staff accrue compensated absences. All annual and sick leave benefits are accrued as a liability when earned by the employee and are reported in the government-wide financial statements. The current portion of the accrued compensated absences liability includes: 1) an amount which pertains to those employees who retired or resigned by June 30 each fiscal year and who have not received payment for their accrued compensatory leave as of June 30; and, 2) an estimate of the amount of compensated leave that will be used by active employees during the subsequent fiscal year.

Annual Leave: Eligible ACPS employees accrue annual leave throughout the contract year in amounts based on length of service. Upon retirement, resignation, termination, or death, employees may be compensated for accrued leave at their current per diem rate of pay up to a maximum of 45 annual leave days as of June 30.

Sick Leave: Sick leave eligibility and accumulation is specified in the employee handbook. Upon retirement, resignation, or death, employees receive a lump-sum payment based on daily rates approved by the Board. ACPS does not compensate terminating employees for unused sick leave unless they have completed three consecutive years of employment. Sick leave is accrued for the amount earned and vested.

For eligible licensed staff and administrators a sick leave retirement incentive program is offered annually, subject to the approval of the School Board and/or Superintendent. It provides an increased payout of unused accumulated sick leave at retirement if advanced notification is received by the stated deadline as indicated on the program's application.

Personal Leave: Full-time employees are generally granted four personal leave days per year and certain employee groups may accumulate up to eight days. Unused, excess personal leave may be carried forward at the end of the year as accumulated sick or annual leave depending on the employee group. Personal leave is credited to each employee at the beginning of each contract year and up to four days are payable to eligible licensed staff at retirement.

## **Net Position**

Net position represents the difference between assets, liabilities and deferred inflows and outflows on the government-wide statements. In the government-wide financial fund statements,

# Budget and Financial Management

---

ACPS' net position falls into three categories:

1) invested in capital assets, net of related debt; 2) restricted; and, 3) unrestricted. The first category represents the portion of net position related to capital assets, net of accumulated depreciation, and the use of funds is restricted. The restricted category represents the portion of net position restricted for specific purposes. At the end of FY 2018, these restrictions were related to our grants and special programs and for our health benefit fund. The unrestricted category represents the remaining amount of net position that may be used to meet ACPS' ongoing programs. In the fiduciary fund financial statements, ACPS' net position is categorized as held in trust for pension benefits, which represent the amount of assets accumulated for the payment of benefits to the beneficiaries of the ACPS Supplemental Retirement Plan. When both restricted and unrestricted net position are available for an expense, ACPS applies restricted resources first unless there are legal documents or contracts that prohibit doing so (such as grant agreements).

## Fund Balance

The Alexandria City School Board is responsible for ensuring the long-term fiscal health of ACPS. Fund Balance, also referred to as Reserves, is an important measure of fiscal stability. It is essential that ACPS maintain adequate levels of unrestricted fund balance to mitigate financial risk that can occur from unforeseen revenue fluctuations, unanticipated expenditures, and other extraordinary circumstances.

ACPS Policy DAB was adopted on May 19, 2016 and follows the definitions put forward in GASB No. 54, Fund Balance Reporting and Governmental Fund Type Definitions:

- Non-spendable: includes fund balance that cannot be spent because it is either (a) not in spendable form or (b) legally or contractually required to be maintained intact (such as prepaid items).

- Restricted: includes fund balance that reflects constraints placed on the use of resources that are either (a) externally imposed by creditors, grantors, contributors, or laws or regulations of other government or (b) imposed by law through constitutional provisions or enabling legislation.
- Committed: includes fund balance amounts that can only be used for specific purposes pursuant to constraints imposed by formal actions of the highest level of decision making authority, the School Board.
- Assigned: includes spendable fund balance amounts that are intended to be used for specific purposes that are neither considered restricted or committed.
- Unassigned: includes residual fund balance within the Operating Fund that has not been assigned to other funds and/or the other above mentioned categories.

Policy DAB states that the School Board shall maintain a minimum unrestricted Operating Fund balance of 3 percent of the current fiscal year's original Operating Fund expenditure budget, with a maximum of 5 percent, exclusive of the amount reserved for encumbrances. The School Board may utilize fund balance to support the Operating Budget each year; not to exceed 2 percent of the Operating Fund expenditure budget.

The appropriation of Operating Fund Balance for the School Board is scheduled for City Council consideration each June.

When expenditures are incurred for purposes in which both restricted and unrestricted funds are available, ACPS will use the restricted funds first, provided the expenditure meets the terms of the restriction; committed funds will be used first, followed by assigned funds then unassigned funds.

Should the unrestricted fund balance of the Operating Fund exceed 5 percent, ACPS will

# Budget and Financial Management

---

consider the fund balance as excess and available to support one-time, school-related capital projects or major equipment/vehicle replacements. Funds may also be used to address any other urgent unforeseen matters at the discretion of the School Board.

## Use of Estimates

The preparation of the financial statements requires estimates and assumptions about various items included in the financial statements. Actual results will differ from these estimates.

## Health Benefits Fund

Effective July 1, 2013, by School Board resolution, the Health Benefits Fund (an internal service, proprietary fund) was established to better manage health care expenses within ACPS. ACPS offers several health insurance programs to employees (and their families) and retirees. Medical insurance is offered through Kaiser Permanente and United Healthcare. Dental and vision care also are offered to employees and retirees. The primary sources of revenue for this fund are employer contributions paid by other funds and employee contributions deducted from employee pay on a semi-monthly basis.

To mitigate risks associated with offering medical benefits, ACPS has established a minimum level of reserve (where collections exceed expenses) in order to cover the following:

- Claims incurred but not reported (IBNR);
- Catastrophic losses;
- Premium stabilization amounts to avoid harsh spikes in monthly premium amounts;
- Unanticipated healthcare costs due to federal regulations in the Patient Protection and Affordable Healthcare Act; and,
- OPEB funding requirements as necessary.

## Other Post-Employment Benefit Trust Fund (OPEB)

The School Board administers a single-employer defined benefits healthcare plan. It provides medical insurance benefits to eligible retired school employees and beneficiaries. A trust fund, used to account for assets held in a trustee capacity, was established in May 2009. The Other Post-Employment Benefit Trust Fund (OPEB) accounts for accumulating and investing for post-employment health benefit subsidies. Contributions to the Trust are made annually based upon the actuarially-determined annual required contribution (ARC) in accordance with GASB Statement No. 45.

## Risk Management

ACPS is exposed to various losses related to torts: theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and, natural disasters. It is the policy of ACPS to retain risks of losses in those areas where the division deems it more economical to manage risks internally and account for any claims settlement in the operating fund.

ACPS carries commercial insurance on all other risks of loss, including property, theft, auto, liability, physical damage, and general liability through the Virginia Municipal League.

ACPS is self-insured for workers' compensation. Claims are processed by a third-party administrator under contract with ACPS per statutory requirements of the Virginia Workers' Compensation Act. The current portion is recorded as an accrued liability in the Operating Fund and the government-wide financial statements. Liabilities are determined using actual claims experience and estimated recoveries. An independent contractor processes claims and ACPS records a provision and liability in the government-wide statements and Operating Fund (current portion only) for estimated incurred but not reported claims.

## ACPS Financial Information

This section contains detailed information on ACPS revenues and expenditures in the FY 2019 Final Budget. The first section provides an overview through the presentation of fund statements. The second and third sections contain narratives and financial reports summarizing revenues and expenditures. The last two sections present the most detailed financial and position reports on expenditures and full-time equivalent (FTE) positions.

## School Board Funds

Public sector budgets are governed by accounting and reporting requirements established by the Governmental Accounting Standards Board (GASB) and generally accepted accounting principles (GAAP). The ACPS budget structure is consistent with these requirements.

The budget is divided into **funds**. Each fund is a self-balancing set of accounts reflecting the activities operated through that fund. The funds in the ACPS budget are:

- **Operating Fund.** This is the ACPS general fund which is comprised of the school division's primary revenue sources from the Commonwealth of Virginia, the City of Alexandria, various federal sources, and miscellaneous local fees, as well as the expenditures charged against these revenues. Operating Fund expenditures account for the majority of ACPS' total combined funds budget.
- **Grants and Special Projects Fund.** This is a special revenue fund to account for entitlement and competitive grant monies, as well as special revenues from local activities. Federal funds from the Individuals with Disability Education Act (IDEA), the Elementary and Secondary Education Act (ESEA)/Every Student Succeeds Act

(ESSA), as well as other smaller entitlement monies and competitive grants are budgeted in this fund.

- **School Nutrition Fund.** This is a special revenue fund used to account for revenues internally restricted to expenditures for the procurement, preparation, and serving of student meals. The School Nutrition Fund represents the smallest portion of ACPS' combined funds budget.
- **Health Benefits Fund.** This internal service fund was established in FY 2014 to better manage the costs of health care programs provided to active ACPS employees, retirees, and families. The primary sources of revenue for this fund are employer contributions paid by other funds and employee contributions deducted from their pay on a semi-monthly basis. Fund expenses consist of costs incurred to provide the various types of indemnity health care coverage to employees and for the payment of claims and related expenses for the self-insured health care program.
- **Fiduciary Funds:** Fiduciary funds are used to account for resources held for the benefit of parties outside the governmental unit (school division). They are not reflected in the government-wide financial statements because the resources of those funds are not available to support the School Board's programs. ACPS does not budget fiduciary funds at a detailed level beyond total revenue and expenditures.

The following page present a combined funds statement showing all revenues and expenditures for all funds combined. This consolidated statement is followed by individual fund statements for all funds described above, as well as the ACPS Supplemental Retirement Plan, Other Post-Employment Benefits (OPEB) Trust, Health Benefits, and the School Activity Funds (SAF).

# ACPS Fund Statements

---

## Operating Fund

The FY 2019 Final operating fund budget includes the majority of the division's revenue and expenditures. Compared to the FY 2018 final budget, revenues are projected to increase by 5.2 percent to \$270.22 million, while expenditures are projected to increase by 5.2 percent to \$273.81 million. Approximately \$1.61 million will be transferred out of operating funds to support the Virginia Preschool Initiative (VPI) program. In addition, ACPS will use approximately \$5.21 million of Operating fund balance to fully cover the budgeted expenditures.

**Revenues:** The primary source of revenue for ACPS is the appropriation from the City of Alexandria. The appropriation increases by 4.6 percent in FY 2019, to a total of \$223.83 million.

State revenue is budgeted to increase by 7.4 percent in FY 2019, to a total of \$45.01 million. This increase is associated with increases in sales tax receipts and basic aid in the Governor's proposed state budget. Those revenues increase by approximately 11.5 percent and 5.6 percent, respectively. These increases flow to ACPS through the state's school allocation formula. Medicaid revenues, which fund certain reimbursable healthcare-related expenses, are estimated to increase to \$1.65 million for FY 2019, and are included in the total state funding for ACPS.

Local revenues and federal revenues are a modest portion of the operating fund budget, and are projected to increase by approximately 45.8 percent and 131.1 percent, respectively. Changes to local and federal revenues are a result of increases to indirect cost recovery, community partnerships/grants, and impact aid.

**Expenditures:** Compensation, including salaries and benefits, represent 87.4 percent of the expenditures in the Operating Fund. The

remaining expenditures are for non-labor items, including purchased services, internal services, other charges, materials and supplies, capital outlay, and indirect costs.

Salaries are projected to increase by 4.8 percent in FY 2019, to a total of \$173.01 million. This change is driven by increases in staffing due to growth in overall enrollment, increases in the number of students requiring English Learner (EL) services, and heightened services for our special education students. A total of 61.26 new operating funded FTEs are incorporated into the FY 2019 budget to meet these needs. In addition to a full step increase for all eligible employees, the budget includes a salary scale adjustment to add a step to the top of each scale.

Benefits are projected to increase by 7.0 percent, to a total of \$67.71 million. Although the addition of new FTEs will add to benefit expenses, changes in overall benefit expenditures are driven primarily by changes in healthcare costs.

Purchased services decrease by 2.0 percent to a total of \$12.11 million. This decrease is primarily the result of reductions in other professional services, professional temporary, and cleaning services.

The division-wide budget for internal services, a very minor percentage of the total operating expenses, shows a decrease compared to FY 2018. Schools and departments budget for these internal services in their respective budgets. The departments that provide these services also budget for appropriate levels of resources in their respective budgets. For FY 2019, the Departments of Pupil Transportation and Print Center have budgeted an expenditure credit to offset the school and department internal services budget.

Other charges are projected to increase by 4.4 percent to a total of \$9.76 million. This category includes all operating leases, and the increase

# ACPS Fund Statements

---

for FY 2019 is primarily the result of building leases and electrical services.

Materials and supplies expenditures are projected to increase by 14.4 percent, to a total of \$8.57 million. The increase in this category is primarily due to new textbook adoption to support K-5 reading, K-5 math, and grades 1-5 social studies.

**Other Funding Sources:** The Operating Fund includes certain transfers to and from the Grants and Special Projects Fund and The Health Benefits Fund.

A total of \$1.61 million will be transferred from the operating budget to the Preschool fund to support the division-wide preschool program for children eligible to receive services under the Virginia Preschool Initiative (VPI).

**Use of Fund Balance:** Per School Board Policy DAB, the budgeted use of fund balance can total no more than 2.0 percent of the FY 2019 budgeted operating expenditures. This results in a budgeted use of fund balance totaling \$5.21 million to support expenditures.

Details on Operating Fund revenues and expenditures can be found in future sections of the budget book.

## Grants and Special Projects Fund

Valuable supplemental funding for ACPS' instructional programs is provided by entitlement and competitive grant awards from various outside agencies and organizations, including state, local, and federal sources, as well as private organizations.

As required by state and federal regulations and the Governmental Accounting Standards Board (GASB), this supplemental funding is organized, reported and tracked in a separate accounting and budget fund (Grants and Special Projects Fund), with a separate set

of self-balancing accounts comprised of assets, liabilities, fund balances, revenues, and expenditures. In most cases, these funds must be used to supplement, not supplant, the Operating Fund budget.

The grant information presented here represents an estimate of the grant funding anticipated for FY 2019 and has been developed based on information available as of December 2017. Until a grant application is officially awarded by the grantor, there is a level of uncertainty regarding the exact level of funding. Final grant allocations for most entitlement awards are generally released in October after the start of each fiscal year.

Because ACPS is permitted to carry-forward certain unspent balances for use in subsequent years, the grants and special projects budget is adjusted later in the fiscal year after final, audited year-end figures are available to derive this confirmed carry-over funding.

Grant and special project revenues and expenditures are dependent upon allocations from local (including private sector), state, and federal entities. Expenditures in this fund are governed by the funding entity and must comply with specific requirements.

For FY 2019, Grants and Special Projects Fund revenues are forecasted to increase by \$1.67 million, or 14.0 percent and expenditures are expected to increase by \$1.70 million, or 12.6 percent, compared to the FY 2018 final budget figures. Grant expenditures must not exceed amounts awarded by the respective grantors.

The table on the following page outlines key changes in grants awarded to ACPS as included in the FY 2019 proposed budget.

### Federal Grants

The federal funds portion of the Grants and Special Projects Fund is projected to increase for FY 2019. This is based on actual award

information from recent years and guidance received from the awarding agencies.

## *Every Student Succeeds Act (ESSA)*

The most recent reauthorization of the Elementary and Secondary Education Act (ESEA) is known as Every Student Succeeds Act (ESSA). ACPS' Title I funding is designated for the division by this act.

Title I, Part A of the Elementary and Secondary Education Act (ESEA), as amended, provides financial assistance to local educational agencies (LEAs) and schools with high numbers or high percentages of children from low-income families to help ensure that all children meet challenging state academic standards.

Funding for Title I, Part A expenditures is projected to increase to approximately \$4.10 million for Title I, Part A. For FY 2019, Cora Kelly, Jefferson-Houston, John Adams, Patrick Henry, William Ramsay and Francis C. Hammond schools, as well as the Office of Title I Programs will receive Title I funding. These funds will be used for personnel, staff development, translation services, technology equipment and software, instructional supplies, and parental involvement activities. All items must supplement what is provided to all schools and offices in the operating budget.

The purpose of Title II, Part A (Preparing, Training and Recruiting High Quality Teachers and Principals) is to increase academic achievement by improving teacher and principal quality. This program is carried out by increasing the number of highly-qualified teachers in classrooms, increasing the number of highly-qualified principals and assistant principals in schools; and increasing the effectiveness of teachers and principals by holding local education agencies (LEAs) and schools accountable for improvements in student academic achievement.

Funding for Title II, Part A is projected to increase to approximately \$0.43 million. These funds will be used for the salary and benefits for the Director of Talent Development, staff development services and other professional services for video editing and production, and travel. Private schools within the City of Alexandria are eligible for staff development funding through Title II. Those funds pass-through ACPS to the private schools.

Title III, Part A (Language Instruction for Limited English Proficient and Immigrant Students) funds awarded under Title III support programs that improve the education of limited English proficient (LEP) children by helping them learn English and meet challenging state content and achievement standards. Title III programs also provide enhanced instructional opportunities for immigrant children.

The FY 2019 revenue projection for Title III, Part A totals approximately \$0.54 million, an increase from FY 2018. Grant monies will fund a parent resource coordinator, parent resource specialist, staff development activities, instructional materials, travel, and refreshments.

## *Individuals with Disabilities Education Act (IDEA)*

Federal funds under Part B, of the Individuals with Disabilities Education Act (IDEA) are available for preschool and school-age special education programs. The Individuals with Disabilities Education Act (IDEA) is a law ensuring services to children with disabilities throughout the nation. IDEA governs how states and public agencies provide early intervention, special education, and related services to children and youth with disabilities. Projected funding for IDEA Part B totals \$3.41 million. The grant primarily supports specialist positions in the areas of behavior support, Autism, communications, compliance, as well as materials and supplies. Funds also cover a general special education teacher and a speech-language pathologist. An early

# ACPS Fund Statements

---

childhood special education teacher is funded through the preschool portion of the IDEA grant.

## State Grants

### *Juvenile Detention Center*

ACPS receives funding from the Virginia Department of Education to hire and supervise instructional personnel who work in the education program of the Northern Virginia Juvenile Detention Center, a state-operated center. The Department of Education has established a program of education in accordance with the rules and regulations of the Board of Education for all students, ages 2 to 21, receiving education services in the Northern Virginia Juvenile Detention Center.

Funding for FY 2019 is expected to total \$1.69 million. ACPS also provides in-kind contributions such as technical, instructional, and financial management support based on the school's needs.

### *Preschool Fund*

The Preschool Initiative fund, which includes revenues from the state's Virginia Preschool Initiative (VPI) and the ACPS Operating Fund, was established in FY 2013. This fund includes all revenues, expenditures, and other sources and uses of funds related to ACPS Pre-K program with the exception of the Pre-K center and associated administrative positions.

ACPS is Alexandria's fiscal agent for VPI. As such, a separate fund is established for VPI funds designated for private preschool providers in the City of Alexandria. Revenues received from VPI are dependent on the number of children, age 4 and older, in the program. The VPI program provides \$3,062.50 per student and a transfer from the operating fund completes the funding for these classrooms.

The VPI provides approximately \$2.20 million in state funds to ACPS and community-based organizations to provide quality preschool programs for at-risk four-year-olds who are not served by Head Start. There are 12 VPI classrooms in ACPS, housed at John Adams, Jefferson-Houston, Patrick Henry, and William Ramsay. A portion of this total is distributed to partner preschool providers.

### *Early Reading Intervention*

The Early Intervention Reading Initiative (EIRI) furnishes incentive funds for school divisions to provide identified students with additional reading instruction. Each elementary school receives these funds based on the number of students who are identified through the Phonological Awareness Literacy Screening (PALS) in grades K-3. These funds are used for tutoring or intervention materials. Funding for FY 2019 is projected to remain unchanged at a total of \$0.18 million.

### *SOL Algebra Readiness Initiative*

Since 2002, the SOL Algebra Readiness Initiative (ARI) has provided mathematics intervention resources and services to students in grades 6, 7, 8, and 9 who are at risk of failing the Algebra I end-of-course assessment, as demonstrated by their individual performance on diagnostic tests that have been developed or approved by the Department of Education. For FY 2019, funding is projected to be approximately \$0.07 million and will be used for software intervention programs and a summer Transition to Algebra program.

## Local Grants and Projects

### *USSL Retro E*

Referred to as the E-Rate program, this project was originally established to fund discounted telecommunications and internet services to schools and libraries. The E-rate program was

# ACPS Fund Statements

---

enacted into law with the Telecommunications Act of 1996. The law directed the Federal Communications Commission (FCC) to establish a mechanism to provide schools and libraries with discounted telecommunications and advanced services.

There is a total decrease of \$0.05 million in the purchase services and internal services categories in FY 2019. This is associated with decreases in internal printing and equipment maintenance and repair services. Overall, expenditures are projected to increase by \$0.47 million, to a total of \$10.68 million.

ACPS receives rebates through this program based on telecommunications spending. These rebates are used for network infrastructure upgrades to support increased bandwidth, 1.00 FTE, other professional services and clerical temporary. The FY 2019 budget is \$0.35 million, unchanged from the FY 2018 funding level.

## Other Financing Sources

A total of \$1.61 million is transferred from the operating fund to the VPI Preschool fund. This is an increase of \$0.03 million compared to FY 2018 as a result of staff compensation increases for FY 2019.

## School Nutrition Fund

Compared to the FY 2018 final budget, School Nutrition Fund revenues are projected to increase by 9.1 percent to \$10.23 million, with expenses projected to increase by 4.7 percent to \$10.68 million.

**Revenues:** Local revenues related to breakfast, a la carte sales, and services provided by the School Nutrition department, are projected to decrease by \$0.29 million to a total of \$1.91 million.

Federal funds are projected to increase by \$1.14 million. State revenues, which comprise a small portion of the budget are projected to increase by 5.0 percent.

**Expenditures:** Cost of labor, including salaries and benefits, is projected to increase by \$0.32 million. This increase is associated with the full step increase for all eligible employees and a salary scale adjustment to add a step at the top of each salary scale.

### Supplemental Retirement Plan

The ACPS Supplemental Retirement Plan is a single-employer defined benefit pension plan. ACPS has delegated the management of plan assets and the day-to-day plan administration to a third-party administrator (TPA), Principal Financial Group. The ACPS Supplemental Retirement Plan is fully funded by employee contributions at a rate of 1.5 percent beginning in FY 2014. The plan exists for the single purpose of funding retirement benefit payments. Other sources of revenues are the earnings from investment of the plan assets.

Beginning in FY 2009, ACPS began systematically shifting funds from fixed income assets into more diversified investments. This diversification strategy has helped the ACPS Supplemental Retirement Plan increase investment earnings to a higher level than would have otherwise been experienced in the economic climate at that time, while maintaining an appropriate financial risk. ACPS staff and independent advisors continue to evaluate

asset allocations in light of economic changes and recommend changes accordingly.

As of June 30, 2017, the ACPS Supplemental Retirement Plan's estimated valued at \$121.37 million. It is projected to total approximately \$118.23 million in value as of June 30, 2018. The annual required contribution (ARC) necessary to meet all future obligations is approximately \$3.06 million, based on the most recent actuarial valuation for the plan year beginning September 1, 2015.

Expenses include fees paid to the fund manager for administration of the retirement program and investment services as well as direct payments to employees.

On Dec. 19, 2013, the School Board adopted an Investment Policy Statement to outline the investment objectives of the plan's portfolio as well as the responsibilities and decision-making authority for the fiscal administration of plan assets.

### Other Post Employee Benefits (OPEB)

In May 2009, in accordance with GASB 45, the School Board authorized the establishment of a trust for the purpose of accumulating and investing assets to fund other post employment benefits in order to provide medical benefits to eligible retired school employees and beneficiaries.

ACPS invests the OPEB Trust Fund's assets with the Virginia Pooled OPEB Trust Fund (Pooled Trust) sponsored by the Virginia Association of Counties and the Virginia Municipal League (VACo/VML). The Pooled Trust is an investment pooling vehicle created to allow participating local governments, school divisions and authorities in the state to accumulate and invest assets to fund other post employment benefits.

The annual required contribution (ARC) is actuarially determined based on projected pay-as-you-go financing requirements with additional amounts to pre-fund benefits.

The pay-as-you-go amounts represent the

School Board's subsidy of \$265 per month per retiree participant for healthcare benefits. Amounts contributed to the Trust by the School Board are irrevocable and must be used solely to discharge the School Board's obligations for other post employment benefits and pay for reasonable expenses of the trust.

Effective July 1, 2013 (FY 2014), the pay-as-you-go financing and any additional amounts to pre-fund benefits, as determined by the School Board, will be collected in the OPEB Trust Fund towards satisfaction of the ARC. Based on the January 2017 actuarial report prepared by Cheiron Inc., the ARC for the fiscal year ending June 30, 2017 was \$2.25 million. This compares to the prior year ARC at June 30, 2016 of \$2.21 million. Both reflect a long-term yield on plan assets and a discount rate of 7.0 percent per annum.

For FY 2019, ACPS will fund its ARC by contributing current pay-as-you-go benefits plus an additional amount as necessary to fully fund the required ARC amount. The most recent actuarial analysis as of January 2017 estimates that the ARC for FY 2019 is \$2.25 million. This is the total contribution level funded for FY 2018

# ACPS Fund Statements

---

and is an increase from the planned contribution for FY 2017. If the actuarial ARC exceeds estimates, adjustments will be made accordingly to ensure the ARC is fully funded. The total ARC will be reflected as an expenditure in the operating budget, offset by a transfer of funds from the Health Benefits Fund in FY 2019.

## Health Benefits Fund

In November 2013, the School Board authorized the establishment of a Health Benefits Fund to better manage the costs of health care programs provided to active ACPS employees and retirees and their families.

ACPS offers indemnity-type health care insurance programs by Kaiser Permanente for medical coverage, CareFirst for dental coverage and EyeMed for vision coverage. The employer and employee portions of the premiums charged by the insurance carriers are recorded in the fund as revenue, during ACPS' semi-monthly payroll process. Payments to insurance carriers for monthly coverage are reflected as expenses in the fund.

The Health Benefits Fund also reflects the activity associated with ACPS' self-funded health insurance plan administered by United Healthcare (UHC). Under the UHC plan, which was adopted in FY 2009, ACPS pays all health insurance claims for employees and their eligible dependents as well as administrative fees.

To mitigate risks associated with offering medical benefits, ACPS has established a minimum level of reserve (where collections exceed expenses) in order to cover the following:

- Claims incurred but not reported (IBNR),
- Catastrophic losses,
- Premium stabilization amounts to avoid harsh spikes in monthly premium amounts,
- Unanticipated healthcare costs due to

federal regulations in the Patient Protection and Affordable Healthcare Act, and

- OPEB funding requirements as necessary.

For FY 2019 the premiums for United Healthcare, the self-insurance plan, and Kaiser Permanente are increasing by 15.0 percent and 9 percent, respectively. Effective July 1, 2017, CareFirst is the new dental insurance carrier, replacing MetLife. This change will provide members with access to a broad dental provider network, same dental coverages, and lower premiums. The FY 2019 projected cost for the dental plan is a slight decrease from the FY 2018 premiums.

For projection purposes, claims expense for United Healthcare is projected using the estimated number of participants in FY 2018 plus the proportionate percentage of all new positions for FY 2019. All other premiums are set equal to payroll deductions and benefit contributions from regular employees and retirees.

The FY 2019 budget does not include a transfer to the Operating Fund, as reflected in prior fiscal years.

The detailed fund statement for Health Benefits is shown on the following page.

### School Activity Funds (SAF)

ACPS schools receive local revenues from facility rentals, donations, club dues, selected extracurricular sports activities and other miscellaneous fees. These revenues are managed in local school activity fund accounts, as required by Virginia law. The fund statement for these accounts shows revenue for all schools combined; the disbursements also are combined across all schools.

Local school activity fund accounts are operated at each school site under the direct supervision and responsibility of the school principal. The

ACPS Accounting Office provides financial support to school principals and treasurers and regularly reviews these accounts. Each year, an independent accounting firm performs an annual financial audit of school activity fund. As in prior years, ACPS will retain a local CPA firm that specializes in SAF financial and process audits for K-12 public schools to conduct a thorough financial audit of all schools. On average, school receipts and disbursements total approximately \$1.30 million annually.

# Revenue

## Operating Fund Revenue Overview

The FY 2019 total Operating Fund revenue is anticipated to increase to \$270.17 million, an increase of 5.2 percent or \$13.36 million when compared with FY 2018 final budget. The primary source of operating revenue, the city appropriation, is projected to increase by 4.6 percent. State funds, representing 16.7 percent of the total revenue in FY 2019, are projected to increase by 7.4 percent. Together, these two funding sources comprise of 99.5 percent of all revenue projected for the FY 2019 budget, as shown in the pie chart below.

Additional funds that support the operating budget are noted as 'other financing sources' and include Medicaid, Health Benefits, E-Rate, and increased in obligation under capital leases. The Operating Fund also provides support for the Virginia Preschool Initiative (VPI) preschool program with a transfer of \$1.61 million. The use of unassigned fund balances is \$5.21 million in FY 2019 compared to \$5.03 million in FY 2018.

When compared with other school divisions in Virginia, a much larger portion of the ACPS budget is derived from local government funds than other revenue sources. ACPS relies on the city appropriation for 82.8 percent of its FY 2019 Operating Fund budget.

Additional sources of revenue for the ACPS Operating Fund include certain federal and local funds, generated primarily from fees, tuition, and indirect cost recovery.

## Types of Revenue

### City Appropriation, \$223.83 million

The largest portion of ACPS operating revenues comes from the city appropriation. Real and personal property tax dollars are the primary revenue sources for the City of Alexandria. The City Council approves a transfer from city funds to ACPS to finance the Operating Fund on an annual basis.

The chart above shows the city appropriation per student from the FY 2015 actual through the FY 2019 final budget. The city appropriation per student will increase to \$14,053 for FY 2019.

## State Funds, \$45.06 million

The chart on the following page shows state revenue trends compared to student enrollment. State revenue per student will be \$2,826 for FY 2019, an increase of \$126 compared to the prior fiscal year.

State funding is divided into four tiers:

- Standards of Quality
- Incentive
- Categorical
- Lottery

State funded accounts represent the second major funding source for ACPS. Additionally, State funding includes Medicaid revenue, which funds reimbursable healthcare-related expenses. Medicaid revenue will increase to

\$1.65 million for FY 2019 based on claims reporting improvements and multi-year trend analysis.

State funds are projected to increase by 7.4 percent, or \$3.10 million. Key changes in state funding for the FY 2019 budget compared with FY 2018 include a \$1.90 million increase in sales tax receipts, a \$0.77 million increase in basic aid, \$0.13 million increase in english as a second language, and a \$0.19 million increase in remedial summer school. This is partially offset by a decrease in special education regional tuition and compensation supplements.

The following is a summary of each tier:

### *Standards of Quality (SOQ) Accounts*

The Standards of Quality encompass the requirements that must be met by all Virginia public schools and divisions. Standards for kindergarten through grade 12 are set by the State Board of Education, subject to revision only by the General Assembly, to provide school divisions with an incentive

# Revenue

to offer specific programs, and for general and categorical support of other educational programs and needs.

The General Assembly also apportions the cost of funding the SOQ between state and local governments. Each locality's index is adjusted to maintain an overall statewide local share of 45 percent and an overall state share of 55 percent, adjusted for each locality by an equalization formula. The formula combines three separate measures of local fiscal capacity into a single index, which weighs a locality's ability to pay relative to other localities in the state. The state funding formula requires that each locality match state funds with local funds.

The Composite Index of Local Ability-To-Pay formula is calculated using three indicators; true value of real property (weighted at 50 percent), adjusted gross income (weighted at 40 percent) and taxable retail sales (weighted at 10 percent), divided by average daily membership (ADM) and population. Counties and cities with a lower composite index receive more state

funding, while those with a higher index receive less.

Alexandria's current composite index of 0.80 is the highest possible under the formula, which indicates ACPS will receive less state aid per pupil than the average school division in Virginia.

According to the latest Superintendent's Annual Report for Virginia, in FY 2017, ACPS received \$1,698 per pupil in state funding, while the state average per pupil revenue was \$3,997.

Basic Aid, the primary component of the SOQ, establishes standards for personnel, instructional materials, program and system-wide planning and management, as well as performance objectives for the Virginia Board of Education and local school divisions. Based on projected FY 2019 average daily membership (ADM), total Basic Aid is estimated to be \$14.59 million, an increase of 5.6 percent over FY 2018.

# Revenue

---

Sales tax revenue is another key component of state funding and is projected to be \$18.40 million in FY 2019 and represents an increase of 11.5 percent from FY 2018. Unlike other categories of state funding, sales tax is not subject to the Local Composite Index formula prior to being distributed among school divisions.

The Governor's budget bases the distribution of sales tax revenues to school divisions on the estimate of school-age population as provided by the Weldon Cooper Center for Public Service at the University of Virginia.

In addition, smaller amounts of SOQ funding are received for special education, vocational education, gifted education, remedial education, textbooks, state retirement, social security, group life insurance, English learners (EL), and remedial summer school. Like basic aid, each SOQ account is funded by an individual per pupil rate and equalized by the local composite index (LCI). The total FY 2019 SOQ funding is estimated at \$40.96 million, an increase of 8.2 percent over FY 2018.

## *Incentive Accounts*

Incentive-based payments from the state are not required by law but are intended to target resources for specific student or school needs statewide. To receive funding from this category, each school division must provide certification to the state that they will meet the requirements unique to each category. For FY 2019, incentive categories include funding for technology to support the SOL Technology and At-Risk (split funded) initiatives. The total FY 2019 funding from incentive accounts is estimated to be \$1.14 million, a decrease of \$0.07 million compared to FY 2018.

## *Categorical Accounts*

The various categorical programs focus on particular needs of special student populations to fulfill particular state obligations. State or federal regulations typically require these programs. Included in this group is funding for

the homebound program. The total FY 2019 funding from categorical accounts is estimated to be \$0.02 million.

## *Lottery Funded Accounts*

The General Assembly established a tier of funds for lottery proceeds in its budget beginning in FY 2009. Lottery proceeds now serve as the funding source for programs previously funded through the state general fund, including at-risk (split funded), career and technical education, K-3 primary class size reduction, special education-regional tuition, and supplemental lottery per pupil allocation. Lottery funded allocations to ACPS in FY 2019 will total \$1.30 million, a decrease of 3.4 percent from FY 2018, driven primarily by decreases in at-risk, career and technical education, and special education regional tuition.

## **Local Funds, \$1.04 million**

Included in this category is revenue received for adult and community education tuition, community use of school facilities, community partnerships/grants, summer learning tuition, tuition from students who reside outside the City of Alexandria, and other revenues such as fees from indirect cost recovery received from grant funding, lost textbooks replacement fees, and parking permits.

Local funds make up 0.4 percent of total Operating Fund revenue and are projected to increase by 45.8 percent compared to FY 2018. This change is mainly driven by increases in indirect costs and community partnerships/grants.

## **Federal Funds, \$0.29 million**

Federal funding is projected to total \$0.29 million in FY 2019, an increase of 131.1 percent. Federal funds in the operating budget are provided for the ROTC program at T.C. Williams High School. Additionally, new federal

# Revenue

---

revenue for impact aid is added for FY 2019.

Federal programs are budgeted by the federal government a year in advance of actual use by localities, however actual entitlements are not known until the beginning of the school year.

## **Other Financing Sources and Uses, \$-1.61 million**

The Operating Fund includes certain transfers to and from the Grants and Special Projects Fund and Health Benefits Fund.

In FY 2017, a total of \$0.25 million and \$0.30 million in fund balance were transferred from the Medicaid and E-Rate funds, respectively. These transfers supported the operating fund, which included expenditures associated with services rendered to Medicaid-eligible children and the costs of telecommunications and internet access. Additionally in FY 2017, approximately \$2.55 million was transferred from the Health Benefits Fund to cover the annual required contribution for other post-employment benefits (OPEB) for retirees and a portion of the medical expense associated with the increased employer contribution for the licensed professional group. These sources of funds will not be available for FY 2019 because funding has been used in FY 2017. For FY 2019, a total of \$1.61 million will be transferred from the operating budget to the Preschool fund to support the division-wide preschool program for children eligible to receive services under Virginia Preschool Initiative.

The net of inflows and outflows of these funding sources for the FY 2019 operating budget is \$-1.61 million.

## **Operating Fund Balance, \$5.21 million**

Per School Board policy, ACPS may utilize fund balance to support the Operating Budget each year. The amount used for this purpose may not exceed 2.0 percent of the Operating Fund expenditure budget. This results in the use

of \$5.21 million of operating fund balance to support expenditures. The ending fund balance as of June 30, 2017 was \$12.17 million, a decrease of \$2.76 million over the prior year.

## **Community Use Program**

Under School Board policy (policy KG), the Board may permit the use of school property by members of the community when such use will not impair the efficiency or educational mission of the school. The Superintendent develops guidelines and applications for use of school facilities. Requests for the use of any school facilities are made to the Superintendent or the Superintendent's designee.

The Superintendent cooperates with the city in developing the City Facilities Use and Maintenance Agreement that establishes the guidelines for the mutual use and maintenance of schools and community facilities by and between the City and ACPS. The Superintendent may collaborate with other organizations to develop other similar agreements for the use of school facilities.

As a result of this Board policy, the school system does incur some non-revenue generating expenses. Many of the activities directly pertain to the use of schools by various community groups including civic associations, scout troops, colleges, and universities. The City of Alexandria Department of Recreation, Parks and Cultural Activities, the Campagna Center, and the Electoral Board also use ACPS facilities. No rental or event fees are charged to these organizations, which represent shared resources with the City of Alexandria.

Many users of school facilities are not exempt from building use and custodial fees. Groups using school facilities are categorized by three organizational types for the purpose of charging fees: Groups A, B and C. These groups are defined in the fee schedule shown on the following page.

# Revenue

FY 2017 Facility Use Fee Schedule				
All Fees are Per Hour				
Type of Organization	Auditoriums	Cafeterias	Classrooms	Gyms
<b>GROUP A</b> This group includes Boy Scouts, Girl Scouts, and other youth groups designated as Patriotic Organizations under federal law, other school program-related or instruction-related organizations, bona fide ACPS alumni organizations, the Department of Recreation, Parks and Cultural Activities and other Alexandria City government organizations designated partners of ACPS including PTAC and local PTAs , and organizations with an existing Memorandum of Agreement (MOA) specifying facility use as in-kind services.  Facility use fees are waived for this group if documentation is provided to demonstrate authenticity of the above group and authority to act by the specific group member submitting the Request Form and proper arrangements for such use can be made through the Office of Educational Facilities and the School Principal.  Civic associations, elected officials and organizations whose function is to represent candidates for local or state elected office are included in this classification. When the purpose of an event held by these groups is political fundraising, they will be charged Group B Facility Use Fees.  Organizations included in Group A will still be responsible for applicable custodial security and "additional service" fees.				
<b>GROUP B</b> This group includes all nonprofit organizations that are not designated partners of ACPS or included in Group A above.  This group also includes civic associations, elected officials, and organizations whose function is to represent candidates for local or state elected office when holding political fundraising events.	High School \$200.00	High School \$125.00	All Levels \$30.00	High School \$200.00
	Middle Schools \$150.00	All Other Schools \$80.00		All Other Schools \$100.00
	Elementary Schools \$100.00			
<b>GROUP C</b> This group includes all organizations who do not qualify for inclusion in any category identified above.	High School \$400.00	High School \$475.00	All Levels \$40.00	High School \$575.00
	Middle Schools \$350.00	All Other Schools \$250.00		All Other Schools \$350.00
	Elementary Schools \$300.00			
FY 2017 Facility Use Fee schedule – Additional Service Fees				
<b>*Use of Parker-Gray Stadium at T.C. Williams High School will be limited to ACPS approved events, as stipulated in Policy KG.</b> <b>All requests for such events must be made by submitting a Request Form to the Superintendent or Superintendent's designee.</b> <b>**The cost of Minnie Howard will be consistent with elementary use fees.</b> The rates listed above are for rental only. Additional fees are shown below.  1. Custodians (based on need, weather, type of program, estimated attendance). All groups are required to pay these fees, as applicable to the specific event. \$60.00 per hour/per custodian – Outside Regular Hours and/or Weekend (Custodial fees begin 30 minutes prior to the beginning of the facility use and end 30 minutes after the event concludes.)  2. The following fees are charged if the requested use requires additional ACPS staff or equipment. All groups are required to pay these fees as applicable. ACPS-approved A/V Operator: \$50.00 per hour Activity Supervisor: \$25.00 per hour– T.C. Williams Only Kitchen Personnel: \$30.00 per hour (Food Services Contract Required) Sound System: \$40.00 per hour Piano: \$25.00 per use Special Trash Pick-Up: \$200.00 flat fee  3. If food will be provided during the rental, the cafeteria must also be rented and used. Events which required additional cleanup besides routine custodial work will be charged a cleanup fee. This includes but is not limited to events in which refreshments are served, craft activities are involved, or there is use of locker rooms. All groups are required to pay this fee when the event qualifies. \$125.00 (Gym, Cafeteria, Auditorium) \$ 17.50 (per classroom rented)

T.C. Williams - Minnie Howard Campus	16,283	8,730	25,013
T.C. Williams - King Street Campus	11,170	14,018	25,188
<b>Grand Total</b>	<b>\$ 95,558</b>	<b>\$ 74,483</b>	<b>\$ 170,040</b>

\*\* Rental Fees are shared with schools and managed through the school local activity fund accounts.

Revenues collected from the use of school facilities are deposited in the general Operating Fund as shown on the above table. The School Board initiated a revenue-sharing program during the 1998-1999 school year, enabling individual schools to share the rental fees collected from their building rentals. Effective FY 2016, schools will receive 20 percent of revenues collected, compared to 50 percent in prior years.

## ACPS Fee Structure

### Overview

This section shows the types and rates of fees ACPS charges for various activities, materials and services for the upcoming fiscal year.

The following fees are deposited into the Operating Fund:

- Regular Day School Tuition

- Extended Learning/Summer Learning Tuition
- T.C. Williams Adult Education Tuition
- Custodial and Facilities Building Use Fees
- Facilities Rental Fees (80 percent)
- Parking Permit Fees
- Textbooks and Laptops Replacement Fees

Breakfast and lunch revenues are deposited into the School Nutrition Fund to support that program. The remaining fees are deposited with the schools and go directly to cover costs associated with the items or services for which they are charged.

<sup>1</sup>The first 2 children in any family will be expected to pay the Modified Calendar-Extended Learning fee. Any additional children will be allowed to attend tuition-free.

<sup>2</sup>Rising kindergarten students attend K-Prep, at no charge, during week 1 and Summer Language Academy for weeks 2 and 3, at the tuition noted above.

<sup>3</sup>The first 2 children in any family will be expected to pay the Summer Language Academy fee. Any additional child is \$50.00 or \$15.00 for students eligible for free and reduced-price meals.

<sup>4</sup>Students on Scholarship are required to pay the tuition noted above toward program goals.

<sup>5</sup>Students eligible for free meals are not charged musical instrument rental. Students eligible for reduced-price meals are charged \$25.

# Expenditures

## Operating Fund Expenditure Overview

The FY 2019 final expenditure budget totals \$273.81 million, a 5.2 percent increase over the previous fiscal year.

The total expenditures and positions from FY 2015 through the FY 2019 Final Budget are shown in the table below, organized by major expenditure category. These changes are discussed in greater detail in the following section.

ACPS expenditures are composed primarily of salary and employee benefit costs. These two

items alone total \$240.72 million and constitute approximately 87.9 percent of the FY 2019 Final Budget.

The pie chart below shows how compensation--both contract and non-contract pay--are allocated among the primary employee groups in ACPS. Salary and wage payments for all teacher scale positions account for the largest portion of total personnel costs. The next largest group is support scale employees. Compensation increases in the FY 2019 Final Budget are primarily driven by the addition of 61.26 FTE and the full step increase awarded to all eligible employees and increases in the health care rates.

Note: Dollar amounts are presented in millions.

# Expenditures

The pie chart below shows the major sources of expenditures in the non-personnel category. Non-personnel expenditures total \$34.01 million and constitute 12.1 percent of the total ACPS budget in FY 2019. This total is up \$1.05 million from FY 2017. Within the total non-personnel budget, the largest categories are Maintenance Services and Contracts, Leases and Rentals, Professional Services, Utilities, Technology, and Classroom Supplies.

Unchanged from the FY 2018 budget, the second largest non-personnel expenditure remains Leases and Rentals. As the Division analyzed options for leases, an opportunity arose to purchase a property for a West End elementary at significant long-term savings compared to the lease option. As a result, funds were transferred in support of this purchase within the FY 2018 – 2027 Capital Improvement Program Budget and the related operating costs have been extended to the FY

2019 operating budget.

## ACPS Debt Policy

The City Council (Council) annually approves the Board's total annual General Fund budget appropriation, levies taxes, and issues debt for school projects. The legal liability for the general obligation debt issued for school capital assets remains with the City. Funds also are received from state and federal sources for general school aid and specific grant purposes, respectively. The Council is prohibited from exercising any control over specific appropriations within the operating budget of the Board. ACPS is considered to be a discretely presented component unit of the City because ACPS is fiscally dependent on the City and its operations are funded primarily by payments from the City's general fund. The Board has the discretionary authority to expend the amount appropriated to it by the Council.

# Expenditures

---

## Budget Drivers and General Sources of Change

Many factors have a direct impact on the overall level of ACPS budgeted expenditures and may, therefore, change the budget from one year to the next.

Enrollment is the largest driver of cost in any school division. Enrollment projections are recalculated every year using the September 30th enrollment data as reported to the Virginia Department of Education (VDOE) for preliminary enrollment projections. Increased student enrollment requires additional teachers and other school-based staff, classroom materials, and textbooks. Increases in these areas place constraints on school capacity and transportation.

The following descriptions outline major areas that are impacted by enrollment.

### *Personnel and Allocation of Positions*

Enrollment drives staffing for elementary homeroom, physical education, art, vocal music and library/media staffing, as well as division-wide English learner and specialized instruction staff.

Middle and high school staffing is regularly reviewed, especially if there are significant changes in enrollment, course registrations, or if the addition of approved courses warrants a review.

Each year specialized instruction positions are reallocated across schools to correspond to the projected enrollment of special education students and their specific instructional requirements as dictated by their Individualized Education Programs (IEP).

Similarly, English learner (EL) teacher positions are reallocated across schools each year to respond to projected enrollment and the

proficiency level of students.

More information on specialized instruction and EL staffing can be found in the Information section.

### *Salaries*

Increases in the salaries account are the result of additional staff positions coupled with adjustments to current salaries. The FY 2019 Final budget includes a full step increase awarded to all eligible employees. The budget also includes a one-percent bonus for all staff who are not eligible for a step increase due to placement on hold steps as well as a new additional step at the top of every salary scale.

Savings are typically realized each year as the result of lapse or turnover savings. Turnover savings result when the actual cost of a replacement hire is less than the budgeted cost based on the incumbent employee. Savings that result from a position that remains unfilled for a certain period of time are referred to as vacancy savings and also are a component of the budgeted lapse figure.

### *Benefits*

Most ACPS benefit costs are driven by salaries, meaning they are calculated as a percentage of the salary paid to each individual. This year, there was a slight reduction to the Virginia Retirement System (VRS) retirement rates. Per Senate Bill 497, employees will continue to contribute 5.0 percent of eligible salary to the plan.

The premium rates for the UHC Point of Service (POS) plan and the Kaiser plan are each expected to increase by 15% and 9.5%, respectively. Both the employer and employee contribute to these premiums.

### *Non-Personnel*

Formula-based allocations for schools,

# Expenditures

including base allocations, are determined based on the official enrollment reports as of September 30th as submitted to the VDOE. Details on these school allocations are contained in the Information section of this document.

Changes in the cost of doing business, such as office supplies, paper, utilities, fuel, rent, and maintenance/repair costs also have been incorporated into the FY 2019 Final Budget, based on specific analyses for each area.

## Employee Benefits

Employee benefits include various non-cash compensations provided to employees in addition to their salaries or wages. Employee benefits are ongoing expenses for which the school division contributes a portion or all of the cost for its employees. Components of employee benefits include statutory, mandatory, and optional benefits.

ACPS provides the following employee benefits:

Statutory benefits:

- Federal Insurance Contributions Act (FICA)/ Social Security and Medicare
- Unemployment Compensation
- Workers' Compensation

Mandatory benefits for which eligible employees are automatically enrolled include:

- Virginia Retirement System (VRS)
- VRS Retiree Health Insurance Credit (RHIC)
- VRS Basic Group Life Insurance
- ACPS Supplemental Retirement Plan
- Disability Insurance Plan

Optional benefits for which eligible employees may choose to participate include:

- Optional Group Life Insurance
- Tax Sheltered Annuities 403(b) and 457(b) Plans
- Health Insurance: Medical, Dental, and

Vision Plans

- Dependent Care and Health Care Flexible Spending Accounts

Other benefits offered to employees include:

- Leave Program (sick leave, personal leave, annual leave, family and medical leave)
- Employee Assistance Program
- Termination Benefits
- Education/Tuition Assistance
- National Board Certification

ACPS also offers health insurance to its eligible retirees for medical, dental, and vision.

Information regarding ACPS employee benefits, including the school division's costs for these benefits is summarized in the following pages. Additional details can be found on the ACPS website at <https://www.acps.k12.va.us/Page/517>.

### *Federal Insurance Contributions Act (FICA)/ Social Security and Medicare*

Participation and rates are mandated by law. FICA is a federal program that requires both employees and employers to fund Social Security benefits that include retirement, Old-Age, Survivors and Disability Insurance (OASDI) and Medicare, which provides hospital or medical insurance.

In total, ACPS contributes 7.65 percent of employees' salary. For calendar year 2018, the employer tax rate for the Social Security portion of FICA is 6.2 percent of earnings up to \$128,400 and the tax rate for the Medicare portion of FICA is 1.45 percent.

### *Unemployment Compensation*

Participation is mandatory and rates for unemployment compensation are determined by the state. The school system is considered a Reimbursable Employer and makes quarterly payments to the Virginia Employment Commission. The budget is \$0.13 million for FY

# Expenditures

2019, unchanged compared to FY 2018.

## Workers' Compensation

Workers' compensation is a mandatory program. In 1992, the school system instituted a self-insured program administered by a third-party administrator. The budgeted amount is based on an estimate of the open claims ACPs pays each fiscal year. The budget for workers' compensation is \$0.95 million for FY 2019, unchanged from FY 2018.

## Virginia Retirement System (VRS)

Participation and rates are governed by state regulations. VRS rates have increased significantly over the past several years, as shown on the table on the following page.

The VRS Board has worked to comply with Governmental Accounting Standards Board (GASB) requirements to fully fund the long-term liability for retiree benefits.

For FY 2019, the total contribution is projected to decrease to 20.68 percent of covered compensation for the professional groups, a decrease of 0.42 percentage points. Non-professional groups will remain at 7.25 percent. VRS Plan 1 and Plan 2 members continue to pay 5.0 percent of their salary towards the plan.

The VRS Hybrid Retirement Plan will apply to most employees hired on or after January 01, 2014. The hybrid plan combines the features of a defined benefit plan and a defined contribution plan. Upon retirement, the defined benefit plan pays a monthly retirement

## Virginia Retirement System Rate History

Fiscal Year	Professional Employees	Non-Professional Employees
2019	20.68	7.25
2018	21.32	7.25
2017	19.66	7.25
2016	19.06	10.64
2015	19.5	10.64
2014	16.66	10.43
2013	16.66	10.43
2012	11.33	5.26
2011	8.93	5.26
2010	13.81	5.45

Note: Beginning in FY 2013, employees will contribute 5.00 percent of compensation to the plan in accordance with Senate Bill 497. Previously, the employee share was paid by ACPS. This 5.00 percent employee contribution is included in the total percentages listed in this table.

benefit based on age, total service credit and average final compensation, whereas a defined contribution plan provides a retirement benefit based on contributions to the plan and the investment performance of those contributions.

VRS Hybrid Retirement Plan members automatically contribute 4.0 percent of their covered compensation to the defined benefit plan and 1.0 percent to the defined contribution plan. Hybrid plan members may voluntarily contribute up to an additional 4.0 percent to the defined contribution plan, for a total of 5.0 percent contributed to this plan. ACPS matches this additional, voluntary contribution up to 3.5 percent. Additional information on the VRS Hybrid plan can be found at [www.varetirement.org/hybrid](http://www.varetirement.org/hybrid).

The total VRS retirement budget is \$26.09 million, a decrease of \$0.15 million based on the rate changes described above.

## VRS Retiree Health Insurance Credit (RHIC)

Participation in the VRS Retiree Health Insurance Credit program is mandatory for the professional employee group. The RHIC program provides eligible retired teachers and other retired professional groups a monthly health insurance credit to be used towards the cost of their individual health insurance premiums if they retire with at least 15 years of VRS credited services. The monthly health insurance credit amount is \$4 per year of service, not to exceed the amount of the retiree's health insurance premium for single coverage.

The employer contribution rate for the RHIC is 6.7 percent of covered compensation for FY 2019, an increase of 2.6 percentage points from FY 2018.

## VRS Basic Group Life Insurance

Participation in VRS Basic Group Life Insurance is mandatory for all eligible employees. For FY 2019, the Group Life Insurance Program rate is projected to be 1.31 percent of the annual covered payroll. The employer portion will be 0.52 percent.

## ACPS Supplemental Retirement Plan

Participation is mandatory and eligible employees are automatically enrolled in the Supplemental Retirement Plan currently managed by Principal Financial Group. As of January 01, 2013, the employee contribution is 1.5 percent and there is no ACPS contribution to the plan.

## Tax Sheltered Annuities 403(b) and 457 Plans

ACPS provides employees with optional retirement savings plans: 403(b) and/or 457(b) plans. Both plans allow employees to set aside a portion of their salary on a pre-tax basis in

# Expenditures

---

accordance with Internal Revenue Service regulations. Employees are entirely responsible for managing the investment of their 403(b) and/or 457(b) plans. A third-party administrator, TSA Consulting Group, manages compliance with IRS regulations.

## *Health Insurance – Medical, Dental and Vision Plans*

Participation in the ACPS health, dental or vision insurance program is optional.

Effective July 1, 2015, eligible employees are offered the choice of two medical plans: (1) a Health Maintenance Organization (HMO) plan with Kaiser Permanente and (2) a Point of Service (POS) plan with United Healthcare (UHC). Participants in the United Healthcare plan will automatically be enrolled in the prescription drug plan with CareFirst CVS/Caremark.

For FY 2019, premiums for both Kaiser and United Healthcare plans are projected to increase by 9% and 15%, respectively.

In FY 2018, ACPS contributed between 80 percent and 90 percent of the health insurance premiums for full-time employees, depending on the employee group. Similarly, for part-time employees, ACPS contributed between 60 percent and 70 percent of the premiums, depending on the employee group. In FY 2019, the employee cost share for full-time administrators and support employees grade 25 or above will increase by one percentage point from 15 percent to 16 percent, resulting in a 84/16 split. This change creates greater equity among employee groups.

With all of the changes combined, the medical plan budget increases by \$3.25 Million FY 2018 to \$21.64 million for FY 2019.

CareFirst is the new dental insurance carrier, replacing MetLife, effective July 1, 2017. This change will provide members with access to

a broad dental provider network, same dental coverages, and lower premiums. The FY 2019 projected cost for the dental plan is a slight increase from FY 2018. Employer costs are projected to be \$0.90 million in FY 2019.

The vision plan offered by ACPS is through EyeMed and is paid solely by the employee. Premiums for the vision plan remain the same for FY 2019.

## *Dependent Care and Health Care Flexible Spending Accounts*

Participation in the health care and dependent care flexible spending account is optional. Flexible Spending Accounts allow employees to set aside money to be used for eligible out-of-pocket health care and dependent care expenses using pre-tax dollars. The maximum election for the plan year has increased to \$2,600 from \$2,550. Participants in the healthcare FSA will be allowed to carry over to the next plan year a balance of up to \$500. The dependent care flexible spending account will remain unchanged at \$5,000.

## *Disability Insurance*

ACPS offers a short-term and long-term disability program to all eligible employees. The disability program is an ACPS-pay-all plan, and eligible employees are automatically enrolled in the short-term and long-term disability plans. The Hartford Life Insurance Company is the third-party administrator for the short-term disability plan and also the insurance carrier for the fully insured long-term disability plan. The annual cost for the administrative fees of the short-term disability plan is estimated to total \$0.1 million.

## *Long-Term Sick Leave*

Eligible employees may take leave under the terms of the Family and Medical Leave Act (FMLA). Employees may use accumulated leave and/or donations of sick leave from other

# Expenditures

---

employees to continue to receive compensation payments during this time.

## *Employee Assistance Program*

ACPS offers an employee assistance program which is embedded with the long-term disability program, and there is no additional cost to ACPS or its employees.

## *Retiree Health Insurance Benefits*

ACPS employees who retire while enrolled in an ACPS medical plan are eligible for an ACPS subsidy of up to \$265 per month towards their retiree medical premiums. Retirees whose medical insurance premiums are less than this subsidy amount receive the amount of their actual premiums.

Medical plans available to eligible retirees include the same plans offered to active ACPS employees. In addition, retirees and their dependents who are Medicare eligible may choose to participate in a Medicare Advantage Plan currently with United Healthcare or HMO Medicare Plus with Kaiser.

## *Termination Benefits*

ACPS' leave program includes sick leave, personal leave and annual leave. Rates of leave accrual vary based on employee groups for professional, support, and administrative staff. Eligible employees are paid for unused annual and sick leave when they retire or leave their employment with ACPS. A maximum of 45 days of annual leave may be paid out at termination. Upon termination of employment, employees may receive a lump-sum payment based on the rate approved by the Board.

## *Education/Tuition Assistance*

Courses eligible for tuition assistance for teachers and administrators will be classified according to the ACPS priority areas and may vary from year to year. Details of education

tuition assistance for licensed and support employees are available on the ACPS website at <https://www.acps.k12.va.us/Page/524>. The budget for tuition assistance totals \$0.23 million, unchanged over last year.

## *National Board Certification*

National Board Certification is an optional program. The National Teacher Exam (NTE) is a standardized examination that provides objective measures of academic achievement for those completing teacher education programs. ACPS pays the fees for selected new teachers. In addition, a contract premium of \$2,200 is awarded to these teachers annually.

# Capital Improvement Program

---

## Capital Improvement Program (CIP) Introduction

The Alexandria City Public Schools (ACPS) FY 2019-2028 Capital Improvement Program (CIP) addresses the school division's needs for construction, expansion and refurbishment of long-lived capital assets to ensure the provision of instruction in a safe and effective environment. The CIP is framed by the ability of current school infrastructure to meet the increasing demands of the projected student population and instructional program requirements and addressing the deteriorating condition of aging facilities and infrastructure.

ACPS incorporates current enrollment information, program requirements, city population data, and planning & zoning assessments, along with principal and department head needs. In addition, staff uses operations and maintenance data, School Board strategic plans and facility needs assessments to determine capital needs. The adoption of the Capital Improvement Program is an annual commitment to a series of projects with estimated costs based on current knowledge, market conditions and priorities.

The City of Alexandria defines a capital project as one that acquires or improves a physical asset with a useful life of three or more years for greater than \$10,000 not including day-to-day maintenance tasks. Several capital projects have a direct impact on the operating budget and are typically related to capacity.

While the program serves as a long range plan, it is reviewed and revised annually based on current planning circumstances. Priorities may change due to facilities assessments, the economic environment, new laws and regulations, population shifts or the strategic planning process.

### Major Challenges of the CIP

The FY 2019-2028 CIP budget continues the previous change in the capital improvement

program that moves the school division forward in improving its facilities conditions through comprehensive modernization. This approach calls for the renewal of outdated buildings. The major challenges that this years CIP budget aims to address are:

- Insufficient safety and security systems, building accessibility, Americans with Disabilities Act (ADA) challenges, inadequate roof systems
- Inadequate classroom and play spaces
- Outdated heating, ventilation and air conditioning (HVAC) systems and lighting
- Insufficient common areas such as cafeterias and gymnasiums

The modernization approach requires consideration of four major areas: additional capacity, renovation of existing buildings, swing space and transportation. Each modernization project is intended to be comprehensive and the expected lifespan is 30-50 years.

Ferdinand T. Day Elementary School (New West End School)

### The 2019-2028 CIP Budget and the Ad-Hoc Joint City-Schools Facilities Investment Task Force

The FY 2016-2025 CIP began the modernization process that will be continued in the FY 2019-2028 program, though at a delayed pace that will not address the full need of the school division within the ten-year CIP.

# Capital Improvement Program

---

The ten-year CIP is aligned with the recommendations for project prioritization from the Ad-Hoc Joint City-Schools Facilities Investment Task Force (Task Force) after adjustments were made to meet the annual budget constraints of the FY 2018-2027 City Council Approved CIP budget. Last years CIP budget had several challenges to face given the realities and constraints of funding and persistent deferred projects. Therefore, the 2019-2028 CIP budget was formulated with the following recommendations by the Task Force as a guide:

- The School Board, consistent with the recommendations of the Ad-Hoc Joint City-Schools Facilities Investment Task Force, views it as imperative to work with City Council to expedite the development of a joint facilities master plan that outlines preferred sequencing of projects to address the enrollment gap, while identifying and aligning required resources; and
- The School Board is committed to working with the City Council and the community to ensure that CIP funds are spent in the most responsible and effective manner for our students and our citizens; and
- The School Board is improving significant long-term capacity and building conditions through the joint facilities master plan, which will require projects and funding levels beyond the FY 2019 – 2028 CIP to provide high-quality capacity to meet the growing enrollment and to maintain and modernize aging facilities; and
- The School Board understands that a significant amount of joint planning conducted in FY 2019, including land acquisition, grade level configuration, community input and site suitability, will result in adjustments to the CIP project timelines and funding; and
- The School Board recognizes that middle school capacity will be met through a combination of the following: feasibility studies, community engagement, land

acquisition, grade level configuration analysis, and the use of relocatables; and

- The School Board is committed to considering community input and developing a solution for high school overcrowding that will accommodate students in grades 9-12 in the near future and beyond this 10 year CIP; and
- The School Board concurs with the Ad-Hoc Joint City-Schools Facilities Investment Task Force's recommendation that the School Board and City Council explore the feasibility of building elementary capacity projects on adjacent public open space and/or City-owned land to accelerate modernizations; and
- The School Board is committed to working with the City and partner organizations through the joint facilities master plan to increase capacity in order to make pre-K available for all pre-K-age students

## **Educational Facilities Department and the CIP**

The Educational Facilities Department of ACPS manages and executes the ACPS Capital Improvement Program. The department executes tasks ranging from small maintenance projects to the design and construction of new school buildings to increase capacity. Examples of several prominent CIP projects for FY 2018 will follow.

### **Patrick Henry Elementary School:**

The new Patrick Henry School and Recreation Center project reached many scheduled milestones this fiscal year. Design was completed and all required approvals regarding the planning commission and Development Special Use Permit (DSUP) have been achieved. Upon the completion of these tasks construction began on the project with a plan to build the new facility adjacent to the current building, allowing students to utilize the old school as swing space during construction.

# Capital Improvement Program

This facility promises to help improve capacity challenges at the elementary school level and provide a new and improved facility that will meet the educational adequacy standards established for Alexandria City Public Schools.

**West End Elementary School:**  
ACPS has purchased and is moving towards retrofitting the office building at 1701 N. Beauregard Street, making substantial changes to the inside to convert it into an elementary school for 650 students. The purchase includes the parking garage adjacent to the building, part of which would be converted into outdoor space for students at the school.

As part of this conversion, new site access improvements will be made as well as improving

circulation issues at the site. In addition, school bus loading and unloading requirements will be addressed to provide the optimal flow on and off site.

**Relocatables at T.C. Williams and James K. Polk:**

Another approach to addressing increasing capacity needs implemented this year included the design and installation of relocatables at James K. Polk and T.C. Williams. Prefabricated classroom units were installed to add capacity at James K. Polk adding 4 classrooms yielding additional capacity of approximately 72 students. At T.C. Williams 6 classrooms were added yielding additional capacity of approximately 150

**Table 1: FY 2019-2028 Budget Approvals, School Board Vs. City Council**

Fiscal Year	School Board Adopted Final FY 2019-2028 CIP Budget	City Council Approved Final FY 2019-2028 CIP Budget	Change, School Board Adopted vs. City Council Approved FY 2019-2028 CIP Budget

---

students. The locations for these units on the site were carefully chosen with the units thoughtfully designed to integrate with the existing operations.

## Strategic Planning Framework

Equity in facility standards across all schools was a focus during the first introduction of the modernization plan in the FY 2016-2025 CIP. It is now an essential priority of the ACPS 2020 Strategic Plan. The plan pledges to move towards the modernization of schools so that every student has a beautiful building and learning space but most importantly has an optimal learning environment with equitable access to program opportunities.

To achieve this goal, the CIP was separated into two program focuses, Non-Capacity and Modernization. The Non-Capacity Program includes funding for major repairs and minor construction projects. The Modernization Program includes funding for design, project management support for the renovation of existing buildings, and construction of additional capacity where necessary.

### CIP Planning and Process:

Though the planning process for the Non-Capacity tasks is ad-hoc, planning for the Modernization tasks is long term and more extensive. During this process it is critical to reprioritize schools and projects to make certain that the most critical needs of the schools are addressed. The prioritization process is extensive and includes

input from internal leadership and external stakeholders. Decision making during this phase is driven by five criteria identified by ACPS and utilized by the joint long-range educational facilities plan.

### Capacity:

Capacity ensures that ACPS has enough suitable spaces to deliver instruction to the estimated number of students. Current enrollment projections indicate ACPS will experience a capacity deficit for both elementary and secondary students.

### Safety:

Examples of safety and security related projects include upgrading of fire and life safety systems, upgrading of access control and improvements in ADA accessibility.

### Maintenance:

This category ensures the learning spaces utilize best practices for energy efficiency and environmental sustainability. These projects include upgrades to indoor air quality and HVAC systems, as well as day lighting and other sustainability features related to plumbing and electrical systems. In addition, ACPS has a renewed focus on improving the energy efficiency, resistance to water intrusion and appearance of our facilities through building envelope repairs and painting.

### Community:

This category addresses our school sites as both a school and community resource for activities during and after school. Included in these projects are upgrades to playground equipment, playground surfaces and drainage remediation.

### Equity:

This category is focused on providing clean, safe and conducive learning environments. Projects include spaces like play areas and cafeterias.

---

## FY 2019-2028 CIP Funding Request

This budget request contains three primary drivers:

1. Increasing capacity to accommodate anticipated enrollment growth and student needs
2. Modernization to aggressively address unmet facilities needs through a comprehensive approach
3. On-going major repairs of facilities that are not scheduled to be modernized within the 10-year program

The ACPS School Board does not have the funding authority to issue debt, therefore the City of Alexandria City Council approves the appropriate funding option per the project requests. The total CIP budget is \$474.68 million and includes \$68.33 million for FY 2019. This \$68.33 million includes a \$30.00 million property acquisition cost for the New High School. This is more than the total ten-year City Council approved for the FY 2018-2027 CIP as it aligns with the funding recommendations of the Task Force. Total outstanding bonds and bond amortization schedules, that fund ACPS projects, are included in the City of Alexandria's Approved FY 2019-FY2028 Capital Improvement Program budget.

### Modernization Program:

The Modernization Program includes funding for design, project management support for the renovation of existing buildings, and construction of additional capacity where necessary. Modernization projects have a total of \$381.69 million of the \$474.68 million designated over the 10-year period. Swing space, transportation and project scheduling are critical components of the modernization plan.

This modernization approach requires consideration of four major factors: additional capacity needs, renovation of existing buildings due to aging, swing space provision,

and transportation facility expansion. Each modernization project is intended to be comprehensive with a lifespan of approximately 30-50 years.

### Major Factors

There are four major components of the modernization program.

### Adding Capacity:

Capacity analysis is based on updated information on existing building facilities as collected through the long range planning effort with the City of Alexandria . Based on the annual review and analysis of student enrollment forecasts, ACPS is expecting over 2,800 new K-12th grade students within the 10-year program (Chart 1: ACPS Historical and Projected Enrollment Growth). Average growth rates of 2.2% are expected to continue through FY 2023.

*Elementary Capacity* - Elementary capacity will be addressed through modernizations which will likely require swing space. Though the FY 2018-2027 CIP identified Lee Center as a feasible option for swing space, this CIP reverts back to original plans of new construction or retrofitting to obtain swing space based on recommendations of the Task Force. Swing space was delayed to FY 2022 in the FY 2019-2028 CIP. Adequate funding and time should be spent on the swing space to create a permanent school upon completion of the modernization program, a minimum of 15-20 years in the future.

*Secondary Capacity* - Enrollment projections indicate that secondary enrollment will exceed capacity in coming years. ACPS is proposing a new high school project to accommodate enrollment and better serve the high school students academic experience. New high school capacity is proposed with 1,600 student capacity on an existing campus or other property. Middle school capacity will be met through a combination of the following: feasibility studies, community engagement, land acquisition, grade level configuration analysis

# Capital Improvement Program

and the use of relocatables.

## Renovating Existing Buildings Due to Aging:

The second major component of the modernization program is to renovate the existing school facilities. By 2019, five of the 17 ACPS schools will be more than 75-years old (Age and Square Footage of ACPS School Buildings Chart).

Mount Vernon, Matthew Maury, George Mason, and Douglas MacArthur Elementary Schools, and George Washington Middle School (our second largest school) will all reach or exceed 75 years of age within the next five years. Over the next 20 years, an additional seven schools will reach 75-plus years. The condition of these buildings are not all currently at a state where they can be properly maintained due to their age. Part of the final CIP includes new buildings and modernizations to address building condition issues at select facilities.

Typically, if renovation exceeds 50% of the replacement cost for a building, then it is more cost-effective to build a new facility in order to reduce the life cycle operations and maintenance expenses.

## Swing Space:

Swing space is a location to deliver the educational program while a school is undergoing renovation or new construction. Construction can be very disruptive to students

so swing space is a critical component of the overall modernization program. Students can be accommodated in several ways. One option may be portable classrooms on-site or at a centralized location; however, given site constraints of existing facilities and difficulty in finding land, these options will be difficult to pursue. Another option may be a new facility, where students are transported for the entirety of the modernization project.

## Transportation Facility:

The transportation facility has not been upgraded since it was constructed in 1979. Since then, ACPS has gained more than 4,000 students and expanded the school bus fleet. This project to upgrade the transportation facility includes an expanded garage and personnel space to meet the needs of the expanding fleet. Construction funding for the building expansion is shown in FY 2019; however, the City is still in the process of evaluating the ACPS request to utilize additional land to expand the parking lot and building.

## Recommended Modernization and Capacity Projects

Typical modernization projects include a programming studies to determine how to renovate the existing structure to meet the standards outlined in the educational specifications. Each renovation is intended to be comprehensive, and the expected lifespan of the project is 30-50 years. Part of the renovation may include HVAC systems replacement, ceiling and lighting upgrades, newly configured classrooms, new windows, fire sprinklers, electrical and plumbing upgrades, painting, flooring and both fixed and loose furnishings (Modernization Program Projects By Site (Including Capacity)Table). Capacity will be added based on each site's need and ability to accommodate additional staff and students.

*New High School* - New capacity at the high school grade levels is proposed for design in FY 2019 and 2020 with construction in FY 2021.

**Table 5: Basis of Modernization Estimates**

Design Type	Cost Per Sq/Ft
New Building Construction	\$320
Renovation	\$260
Commercial Building Retrofit	\$150

\*\*Inflation Per Year 2.5%

\*\*Design, Project Management and Other Soft Costs at 20%

# Capital Improvement Program

---

The project consists of a demolition of the existing T.C. Williams Minnie Howard campus and re-build to accommodate 1,600 students.

*Capacity and the New School-* Based on Task Force recommendations, this project will be pursued as a permanent school to be used in the future upon completion of the modernization project. Site and scope will need to be determined.

*Flexible Capacity Space* - These funds will provide temporary classrooms throughout the school division to accommodate the enrollment. These funds also include the design and construction of a gym at the new west end elementary school.

*Transportation Facility-* Upgrade the existing building and build an addition to accommodate the increase in personnel and the bus fleet.

*Douglas MacArthur-* Due to the building condition and the interior configuration, a total school replacement is recommended to rectify the deteriorating building condition and to accommodate the projected future enrollment.

*George Mason-* Due to the building condition and the interior configuration, a total school replacement is recommended to rectify the deteriorating building condition and to accommodate the projected future enrollment.

*Cora Kelly-* This project will include a total building renovation and ten classroom addition for elementary grades.

*New Elementary School-* Enrollment projections indicate the need for an additional elementary school in the future. This project includes design costs for a 600 student capacity new school building in FY 2028.

## **Basis of Modernization Estimates**

Modernization estimates are based on average per square foot costs. Per square foot average

costs are estimated based on historical project trends and current market values. This is subject to change as construction market trends fluctuate and with inflation. Despite fluctuations this method provides a framework with which to budget.

ACPS estimates the average New Building Construction cost to be \$320/SF. The cost basis for renovation projects is \$260/SF, except those involving the retrofitting of commercial leased space for which \$150/ SF is used. Design, Project Management, and other soft costs are not included in these estimates but are currently estimated at approximately 20% of project cost (Table 5: Basis of Modernization Estimates).

Utilizing this Basis of Modernization Estimate, budget numbers are compiled for each project during the planning phase in the Modernization and Capacity program.

## **Non-Capacity Program:**

The Non-Capacity Program includes funding for major repairs and minor construction projects. \$92.98 million of the \$474.68 million is designated for Non-Capacity projects. The 10-year request includes:

- \$32.52 million for elementary school projects
- \$12.89 million for secondary school projects
- \$47.57 million for system-wide projects including HVAC, emergency repairs, project planning, Rowing Facility upgrades and school buses and vehicles

The current estimates included in the CIP for non-capacity come from several sources. These include the concept design costs from A/E firms, Roof Assessments by Tremco, Kitchen Assessments by Brailsford and Dunlavey, HVAC assessment reports provided by Carrier, and the recommendations of a facilities condition assessment conducted by EMG with pursuant validation by Henry Adams Associates for the

# Capital Improvement Program

---

schools to be modernized.

## Project Details

*Safety and Security* - Planning for these projects includes an assessment of the access system and system wide camera upgrades.

*Project Planning* - This funds project planning for projects at least one to two years prior to the execution of work allowing time for feasibility studies, proper scoping, cost estimating, coordination and permitting.

*Exterior Playgrounds or Sports Areas* - These projects remove and replace old playground equipment and protective surfaces to provide new play/recreational areas for students.

*Fire Alarm System* - These projects replace existing fire alarm system components, particularly fire alarm panels. This will improve the safety conditions for students, staff and visitors to ACPS facilities.

*HVAC Repair/Replacement* - These projects repair or replace existing HVAC equipment: HVAC repairs will be initiated to restore operability, efficiency and reliability; HVAC replacements will address outdated and outmoded equipment with installation of new high efficiency units tied into ACPS automated building systems.

*Plumbing/Restroom upgrades* - These projects upgrade and “refresh” existing restrooms with current ADA requirements, new tile, urinals and hand sinks as well as any associated water service. Upgrades may include new weather tight windows as well as energy efficient lighting. New plumbing will include low-flow water efficient fixtures and all restroom upgrades will be consistent with the ACPS goal of energy efficiency and sustainability.

*Roof Repair/Replacement* - These projects repair or replace existing roofing systems to prevent water leaks, moisture infiltration and

deterioration of the building structure. New roofing systems will include high reflectance, increased insulation and thermal efficiency resulting in higher energy efficiency and thus lower utility costs.

*Site Hardscape Repair/Replacement* - These types of projects include resealing and striping asphalt, rubber safety surface play areas and also includes parking lot repairs. It also includes replacing sidewalks, patios, walkways and other pedestrian or play surfaces that have deteriorated to the point of presenting a risk of injury to students, parents, staff and visitors at the facility. Repair and/or reconstruction of exterior retaining walls are also done as part of site hardscape repairs.

*Storm Water Management* - These types of projects address the flow of storm water at the facility; directing water away from the facility and controlling the volume of water flowing into the sewer system. Stormwater best management practices include the management of water flow through grading and vegetation as well as through building and maintaining structures to contain, filter and detain storm water. Storm water management may also seek to capture or harvest water for reuse in landscape irrigation or as a non-potable source of water for cooling towers and toilet flushing.

## Operating Budget Impact

Both the capital and general budget of the Operations and Maintenance program are closely connected. In addition to implementing a comprehensive facilities modernization plan, the school division is developing practices and protocols that will lead to the establishment and oversight of a comprehensive facility maintenance program.

This will encompass several distinct programs, including preventive, repair/upkeep, and emergency maintenance. Existing allocations within the CIP budget are intended to be used

# Capital Improvement Program

to implement a comprehensive modernization plan. This, along with funding from the combined funds budget, will be used to address routine maintenance costs associated with custodial contracts, routine preventive work

and unanticipated emergency projects that fall outside the purview of designated CIP funds. The anticipated operating budget impact for large capacity projects is shown in the table below.

**Table 7: CIP Operating Budget Impact**

School	Project	Projected to Open	FY 2019 Projected	FY 2020 Projected	FY 2021 Projected	FY 2022 Projected	FY 2023 Projected

# FY 2019-2023 Fiscal Forecast

## FY 2019-2023 Fiscal Forecast

The FY 2019-2023 fiscal forecast incorporates the revenue and expenditures of the final FY 2018 budget and projects financial performance for the Operating fund through FY 2023. The forecast utilizes assumptions concerning enrollment and demographics, class size and staffing levels, as well as revenue and expenditure inflation trends, to provide a long-range picture of the financial challenges facing ACPS. The model underlying the forecast provides an analytical framework that

allows the Alexandria City School Board and ACPS leadership to examine how changes in operating assumptions affect this financial picture, and will be used to determine how best to close the projected operating gap.

### Multi-year Revenue and Expenditure Projections

The chart below display the revenue (inclusive of other financing sources and uses) and expenditures from FY 2018 Final Budget through FY 2023 Projected Budget.

# FY 2019-2023 Fiscal Forecast

## Budget Imbalance Given Baseline Assumptions

In order to develop the Operating Fund Fiscal Forecast, the FY 2018 Final Budget is used as a baseline. All future-year deviations from the FY 2018 Final Budget are due to the assumptions detailed below in narrative form and in chart form at the end of the FY 2019-2023 Fiscal Forecast section.

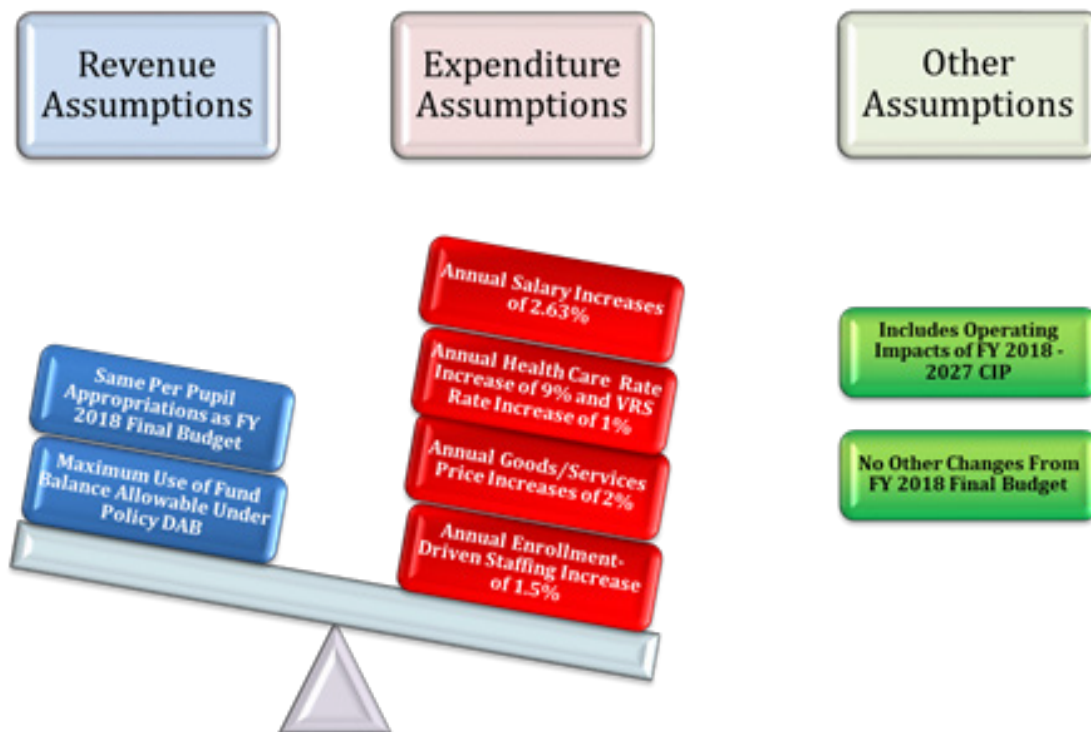

Under the current assumptions, ACPS revenue and expenditures for FY 2018 through FY 2022 are structurally imbalanced. Revenue, and principally the revenue from the City of Alexandria's annual appropriation, is not anticipated to keep pace with the growth in Operating fund expenditures. The gap in revenue and expenditures grows from \$18.3 million in FY 2019 to \$53.5 million in FY 2023.

## Revenue Growth Assumptions

Student enrollment is anticipated to increase from a projection of 15,522 students in FY 2018 to a projection of 17,287 students in FY 2023, with growth across all grade levels. The average annual growth in total enrollment is projected to be 2.2 percent. (Note that these assumptions are based on projections from FY 2017 actual membership. Updated enrollment projections utilizing FY 2018 actual membership will be released by ACPS in December 2017).

Same Per Pupil Appropriations: \$6.2 million in FY 2019; \$29.2 million in FY 2023

Between FY 2018, and FY 2023, all revenue is expected to grow along with student enrollment so that the per-pupil allocations from each funding source remain constant throughout the projections. For example, the City of Alexandria Appropriation for the

# FY 2019-2023 Fiscal Forecast

---

FY 2018 Final Budget is \$214.1 million. For 15,522 students, this represents a per-pupil allocation of approximately \$13,791. The same per-pupil allocation would result in a City of Alexandria Appropriation of \$219.2 million in FY 2019 (when an additional 374 students are projected) and \$238.4 million in FY 2023 (when an additional 1,765 students are projected). This same methodology is used to determine the revenue growth at the state, federal and local levels.

The result of these revenue assumptions are an overall revenue increase of \$6.2 million by FY 2019 and \$29.2 million by FY 2023. The FY 2019 assumption includes increases of City Appropriation of \$5.2 million, State Appropriation of \$1.0 million and combined federal and local appropriations of just \$38 thousand. ACPS recognizes that the amount of appropriation may be impacted by City and State strategies to balance their budgets.

## Maximum Use of Fund Balance: \$5.2 million in FY 2019; \$6.4 million in FY 2023

This projection also includes the maximum annual use of fund balance allowable under ACPS Policy DAB – Operating Fund Balance, jointly developed by the City of Alexandria and Alexandria City Public Schools. There are several restrictions on the use of fund balance within this policy. However, the one that is expected to prevail each year, as the most restrictive, limits annual use of fund balance to 2% of the previous year's operating budget. This assumption allows for ACPS to budget \$5.2 million in use of fund balance within FY 2019. This amount escalates to \$6.4 million by 2023. Policy DAB anticipates that, each year, overall fund balance will be replenished by a total budget underspend of approximately 2%.

## **Expenditure Growth Assumptions**

Expenditures are projected to grow at the following average annual rates across the projection period. All numbers shown below

are comparisons to the FY 2018 Final Budget unless otherwise noted.

## Annual Salary Increases per Employee: \$4.5 million in FY 2019; \$24.0 million in FY 2023

The annual salary of each employee is expected to increase by 2.63 percent each projection year. This was calculated by analyzing a step increase for every current ACPS employee at the end of FY 2017. ACPS recognizes that one of the key characteristics of a high-performing school division is recruiting and retaining exemplary staff. The Division also understands that it exists in a very competitive labor market for teachers and other school employees in Northern Virginia. As nearby jurisdictions continue to offer salary increases in line with annual step increases, ACPS must do so as well. This will come at an estimated additional expense of \$4.5 million in FY 2019 and \$24.0 million in FY 2023 when compared to the FY 2018 Final Budget.

## Health Care and VRS Changes: \$3.6 million in FY 2019; \$20.0 million in FY 2023

Employee benefit costs incurred by the School Division are anticipated to continue to increase in upcoming years. Expenditures in the Health-Benefits fund have risen 34% between fund inception in FY 2014 and actual expenditures for FY 2017. Overall, ACPS projects a 9% annual health care cost increase and 1% Virginia Retirement System (VRS) rate increase throughout the projection period. The combined result, when compared to the FY 2018 budget, is \$3.6 million more anticipated costs in the first projection year and \$20.0 million projected in the fifth projection year.

## Non-Personnel Changes: \$0.7 million in FY 2019; \$3.5 million in FY 2023

All non-personnel costs are projected to increase by 2% each year along with general inflation. This is in line with the escalator clauses in many ACPS multi-year goods and services contracts. It is also aligned with the 5-Year Forward Inflation Expectation Rates

# FY 2019-2023 Fiscal Forecast

published daily by the Federal Reserve Bank of St. Louis (available online at <https://fred.stlouisfed.org/series/T5YIFR>).

## Enrollment-Driven Staffing: \$3.5 million in FY 2019; \$21.0 million in FY 2023

Over the previous decade, ACPS enrollment has grown by 46% or approximately 3.9% each year. The growth is expected to continue at the elementary, middle school and high school levels through FY 2023. The ACPS and City of Alexandria joint model expects a decreased, though still substantial, rate of 2.2% annual growth over the next five years. More students requires more staffing and ACPS anticipates that a 1.5% annual staffing increase will be required to meet growing student needs. This new staff will increase the annual budget by approximately \$3.5 million in FY 2019 and \$21.0 million in FY 2023.

## Enrollment-Driven Staffing: \$7.1 million in FY 2019; Slight Escalation for Subsequent Years

Three critical new Capital Improvement Program (CIP) Projected to be completed for use in FY 2019. The first is a New West End Elementary School. This project is anticipated to increase overall operating expenditures, net of decreases at other elementary schools, by \$6.0 million in FY 2019. The annual cost is expected to escalate to \$6.7 million by FY 2023.

The second major CIP project is the co-location of an Early Childhood Center at John Adams Elementary School. This comes with a division-wide annual operating fund increase, net of related changes at other schools, of \$0.8 million in Year 1 and \$0.9 million in Year 5.

Patrick Henry School is currently being rebuilt. Due to the larger size of the new building, there are anticipated annual operating expenditure increases of \$0.3 million in each operating year.

Smaller CIP projects in subsequent years will result in annual operating and maintenance cost increases totaling \$1.3 million by FY 2023.

## Future Considerations

As the gap between revenue and expenditures grows, all areas of the division must be examined for efficiencies to continue to provide the services needed by the students.

Salaries and benefits comprise 88% of the current-year operating fund budget. All staffing levels will be examined to determine if additional efficiencies can be realized. Organizational changes and class size adjustments may need to be reviewed by the leadership team and School Board. In addition, outsourcing of certain functions or shared services with the City of Alexandria will be considered.

Assumption	Account Type	FY 2019 Projected	FY 2020 Projected	FY 2021 Projected	FY 2022 Projected	FY 2023 Projected

# FY 2019-2023 Fiscal Forecast

All programs and services will be reviewed to determine if further efficiencies are possible. Programs that are not meeting the benchmarks set may face reduction in funding or elimination.

Finally, additional sources of revenue will need to be identified. The division's grant-writing capacity will need to be enhanced and other business development opportunities will need to be pursued.

## Reading the Financial Reports

ACPS employs a multi-segment account code structure that provides for valuable reporting capabilities. The reports in this section are based on five components of the account code structure:

### Fund Segment

This segment identifies the source of funds for the activity, the Operating Fund, School Nutrition Fund, or in the case of the Grants and Special Projects Fund, the specific grant that funds the expenditure. Reports for the Operating, School Nutrition, and Grants and Special Projects Funds are included in this section.

### Section (School/Department) Segment

Identifies the major and subsidiary organizational units in ACPS. This includes individual schools, the School Board, the Office of the Superintendent, and the other organizational units within Central Office.

### Object Segment

The object code is the most detailed level of the expenditure categories and identifies the actual expenditure--goods or services--purchased. The major object is a grouping of object codes in accordance with their categories in the chart of accounts. For example, supplemental teacher, supplemental librarian and supplemental counselor have different object codes but they all are grouped into a major object called 'supplements' in the financial reports. A description of major object groupings follows:

#### Personnel Accounts

*Personnel Salaries:* Major groupings within the compensation codes are:

- Administrative: Salaries paid to regular, contracted administrators for full-time and part-time work. Administrators include directors, supervisors, coordinators, and managers.
- Professional Instruction: Salaries and wages paid to principals and assistant principals, school counselors, library media specialists, instructional coaches, and classroom teachers for full-time and part-time work. Classroom teachers include PreK-8, encore, core and elective at the secondary level, reading, special education, English learner (EL), dual language, talented and gifted (TAG), and alternative education teachers.
- Professional Other: Salaries and wages paid to support teachers and other teacher-scale positions for full-time and part-time work. Support positions include social workers, nurses, psychologists, instructional coaches, program managers, and system analysts.
- Technical: Salaries and wages paid to technical analysts, computer and network support, security guards, and other specialized personnel.
- Support: Salaries and wages paid to paraprofessional and clerical personnel.
- Trades: Salaries and wages paid to mechanics, maintenance supervisors, custodian supervisors, and general maintenance employees.
- Operative: Salaries and wages paid to bus monitors and drivers.
- Laborer and Services: Compensation for those who perform tasks requiring some manual skills or relates to both protective and nonprotective support services. Positions budgeted here include food service, custodian, security, and building engineers.
- Intermittent: Compensation for casual temporary employees paid on an hourly basis for hours worked.

# Financial Reports

---

- **Overtime:** Compensation for non-exempt employees for hours worked in excess of 40 hours per week.
- **Substitute:** Compensation for non-contract employees who perform the work of regular full-time or part-time employees who are absent. Substitutes may also fill full-time positions on a long-term basis.
- **Supplemental:** Compensation for full-time and part-time regular employees for work performed outside of the scope of their full-time position. May include such pay as shift-premiums, incentives, and extra duty stipends as well as additional pay for extended learning.

## Employee Benefits Accounts

**Employee Benefits:** Job-related benefits provided to employees as part of their total compensation. Fringe benefits include the employer's portion of FICA, retirement, insurance (life, health and dental, disability, etc.), and employee allowances.

## Non-Personnel Accounts

**Purchased Services:** Services acquired from outside sources such as private vendors, public authorities, or other governmental entities including tuition payments to other school divisions for the education of students with disabilities. Purchase of the service is on a fee basis or fixed-price contract basis. Examples include HVAC maintenance, cleaning/janitorial work, legal, and other professional services.

**Internal Services:** Charges from one department of ACPS to another for items such as field trips and printing.

**Other Charges:** Expenditures to support operations including utilities, travel, insurance, phone charges, postage, and leases/rentals.

**Materials and Supplies:** Articles and commodities, including textbooks, that are consumed or materially altered when used and

equipment that is not capitalized.

**Capital Outlay:** Outlays that result in the acquisition of or additions to fixed assets. Capital outlay includes the purchase of replacement or additional fixed assets.

**Other Uses of Funds:** This series of codes is used to classify transactions that are not properly recorded as expenditures of the school division but require budgetary or accounting control. These include fund transfers and budgetary contingency funds and are used solely by the Financial Services Department as well as expenditures for indirect costs which are applied to certain grant funds.

## **Program Segment**

The program code identifies one of nine major areas or one of its detailed sub-programs.

The major units are instructional support, regular, special, vocational, gifted and talented, other, summer, adult education, and non-local education agency (LEA) programs.

Reports are organized by the major program level. Similar to the major object, the major program is a grouping of similar programs to provide a more streamlined reporting view.

## **Function Segment**

The function code identifies what type of activity is supported by the transaction. Pursuant to Section 22.1-115 of the Code of Virginia, the major classifications of expenditures are established as (i) instruction, (ii) administration, attendance and health, (iii) pupil transportation, (iv) operation and maintenance, (v) school nutrition services and other non-instructional operations, (vi) facilities, (vii) debt service and fund transfers, (viii) technology and (ix) contingency reserves. These categories are further broken down into function areas, such as classroom instruction in category (i) and vehicle operation in category (iii). Function codes are used to complete the Annual School Report submitted to the Commonwealth of Virginia.

# Financial Reports

---

The following reports provide five years of data: FY 2015, FY 2016, and FY 2017 columns show actual expenditures and actual positions (FTE). The FY 2018 and FY 2019 columns show budget and position information. The change column is the difference between FY 2018 and FY 2019 budgets.

Dollar amounts in the following reports are expressed in thousands as noted.

**Budget and Positions by School/Department for the Combined Funds:** This is a summary report that shows expenditures and positions at the school and department level for the planning year only.

**Budget and Positions by Major Object for the Operating Fund:** This report shows expenditures and positions at the major object level.

**Budget and Positions by Major Program for the Operating Fund:** This report shows the expenditures and positions at the major program level.

**Budget and Positions by Department for the Operating Fund:** This report shows the expenditures and positions at the school and department level.

**Budget and Positions by Function for the Operating Fund:** This report shows the expenditures and positions at the function level.

**Budget and Positions by Major Object for the School Nutrition Fund:** This report shows expenditures and positions at the major object group level.

**Budget and Positions by Major Program and Function for the School Nutrition Fund:** These summary reports show expenditures and positions at the major program and major function group levels.

**Budget and Positions by Fund for the Grants and Special Projects Fund:** This report shows the grant and special projects funded expenditures and positions at the detail fund level.

**Budget and Positions by Fund and School/Department for the Grants and Special Projects Fund:** This report shows the grant and special projects funded expenditures and positions at the detail fund level and is further broken down by individual school and department detail.

**Budget and Positions by School/Department for the Grants and Special Projects Fund:** This report shows the expenditures and positions at the school and department level.

**Budget and Positions by Major Program for the Grants and Special Projects Fund:** This report shows the expenditures and positions at the major program level.

**Budget and Positions by Function for the Grants and Special Projects Fund:** This report shows the expenditures and positions at the function level.

Additional detailed reports for the operating fund by school and department can be found in the Information section of this document and are available on the ACPS Canvas website.

# Personnel Reports

---

## Overview

The FY 2019 Final Budget personnel report is presented on the following pages. Information is included for FY 2016, FY 2017, FY 2018, and FY 2019 final budget years.

## Summary of Staffing Changes

Staffing changes are significant within the FY 2019 budget. The budget contains enrollment-driven staffing increases for elementary homeroom teachers and paraprofessionals, elementary encore (art, vocal music, and physical education) teachers, English learner (EL) teachers, and special education teachers and paraprofessionals. Teaching and administration positions have been added for the new Ferdinand T. Day Elementary School, Patrick Henry School, and the Early Childhood Center.

Several departments have added positions to improve or expand services provided throughout the division. The FY 2019 Final Budget adds additional staff to the Operations Department as part of a reorganization implementation.

Positions funded through federal grants are typically rolled forward onto the new award year for budget purposes.

# Alexandria Community Demographics

## Overview

The City of Alexandria has a total area of 15.48 square miles and has a population of 160,035 people, as of the 2017 Census Bureau Population Estimate. The 2017 dataset is a one year estimate collected between January 01, 2017 and December 31, 2017. ACPS is considered a component unit of the City of Alexandria. The city funds 82.8 percent of the FY 2019 operating budget. The quality of ACPS is a major factor in making Alexandria City a desirable place to live and work.

As shown in the chart above, the 2016 American Community Survey shows that 54 percent of Alexandria students attend kindergarten through grade 12, 37.4 percent attend college or graduate school, and 8.6 percent attend nursery school and preschool. Alexandria compares favorably to the rest of the country when it comes to economic characteristics of the community. In wealth and diversity, Alexandria is comparable to its neighbors; however, it differs substantially in the percentage of its school-age population. As shown in the following chart, only 10.0 percent of the total city population is of school age (between ages 5 and 19) and is enrolled in public school.

**Percent of Total Population  
Ages 5 to 19 Enrolled in Public School  
Selected Northern Virginia Jurisdictions**

The chart below shows the city's income below poverty level at 9.7 percent in FY 2016 while 59.4 percent of ACPS students were eligible for free and reduced-price meals (FRPM) during the in following year. The FRPM rate is the highest percentage of all Northern Virginia school divisions, and significantly different than the general Alexandria City population.

**City/County Income Below Poverty Level**

# Alexandria Community Demographics

## City of Alexandria and Neighboring Jurisdictions

The following tables show City of Alexandria's diversity compared to neighboring jurisdictions on the basis of a language other than English spoken at home, school-aged population, and per capita income. These factors are indicators to ACPS' challenges and current status.

More than one-third of residents over the age of five years speak a language other than English at home. This is an increase of 0.7 percentage points compared to the prior year.

As measured on a per capita income basis, Alexandria City is one of the wealthiest regions in Northern Virginia. Per capita income was \$55,534 in 2016 (see table below), second to Arlington County.

Per Capita Income US Census Estimates			
Locality	2014	2015	2016
Alexandria	\$ 54,597	\$ 56,482	\$ 55,534
Arlington	\$ 62,854	\$ 64,424	\$ 64,746
Fairfax	\$ 51,137	\$ 50,793	\$ 51,851
Loudoun	\$ 46,962	\$ 49,600	\$ 48,578
Prince William	\$ 37,440	\$ 36,157	\$ 37,063

Source: U.S. Census Bureau, 2016

Language other than English Spoken at Home			
Locality	2014	2015	2016
Alexandria	31.1%	34.7%	35.4%
Arlington	28.8%	30.2%	30.8%
Fairfax	37.5%	39.5%	39.2%
Loudoun	30.2%	31.5%	31.7%
Prince William	30.4%	31.3%	33.1%

Source: U.S. Census Bureau, 2016

A total of 13.3 percent of the Alexandria's population are children of school age (between ages 5 and 19) whom attend either public, private or are not in school. Of the total school-age population in Alexandria, 75.1 percent attend public school. These percentages are the smallest of the Northern Virginia jurisdictions, as shown in the chart below.

**School-age Population Ages 5-19**  
**Selected Northern Virginia Municipalities**

Locality	% of School Age Enrolled in Public School	% of Population That is School Age
Alexandria	75.1%	13.3%
Arlington	87.8%	13.2%
Fairfax	82.0%	20.5%
Loudoun	87.8%	24.7%
Prince William	85.8%	23.5%

# Alexandria Community Demographics

## ACPS and Other Northern Virginia School Divisions

The Washington Area Boards of Education (WABE) Guide is an annual publication that provides data collected from school divisions in a standardized format. Data are collected through a survey form provided to school districts and reviewed by the WABE committee.

The ACPS school division will serve 15,928 students in grades Pre kindergarten to 12 for FY 2019. According to the Virginia Department of Education, as of fall 2018, ACPS was the 16th largest school division of Virginia's 132 divisions, up one place from 2015.

### Class Size

Historically, ACPS has maintained smaller class sizes than neighboring school divisions.

The data in the first chart lists students per teacher scale positions including classroom and

other teachers such as library media specialists, coaches, music and art, English learner (EL), etc. The second chart lists only classroom teachers including EL and special education teachers.

Alexandria City's ratio is the lowest for elementary, middle, and high school for teacher scale positions. These numbers are the result of the low class size caps that the School Board adopts annually. In addition, the EL and special education programs are staffed above state ratios, decreasing the ratio of students per teacher.

ACPS elementary schools are generally staffed at a ratio of 24 students per teacher plus elective teachers. Middle schools and T.C. Williams High School are staffed in relation to program needs and tend to have smaller class sizes than neighboring school divisions.

Students per Teacher Scale Position WABE Guide Data FY 2018			
Division	Elementary	Intermediate or Middle	Secondary or High
Alexandria City*	9.9	15.0	13.2
Arlington County	10.0	17.5	16.6
Fairfax County	14.8	20.8	21.4
Loudoun County	14.7	18.8	20.4
Prince William County	14.8	20.5	21.6

\*Intermediate or Middle calculation reflects five daily periods per Core teacher.

\*ACPS district's special placement, Pre-K, and kindergarten student enrollments are not included.

Students per Classroom Teacher WABE Guide Data FY 2018			
Division	Elementary	Intermediate or Middle	Secondary or High
Alexandria City	15.6	24.6	25.4
Arlington County	21.3	22.1	19.6
Fairfax County	22.9	25.1	26.0
Loudoun County	23.2	21.7	23.7
Prince William County	22.4	28.3	29.4

WABE calculation excludes certain positions that ACPS includes in calculation of students per teacher.

# Alexandria Community Demographics

## Ethnic Enrollment

The ethnic composition of the ACPS student population varies from that of the City of Alexandria. The table on the right compares population by ethnicity with the City of Alexandria and the United States. The majority of the city's population, per the U.S. Census Bureau, identifies as white (62.7 percent), followed by black (21.6 percent), Hispanic (16.7 percent) and other (14 percent). This varies with that of the national population: white (73.3 percent), black (12.6 percent), Hispanic (17.3 percent) and other (14 percent).

Based on VDOE fall enrollment data, ACPS is one of the most ethnically diverse school divisions in Virginia. The chart below shows ACPS ethnic enrollment compared to that of seven northern Virginia school divisions - Arlington, Fairfax, Loudoun and Prince William counties, as well as Falls Church City, Manassas City and Manassas Park City.

Source: U.S. Census Bureau, 2016.

Source: Virginia Department of Education, 2017-2018 Fall Membership

# Alexandria Community Demographics

## Poverty

The economic status of the majority of families with children enrolled in ACPS is quite different from that of the average family in the City of Alexandria. Although the City's population has a high per capita income, with only 9.7 percent living under the poverty line in 2016, 59.4 percent of ACPS students were eligible for free and reduced-price meals in FY 2017 as shown in the table below. This is the highest percentage of the surrounding Northern Virginia school divisions.

The federal government establishes the income guidelines for free and reduced-price meals annually. These income guidelines vary

depending on the size of household. The chart below expresses the maximum values for the guidelines on a per capita basis (dividing the household income by the number of members in the household). The per capita income ranges from \$15,226 for a family of two to a low of \$9,800 for a family of 8.

While the U.S. Census reports per capita income of \$55,534 for the City of Alexandria in 2016, FY 2017 data from the free and reduced-price meal program suggests that 59.4 percent of ACPS students are from households with significantly less per capita income.

School Free and Reduced-Price Eligible WABE Guide Data FY 2018					
Division	FY 2014	FY 2015	FY 2016	FY 2017	Change
Alexandria City*	59.7%	60.4%	58.7%	59.4%	0.7%
Arlington County	31.8%	31.6%	30.5%	30.3%	-0.2%
Fairfax County	27.5%	28.0%	27.2%	27.0%	-0.2%
Loudoun County	17.7%	16.9%	17.1%	17.1%	0.0%
Prince William County	39.1%	40.1%	39.9%	40.0%	0.1%

\*WABE calculation is based on total student enrollment.

Per Capita Income by Size of Household							
Household size	2	3	4	5	6	7	8
Max per capita income for reduced price meals	\$ 15,226	\$ 12,814	\$ 11,609	\$ 10,885	\$ 10,403	\$ 10,059	\$ 9,800

# Alexandria Community Demographics

## Special Education

The FY 2018 WABE Guide reports that ACPS's approved special education enrollment is 11.9 percent of the total student population for FY 2018. The table below shows an average enrollment percentage for students who receive special education services compared with surrounding Northern Virginia school divisions.

Enrollment of Students with Disabilities WABE Guide Data FY 2018	
Division	Percent of Total Enrollment
Alexandria City	11.9%
Arlington County	15.9%
Fairfax County	13.6%
Loudoun County	11.4%
Prince William County	11.9%

## English Learner (EL)

Alexandria City Schools has the highest percentage of students receiving EL services of the Northern Virginia school divisions at 31.1 percent, followed by Arlington and Fairfax Counties.

Enrollment of EL students (receiving services at proficiency Levels 1 through 5) is shown in the table below.

Enrollment of EL Students WABE Guide Data FY 2018	
Division	Percent of Total Enrollment
Alexandria City*	31.1%
Arlington County	17.8%
Fairfax County	14.6%
Loudoun County	11.7%
Prince William County	16.6%

\* ACPS includes 7 participants in the adult education and adult alternative education programs.

## Cost per Pupil

Many of the preceding characteristics--class size, poverty, special education, and EL enrollment--are associated with higher

educational risk, needs, and costs. Studies sponsored by the National Center for Education Statistics have found that the higher the enrollment of students with special needs, the higher the average per student educational cost.

These factors, coupled with ACPS' competitive teacher salaries, contribute to making the ACPS cost per student the second highest of the five Northern Virginia divisions, as shown in the table below. These costs are calculated per the methodology of the WABE guide to allow for comparisons across jurisdictions.

For the time period FY 2016 to FY 2018, the cost per pupil in ACPS has increased by 3.2 percent, while the cost per pupil in Loudoun school division has increased by 7.8 percent.

Cost Per Pupil WABE Guide Data FY 2018					
Division	FY 2016	FY 2017	FY 2018	Change, \$ FY 2016 to FY 2018	Change, % FY 2016 to FY 2018
Alexandria City	\$ 16,561	\$ 17,008	\$ 17,099	\$ 538	3.2%
Arlington County	\$ 18,616	\$ 18,957	\$ 19,340	\$ 724	3.9%
Fairfax County	\$ 13,718	\$ 14,432	\$ 14,767	\$ 1,049	7.6%
Loudoun County	\$ 12,700	\$ 13,121	\$ 13,688	\$ 988	7.8%
Prince William County	\$ 10,724	\$ 10,981	\$ 11,222	\$ 498	4.6%

## Drop Out Rate

For the time period FY 2016 to FY 2018, the drop out rate for ACPS has increased by 0.4 percent, while the drop out rate for Arlington County school division has increased by 2.4 percent.

Drop Out Rate WABE Guide Data 3 Year Drop Out Rate				
Division	FY 2016	FY 2017	FY 2018	Change, % FY 2016 to FY 2018
Alexandria City	11.6%	10.5%	12.0%	0.4%
Arlington County	4.2%	5.5%	6.6%	2.4%
Fairfax County	5.6%	6.2%	7.2%	1.6%
Loudoun County	2.2%	2.6%	3.1%	0.9%
Prince William County	5.9%	5.6%	6.3%	0.4%

# Real Estate Property Tax Information

## Alexandria City Real Estate Property Tax Information

Real estate property tax rates in the City of Alexandria are set by the Alexandria City Council.

All real estate parcels in the City of Alexandria are annually assessed at 100 percent of estimated fair market value as of Jan. 1. Real estate assessed values are based on trends in the region and in the city, but primarily from large numbers of sales that are analyzed to determine values for groups of properties. Real estate taxes are based on these assessed values and the real estate tax rate.

Alexandria has the second lowest tax rate in Northern Virginia for CY 2018, as shown in the real estate tax rate line graph. The graph shows a comparison of tax rates among the City of Alexandria and neighboring jurisdictions, including

Arlington County, Fairfax County, Loudoun County and Prince William County over the past ten calendar years. Rates listed are per \$100 of assessed value.

The FY 2019 budget reflects a real property tax rate of \$1.130 per \$100 of assessed value, unchanged compared to the FY 2018 rate. Changes to the real estate tax rate can impact budget through revenue collection and average residential tax bill.

**Statement of Real Property Tax Revenues**

Fiscal Year	Tax Rate (per \$100)	Net Tax Revenue	Percent Change in Revenue from Prior Year
2019 Approved	1.130	\$ 446,963,782	2.0%
2018 Projected	1.130	438,081,455	6.8%
2017 Actual	1.073	410,314,168	7.8%
2016 Actual	1.043	380,623,603	3.4%
2015 Actual	1.043	368,179,677	2.9%

Source: City of Alexandria - FY 2019 Approved Budget

**Real Estate Tax Rates Cents Per \$100 of Assessed Value  
CY 2009-2018**

Beginning in CY 2008, Arlington County and Fairfax County levied an additional tax on most commercial real property for transportation purposes.

Arlington County's rate includes a Sanitary District Tax of 1.3 cents for stormwater management and a transportation add-on tax on commercial property of 12.5 cents.

The Fairfax County rate includes add-on tax rates of 0.1 cents for pest infestation and 12.5 cents on commercial properties for transportation.

Prince William includes a county-wide fire and rescue levy of 8.0 cents and 0.25 cents for mosquito and forest pest management.

# Real Estate Property Tax Information

The FY 2019 rate includes the following set asides:

- \$0.022 reserved for transportation improvements,
- \$0.006 for affordable housing, and

The statement of real property tax revenues table displays five years of data; FY 2015-FY 2017 actual, FY 2018 projected, and FY 2019 approved. Real property tax includes residential, commercial multi-family, office/retail and other commercial, and public service corporation. The net tax revenue will increase to \$446.96 million, an increase of 2.0 percent or \$8.88 million compared to FY 2018 projection.

The chart and table to the right shows the average residential tax bill and assessment since CY 2014. The average tax per household will increase by 3.2 percent or \$190 in CY 2018 compared to CY 2017 and an increase of 21.0 percent or \$1,073 compared to CY 2014.

Alternative tax collected by the City includes sales, utility, business license, transient lodging and restaurant meal taxes, as shown in the other major tax revenue table below.

**Average Residential Assessment and Tax Bill**

Tax Year	Average Assessed Value of Residential Property	Average Tax Rate Per \$100	Average Tax Per Household
2018	\$ 547,626	1.130	\$ 6,188
2017	528,421	1.130	5,998
2016	521,227	1.073	5,670
2015	509,853	1.043	5,317

# Enrollment Overview

## Overview

Alexandria City Public Schools' enrollment has grown continuously since FY 2013, and is projected to maintain this pattern through FY 2024. The projected growth for FY 2019 is 388 students, or 2.5 percent compared to the actual enrollment in FY 2018.

This section will detail three enrollment data series: 1) total division enrollment by grade, school level, and school; 2) special education enrollment; and, 3) English Learner (EL) enrollment. Staffing projections associated with each series, as well as explanations of the formulas used to calculate staffing, are also provided.

Enrollment projections are prepared annually as a collaborative effort by ACPS' Operations Department and the City's Planning and Zoning Department. In general, the enrollment projections are based on trends experienced throughout the school division by school and by grade. ACPS and the City use an average "Cohort Survival Rate" from the previous 3 or

4 years at each school and grade to determine the numbers of students who would be retained and/or added in each school and at each grade.

At the transition grades - grades 6 and 9 for ACPS, the enrollment projection model uses the sum of the feeder schools for either the middle schools or Minnie Howard and applies the cohort survival rate for that entire sum. Sixth graders projected to enter one of the K-8 schools are removed from the middle schools' projections.

Kindergarten is projected by applying a "K Capture Rate" or percentage of K enrollment compared to births to mothers who are Alexandria City residents from five years ago (applying the cutoff date of October 1st). Birth data are obtained from the Virginia Department of Health.

All projections are adjusted to anticipate challenges in space and/or budget constraints to optimize space and staffing throughout the division.

# Enrollment Overview

## Total ACPS Enrollment

ACPS' enrollment data series counts all students, including students under the age of 5 and over the age of 20, as well as all special placements. The division incurs costs for all enrolled students even if they are not included in the state's definition of average daily membership. Enrollment data are shown in the chart below: actual enrollment data are shown for FY 2013 through FY 2018 and projected enrollments are shown for FY 2019 through FY 2024.

As seen on the previous table, over the five-year period from FY 2013 to FY 2018, enrollment increased by 2,426 students. With a projected increase in FY 2019 of another 388 students, ACPS will see a total rise in enrollment of 2,814 students over this six-year period, a cumulative growth of 21.5 percent.

From FY 2015 through FY 2018: elementary school enrollment has increased from 8,033 to 8,501 students; middle school has increased from 2,660 to 3,043 students; and, high school has increased from 3,474 to 3,949 students. With the projected changes in enrollment for

FY 2019, elementary school enrollment represents 53.3 percent of total enrollment, with middle and high schools at 20.8 percent and 25.6 percent, respectively.

For FY 2019, elementary school enrollment is projected at 8,493 and secondary school at 7,388. Special placements is projected to maintain at 47 students.

Historical enrollment for each ACPS school and demographic information on the ACPS student population is contained in the following pages.

<sup>1</sup>In FY 2010, Francis C. Hammond was divided into three schools and George Washington was divided into two schools. For FY 2015, Francis C. Hammond and George Washington each reverted back to a one-school structure as adopted by the School Board.

<sup>2</sup>Jefferson-Houston and Patrick Henry include grades six, seven, and eight students in the secondary enrollment total.

# Enrollment & Staffing: Demographics

**Special Education, English Learner and Free and Reduced-Price Meal Eligible Student Totals**

\* Special education enrollment includes grades K-12.

\*\* English learner enrollment does not include monitor years one and two.

\*\*\* FY 2019 Projected FRPM is the average of a two year trend from FY 2017 and FY 2018 data.

## ACPS Student Demographics

Special education, English learner (EL), and free and reduced-price meal (FRPM) eligible enrollment totals are shown above.

For FY 2019, special education enrollment is projected to increase to 1,965 students. This brings the percentage of special education students to 12.3 percent of total enrollment.

The EL program enrollment is expected to increase for FY 2019, with a projected enrollment of 5,092 receiving services, or 32.0 percent of the total ACPS enrollment.

The FRPM program serves students whose family income meets eligibility requirements and has continued to increase for the division since FY 2007. As of October 2017, 9,106 students

were eligible for free or reduced-price meals. Over the five-year period shown, ACPS has seen an annual increase in students served by this program. Using a two-year trend analysis, ACPS projects FRPM eligibility will increase to 9,336 or, 58.6 percent of total enrollment for FY 2019.

Studies show that well-nourished students are better prepared to learn. To this end, schools help maintain a healthy environment by providing nutritious meals, healthy snacks, and opportunities for physical and nutrition education. Through school nutrition programs, 1.46 million lunches, 49.8 million breakfasts and 1.37 million after-school snacks are served on a typical day in Virginia public schools. In FY 2017, ACPS served a total of approximately 1.6 million lunches, 898,000 breakfasts, 113,000 after-school snacks and 22,000 suppers.

# Enrollment & Staffing: Demographics

The FRPM is part of the National School Lunch Program (NSLP), a federally-assisted meal program that operates in more than 100,000 public and non-profit private schools and residential child care institutions. The NSLP provides nutritionally-balanced low-cost or free meals to more than 31.0 million children each school day.

Children from families with incomes at or below 130 percent of the federal poverty level are eligible for free meals. Those with incomes between 130 and 185 percent of the poverty level are eligible for reduced-price meals, for

which students can be charged no more than \$0.40 per meal. ACPS absorbs the entire meal cost for all eligible students. For the period July 2017 through June 2018, the annual federal poverty level for a household of 4 is \$24,600; 130 percent of that level is \$31,980 and 185 percent of that level is \$45,510.

ACPS's free and reduced-price meal program eligibility ranges from 22.5 percent of school membership at Lyles-Crouch Elementary to 87.1 percent of school membership at the William Ramsay Elementary, shown above.

## Enrollment & Staffing: Demographics

The chart shows the division-wide average eligibility for free and reduced-price meals for the past eight years. The number of students served by this program has increased over the past years, with 7,669 students eligible for free meals and 1,437 students eligible for reduced-price meals for FY 2018.

# Enrollment & Staffing: Elementary

## Elementary Homeroom Staffing

Elementary homeroom staffing is based on grade-by-grade enrollment projections and on the Capacity Reassignment (formerly referred to as Modified Open Enrollment) Ratios or class size caps shown to the right. All students are part of the homeroom staffing calculations, including students receiving specialized instruction and English learner (EL) services.

ACPS uses a conservative approach to staffing, as enrollment projections for the next several years show continuing growth. In an effort to manage increasing student enrollment within the constraints of the physical capacity of existing schools, ACPS implemented a capacity reassignment model in FY 2011.

Capacity reassignment places grade level caps on schools that are over capacity. As new families enroll in these full grade levels, they are offered the option to enroll in other ACPS schools. ACPS staff help families choose a different Alexandria school with space at their child's grade level and provides transportation to the affected students. This practice allows building administrators to utilize limited space more effectively and to staff appropriately, resulting in lower costs.

Capacity reassignment does not affect students who are currently enrolled or their siblings; every effort is made to keep families together. In addition, ACPS also makes a special effort to reach out to parents who may wait until the first day of school to register their children.

Enrollment and staffing projections by grade level and school using capacity reassignment are shown in the table on the following page.

## Capacity Reassignment Ratios

### Kindergarten

<sup>1</sup>Student enrollment excludes preschool.

<sup>2</sup>Jefferson-Houston and Patrick Henry have middle school positions generated by staffing formula not reflected in this table.

# Enrollment & Staffing: Elementary

## Elementary Dual Language

Mount Vernon implemented a school-wide dual language model of instruction in FY 2017 and all classrooms in grades K - 2 will continue to be fully dual language in FY 2019. For staffing allocations, class size caps are applied assuming the same number of dual language classrooms for the rising classes. The general classrooms are adjusted to accommodate any changes in projected enrollment. This is done for the higher grades at Mount Vernon Community School and for all grades at John Adams.

education for all elementary schools. Library media assistants are allocated by formula based on the number of homeroom classes as shown in the table below.

The staffing formula for art, vocal music, and physical education teachers has been revised for FY 2019 to better meet the needs of the school division. Staffing for elementary encore teachers is formulated to 1.00 FTE for every five classrooms and preschool and city-wide is 1.00 FTE for every eight classrooms projected for FY 2019. Formula driven staffing is rounded to the nearest 0.20 FTE and adjusted for ease of filling positions. Library media specialists are allocated at a base of 1.00 FTE at each elementary school.

## Elementary Encore Staffing

Elementary encore staffing include library media specialist, art, vocal music, and physical education teachers. Positions have been allocated according to standard instructional time periods for art, vocal music, and physical

The encore staffing formula continues to consider preschool classes, as these students also receive encore instruction. It also allows for common planning time within the school.

Instrumental music (band and orchestra) is available to students in grades four and five. Since this is not a required class, staffing is provided based on course registration. Details of school-based instrumental music teachers can be found in the staffing report in the Schools Information section.

For FY 2019, elementary encore teachers are projected to increase by 4.20 FTE. The FY 2018 final and FY 2019 final allocation of the formula-driven positions is shown in the table above.

# Enrollment & Staffing: Special Education

## Special Education Enrollment

Special education students are reported, per federal and state requirements, by primary disability category and level of service:

- Disability category: The student's disability category is determined during the special education eligibility process. State regulations now mandate that all students receiving special education services are identified with a specific disability by age 7.
- Level of service: Student service levels have been modified to more appropriately tier service times and are categorized by the percent of instructional support:  
Level I: 0-30%; 1.0 Points  
Level II: 31-49%; 1.5 Points  
Level III: 50-70%; 2.0 Points  
Level III: 50% or more; 2.5 Points (Autism, Intellectual, Emotional and Multiple Disabilities)  
Level IV: 71% or more; 2.5 Points

placements for students with disabilities.

The staffing ratios, which vary from the state requirements, are shown in the table below. There are special ratios for specific city-wide classes requiring a more restrictive placement, including early childhood special education, autism, intellectual, emotional and multiple disability. The paraprofessional staffing ratio in intellectual emotional and multiple disability city-wide classes remains at to 2.00 FTE per classroom to allow for more support in these classes.

ACPS Staffing Ratios in City-wide Learning Environments

Disability/Program	Student with Disabilities	Teacher	Paraprofessional
Autism classroom (including preschool Autism classes)	6 students	1 teacher	2 paraprofessionals
Multiple Disability classroom	8 students	1 teacher	2 paraprofessionals
Intellectual and Emotional Disabilities classroom - Elementary	8 students	1 teacher	2 paraprofessionals
Intellectual and Emotional Disabilities classroom- Secondary	8 students	1 teacher	1 paraprofessional
Early Childhood Special Education classroom	8 students 8 students	1 teacher AM class 1 teacher PM class	1 paraprofessional shared across AM/PM classes

Students in special placements are included in the total special education enrollment figures, but do not receive services in ACPS facilities. Special education enrollment will total 1,965 students in FY 2019 compared to 1,772 in FY 2018.

## Special Education Staffing

The allocation of special education staffing is determined by disability category and level of service.

The provision of special education services, including special education staffing, is governed by state and federal regulations.

Federal and state regulations also mandate the availability of a continuum of services from least restrictive to most restrictive environments. At the least restrictive level, special education services are provided in the general education classroom. At the most restrictive level, students are served in separate special

In an effort to further support inclusion and co-teaching across content areas, the formula was revised beginning in FY 2017 by adjusting the service intensity point values which determine staff ratios and further differentiating levels of service values. This results in additional teachers and paraprofessionals at both elementary and secondary schools. All elementary schools continue to have a base staffing ratio of three teachers and two paraprofessionals. The revised formula will continue for FY 2019 and is projected to generate an additional 4.00 FTE special education teachers and 7.85 FTE special education paraprofessionals for kindergarten through grade 12.

All paraprofessional I and certified nursing assistant positions are placed in a centralized pool allowing more flexibility as students move from school to school.

In the FY 2019 budget, 2.00 FTE special

Special education enrollment includes grades K-12

<sup>1</sup> FCH also includes 1 teacher and paraprofessional that are funded by the Title I grant in FY 19.

<sup>2</sup> Jefferson Houston includes .15 FTE that is funded by the Title I grant in FY 19.

# Enrollment & Staffing: Special Education and English Learner

education reserve teacher and 2.00 FTE special education paraprofessional positions will continue to be included. The paraprofessional reserve pool will remain at the same level as the FY 2018 final budget, while the number of special education reserve teachers has decreased by 3.00 FTE.

The program continues to improve instructional delivery to special education students and implement inclusionary models.

## English Learner Enrollment

ACPS is projected to experience a 355 student increase in the enrollment of English Learner (EL) students for FY 2019, or 7.5 percent.

The table below shows final FY 2019 EL enrollment, with enrollment broken down into language proficiency levels. Monitored students are included for informational purposes; these

students have exited the EL program and are not counted in ACPS staffing methodologies.

EL students, excluding students in monitoring services, will comprise 32 percent of total ACPS enrollment in FY 2019.

The methodology of reporting on EL students may differ among various sources. The state reports on EL students (students at WIDA Access for ELLs English proficiency levels 1-5 and WIDA Alternate ACCESS for ELLs levels). Separately, the state also reports on former EL students who are in monitoring status. As of FY 2017, Every Student Succeeds Act (ESSA) requires monitoring students for two years (students in Monitoring Year 1 and Monitoring Year 2) and, for accountability purposes, permits EL students who have exited the EL program to be included in the EL sub group for up to four years.

# Enrollment & Staffing: English Learner

English Language Proficiency (ELP) levels correspond to: 1) Entering; 2) Emerging; 3) Developing; 4) Expanding; and, 5) Bridging. After reaching a composite overall proficiency level of 4.4 or higher, students in Virginia are considered to have attained proficiency in English and are monitored for four years to ensure success in the general education classroom. Additional information on ELP levels can be found at <http://www.acps.k12.va.us/curriculum/ell/features.php>, and on the WIDA consortium website at <http://www.wida.us>.

## International Academy

The International Academy (IA) model of service is designed to meet the needs of recent immigrant students learning the English language while earning course credit toward the next grade level and on-time high school graduation with college/career preparation. The IA model of service is currently offered

at Francis C. Hammond Middle School and T.C. Williams High School, in addition to the traditional content-based English learner model of service.

## English Learner Staffing

Beginning in FY 2017, adjustments were made to the English learner staffing methodology. The new methodology addressed staffing challenges at smaller elementary schools. It incorporates a tiered allocation of teachers for schools with EL student populations up to 119 students as follows:

1-30 students: 1.00 FTE  
31-60 students: 2.00 FTE  
61-119 students: 3.00 FTE

Elementary schools with 120 or more EL students are staffed using the service minutes formula, which applies service minutes to a

Enrollment of English Learner (EL) students by School.

<sup>1</sup> Rising ninth graders in ELP Level 1 are projected to go to TC Williams King Street Campus International Academy.

<sup>2</sup> ACPS does not project enrollment for CFC or Satellite programs

<sup>3</sup> Projections based on student boundary data provided by the Department of Educational Facilities, assuming all ELs required by boundary and 50% of all eligible ELs transition to Ferdinand T. Day School.

<sup>4</sup> The FY 18 & FY 19 Final Budget also includes a 1.0 FTE EL Teacher at Frances C. Hammond School that is funded through Title I.

## Enrollment & Staffing: English Learner

---

student based on their grade and ELP level, and incorporates instructional hours per teacher with a caseload cap to allocate teacher FTEs.

Staffing changes include an additional 1.00 FTE EL teacher at Cora Kelly, Douglas MacArthur, and James K. Polk elementary schools. Samuel Tucker elementary will receive 2.00 additional FTE EL teachers. The new Ferdinand T. Day elementary school will receive 9.00 FTE EL teachers to support its EL program. John Adams and Matthew Maury elementary schools will all decrease by 1.00 FTE EL teacher each and William Ramsey elementary school will decrease by 5.00 FTE EL teachers.

At the middle school level, Francis C. Hammond has both a traditional model and an International Academy (IA) model of services. Francis C. Hammond Middle School is allocated a total of 17.00 FTE EL teachers, one of which is funded by Title I funds. There are 12.00 FTE core content teachers to support the traditional model of EL services and 4.00 FTE to support the IA model of EL services. George Washington receives an allocation of 12.00 FTE and Jefferson Houston and Patrick Henry each receive a 1.00 FTE to support the traditional model of EL services.

At the high school level, staffing for the International Academy (IA) model of service at the King Street campus provides each of seven student cohorts with core content teachers and EL support teachers. In addition, both King Street and Minnie Howard campuses are allocated EL support to provide services to EL students who receive traditional content-based EL services. Staffing for T.C. Williams King Street campus includes 27.00 FTE EL teachers and the Minnie Howard campus includes 5.00 FTE EL support teachers.

# Enrollment & Staffing: Talented and Gifted

## Talented and Gifted Staffing

The Local Plan for Gifted Education was revised in 2012 and provides for additional services in order to reach a broader, more representative group of students in ACPS. With the implementation of the plan, there arose a need to review the staffing available to provide these services. Historically, Talented and Gifted (TAG) teachers were assigned one per building in each elementary school. As a result, available staff was imbalanced requiring a new allocation process of TAG teachers across schools.

A staffing formula to address enrollment and services for the TAG program was designed with the following factors taken into consideration:

- Scheduling options for TAG services including Young Scholars, General Intellectual Ability (GIA) and Specific

Academic Ability;

- Class size and enrollment;
- Teacher time requirements; and,
- Dual Language program at John Adams and Mount Vernon.

TAG teachers are needed as teachers of record to provide advanced English/language arts and math instruction to two grade levels, as well as serve as either consultants or direct service providers to K-3 services and Young Scholars. The need for staffing is primarily dependent on enrollment levels. For FY 2019, Matthew Maury will receive an additional 0.50 FTE, both Lyles-Crouch and William Ramsay will receive 0.30 of an FTE, and Ferdinand T. Day Elementary School will receive 1.30 FTE's.

# Enrollment & Staffing: Assistant Principals

## Assistant Principal Staffing

ACPS provides assistant principal positions for elementary schools via formula. In FY 2016, the formula was expanded to add assistant principal positions at a rate of:

- 1.00 FTE for up to 600 students;
- 2.00 FTE for 601 to 900 students; and,
- 3.00 FTE for more than 900 students.

Based on enrollment projections, assistant principal staffing will see a net increase of 0.50 FTE due to the addition of 1 FTE for Ferdinand T. Day Elementary School and a reduction of 0.50 FTE at John Adams.

# Enrollment & Staffing: Standards of Quality

---

## Virginia Standards of Quality (SOQ)

The School Board is required to design and implement an instructional program that is aligned with the Standards of Learning set forth by the Virginia Board of Education. These standards encompass the requirements that must be met by the school division. Additionally, the Virginia Board of Education has established maximum student-to-teacher ratios for the following areas:

- Elementary homeroom
- Special education
- English
- Reading
- Prevention, intervention, and remediation
- English learners
- Principals and Assistant Principals
- Librarians
- School Counselors
- Art, music, and physical education (K-5)
- Technology support
- Instructional technology resource

ACPS routinely confirms that staffing across all schools meets or exceeds the ratios established by the Virginia Board of Education. Although ACPS meets the minimum requirement in the areas of technology support and instructional technology resources, these are areas that will need to be monitored and assessed as enrollment continues to grow.

# Standard School Allocations

---

## Standard School Allocations

The table on the following page shows FY 2019 base non-personnel allocations for each school. Enrollment projections on which these school base and stipend allocations are based were calculated in Nov. 2017, using FY 2019 projected PreK-12 enrollment data.

The total school base allocation includes the costs of instructional materials, services, and capital outlay. The FY 2019 per pupil rates are as follows:

- Elementary: \$ 95.00
- Middle: \$155.00
- High: \$195.00

Each elementary school receives a base allocation of \$10,000 for FY 2019. The per pupil rate is multiplied by the projected enrollment base, then an additional \$10,000 is added for elementary schools to determine the total school base allocations.

Enrollment at each school is reviewed every fall after the school year has begun. Schools where actual enrollment is significantly higher than projected receive an increase to their allocations through the enrollment adjustment reserve.

### Additional Standard Allocations

*Elementary Exemplary Programs:* Elementary schools will continue their exemplary programs in FY 2019 with funding based on specific program needs. For FY 2019, the schools have chosen the following exemplary programs:

- Charles Barrett: Changing Education Through the Arts (CETA)
- Cora Kelly: Science, Technology, and Math Focus
- Douglas MacArthur: Responsive Classroom
- Ferdinand T. Day: Science, Technology, Engineering, and Math (STEM)
- George Mason: Science Focus

- James K. Polk: Soaring with Pride
- Jefferson-Houston: International Baccalaureate Primary and Middle Years Programmes
- John Adams: Dual Language (Spanish) and Changing Education Through the Arts (CETA)
- Lyles-Crouch: Core Knowledge
- Matthew Maury: Habits of Mind
- Mount Vernon: Dual Language (Spanish)
- Patrick Henry: Discourse and Rigor
- William Ramsay: Student Health and Wellness Focus

Details on each school's exemplary program can be found in the Schools section of the budget document.

### Other Supplemental Personnel

*Teacher Substitutes:* Funding for two teacher substitute days when licensed personnel are on professional leave is included in the schools' base allocations. Funding for teacher substitutes when licensed personnel are on paid or unpaid leave is housed in the Division-Wide Human Resources budget. This allocation methodology was new in FY 2017 and continues for FY 2019.

*Standard School and Athletic Stipends:* All schools receive standard school stipends for the grade level/department chair and to conduct student activities and bus duty, except Early Childhood Center. The Early Childhood Center receives standard school stipend for grade level/department chair only. Details on the standard school and athletic stipends are provided later in the Stipends section of this chapter, as well as department-funded stipends.

<sup>1</sup>Enrollment does not include special placement students.

<sup>2</sup>Samuel Tucker offers an intersession program as part of the modified school calendar in lieu of an exemplary program.

<sup>3</sup>All exemplary program, extended learning, K-Prep and stipend allocations include benefits at 7.65%, as applicable.

<sup>4</sup>The stipend amounts match the levels developed in September 2013 by the Human Resources department.

<sup>5</sup>Allots 2 days per teacher for professional development. All other funding for substitutes is budgeted centrally in the Human Resources budget.

<sup>6</sup>Patrick Henry (Gr 6-7) number of substitute days are shown in Patrick Henry (K-gr 5) total.

# Additional School Allocations

---

## Additional School Allocations

Additional school allocations, not defined on the standard school allocations page, are also provided to schools each year, including student improvement FTEs, field trips, and extended learning and summer programs. These allocations are explained below with detailed allocation information found on the following pages.

*Kindergarten Prep (K-Prep):* All kindergarten elementary schools on a traditional calendar receive a K-Prep allocation for summer 2018. The K-Prep program is a five-day, four-hour per day program offered in August to introduce rising kindergartners to their respective schools and classrooms. All students are introduced to beginning academic skills and are prepared for early success in school.

For FY 2019, each K-Prep classroom is allocated one teacher, one paraprofessional, and \$50 for instructional supplies. In addition, each school is allocated a school nurse and a special education teacher to support the program.

*Middle School Prep:* The Middle School Prep program is a two-day, four-hour per day program offered in August to provide all rising sixth graders an opportunity to become acclimated to the middle school experience through information sessions with teachers, school counselors, school administrators, and various staff members. These sessions may include the following topics: organizational and study skills, team building opportunities with new classmates, tours, a scavenger hunt throughout the building, managing a multi-course load, and school policies.

Each Middle School Prep classroom is allocated one teacher, one special education teacher, and \$25 for instructional supplies.

*Summer Language Academy:* Mount Vernon Community School was first allocated funding

in FY 2015 for the Summer Language Academy as part of the transition from a modified to a traditional calendar. The academy will be offered again in FY 2019 to all rising first through fifth grade Mount Vernon Community School students and to John Adams Elementary School dual language students.

*Modified Calendar School:* Starting with the 2004-2005 school year, Samuel W. Tucker Elementary School converted from a traditional school calendar to a modified school calendar. Samuel W. Tucker students attend school the same number of days as included in the traditional calendar, but have the option of attending up to 20 additional days of school. Samuel W. Tucker students begin school in early August and have the summer break days redistributed throughout the year so that students attend school for approximately nine weeks and have a break before the next nine-week term begins. During this break or extended learning session, the school hosts a two-week intersession where students can attend additional remediation or enrichment classes.

Samuel W. Tucker Elementary School is allocated additional funds for extended learning opportunities as part of the modified school calendar. The FY 2019 budget includes the total funding necessary for four weeks of additional time; intersession revenue from fees collected will be credited to ACPs's general operating fund.

*Division-Wide Summer Learning:* In addition to the individual schools' summer programs, three division-wide summer learning programs will be held: two at the elementary level and one at the middle school level. Funding is found in the budgets for the Offices of Elementary and Secondary Instruction. These summer programs focus on Tier 2 and Tier 3 students.

*T.C. Williams Summer Learning:* Summer learning funds are allocated for the credit recovery summer learning program at T.C.

Note: All Summer Learning and Extended Learning amounts above include benefits at 7.65%, if applicable.

\*Samuel Tucker follows a modified calendar and therefore is not eligible for Kindergarten Prep funds.

# Additional School Allocations

Williams High School. Also included are additional summer work days for school counselors at T.C. Williams to assist students with registration, applications, and course scheduling.

*Extended School Year (ESY):* Certain students with disabilities are served through the Extended School Year program during the summer months. The students must be identified for the program through their Individualized Education Plan (IEP). Funding is budgeted centrally at the Special Education Office.

*English Learner Summer:* English learner (EL) students are served through the EL summer learning program. Funding is centrally budgeted at the English Learner Services Office.

*Summer Transportation:* Transportation for all summer learning programs is provided and funded through a transportation allocation.

*Extended Learning Opportunities:* Schools receive extended learning/tutoring funds

to supplement classroom instruction. Each principal has the ability to create a unique program to support students.

Each elementary and middle school, except Early Childhood Center, will receive a base allocation determined by student enrollment as well as a differentiated amount based on the enrollment and performance of special education, EL, and free and reduced-price meal eligible students, known as Gap Group 1.

*Student Improvement FTE:* Each elementary school receives a base of 3.50 student improvement FTE (formerly referred to as FLEX). Those schools with projected enrollment greater than 700 students and free and reduced-price meal eligibility greater than 60 percent will receive an additional student improvement FTE. These positions are assigned at the principals' discretion based on individual school needs and are shown in the below table. The total number of student improvement FTEs increased to 54.00 FTE for FY 2019.

**Student Improvement (FTE)

<b>Total</b>	<b>\$ 225,000</b>		<b>15,664</b>	<b>100.00%</b>	<b>-</b>	<b>0.00%</b>

\*Table does not include benefits.

\*\*Funding available for schools is the difference of the total field trip funding and the allocation for TCW Athletics.

\*\*\*Enrollment does not include pre-school and special placement students.

**Field Trips:** Each school, excluding Early Childhood Center, is given an annual field trip allocation. The Athletics Department receives a set allocation and the remaining funds are allocated to the schools based on each school's percentage of total projected enrollment. If the school or program anticipates additional needs, these may be funded through the school's base allocation or its local school activity fund. Funding for school field trips are budgeted centrally in the Pupil Transportation Department.

# Stipends

## Stipends

Stipends are provided for duties performed outside the scope of the regular work day and in addition to regular duties. The standard school stipends for grade level/department chair and student activity are shown in the tables below. The expectation is that each school will award the same standard stipend for the additional duties performed.

The following types of stipends have been budgeted for each school:

- Grade level, department chair or team leader stipends are awarded when a

teacher coordinates instruction within the grade, department, or team level.

- Student activity stipends are provided to employees who supervise an after-school club or coordinate a student activity, such as the student newspaper or safety patrol.
- Bus Duty stipends compensate staff to monitor activity before and after school to increase safety and efficiency as children disembark and board school buses. John Adams receives additional funding because of the number of pre-school students attending programs at that location.

**Standard School Stipends FY 2019**

Elementary School Stipend Description	Number per School	Amount per Stipend	Total Amount
Grade Level/Department Chair Stipend	8	\$ 767	\$ 6,136
Student Activity Stipend	2	767	1,534
Early Childhood Center Stipend	2	767	1,534
<b>Total<sup>1</sup></b>	<b>12</b>		<b>\$ 7,670</b>
Benefits			\$ 587
<b>Elementary School Total</b>	<b>12</b>		<b>\$ 8,257</b>

<sup>1</sup>Early Childhood Center receives two stipends for Lead Teachers.

Middle School Stipend Description	Number per School <sup>1</sup>	Amount per Stipend	Total Amount
Department Chair Stipend	8	\$ 1,419	\$ 11,352
Student Activity Stipend	12	1,419	17,028
Jefferson-Houston Middle School Stipend	3	1,419	4,257
Patrick Henry Middle School Stipend	2	1,419	2,838
<b>Total<sup>2</sup></b>	<b>25</b>		<b>\$ 35,475</b>
Benefits			\$ 2,714
<b>Middle School Total<sup>1</sup></b>	<b>25</b>		<b>\$ 38,189</b>

<sup>2</sup>Francis C. Hammond and George Washington Middle Schools each receive eight department chair and 12 student activity stipends. Jefferson-Houston receives three stipends and Patrick Henry receives two stipends to cover all activities.

High School Stipend Description	Total Number <sup>3</sup>	Amount per Stipend	Total Amount
Department Chair/Team Leader Stipend	36	\$ 1,624	\$ 58,464
Student Activity Stipend	65	1,277	83,005
<b>Total</b>	<b>101</b>		<b>\$ 141,469</b>
Benefits			\$ 10,822
<b>High School Total</b>	<b>101</b>		<b>\$ 152,291</b>

<sup>3</sup>The high school stipends are shared across all campuses of T.C. Williams High School.

# Stipends

**Additional Stipends:** Stipends are budgeted in departments for other activities at the school level which are undertaken outside of regular contract hours to support specific programs.

At the elementary level, lead teacher stipends are awarded in the program areas of English learners (EL), special education, positive behavior interventions and supports (PBIS), and talented and gifted (TAG). For EL, special education, and PBIS stipends, the amount of the stipend is consistent across all eligible elementary schools. For TAG, the stipend is formula-driven and based on the number of students referred for services. Stipends are also offered for mentor teachers. The amount of the stipend varies based on the experience of the mentee and the number of mentees mentors monitor. Test coordinator stipends are

funded through the Accountability Department and are given to the employees responsible for the administration of the standardized testing program. Additionally, Charles Barrett funds a Changing Education Through the Arts (CETA) stipend, Douglas MacArthur funds a Responsive Classroom stipend, and Lyles-Crouch funds a Core Knowledge stipend through their respective exemplary program funds.

At the middle and high school levels, stipends are provided for the special education lead teachers, mentoring, and test coordination. Middle schools also receive stipends for PBIS lead teachers.

Details of these stipends are below, totaling \$303,149, excluding the exemplary program stipends.

## Department Level Stipends FY 2019

School	EL	Special Education	PBIS	TAG	Mentoring	Test Coordinator	Total
<b>ELEMENTARY SCHOOL</b>							
Charles Barrett	\$ 826	\$ 1,722	\$ 1,077	\$ 1,077		\$ 1,399	\$ 6,101

Note: All stipend amounts above include benefits at 7.65%.

# Stipends

The T.C. Williams Division-wide Athletics department also awards stipends for a variety of athletic duties for coaches, trainers, equipment managers, and the assistant athletic director. In FY 2016, a market comparing the study was conducted for head coach stipends and the rates were increased. Similarly, assistant coach and trainer stipends were

increased by an average of 10.0 percent. For FY 2019, stipends for rugby head coach and assistant coach were added as a new funding request.

Details for all athletic stipends are displayed below.

## Athletic Stipends FY 2019

Athletic Stipend Title	#	Amount per Stipend <sup>1</sup>	Total Amount <sup>1</sup>
Head Baseball Coach	1	\$ 4,790	\$ 4,790

<sup>1</sup>All stipend amounts have been rounded to the nearest dollar and include benefits at 7.65%.

# Cost per Pupil: General Education, Special Education, EL

## Cost per Pupil

Cost per pupil is a measure frequently used by school systems to put school budgets into perspective and relate total expenditures to the central purpose of schools -- the education of each student. The per pupil amount also supports comparisons over time to easily identify overall cost trends.

### General Education, Special Education, and English Learner per Pupil Costs

This set of calculations compares the average cost for all ACPS students and then disaggregates that cost into three components:

- the average cost for a special education student;
- the average cost for an EL student; and,
- the average cost for a student who receives neither of these services, termed “general education.”

There are 15,928 projected students for FY 2019. This total includes 1,965 special education and 5,092 EL students.

General education includes many specialized services that are not shown separately. For example, the general education category includes the costs of exemplary programs and advanced placement participation.

It should be noted that these costs are averages and that actual costs for students in each of these subgroups may vary significantly.

The chart below shows the various components of the cost per pupil for each of these groups. The first cylinder below, in purple, shows the cost for a general education student, with the caveats previously mentioned. The cost for general education students is \$14,144, a 2.9 percent increase from FY 2018 final budget and 4.4 percent increase from FY 2015 actual cost per pupil, as shown in the table on the following page.

The second cylinder shows the cost of educating a special education student. The blue cylinders show the costs above the general education cost per pupil. This is a composite of the cost of general education at \$14,144 plus the additional cost for special education services at \$19,015, shown in blue. The total

**Components of Cost per Pupil  
FY 2019 Final Budget**

Note: Totals may vary due to rounding

# Cost per Pupil: Components

cost to educate a special education student is \$33,159, a 2.6 percent decrease compared to FY 2018 final budget and a 1.7 percent increase compared to FY 2015 actual cost per pupil.

The third cylinder in the chart shows the cost of educating an EL student. The total cost of educating an EL student is \$18,054, a 3.0 percent increase from the FY 2018 final budget and a 4.0 percent increase from FY 2015 actuals.

The fourth cylinder shows the average cost for all ACPS students. The average cost per student is expected to be \$17,740 in FY 2019. This represents a 3.2 percent increase from the FY 2018 final budget and a 6.0 percent increase from the FY 2015 actual cost per pupil.

## ACPS Methodology

The ACPS methodology considers general operating funds and federal entitlement grants that support students in grades pre-kindergarten (PreK)-12 in relation to PreK-12 enrollment. Exclusions include the adult education and summer learning programs because these

expenditures support programming for students not included in general K-12 enrollment, and the school nutrition program, which is a self-sufficient special revenue fund.

In addition, ACPS disaggregates the educational delivery cost for EL students and students with disabilities to illustrate the additional support provided to these special student groups. General education costs represent the services provided to all students, including classroom teachers, principals and other administrative personnel, and operational costs.

The ACPS cost per pupil formula includes the Virginia Preschool Initiative (VPI) grant expenditures and updates the special education transportation cost factor, which apportions a share of the transportation cost to special education based on the ratio of special education buses to standard school buses.

Please note that the methodology used by ACPS differs from the WABE methodology shown in the Information section.

New Enrollment / Objects	FY 2015 Actual	FY 2016 Actual	FY 2017 Actual	FY 2018 Final Budget	FY 2019 Final Budget	Percent Change FY 2018 to FY 2019	Percent Change FY 2015 to FY 2019
General Education	\$ 13,542	\$ 13,261	\$ 14,025	\$ 13,743	\$ 14,144	2.9%	4.4%

## Elementary Schools Summary

### Elementary Schools Overview:

ACPS has 12 elementary schools, one Kindergarten to grade 7 school, one Pre-Kindergarten to grade 8 school, and one Early Childhood Center. Across the division, elementary school enrollment is projected to increase by 0.6 percent to a total of 8,834, which includes 218 students in Jefferson-Houston grades 6-8 and 126 students in Patrick Henry grades 6-7 for FY 2019. For FY

2019, there are four VPI schools which house an early childhood program: Early Childhood Center, James K. Polk, Jefferson-Houston, and William Ramsay. For FY 2019, nine schools will continue to hold a division-wide special education program: Charles Barrett, Cora Kelly, James K. Polk, Jefferson-Houston, John Adams, Lyles-Crouch, Mount Vernon, Patrick Henry and William Ramsay. Other major programs can be seen in the table below.

School Name	Principal	Address and Contact	Grades Served	Major Programs
Charles Barrett Elementary School	Seth Kennard	1115 Martha Custis Drive Alexandria, VA 22302 Tel: 703-824-6960 <a href="http://www.acps.k12.va.us/barrett/">http://www.acps.k12.va.us/barrett/</a>	Pre-K-Gr 5	Changing Education Through the Arts (CETA) Early Childhood Special Education

# Elementary Schools

## Enrollment and Demographics:

Elementary School enrollment, for Pre-Kindergarten through 5th grade, was 8,501 as of September 30, 2017. Enrollment is projected to decrease slightly to a total of 8,490, plus an additional 341 students in grades 6-8 at Jefferson-Houston and Patrick Henry. Most elementary schools across the division have experienced steady growth in enrollment in the past few years as displayed in the chart below.

For reporting purposes, Jefferson-Houston and Patrick Henry enrollment, staffing, and budget reports presented in this section reflect pre-kindergarten through grade 8 and kindergarten

through grade 7, respectively.

With the increasing enrollment, the number of students with additional needs continues to grow as well.

Significant numbers of English learner (EL) students attend ACPS schools, as displayed in the table below. In total, the number of EL students at the elementary level is projected to increase by 8.0 percent to a total of 3,157, plus an additional 15 EL students in grades 6-8 at Jefferson-Houston. Additional information describing the EL program is located within the Information and Department sections of the budget book.

\* Includes sixth-, seventh-, and eighth-grade students in the school's total enrollment.

\* Includes sixth-, seventh-, and eighth-grade students in the school's total enrollment.

# Elementary Schools

\* Includes sixth-, seventh-, and eighth-grade students in the school's total enrollment.

The trends of numbers of students requiring specialized instruction is shown by school in the table above.

In total, the number of students receiving specialized instruction at the elementary level is projected to increase by 6.7 percent, to a total of 847. For more information on Specialized Instruction, please refer to the Information and Department sections of the budget book.

Many of the students in ACPS elementary schools come from families that are economically disadvantaged; this is reflected in the number of students qualifying for free and reduced-price meals, shown in the table below. Assuming that the proportion of students qualifying for free and reduced-price meals stays constant, the FY 2018 projected number of students meeting this criteria will increase to 5,090, plus an additional 106 students in grades 6-8 at Jefferson-Houston.

\* Includes sixth-, seventh-, and eighth-grade students in the school's total enrollment.

# Elementary Schools

---

## **Staffing:**

Elementary schools are staffed based on formulas for homeroom teachers, kindergarten paraprofessionals, specialized instruction teachers and paraprofessionals, English learner (EL) teachers, talented and gifted (TAG) education teachers, and encore teachers for art, vocal music, and physical education. The Information section of the budget book contains details on the formulas for each of these areas.

Division-wide, operating-funded staffing at elementary schools is projected to increase by 53.76 FTEs. The major increases based on enrollment arise from adding staffing for the new West End Elementary School and the Early Childhood Center. Additional increases include adjustments for encore, EL, and specialized instruction teachers and paraprofessionals. Staffing information for assistant principals and student improvement FTEs can be found in the Information section.

## **Specialized Instruction:**

Beginning in FY 2017, in an effort to further support inclusion and co-teaching across content areas, the staffing formula was revised by adjusting the service intensity point values which determine staff ratios and by further differentiating levels of service percentages. For FY 2019, this results in 8.00 FTE additional teachers and 6.00 FTE additional paraprofessionals at elementary schools. All elementary schools continue to have a base staffing ratio of three teachers and two paraprofessionals.

As in previous years, special education paraprofessional I positions are budgeted in a central pool in the School-Wide Resources section; for FY 2019, the certified nursing assistant positions have been moved there as well. Speech Language Pathologist (SLP) positions are housed in a central pool in the Specialized Instruction office. Positions will be

allocated from these two pools based on the needs of individual students.

## **English Learners:**

Beginning in FY 2017, adjustments were made to the English learner (EL) staffing methodology. The methodology intended to address staffing challenges at smaller elementary schools. It incorporates a tiered teacher allocation for schools with EL student populations up to 120 students as follows:

- 1-30 students: 1.00 FTE
- 31-60 students: 2.00 FTE
- 61-120 students: 3.00 FTE

Elementary schools with more than 120 EL students are staffed using the service minutes formula, which assigns a certain number of service minutes to a student based on their grade and ELP level. This is then combined with a caseload cap to allocate teacher FTEs. In FY 2019, this will result in a total of 6.50 FTE additional teachers at the elementary schools.

## **Other Staffing Changes:**

Homeroom teacher staffing is reduced at the following schools: Cora Kelly (-1.00 FTE); George Mason (-4.00 FTE); James K. Polk (-2.00 FTE); John Adams (-5.00 FTE); Lyles-Crouch (-1.00 FTE); Matthew Maury (-1.00 FTE); Mount Vernon (-1.00 FTE); and William Ramsay (-5.00 FTE). Homeroom teachers increase at Charles Barrett (+1.00 FTE); Ferdinand T. Day (+14.00); Jefferson-Houston (+1.00); and Patrick Henry (+6.00 FTE). Homeroom staffing remains the same at Douglas MacArthur and Samuel W. Tucker. Total homeroom staffing is increased by 6.00 FTE positions.

Across the elementary schools, there is a net increase of 5.20 FTEs for elementary encore positions, which includes art, vocal music, health and physical education, and library media. For FY 2019, Early Childhood Center

# Elementary Schools

---

will receive 2.20 FTE and Ferdinand T. Day will receive 5.00 FTE encore positions.

In addition, the Early Childhood Center and Ferdiand T. Day Elementary School will receive additional staffing to support the opening of the school year to a total of 34.99 FTE and 63.78 FTE, respectively.

## **Compensation and Benefits:**

Compensation is projected to increase by \$4.63 million and benefits are projected to increase by \$2.10 million. As noted in the Financials section of the budget book, the FY 2019 budget includes a full step increase for all eligible employees to be awarded at the beginning of the contract year. The budget also includes a salary scale adjustment to add a step to the top of each scale.

The overall cost of employee benefits is increasing as a result of changes to Kaiser and United Healthcare premiums, although the VRS retirement rate for the professional group will decrease by approximately 3.9%.

Further information about these changes can be found in the Salary and Employee Benefits pages of the Financials section.

## **School Base Allocations:**

Base allocations to elementary schools are determined by formula. Each elementary school receives a base allocation of \$10,000. The projected enrollment, Pre-K to fifth grade, is then multiplied by the per pupil rate of \$95 for each school and added to the base allocation. This allocation is expected to fund the items necessary for school operations, such as instructional and paper supplies, supplemental materials, and staff development.

## **Extended Learning:**

Each school, except the Early Childhood Center, will receive an extended learning

allocation to supplement classroom instruction. Each principal has the ability to create a unique program to support his or her students.

Funding for extended learning opportunities is projected to increase from the FY 2018 level. The formula continues to provide each school a base allocation based on total enrollment and an additional allocation based on the number and achievement of students in gap group 1, defined by the State as students with disabilities, English learners and economically disadvantaged students, regardless of race and ethnicity. Individual school allocations can be found on the extended learning table found in the Information section of this document.

Samuel W. Tucker Elementary School is allocated additional funds for extended learning opportunities as part of the modified school calendar. These funds are calculated using the estimated student enrollment based on historical averages during the intersessions. The FY 2019 budget includes the total funding necessary for four weeks of additional time; intersession revenue will be credited to ACPS's general operating fund.

## **Summer Learning:**

The K-Prep formula continues to fund one teacher, one paraprofessional, and instructional supplies for each classroom, with a maximum of 22 students per class. In addition, each school is allocated one nurse position and one special education teacher. As a modified calendar school, Samuel Tucker does not receive K-Prep funding.

Mount Vernon Community School will continue to receive funding for a Summer Language Academy. The Summer Language Academy will be offered to all rising first through fifth grade Mount Vernon Community School students and rising first through fifth grade dual language students at John Adams.

A division-wide summer learning program will be held at two elementary schools. This summer

# Elementary Schools

---

learning program focuses on Tier 2 and Tier 3 students. Funding for this program can be found in the Office of Elementary School Instruction.

## **Stipends:**

Each elementary school receives funds for stipends which are provided for duties performed outside the scope of the regular work day and in addition to regular duties. Grade level/department chair and student activity stipends are considered standard school stipends. There are eight grade/department level stipends per school which the principals assign at their discretion to support the instructional programs. The two student activity stipends are funded to support programs for students, such as safety patrol or a school newspaper. Jefferson-Houston receives an additional three stipends to cover activities for grades 6 to 8. Early Childhood Center receives a total of two stipends to cover activities for pre-kindergarten.

Each elementary school, except Early Childhood Center, also receives an allocation for bus duty stipends. These stipends compensate staff to monitor activity before and after school to increase safety and efficiency as children disembark and board school buses. These stipend amounts have been adjusted to reflect increased enrollment and number of bus routes. John Adams receives funding above-allocation because of the number of pre-school students attending programs at that location.

Charles Barrett funds a Changing Education Through the Arts (CETA) stipend, Douglas MacArthur funds a Responsive Classroom stipend, and Lyles-Crouch funds a Core Knowledge (CK) stipend through their exemplary program funds.

Finally, certain departments fund stipends for program-specific activities. These include English learner (EL), special education, positive behavior interventions and supports (PBIS), and talented and gifted (TAG) lead teachers. Mentor stipends vary in amount dependent on both the

experience of the mentee and the number of mentees they are mentoring. The Department of Accountability provides stipends to the staff members who administer the schools' standardized testing program.

More information is available in the Stipend section in the Information chapter of this document.

## **Substitutes:**

Substitute pay is defined as compensation for non-contract part-time employees who perform the work of regular full or part-time employees who are absent. Beginning in FY 2017, a new methodology was created for allocating the substitute compensation funding. Each school will be allocated funding for two professional learning days per year per the licensed staff member. These days are calculated at the long-term rate of \$157.00 per day. These days can be used at the principal's discretion to provide staff development.

The remaining substitute funding is located in the Division-Wide Human Resources budget. These funds will be used when professional staff is out on leave other than school-based professional development, such as sick or personal leave or division-level professional development.

## **Exemplary Programs:**

Exemplary programs continue to be supported at 13 elementary schools in FY 2019. Samuel Tucker offers intersession classes as a result of the modified school calendar in lieu of an exemplary program. For FY 2019, the schools have chosen the following exemplary programs:

- Charles Barrett: Changing Education Through the Arts (CETA)
- Cora Kelly: Science, Technology and Math Focus
- Douglas MacArthur: Responsive Classroom
- Ferdinand T. Day: Science, Technology,

# Elementary Schools

---

Engineering, and Math (STEM)

- George Mason: Science Focus
- James K. Polk: Soaring With Pride
- Jefferson-Houston: International Baccalaureate Primary and Middle Years Programmes
- John Adams: Dual Language (Spanish) and Changing Education Through the Arts (CETA)
- Lyles-Crouch: Core Knowledge
- Matthew Maury: Habits of Mind
- Mount Vernon: Dual Language (Spanish)
- Patrick Henry: Discourse and Rigor
- William Ramsay: Student Health and Wellness Focus

In addition, Jefferson-Houston offers the Advancement Via Individual Determination (AVID) program for students in grades 6 to 8. Funding for this program is found in the AVID/ College Readiness budget. Charles Barrett and John Adams receive additional allocation to support the CETA program through professional development substitutes.

Descriptions and budgets for each of the programs are found on the individual school pages in this section of the document.

## Grant Support of Elementary Schools:

Elementary schools also receive funding through grants that supplement the operating funds. In addition to the grants listed below, schools may apply for competitive grants to support specific programs.

Title I: Title I, Part A of the Elementary and Secondary Education Act (ESEA), as amended, provides financial assistance to local educational agencies (LEAs) and schools with high numbers or high percentages of children from low-income families to help ensure that all children meet challenging state academic standards. For FY 2019, Cora Kelly, Jefferson-Houston, John Adams, Patrick Henry, and William Ramsay, as well as Francis C. Hammond will receive

Title I funding. These funds will be used for school-based personnel, staff development, translation, technology equipment and software, instructional supplies and parental involvement activities. All items must supplement what is provided to all schools in the operating budget.

Early Intervention Reading Initiative: The Early Intervention Reading Initiative (EIRI) furnishes incentive funds for school divisions to provide identified students with additional reading instruction. Each elementary school receives these funds based on the number of students, grades K-3, who are identified through the Phonological Awareness Literacy Screening. These funds are used for tutoring or intervention materials.

Virginia Preschool Initiative: The Virginia Preschool Initiative (VPI) distributes state funds to schools and community-based organizations to provide quality preschool programs for at-risk four-year olds who are not served by Head Start. There are 12 VPI classrooms in ACPS, housed at Early Childhood Center, Jefferson Houston, James K. Polk, and William Ramsay. The VPI program provides \$3,062.50 per student and a transfer from the operating fund completes the funding for these classrooms.

## Staffing Reports:

The staffing reports are shown by program, position title and funding source. The staffing for the FY 2016, FY 2017, FY 2018, and FY 2019 final budgets are shown, with the variance from FY 2018 to FY 2019 displayed in the final column. Major changes to staffing levels is described earlier in the section.

These reports are found on the individual school pages in this section of the budget book.

## Budget Reports:

The tables on the individual school pages show the budget summary by program group

# Elementary Schools

---

by character, or major expenditure category. The reports show three years of actual expenditures, the FY 2018 and FY 2019 final budgets and the variance from FY 2018 to FY 2019.

The budget reports includes six character categories as explained below.

- **Salaries:** All compensation for the direct labor of persons in the employment of the local government. This includes regular, intermittent, supplement and overtime pay.
- **Benefits:** Job related benefits provided to employees as part of their total compensation such as FICA, medicare, VRS, and hospital/medical plans.
- **Purchased Services:** Payment for services acquired from outside sources such as staff development, other professional services, professional temporary employees, and other printing and binding.
- **Internal Services:** Charges from one department of ACPS to another for items such as field trips and printing.
- **Other Charges:** Payments for other services such as travel, lease and rental, and dues/association memberships.
- **Materials and Supplies:** Includes articles and commodities that are consumed or materially altered when used and minor equipment that is not capitalized such as instructional, office and paper supplies, textbooks, software/online charges, and other technology equipment.

The major changes in the school budgets include school allocation and staffing changes based on enrollment, other non-formula staffing changes and the reallocation of substitute funding.

## Performance Report:

The performance report shows the progress of schools in raising achievement and improving learning. The US Department of Education established the Annual Measurable

Objectives (AMO) for reducing proficient gaps between low-performing and high-performing schools. In December, 2015, the *Elementary and Secondary Act of 1965* (ESEA) was reauthorized, replacing the *No Child Left Behind Act of 2001* (NCLB) with the *Every Student Succeeds Act* (ESSA). The revised state requirements for schools to meet accreditation and for students to graduate will go into effect in FY 2019.

The report includes the targeted AYP and AMO pass percentages, if the school has met the AMO target, the accreditation status, SOL pass percentages and PALS pass percentages (for elementary schools) for reading and mathematics.

## School Education Plans:

School Education Plans are required by ACPS to be submitted by each school. On the following pages, the summaries for each elementary school are displayed. For each school, there is a SMART (Specific, Measurable, Aggressive and Achievable, Results-Driven, Time-Bound) goal in the areas of math, reading, science, and the teaching, empowering, leading and learning (TELL) survey. Following the SMART goal is the school goal. The final column is the link to the *ACPS 2020: A Strategic Plan for Alexandria's Future* goal.

## School Contact

### **Charles Barrett Elementary School (Grades PreK-5)**

Seth Kennard, Principal  
1115 Martha Custis Drive  
Alexandria, Virginia 22302  
Tel: 703-824-6960 | Fax: 703-379-3782  
seth.kennard@acps.k12.va.us  
<http://www.acps.k12.va.us/barrett/>

Charles Barrett Elementary School faculty and staff are committed to providing a high-quality education program for the entire student body. The school fosters partnerships with diverse students, their families, and the extended community to facilitate student progress in a safe, positive, and child-centered environment. The school also benefits from a partnership with The Kennedy Center's Changing Education Through the Arts (CETA) program, which integrates the arts across all instructional areas. The school works closely with the local community to ensure the needs of all students are met. Charles Barrett prides itself on its high expectations and inclusive learning environment.

### **Exemplary Program:**

The CETA program provides arts integrated professional learning opportunities to teachers and staff at Barrett. Students are taught to construct and demonstrate understanding through an art form. Students engage in a creative process that connects an art form and another subject area to meet objectives in both. Non-compensation and non-personnel support totals \$17,400 for professional development, travel - mileage, course and event fees, refreshments, instructional supplies, and audiovisual supplies.

Detailed SOL results are available on the Virginia Department of Education website.

Key: Yes-3YR = Met objective based on the three year average result.

Yes-R10 = Met objective by reducing failure rate by at least 10 percent.

Yes-MP = Maintain Progress: Current year pass rate equal to prior year's pass rate, or stayed within 5%.

< = A group below state definition for personally identifiable results.

- = No data for group.

## SMART Goals – Charles Barrett

	Goals	Alignment with Strategic Plan
<b>SMART Goal 1</b> Math	During the 2017-18 school year, all 3rd - 5th grade students, including students who are Hispanic, LEP, or economically disadvantaged, and students with disabilities will improve their math skills as measured by the Standards of Learning (SOL) Mathematics Assessment to meet or exceed the targets listed.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 2</b> Reading	During the 2017-18 school year, all 3rd - 5th grade students, including students who are Hispanic, LEP, or economically disadvantaged, and students with disabilities will improve their reading skills as measured by the Standards of Learning (SOL) Reading Assessment to meet or exceed the targets listed.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 3</b> Science	During the 2017-2018 school year, all 5 <sup>th</sup> grade students, including students who are Hispanic, LEP, or economically disadvantaged, will increase their science performance as measured by the Standards of Learning (SOL) Science Assessment.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 4</b> TELL	By the end of the 2017-2018 school year, at least 90% of teachers will agree or strongly agree that teachers have knowledge of the content covered and instructional methods used by other teachers at this school.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input checked="" type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 5</b> Specialized Instruction	By the end of the 2017-2018 school year Charles Barrett teachers will increase their knowledge in and application of Specially Designed Instruction (SDI) strategies, resulting in increased student achievement in Mathematics and Reading as measured by the Standards of Learning Assessment at or above the target scores listed.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations

<http://www.acps.k12.va.us/kelly/>

Cora Kelly Elementary School is a diverse learning community dedicated to educating all students for success in the 21st century with a focus on math, science, and technology. Its highly-qualified faculty and staff, in collaboration with parents and community partners, hold high expectations for every student in academic achievement and citizenship. Cora Kelly students are encouraged to be effective problem solvers and critical thinkers to prepare them to become leaders in the global community.

### **Exemplary Program:**

The Science, Technology, and Math initiative prepares students for success in the 21st century and cultivates scientists, mathematicians, and engineers beginning at a young age by equipping them with strategies to think critically, solve problems, utilize higher-order thinking, and engage in cooperative learning and inquiry based lessons. This program is supported by a 1.00 FTE math teacher, 0.5 FTE MST Specialist, as well as an updated STEM lab, purchased Engineering is Elementary kits with project based learning, including a habitat. Our goal at CK this year is to build our STEM program by integrating it into our math and science curriculum. We updated Digital lab with green screen as well as robotics equipment/ activities and a part time Technology Integration Specialist. Non-compensation support totals \$31,800.

AVID Elementary is a foundational component of the AVID College Readiness System and supports AVID's mission and vision to provide a comprehensive model of success for all students, from elementary through higher education. The AVID Elementary (AE) model supports students as they become independent learners and is designed to promote WICOR (writing, inquiry, collaboration, organization, and reading) throughout the academic day. It also supports students as independent thinkers—thinking about thinking and learning, and about their own learning. Student success skills, organizational skills, and partnership development are all facets of the AVID School wide model. Like AVID Secondary, AVID Elementary Essentials focuses on the four necessary areas that ensure all students are poised for academic success: Instruction, Culture, Leadership, and Systems. Funding for this program is found in the AVID/ College Readiness budget for FY 2019.

Detailed SOL results are available on the Virginia Department of Education website.

Key: Yes-3YR = Met objective based on the three year average result.

Yes-R10 = Met objective by reducing failure rate by at least 10 percent.

Yes-MP = Maintain Progress: Current year pass rate equal to prior year's pass rate, or stayed within 5%.

< = A group below state definition for personally identifiable results.

- = No data for group.

## SMART Goals – Cora Kelly

	Goals	Alignment with Strategic Plan
<b>SMART Goal 1</b> Math	During the 2017-2018 school year, all students will improve their math proficiency as measured by an increased pass rate on this year's Math SOL test to 90%. Students in grades K-2 will improve their math proficiency as measured by an 76% pass rate on the end-of-year strategic math assessments.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2 Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 2</b> Reading	During the 2017-2018 school year, all students in grades 3-5 will improve their reading proficiency as measured by an increased pass rate on this year's Reading SOL test to 77%. In grades K-5, 75% of students will be reading on grade level as measured by Fountas and Pinnell Benchmark Assessments by the end of the year. In grades K-2, 75% of students will meet the Spring PALS benchmark.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2 Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 3</b> Science	During the 2017-2018 school year, all students in grade 5 will improve their science proficiency as measured by an increased pass rate on this year's SOL science test to 77%. In grades 1-4, students will improve their science proficiency as measured by a 75% pass rate on the end-of-year strategic science assessments. In kindergarten, students will improve their science proficiency as measured by a 95% pass rate on the end-of-year strategic science assessments.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2 Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 4</b> TELL	During the 2017-2018 school year, Cora Kelly will improve the learning environment as measured by 75% positive staff responses to TELL survey questions about teacher leadership and school leadership.	<input type="checkbox"/> 1. Academic Excellence and Educational Equity <input checked="" type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input checked="" type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 5</b> Specialized Instruction	During the 2017-2018 school year, all students receiving special education services in grades 3-5 will improve their math proficiency as measured by pass rate of 60% on the Math SOL. All students receiving special education services in grades K-2 will improve their math proficiency as measured by a 60% pass rate on the strategic math assessment.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2 Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations

### School Contact

**Douglas MacArthur Elementary School (Grades K-5)**

Douglas MacArthur Elementary School is a welcoming and inclusive community. The school community fosters academic achievement, respect, responsibility, and citizenship. Students are developing thinking and problem-solving skills that will lead to lifelong success. As a Responsive Classroom school each day begins with a morning meeting, designed to build a strong sense of community. Douglas MacArthur celebrates its increasingly diverse school community and works to build strong partnerships with each family. Support services include reading specialists, an interventionist, English learner teachers, talented and gifted teachers, and special education teachers. The school takes a multi-tiered approach to supporting students emotionally and academically with early interventions. Support programs include early reading and math intervention programs, extended-day learning, 1:1 Chromebooks for fourth and fifth graders, the use of the Fountas and Pinnell Benchmark Literacy Assessment, and targeted literacy instruction. Our mission is to eliminate race, class, gender, and ethnicity as predictors of success.

**Exemplary Program:**

Responsive Classroom (RC) is a research- and evidence-based approach to education that leads to greater teacher effectiveness, higher student achievement, and improved school climate. RC has been recognized by the Collaborative for Academic, Social, and Emotional Learning (CASEL) as one of the most well-designed, evidence-based social and emotional learning programs supporting academic growth for all students. Non-compensation support totals \$13,000 for professional development and instructional supplies.

Detailed SOL results are available on the Virginia Department of Education website.

Key: Yes-3YR = Met objective based on the three year average result.

Yes-R10 = Met objective by reducing failure rate by at least 10 percent.

Yes-MP = Maintain Progress: Current year pass rate equal to prior year's pass rate, or stayed within 5%.

< = A group below state definition for personally identifiable results.

- = No data for group.

## SMART Goals – Douglas MacArthur

	Goals	Alignment with Strategic Plan
<b>SMART Goal 1</b> Math	During the 2017 – 2018 school year, all 3 <sup>rd</sup> , 4 <sup>th</sup> , and 5th grade Gap Group 1, 2, and 3, students will demonstrate their improved math skills resulting in a 5% increase on the mathematics SOL.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 2</b> Reading	During the 2017-2018 school year, all 3 <sup>rd</sup> , 4 <sup>th</sup> , and 5th grade Gap Group 1, 2, and 3, students will demonstrate their improved reading skills resulting in a 5% increase on the reading SOL.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 3</b> Science	During the 2017-2018 school year, all 5 <sup>th</sup> grade Gap Group 1, 2, and 3 students will demonstrate their improved science skills resulting in a 5% increase on the Science SOL.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 4</b> TELL	During the 2016-2017 school year, all professional development will “deepen teachers’ content knowledge and enhance teachers’ ability to implement instructional strategies that meet diverse students learning needs”, resulting in a 10% increase on the TELL survey.	<input type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 5</b> Specialized Instruction	During the 2017-2018 school year, all 3rd, 4th, and 5th grade students with disabilities will demonstrated their improved reading and math skills resulting in a 5% increase on the reading and math SOLs.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations

### School Contact

**Early Childhood Center** (Grade Pre-K)

Heidi Haggerty Wagner, Principal

5651 Rayburn Avenue

Alexandria, Virginia 22311

Tel: 703-824-6970 | Fax: 703-379-4853

heidi.haggerty.wagner@acps.k12.va.us

The Early Childhood Center staff sees its mission as making growth and learning possible for every student through play and exploration. The completed ECC houses 21 classrooms/24 home-rooms comprised of ACPS VPI, Campagna VPI, Campagna Head Start, ACPS Pre-school Autism, and ACPS Early Childhood Special Education programs. This unique center brings together many Alexandria City Early Childhood stakeholders as a place for collaboration and unique professional opportunities that benefit student growth. The staff of the ECC want all Early Childhood students to achieve PIECE: Prepare the whole child, Inspire learning, Ensure positive experiences, Cooperate with families and community, and Establish a foundation for success for all students.

Note that locations of programs at the Early Childhood Center (ECC) and James K. Polk have not been finalized. ACPS's Facilities and Curriculum departments are working with architects and pre-K partners to determine which programs will be served in the ECC in FY 2019. No sections will be removed or added through this process from what is proposed in the total budget. The final adjustment will be reflected in the final budget in June 2018.

## Ferdinand T. Day Elementary

---

**Ferdinand T. Day Elementary** (Grades K-5)

Rachael R. B. Dischner, Principal  
1701 North Beauregard Street  
Alexandria, Virginia 22311  
rachael.dischner@acps.k12.va.us

The Ferdinand T. Day Elementary School will embody the power of STEM (Science, Technology, Engineering, and Mathematics) education. Current educational research is clear that an integrated, problem-based, and real-world approach to learning maximizes student engagement, authenticity, and purpose. STEM education is a student-centered approach to teaching and learning that involves the intentional integration of rigorous content, processes, and skills such as critical thinking, creativity, collaboration, and innovation to solve relevant problems in both academic and real-world contexts. Through performance tasks and culminating projects in a blended learning environment, students will engage regularly in hands-on scientific investigations involving engineering-based scenarios and real-world problem solving.

Additionally, the new Ferdinand T. Day Elementary School administration and teachers will work closely with the Virginia Department of Education staff and community stakeholders to provide students with an education that prepares them for success in secondary education, post-secondary education, and STEM careers. The school also seeks partnerships with local area cutting-edge businesses to mentor students and present career options in the STEM field. The Ferdinand T. Day Elementary School will include an inclusive and diverse community of learners and their families who are committed to ensuring that Every Student Succeeds!

### School Contact

**George Mason Elementary School (Grades K-5)**

Brian Orrenmaa, Principal

2601 Cameron Mills Road

Alexandria, Virginia 22302

Tel: 703-706-4470 | Fax: 703-683-9011

[brian.orrnmaa@acps.k12.va.us](mailto:brian.orrnmaa@acps.k12.va.us)

<http://www.acps.k12.va.us/mason/>

George Mason Elementary School is dedicated to developing students' love of learning, academic excellence, and respect and appreciation for the community's diversity. To this end, it prepares learners to utilize knowledge and skills in a variety of contexts and for a variety of purposes. It seeks academic excellence for all students through a best-practices approach to teaching and learning. The school provides experiences that foster academic, social, physical, and cognitive growth. It prepares competent learners who are self-directed, self-evaluative risk takers. George Mason provides the appropriate supportive, challenging, and nurturing environment to enhance this growth in harmony with the home and larger community.

**Exemplary Program:**

With a science teacher funded through student improvement FTE and exemplary program funding, George Mason is able to provide students with a curriculum rich in hands-on science instruction and experimentation. This program is supported by a 1.00 FTE science teacher.

Grade 2: Spring	86	85	86	87	86

Detailed SOL results are available on the Virginia Department of Education website.

Key: Yes-3YR = Met objective based on the three year average result.

Yes-R10 = Met objective by reducing failure rate by at least 10 percent.

Yes-MP = Maintain Progress: Current year pass rate equal to prior year's pass rate, or stayed within 5%.

< = A group below state definition for personally identifiable results.

- = No data for group.

## SMART Goals – George Mason

	Goals	Alignment with Strategic Plan
<b>SMART Goal 1</b> Math	During the 2017-18 school year, all 3 <sup>rd</sup> -5 <sup>th</sup> grade students, including students who are represented in the three gap groups, will improve their math skills as measured by a 4 point increase in the percentage of students passing this year's SOL mathematics assessment.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 2</b> Reading	During the 2017-18 school year, all 3 <sup>rd</sup> -5 <sup>th</sup> grade students, including students who are represented in the three gap groups and those previously qualified for alternative assessments, will improve their reading skills as measured by a 4 point increase in the percentage of students passing this year's SOL reading assessment.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 3</b> Science	During the 2017-18 school year, all 5 <sup>th</sup> grade students, including students who are represented in the three gap groups, will improve their science skills as measured by a 4 point increase in the percentage of students passing this year's SOL science assessment.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 4</b> TELL	During a 2018 administration of the TELL survey 80% of the staff will indicate they have knowledge of the content and instructional methods used by other teachers at George Mason.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 5</b> Specialized Instruction	By June 2018, we will increase performance of SWD on the reading and math SOL by 10%	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations

## School Contact

### **James K. Polk Elementary School** (Grades Pre-K-5)

PreeAnn Johnson, Principal

5000 Polk Avenue

Alexandria, Virginia 22304

Tel: 703-461-4180 | Fax: 703-751-8614

[pjohnson@acps.k12.va.us](mailto:pjohnson@acps.k12.va.us)

<http://www.acps.k12.va.us/polk/>

James K. Polk (JKP) Elementary School is proud of its widely-diverse student community. Although our English language (EL) and special education populations have steadily increased, every staff member continues to embrace the positive impact that inclusive classrooms and co-teaching models have had on our students, instructional practices, and positive school climate. JKP also has seven Board Certified teachers and has consistently had anywhere from two to four teachers pursue this certification yearly. We pride ourselves on building strong teacher leader which supports our climate of shared leadership and decision making.

JKP also prides itself on the strong sense of community that we have cultivated as our school staff and PTA consistently work together for the betterment of the students. Over the years, the PTA has sponsored a variety of activities that engage the entire school community and ultimately result in valuable programs and resources that have improved our school. For more than eight years we have hosted phenomenal bookfairs that have provided us with many resources such as much needed Smartboards and classroom libraries. Our vibrant afterschool programs, totally managed and run by our parents and school staff continue to provide quality enrichment activities for our students. Our Award winning Safe Routes to School Program with monthly Fitness Fridays is another example of the collaboration of our PE department and our parent liaison who are committed to finding ways to keep kids healthy and active. #PolkPride has everything to do with the school and surrounding community's commitment to work together to improve student achievement.

Polk is quickly becoming one of the greenest schools in Northern Virginia. Greenovation at Polk includes installation of a renewable energy heating and cooling system, onsite geothermal wells, a state-of-the-art fresh air intake Eco-Air System, photovoltaic panels, solar panels (solar hot water array to warm water), a vegetative roof, sand .liters to .liter water, and a Greenovation Learning Lab! We have recently added the salad bar in our lunch program providing students with a variety of healthy fruits and vegetables to choose from each day. It has been a great addition and huge success as children now make a conscious decision to eat this healthy alternative during the school day.

Finally, Polk is the proud home of three VPI preschool classes and four citywide Autism programs including one preschool class, providing a full continuum of services for our students. The

# Elementary Schools

preschool programs will remain at Polk until they are phased into the Early Childhood Center (ECC) over the next few years.

## Exemplary Program:

Soaring with Pride combines the Habits of Mind exemplary program with our schoolwide Positive Behavioral Interventions and Supports (PBIS). This program is a part of our Multi-tiered Systems of Supports (MTSS) and aligns with our School Education Plan goals related to behavior and discipline management to form a more cohesive schoolwide behavior management system. The consistency of the program over time has reduced the number of disciple referrals by almost 50% over the past two years. Support for this program totals \$10,000.

## Annual Measurable Objectives (AMOs)/Accreditation Benchmarks and School Status: James K. Polk

	AMO			Accreditation	
	2014 - 2015	2015 - 2016	2016 - 2017	2017 - 2018	2018 - 2019
<b>AMO/Accreditation Target Pass Percentage for All Students*</b>					
English	69%	72%	75%	TBD	TBD
Mathematics	66%	68%	70%	TBD	TBD
<b>Met AMO/Accreditation Target for All Students</b>					
English	Yes-3YR	Yes-R10	Yes	Yes	TBD
Mathematics	Yes	Yes-MP	Yes	Yes	TBD
<b>Accreditation Status</b>	Fully Accredited	Fully Accredited	Fully Accredited	Fully Accredited	TBD

AMOs and Accreditation statuses are based on the Standards of Learning (SOL) tests administered during the previous school year.

\*In FY 2016, the *Elementary and Secondary Education Act of 1965* (ESEA) was reauthorized, replacing the *No Child Left Behind Act* (NCLB) with the *Every Student Succeeds Act* (ESSA). ESSA targets are to be determined.

## Student Performance Data: James K. Polk

	2013 - 2014	2014 - 2015	2015 - 2016	2016 - 2017	2017 - 2018
<b>SOL: Percent of Students Passing Across All Grade Levels</b>

Gap Group 1 - Students with Disabilities, English Learners, Economically Disadvantaged Students (unduplicated)	64	71	68	67	NA
Gap Group 2 - Black Students	65	68	70	74	72
Gap Group 3 - Hispanic Students	68	70	68	57	64
<b>PALS: Percent of Students Passing</b>					
Kindergarten: Fall	87	81	82	73	68
Kindergarten: Spring	92	84	91	83	70
Grade 1: Fall	90	90	89	86	82
Grade 1: Spring	69	78	74	71	75
Grade 2: Fall	82	75	82	79	72
Grade 2: Spring	78	71	74	79	77

Detailed SOL results are available on the Virginia Department of Education website.

Key: Yes-3YR = Met objective based on the three year average result.

Yes-R10 = Met objective by reducing failure rate by at least 10 percent.

Yes-MP = Maintain Progress: Current year pass rate equal to prior year's pass rate, or stayed within 5%.

< = A group below state definition for personally identifiable results.

- = No data for group.

## SMART Goals – James K. Polk

	Goals	Alignment with Strategic Plan
<b>SMART Goal 1</b> Math	During the 2017-18 school year, all students, including students who are Black, Hispanic, LEP, economically disadvantaged, and students with disabilities will improve their math skills as measured by a 5 point increase in the percentage of students passing this year's SOL math test.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input checked="" type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 2</b> Reading	During the 2017-18 school year, all students, including students who are Black, Hispanic, Asian, LEP, economically disadvantaged, and students with disabilities will improve their reading skills as measured by a 5 point increase in the percentage of students passing this year's SOL reading test.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input checked="" type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 3</b> Science	During the 2017-18 school year, all 5 <sup>th</sup> Grade students will make measurable progress, including students who are Hispanic, LEP, or economically disadvantaged, students will improve their science knowledge as measured by a 5 point increase in the percentage of students passing this year's SOL test.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input checked="" type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 4</b> TELL	During the 2017-18 school year, the area of focus will be on learner achievement with an emphasis on a reduction in disciplinary referrals for Gap Group 3: Hispanic students.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input checked="" type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input checked="" type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 5</b> Specialized Instruction	During the 2017-18 school year, students with disabilities will improve their math and reading skills as measured by a 5 point increase in the percentage of SWD students passing this year's SOL math and reading test.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations

### School Contact

**Jefferson-Houston School** (Grades Pre-K-8)

MScott Berkowitz, Principal

1501 Cameron Street

Alexandria, Virginia 22314

Tel: 703-706-4400 | Fax: 703-836-7923

[msscott.berkowitz@acps.k12.va.us](mailto:msscott.berkowitz@acps.k12.va.us)

<http://www.acps.k12.va.us/houston/>

Jefferson-Houston institutes a culture of high expectations and rigorous instruction. It is the shared goal of administration and staff to encourage and support Jefferson-Houston students in seeking knowledge and becoming life-long learners.

### Exemplary Program:

International Baccalaureate/Primary Years Programme (IB-PYP) is an internationally-recognized curriculum framework for children aged 3-12 years designed to promote the development of the children socially, emotionally, and academically. IB-PYP places major emphasis on inquiry-based teaching and learning, transdisciplinary lesson implementation, community service, real world applications, and character development.

International Baccalaureate/Middle Years Programme (IB-MYP) is a challenging framework that encourages students to make practical connections between their studies and the real world. The MYP curriculum framework comprises eight subject groups, providing a broad and balanced education for early adolescents.

These programs are supported by a 1.00 FTE IB coordinator. This coordinator supports both the Primary Years and Middle Years Programmes. Non-compensation support totals \$26,850 for the Primary Years Programme and \$26,350 for the Middle Years Programme.

AVID Secondary Schoolwide model is a foundational component of the AVID College Readiness System and supports AVID's mission and vision to provide a comprehensive model of success for all students, from elementary through higher education. The AVID Secondary model, which spans grades 6-12, includes a two-prong approach that supports students through the promotion of WICOR (writing, inquiry, collaboration, organization, and reading) across the entire campus. It also includes a selective elective course for students who have a desire to enroll in higher education. This course supports students' rigorous course schedules by providing a tutorial component, (supported by college-age tutors), college knowledge curriculum, and college visits. The AVID Secondary model is a schoolwide model that changes the trajectory of an entire school campus by focusing on the four areas necessary to ensure all students are poised for academic success: Instruction, Culture, Leadership, and Systems. Funding for this program is found in the AVID/ College Readiness budget for FY 2019.

## Annual Measurable Objectives (AMOs)/Accreditation Benchmarks and School Status: Jefferson-Houston

	AMO			Accreditation	
	2014 - 2015	2015 - 2016	2016 - 2017	2017 - 2018	2018 - 2019
<b>AMO/Accreditation Target Pass Percentage for All Students*</b>					
English	69%	72%	75%	75%	TBD
Mathematics	66%	68%	70%	70%	TBD
<b>Met AMO/Accreditation Target for All Students</b>					
English	No	Yes-R10	No-W	No-W	TBD
Mathematics	No	Yes-R10	No-A	No-W	TBD
<b>Accreditation Status</b>	Accreditation Denied	Accreditation Denied	Accreditation Denied	Accreditation Denied	TBD

AMOs and Accreditation statuses are based on the Standards of Learning (SOL) tests administered during the previous school year.

\*In FY 2016, the *Elementary and Secondary Education Act of 1965 (ESEA)* was reauthorized, replacing the *No Child Left Behind Act (NCLB)* with the *Every Student Succeeds Act (ESSA)*. ESSA targets are to be determined.

Grade 2: Fall	71	75	72	71	81
Grade 2: Spring	77	82	80	70	76

Detailed SOL results are available on the Virginia Department of Education website.

Key: Yes-3YR = Met objective based on the three year average result.

Yes-R10 = Met objective by reducing failure rate by at least 10 percent.

Yes-MP = Maintain Progress: Current year pass rate equal to prior year's pass rate, or stayed within 5%.

No-A = Did not meet benchmark but is within the narrow margin.

No-W = Did not meet benchmark or criteria for narrow margin or improvement.

< = A group below state definition for personally identifiable results.

- = No data for group.

<http://www.acps.k12.va.us/adams/>

John Adams Elementary School is a Changing Education Through the Arts (CETA) school. This partnership is in association with the John F. Kennedy Center for the Performing Arts. John Adams also offers a dual language program.

### **Exemplary Program:**

The CETA program provides arts-integrated, professional learning opportunities to teachers and staff at John Adams so that they can teach students to construct and demonstrate understanding through an art form. This site has focused on Tableau and Tableau II for the past four years. Students engage in a creative process that connects an art form and another subject area, meeting objectives in both. This program is supported by a 0.50 FTE CETA coordinator.

Through CETA, John Adams Elementary teachers participate in a course called “Scientific Thought in Motion” that integrates creative movement with scientific content. Students work together to create choreography that represents scientific cycles and processes. Non-compensation support totals \$25,000.

The John Adams Dual Language program provides an immersion program in English and Spanish. Students are taught English language arts and social studies in English, while math and science are taught in Spanish. John Adams uses a 70/30 Spanish/English model in kindergarten and first grade and a 50/50 Spanish/English model in 2nd grade through 5th grade, based on research and best practices for language acquisition. This program is supported by 10.00 FTE elementary dual language teachers and paraprofessionals, and 4.00 FTE kindergarden dual language teachers and paraprofessionals. Non-compensation support totals \$22,500.

Grade 2: Fall	87	82	69	63	66
Grade 2: Spring	83	77	68	79	92

Detailed SOL results are available on the Virginia Department of Education website.

Key: Yes-3YR = Met objective based on the three year average result.

Yes-R10 = Met objective by reducing failure rate by at least 10 percent.

Yes-MP = Maintain Progress: Current year pass rate equal to prior year's pass rate, or stayed within 5%.

< = A group below state definition for personally identifiable results.

- = No data for group.

## SMART Goals – John Adams

	Goals	Alignment with Strategic Plan
<b>SMART Goal 1</b> Math	During the 2017-18 school year, all students in grades 3-5 will improve their math skills, as demonstrated by 3 points of growth on the Math SOL, increasing our overall pass rate from 58% to 61%.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input checked="" type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 2</b> Reading	During the 2017-18 school year, all students in grades 3-5 will improve their reading skills, as demonstrated by 3 points of growth on the Reading SOL, increasing our overall pass rate from 69% to 72%.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 3</b> Science	During the 2017-18 school year, all students in grade 5 will improve their science skills, as demonstrated by 3 points of growth on the Science SOL, increasing our overall pass rate from 65% to 68%.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input checked="" type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 4</b> TELL	During the 2017-2018 school year, 70% of staff will identify our school as an overall good place to work and learn, as demonstrated by the School Culture Rubric.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input checked="" type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input checked="" type="checkbox"/> 6. Effective and Efficient Operations

# Elementary Schools

---

<b>SMART Goal 5</b> Specialized Instruction	During the 2017-18 school year, inclusion teachers will implement five out of six co-teaching models, as demonstrated by teacher observations and weekly lesson plans.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input checked="" type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input checked="" type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations

### School Contact

**Lyles-Crouch Traditional Academy (Grades K-5)**

Dr. Patricia Zissios, Principal

530 S. St. Asaph Street

Alexandria, Virginia 22314

Tel: 703-706-4430 | Fax: 703-684-0252

[patricia.zissios@acps.k12.va.us](mailto:patricia.zissios@acps.k12.va.us)

<http://www.acps.k12.va.us/crouch/>

Lyles-Crouch Traditional Academy is a kindergarten through fifth grade public school located in Old Town, Alexandria. Its diverse and dynamic student body is comprised of students from southeast Old Town as well as many other neighborhoods throughout Alexandria. Lyles-Crouch Traditional Academy embraces the “whole child” approach to education, addressing each student’s social, emotional, physical, and academic requirements through the support of families, staff, and community resources. The school believes the true measure of a student’s success transcends test scores. True success is measured by the preparation necessary to meet the 21st century demands for career, college, and citizenship. Partnering with parents and community resources can ensure this goal is achieved.

### Exemplary Program:

Through a rigorous vetting process, Lyles-Crouch Traditional has been recognized as a Core Knowledge School of Distinction with special recognition for content integration and teaching practices, one of only eight schools nationally to attain this designation. Core Knowledge (CK), the main focus of instruction at Lyles-Crouch Traditional Academy, is built around the 4C’s: a content rich curriculum that is coherent, cumulative, and context-specific. Content is built into the program with rich vocabulary, emphasis on building background knowledge, and enhanced focus on language development through read-alouds. Coherence is incorporated as grade-level teams make decisions on the scope and sequence of content taught that best-aligns with state standards. The cumulative nature of learning is built into the CK sequence as content spirals through the grades. The Core Knowledge allocation totals \$39,292.

<b>Accreditation Status</b>	Fully Accredited	Fully Accredited	Fully Accredited	Fully Accredited	TBD

AMOs and Accreditation statuses are based on the Standards of Learning (SOL) tests administered during the previous school year.

\*In FY 2016, the *Elementary and Secondary Education Act of 1965 (ESEA)* was reauthorized, replacing the *No Child Left Behind Act (NCLB)* with the *Every Student Succeeds Act (ESSA)*. ESSA targets are to be determined.

Detailed SOL results are available on the Virginia Department of Education website.

Key: Yes-3YR = Met objective based on the three year average result.

Yes-R10 = Met objective by reducing failure rate by at least 10 percent.

Yes-MP = Maintain Progress: Current year pass rate equal to prior year's pass rate, or stayed within 5%.

< = A group below state definition for personally identifiable results.

- = No data for group.

## SMART Goals – Lyles-Crouch

	Goals	Alignment with Strategic Plan
<b>SMART Goal 1</b> Math	During the 2017-2018 school year, all students will improve their math proficiency as measured by a 5% increase in the pass rates of students who are economically disadvantaged, students who are Limited English Proficient (LEP), students with disabilities, and Black students on this year's SOL math test.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 2</b> Reading	During the 2017-2018 school year, all students will improve their reading proficiency as measured by a 5% increase in the pass rates of students who are economically disadvantaged, students who are Limited English Proficient (LEP), students with disabilities, and Black students on this year's SOL reading test.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 3</b> Science	During the 2017-2018 school year, all fifth grade students will improve their science proficiency as measured by a 5% increase in the pass rates of students who are economically disadvantaged, students who are Limited English Proficient (LEP), students with disabilities, and Black students on this year's SOL science test.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 4</b> TELL	During the 2017-2018 school year, LCTA will improve the learning environment as measured by a 5% increase in the percentage of positive responses from teachers to TELL survey questions about the learning environment and professional development.	<input type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input checked="" type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 5</b> Specialized Instruction	During the 2017-2018 school year, students with disabilities will improve proficiency in all academic areas as measured by a 5% increase in the percentage of students with disabilities passing this year's SOL tests in math, reading, and science.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations

Matthew Maury Elementary School is a kindergarten through fifth grade school in the Rosemont area of Alexandria. The school's mission is based on the knowledge and belief that all students can learn. Matthew Maury is committed to a safe and orderly school environment, high expectations, and time-on-task for all students. We are dedicated to fostering the love of learning by encouraging each child to think critically and creatively, work cooperatively, and communicate effectively, thus promoting social, physical, and cognitive growth.

### Exemplary Program:

The Habits of Mind are a repertoire of behaviors that help students and teachers successfully navigate the various challenges and problems they encounter in the classroom and in everyday life. The 16 habits were derived from studies of what successful, intelligent people do when they are confronted with problems to solve, decisions to make, creative ideas to generate, and ambiguities to clarify. They promote strategic reasoning, insightfulness, perseverance, creativity, and craftsmanship and are relevant to support student mastery of unit and course/grade-level desired results. Non-compensation support totals \$5,000 for instructional supplies.

Grade 2: Spring	89	92	89	86	81

Detailed SOL results are available on the Virginia Department of Education website.

Key: Yes-3YR = Met objective based on the three year average result.

Yes-R10 = Met objective by reducing failure rate by at least 10 percent.

Yes-MP = Maintain Progress: Current year pass rate equal to prior year's pass rate, or stayed within 5%.

< = A group below state definition for personally identifiable results.

- = No data for group.

## SMART Goals – Matthew Maury

	Goals	Alignment with Strategic Plan
<b>SMART Goal 1</b> Math	By June 2018, 66% of Gap 1 students and 66% of Gap 2 students will pass the mathematics SOL.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2 Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 2</b> Reading	By June 2018, 68% of Gap 1 students and 65% of Gap 2 students will pass the reading SOL.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 3</b> Science	By June 2018, 89% of all students will pass the science SOL.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 4</b> TELL	By June 2018, 100% of all Maury Staff will feel that Maury is a good place to work and learn.	<input type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 5</b> Specialized Instruction	By the end of the 2017-2018 school year Matthew Maury teachers will increase their knowledge in and application of Specially Designed Instruction (SDI) strategies, resulting in the following levels of achievement by Students with Disabilities, as measured by Fountas and Pinnell assessments and the SOL Test: Reading 58%.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations

Mount Vernon Community School (MVCS) offers a positive learning environment where dedicated staff, students, and families actively engage in and provide meaningful educational experiences that allow for language acquisition in English and Spanish. Students in the dual language program will become bilingual, bi-literate and culturally aware, while maintaining high levels of academic achievement. A Summer Language Academy based in literacy in Spanish and English has been offered since 2015 and will continue to be offered to all Mount Vernon Community School rising first through fifth grade students as well as rising first through fifth grade dual language students at John Adams Elementary School.

**Exemplary Program:**

Mount Vernon Community School Dual Language program is a 50/50 immersion program in English and Spanish. Students study content and literacy in two languages. MVCS has only dual language classrooms in grades K-3 and a mix of dual language and general classrooms in the upper 4th – 5th grades. This program will fund \$10,000 for purchased services and is supported by 43.00 FTE dual language teachers and paraprofessionals.

Grade 2: Fall	82	72	60	75	65
Grade 2: Spring	86	74	74	78	76

Detailed SOL results are available on the Virginia Department of Education website.

Key: Yes-3YR = Met objective based on the three year average result.

Yes-R10 = Met objective by reducing failure rate by at least 10 percent.

Yes-MP = Maintain Progress: Current year pass rate equal to prior year's pass rate, or stayed within 5%.

< = A group below state definition for personally identifiable results.

- = No data for group.

## SMART Goals – Mount Vernon

	Goals	Alignment with Strategic Plan
<b>SMART Goal 1</b> Math	By the end of the 2017-18 SY, MVCS will increase Gap Group 1 (LEP, SWD, FRL) performance from 47% to 52% as measured by the VA Standards of Learning assessment in grades 3, 4, 5. <ul style="list-style-type: none"> <li>LEP from 45% to 50% or higher</li> <li>SWD from 29% to 34% or higher</li> <li>FRL from 44% to 49% or higher</li> </ul>	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input checked="" type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 2</b> Reading	By the end of the 2017-18 SY, MVCS will increase Gap Group 1 (LEP, SWD, FRL) performance from 56% to 61% as measured by the VA Standards of Learning assessment in grades 3, 4, 5. <ul style="list-style-type: none"> <li>LEP from 55% to 60% or higher</li> <li>SWD from 48% to 53% or higher</li> <li>FRL from 55% to 60% or higher</li> </ul>	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input checked="" type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 3</b> Science	By the end of the 2017-18 SY, MVCS will increase Gap Group 1 (LEP, SWD, FRL) performance from 44% to 48% as measured by the VA Standards of Learning assessment in grades 3, 4, 5. <ul style="list-style-type: none"> <li>LEP from 42% to 47% or higher</li> <li>SWD from 42% to 47% or higher</li> <li>FRL from 46% to 51% or higher</li> </ul> Overall, MVCS will increase from 70% to 72% using the state accreditation formula.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input checked="" type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 4</b> TELL	By the next administration of the TELL survey, MVCS will increase its results in professional development in 5 subcategories by at least 10%.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 5</b> Specialized Instruction	By the end of the 2017-2018 SY, all MVCS students with disabilities (SWD), will improve their pass rates in the areas of reading and math by 5%. <ul style="list-style-type: none"> <li>SWD will increase their reading performance from 48% to 53% on the reading SOL</li> <li>SWD will increase their math performance from 29% to 34% or higher on the math SOL</li> </ul>	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations

<http://www.acps.k12.va.us/henry/>

Patrick Henry Elementary is committed to advancing student growth by providing an environment that is conducive to high levels of academic achievement and that promotes academic rigor as well as parental and community engagement.

### **Exemplary Program:**

The Discourse and Rigor program supports higher-order thinking, advanced academic opportunities, alternative assessments, hands-on learning experiences, and the shared inquiry literacy process. This program will primarily support rigorous instructional opportunities for mathematics and literacy. Total support is \$15,000.

AVID Elementary is a foundational component of the AVID College Readiness System and supports AVID's mission and vision to provide a comprehensive model of success for all students, from elementary through higher education. The AVID Elementary (AE) model supports students as they become independent learners and is designed to promote WICOR (writing, inquiry, collaboration, organization, and reading) throughout the academic day. It also supports students as independent thinkers—thinking about thinking and learning, and about their own learning. Student success skills, organizational skills, and partnership development are all facets of the AVID School-wide model. Like AVID Secondary, AVID Elementary Essentials focuses on the four necessary areas that ensure all students are poised for academic success: Instruction, Culture, Leadership, and Systems.

## Annual Measurable Objectives (AMOs)/Accreditation Benchmarks and School Status: Patrick Henry

	AMO			Accreditation	
	2014 - 2015	2015 - 2016	2016 - 2017	2017 - 2018	2018 - 2019
<b>AMO/Accreditation Target Pass Percentage for All Students*</b>					
English	69%	72%	75%	75%	TBD
Mathematics	66%	68%	70%	70%	TBD
<b>Met AMO/Accreditation Target for All Students</b>					
English	Yes-R10	Yes	Yes	Yes	TBD
Mathematics	Yes-R10	Yes	Yes	Yes	TBD
<b>Accreditation Status</b>	Accredited with Warning	Fully Accredited	Fully Accredited	Fully Accredited	TBD

AMOs and Accreditation statuses are based on the Standards of Learning (SOL) tests administered during the previous school year.

\*In FY 2016, the *Elementary and Secondary Education Act of 1965* (ESEA) was reauthorized, replacing the *No Child Left Behind Act* (NCLB) with the *Every Student Succeeds Act* (ESSA). ESSA targets are to be determined.

## Student Performance Data: Patrick Henry

	2013 - 2014	2014 - 2015	2015 - 2016	2016 - 2017	2017 - 2018
<b>SOL: Percent of Students Passing Across All Grade Levels</b>

Grade 1: Spring	90	88	86	81	90
Grade 2: Fall	79	91	81	86	85
Grade 2: Spring	82	89	92	82	84

Detailed SOL results are available on the Virginia Department of Education website.

Key: Yes-3YR = Met objective based on the three year average result.

Yes-R10 = Met objective by reducing failure rate by at least 10 percent.

Yes-MP = Maintain Progress: Current year pass rate equal to prior year's pass rate, or stayed within 5%.

< = A group below state definition for personally identifiable results.

- = No data for group.

## SMART Goals – Patrick Henry

	Goals	Alignment with Strategic Plan
<b>SMART Goal 1</b> Math	By June 2018, PHES will increase the proficiency AMO pass rate for the Hispanic and African-American sub-groups by at least 5 percentage points (from 83% to 88%) for Math as evidenced by the 2018 SOL assessment.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 2</b> Reading	By June 2018, PHES will increase the proficiency AMO pass rate for the Hispanic sub-group by at least 5 percentage points (from 75% to 80%) for Reading as evidenced on the Spring 2018 SOL assessment.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 3</b> Science	By June 2018, PHES will increase Science proficiency for 5 <sup>th</sup> grade students by a minimum of 3 percentage points (from 76% to 79%), as evidenced by the AMO results for the 2018 Spring SOL assessment.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 4</b> TELL	By June of 2018, PHES will increase attendance at events by 10% as measured by sign-in sheets with a 75% satisfaction rate as evidenced by surveys.	<input type="checkbox"/> 1. Academic Excellence and Educational Equity <input checked="" type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 5</b> Specialized Instruction	By June of 2018, PHES will increase proficiency in Mathematics for students in the SPED subgroup by a minimum of 10%, as evidenced on the Spring 2018 SOL assessment.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment

## School Contact

### **Samuel W. Tucker Elementary School (Grades K-5)**

Rene Paschal, Principal  
435 Ferdinand Day Drive  
Alexandria, Virginia 22304  
Tel: 703-933-6300 | Fax: 703-212-8465  
[rene.paschal@acps.k12.va.us](mailto:rene.paschal@acps.k12.va.us)  
<http://www.acps.k12.va.us/tucker/>

Samuel W. Tucker Elementary School is committed to educating every student to his/her highest potential and maintaining its full accreditation status. The community takes great pride in Tucker's rich cultural diversity, unique calendar, and strong focus on academic achievement.

### **Exemplary Programs:**

Samuel W. Tucker Elementary operates on a modified calendar with a shortened summer and the opportunity for students to participate in two optional intersessions providing remediation and enrichment courses that support the ACPS curriculum's connection to the real world. Total support is \$0.36 million including participation fees contributed by families.

## Annual Measurable Objectives (AMOs)/Accreditation Benchmarks and School Status: Samuel W. Tucker

	AMO			Accreditation	
	2014 - 2015	2015 - 2016	2016 - 2017	2017 - 2018	2018 - 2019
<b>AMO/Accreditation Target Pass Percentage for All Students*</b>					
English	69%	72%	75%	TBD	TBD
Mathematics	66%	68%	70%	TBD	TBD
<b>Met AMO/Accreditation Target for All Students</b>					
English	Yes	Yes	Yes	Yes	TBD
Mathematics	Yes	Yes-MP	Yes	Yes	TBD
<b>Accreditation Status</b>	Fully Accredited	Fully Accredited	Fully Accredited	Fully Accredited	TBD

AMOs and Accreditation statuses are based on the Standards of Learning (SOL) tests administered during the previous school year.

\*In FY 2016, the *Elementary and Secondary Education Act of 1965 (ESEA)* was reauthorized, replacing the *No Child Left Behind Act (NCLB)* with the *Every Student Succeeds Act (ESSA)*. ESSA targets are to be determined.

## Student Performance Data: Samuel W. Tucker

	2013 - 2014	2014 - 2015	2015 - 2016	2016 - 2017	2017 - 2018
<b>SOL: Percent of Students Passing Across All Grade Levels</b>					
English					
All Students	72	78	80	80	72
Asian Students	93	81	84	67	68
White Students	86	93	94	89	84
Students with Disabilities	52	44	35	48	33

<b>PALS: Percent of Students Passing</b>					
Kindergarten: Fall	87	78	84	87	77
Kindergarten: Spring	95	94	95	95	89
Grade 1: Fall	96	100	93	95	90
Grade 1: Spring	92	91	82	83	78
Grade 2: Fall	90	94	88	78	87
Grade 2: Spring	91	91	81	75	80

Detailed SOL results are available on the Virginia Department of Education website.

Key: Yes-3YR = Met objective based on the three year average result.

Yes-R10 = Met objective by reducing failure rate by at least 10 percent.

Yes-MP = Maintain Progress: Current year pass rate equal to prior year's pass rate, or stayed within 5%.

< = A group below state definition for personally identifiable results.

- = No data for group.

## SMART Goals – Samuel W. Tucker

	Goals	Alignment with Strategic Plan
<b>SMART Goal 1</b> Math	By June, 2018, students at Samuel Tucker will demonstrate increased math proficiency by a minimum of 5% (86%) as measured by the 2018 SOL Math test.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 2</b> Reading	<p>By June, 2018, students at Samuel Tucker will demonstrate increased reading proficiency by a minimum of 5% (85%) as measured by the 2018 SOL Reading test.</p> <p>All K-5 students will demonstrate achievement in reading as demonstrated by a year's worth of growth on one of three assessments: PALS, RI and/or Running Records.</p>	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operation
<b>SMART Goal 3</b> Science	By June, 2018, 5 <sup>th</sup> grade students at Samuel Tucker will demonstrate increased science proficiency by a minimum of 10% (70%) as measured by the 2018 SOL Science test.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 4</b> TELL	<p>By June, 2018, the faculty's response on the TELL survey will improve from 76.8% agreement to at least 80% agreement on the following statement: Teachers have sufficient access to a broad range of professional support personnel.</p> <p>By June, 2018, the faculty's response on the TELL survey will improve from 86.3% agreement to at least 90% agreement on the following statement: Parents/Guardians support teachers; contributing to their success with students.</p>	<input type="checkbox"/> 1. Academic Excellence and Educational Equity <input checked="" type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 5</b> Specialized Instruction	<p>By June, 2018, the SWD subgroup will show a 5% or greater increase on the spring 2018 SOL Math and Reading tests.</p> <p>Reading: 51%</p> <p>Math: 42%</p>	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations

### School Contact

**William Ramsay Elementary School (Grades Pre-K-5)**

Michael J. Routhouska, Principal

5700 Sanger Avenue

Alexandria, Virginia 22311

Tel: 703-824-6950 | Fax: 703-379-7824

[michael.routhouska@acps.k12.va.us](mailto:michael.routhouska@acps.k12.va.us)

<http://www.acps.k12.va.us/ramsay/>

The team at William Ramsay Elementary School is committed to building strong relationships and developing the whole child through effective collaboration in an inclusive learning environment that focuses on real-world applications of knowledge and leads students to global success. The expectations are high, the curriculum is rigorous, and students are required to think critically. The school's academic curriculum includes reading, math, social studies, and science. William Ramsay will continue to offer and seek to expand our talented and gifted programs to students in all grade levels. William Ramsay also provides specialized instruction to eligible students and English learners.

### Exemplary Programs:

The Project GLAD® (Guided Language Acquisition Design) is an instructional model dedicated to building academic language and literacy for all students, especially English Learner/emergent bilingual students. The model enhances teachers' design and delivery of standards-based instruction through an integrated approach with the intent of building language proficiency, academic comprehension, and promotes an environment that respects and honors each child's voice, personal life experience, beliefs and values their culture. Total support for this program is \$72,399.

Grade 1: Spring	68	81	71	67	62
Grade 2: Fall	58	63	80	60	57
Grade 2: Spring	55	58	78	59	63

Detailed SOL results are available on the Virginia Department of Education website.

Key: Yes-3YR = Met objective based on the three year average result.

Yes-R10 = Met objective by reducing failure rate by at least 10 percent.

Yes-MP = Maintain Progress: Current year pass rate equal to prior year's pass rate, or stayed within 5%.

< = A group below state definition for personally identifiable results.

- = No data for group.

## SMART Goals – William Ramsay

	Goals	Alignment with Strategic Plan
<b>SMART Goal 1</b> Math	During the 2017-18 school year, all WRES students, including students who are Hispanic, LEP, or economically disadvantaged, will improve their math skills as measured by a 5 point increase in the percentage of students passing this year's SOL math test.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input checked="" type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 2</b> Reading	During the 2017-18 school year, all WRES students, including students who are Hispanic, LEP, or economically disadvantaged, will improve their reading skills as measured by a 3 point increase in the percentage of students passing this year's SOL reading test.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 3</b> Science	By June 2018, William Ramsay will increase the adjusted pass rate on the Science SOL Test from 47% to 60%.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 4</b> TELL	By the end of the 2018 TELL Survey administration, teacher agreement (agree or strongly) will increase: <ul style="list-style-type: none"> <li>Students at this school follow rules of conduct. [from 66% to 70%]</li> <li>Policies and procedures about student conduct are clearly understood by the faculty. [from 79% to 83%]</li> </ul>	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations

# Elementary Schools

---

<b>SMART Goal 5</b> Specialized Instruction	During the 2017-18 school year, all WRES students with IEPs, including students who are Hispanic, LEP, or economically disadvantaged, will improve their math, reading, VA Studies, and science skills as measured by a 5 point increase in the percentage of students passing this year's SOL tests.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input checked="" type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input checked="" type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
--	---	--

### Middle Schools Overview

ACPS has two middle schools (grades 6-8), Francis C. Hammond and George Washington. Jefferson-Houston houses grades PreK-8 and Patrick Henry houses PreK-7; however, the information for these locations is presented in

the elementary school summary section. Other major programs can be seen in the table below.

School Name	Principal	Address and Contact	Grades Served	Major Programs
Francis C. Hammond Middle School	Pierrette Peters	4646 Seminary Road Alexandria, VA 22304 Tel: 703-461-4100 Fax: 703-461-4111 <a href="http://www.acps.k12.va.us/fch/">http://www.acps.k12.va.us/fch/</a>	Gr 6-8	Advancement Via Individual Determination Title I School - City-Wide Special Education
George Washington Middle School	Jesse Mazur	1005 Mount Vernon Avenue Alexandria, VA 22301 Tel: 703-706-4500 Fax: 703-299-7597 <a href="http://www.acps.k12.va.us/gw/">http://www.acps.k12.va.us/gw/</a>	Gr 6-8	Advancement Via Individual Determination City-Wide Special Education Head Start (Auxiliary Building)

# Middle Schools

## Enrollment and Demographics:

Middle School enrollment, for sixth through eighth grades, was 3,043 as of September 30, 2017. Enrollment is projected to increase by 9.0 percent to a total of 3,317. Both middle schools across the division have experienced steady growth in enrollment in the past few years, as displayed in the chart below.

For reporting purposes, both Jefferson-Houston and Patrick Henry student enrollments, staffing, and budget reports are presented in the Elementary School section.

With the increasing enrollment, the number of students with additional needs continue to grow as well. Significant numbers of English learner (EL) students attend ACPS schools, as displayed in the chart below.

In total, the number of EL students at the middle school level is projected to increase by 12.5 percent to a total of 674 students. Additional information describing the EL program is located within the Information and Department sections of this budget book.

**Total Enrollment  
by Middle School by Fiscal Year**

**English Learner Enrollment  
by Middle School by Fiscal Year**

# Middle Schools

The trends of numbers of students requiring special education (SPED) services are shown by school in the table above.

The number of students receiving special education services at the middle school level is projected to increase by 14.1 percent, to a total of 357. For more information on the special education program, please refer to the Information and Department sections of this budget book.

Many of the students in ACPS middle schools come from families that are economically disadvantaged; this is reflected in the number of students qualifying for free and reduced-price meals, shown in the table below.

Assuming that the proportion of students qualifying for free and reduced-price meals stays constant, the FY 2019 projected number of students meeting this criteria will increase slightly to 1,726 students.

# Middle Schools

---

## **Staffing:**

Division-wide, operating funded staffing at middle schools will remain at a total of 355.20 FTE in FY 2019.

## **Specialized Instruction:**

The allocation of special education staffing is determined by two factors: disability category and level of service. Beginning in FY 2017, to further support inclusion and co-teaching across content areas, the staffing formula was revised by adjusting the service intensity point values which determine staff ratios. For FY 2019, the formula will reduce staffing by 1.00 FTE special education positions at George Washington, while Frances C. Hammond will see an increase of 1.00 FTE. Special education paraprofessional I and III positions are a central pool in the School-wide resources section. Speech language pathologist (SLP) positions are housed in a central pool in the Specialized Instruction Department. Positions will be allocated from these two pools based on individual student need.

## **English Learners:**

At the middle school level, Francis C. Hammond has both a traditional model and an International Academy (IA) model of services. Through the traditional model, Francis C. Hammond receives 13.00 FTE positions. Staffing for the IA model provides cohorts with 4.00 FTE core content teachers. One of the FTE EL positions is grant funded. The service minutes formula is applied at George Washington Middle School. The school receives 12.00 FTE under the traditional model based on service minutes.

## **Other Staffing Changes:**

Middle core and elective classes are staffed based on class enrollment. Changes in secondary staffing include a decrease of 1.00 FTE Special Education Teacher position at

Frances C. Hammond and a decrease of 1.00 FTE Special Education Teacher position at George Washington. Frances C. Hammond will also add 1.00 FTE for a new Special Education Autism Teacher and 1.00 FTE for a new Paraprofessional III that will be funded by Title I grant funds.

## **Compensation and Benefits:**

Compensation for middle schools will increase by \$0.60 million and benefits are projected to increase by \$0.35 million. As noted in the Financials section of the budget book, the FY 2019 budget includes a full step increase for all eligible employees to be awarded at the beginning of the contract year. The budget also includes a one-percent bonus for staff who are not eligible for a step increase due to placement on hold steps.

The overall cost of employee benefits is increasing as a result of changes to Kaiser and United Healthcare premiums, although the VRS retirement rate for the professional group will decrease by approximately 3.9 percent.

## **School Base Allocations:**

To determine a school's base allocation, the projected enrollment, sixth to eighth grade, is multiplied by the per pupil rate of \$155. This allocation is expected to fund the items necessary for school operations, including instructional and paper supplies, postage, and staff development.

## **Extended Learning:**

The extended learning program supports tutoring services for afterschool and Saturday School. Each school will receive an extended learning allocation to supplement classroom instruction. Each principal has the ability to create a unique program to support his or her students.

Francis C. Hammond's allocation is \$26,454

# Middle Schools

---

and George Washington's allocation totals \$23,546 for FY 2019. In addition to these funds, George Washington will use a portion of its school base allocation to supplement their extended learning budget. The total George Washington budget for extended learning will be \$32,546. Individual school allocations can be found on the school allocation table found in the Information section.

## **Summer Learning:**

The Middle School Prep Program provides all rising sixth graders an opportunity to become acclimated to the middle school experience through information sessions with teachers, school counselors, school administrators, and various staff members.

Frances C. Hammond will receive a total allocation of \$12,692, George Washington will receive an allocation of \$13,672, Jefferson-Houston will receive an allocation of \$3,871, and Patrick Henry will receive \$3,381.

In FY 2019, a division-wide summer learning program will be held. This summer learning program focuses on Tier 2 and Tier 3 students. Funding for this program can be found in the Office of Secondary School Instruction.

## **Stipends:**

Each middle school receives funds for stipends which are provided for duties performed outside the scope of the regular work day and in addition to regular duties. Grade and department level and student activity stipends are considered standard school stipends. Middle schools will each receive eight grade or department level stipends, which the principals assign at their discretion to support the instructional programs. The student activity stipends are funded to support programs that are led by staff with the students, such as safety patrol or a school newspaper. Middle schools will each receive 12 student activity

stipends.

Finally, certain departments fund stipends for program-specific activities. These include special education and positive behavior interventions and supports (PBIS), as well as test coordinator and mentor stipends. Mentor stipends vary in amount dependent on whether the mentee is a novice or has teaching experience. The Department of Accountability provides stipends to the staff members who administer the schools' standardized testing program.

The ACPS intramural program is an after-school activity that introduces middle school students to the rules of various sports. The program is offered throughout the school year to keep children involved and active. Details of the intramural program can be found in the Department section, under Secondary School Instruction.

More information is available in the stipend section in the Information section of this document.

## **Substitutes:**

Substitute pay is defined as compensation for non-contract part-time employees who perform the work of regular full- or part-time employees who are absent. Beginning in FY 2017, a new methodology was created for allocating the substitute compensation funding. Each school will be allocated professional development days based on a formula of two days per licensed staff member. These days are calculated at the long-term rate of \$157 per day. These days can be used at the principal's discretion to provide staff development.

The remaining substitute funding is located in the Division-Wide Human Resources budget. These funds will be used when professional staff is out on leave other than professional development, such as sick or personal leave.

# Middle Schools

---

## Exemplary Programs:

Exemplary programs continue to be supported at the secondary schools in FY 2019. For FY 2019, the schools have chosen the following exemplary programs:

- Francis C. Hammond: Advancement Via Individual Determination (AVID)
- George Washington: Advancement Via Individual Determination (AVID)

Descriptions for each of the programs are shown in the table on the following page.

## Grant Support of Middle Schools:

Secondary schools also receive funding through grants that supplement the operating funds. In addition to the grant listed below, schools may apply for competitive grants to support specific programs.

Title I, Part A of the Elementary and Secondary Education Act (ESEA), as amended, provides financial assistance to local educational agencies (LEAs) and schools with high numbers or high percentages of children from low-income families to help ensure that all children meet challenging state academic standards. For FY 2019, Francis C. Hammond will receive Title I funding. These funds will be used for school-based personnel, staff development, translation, technology equipment and software, instructional supplies, and parental involvement activities. All items must supplement what is provided to all schools in the operating budget.

## Staffing Reports:

The staffing reports are shown by program, position title and funding source. The staffing for the FY 2016, FY 2017 and FY 2018 final and FY 2019 final budgets are shown, with the variance from FY 2018 to FY 2019 final displayed in the final column. Major changes to staffing levels is described earlier in the section.

These reports are found on the individual school pages in this section of the budget book.

## Budget Reports:

The tables on the individual school pages show the budget summary by program group by character, or major expenditure category. The reports show three years of actual expenditures, the FY 2018 final and FY 2019 final budgets and the variance from FY 2018 to FY 2019.

The budget reports includes six character categories as explained below.

- **Salaries:** All compensation for the direct labor of persons in the employment of the local government. This includes regular, intermittent, supplemental, and overtime pay.
- **Benefits:** Job-related benefits provided to employees as part of their total compensation such as FICA, Medicare, VRS, and hospital/medical plans.
- **Purchased Services:** Payment for services acquired from outside sources such as staff development, other professional services, professional temporary employees, and other printing and binding.
- **Internal Services:** Charges from one department of ACPS to another for items such as field trips and printing.
- **Other Charges:** Payments for other services such as travel, leases and rentals, and dues/association memberships.
- **Materials and Supplies:** Includes articles and commodities that are consumed or materially altered when used and minor equipment that is not capitalized such as instructional, office, and paper supplies; textbooks; software/online charges; and, other technology equipment.

The major changes in the school budgets include school allocation and staffing changes

# Middle Schools

---

based on enrollment, other non-formula staffing changes and the reallocation of substitute funding.

## **Performance Report:**

The performance report shows the progress of schools in raising achievement and improving learning. The US Department of Education established the Annual Measurable Objectives (AMO) for reducing proficient gaps between low-performing and high-performing schools. In December, 2015, the *Elementary and Secondary Act of 1965* (ESEA) was reauthorized, replacing the *No Child Left Behind Act of 2001* (NCLB) with the *Every Student Succeeds Act* (ESSA). The AMO target will not be a requirement for the current year as Virginia transitions to implement requirements within ESSA beginning in school year 2017-2018.

The report includes the targeted AYP and AMO pass percentages, if the school has met the AMO target, the accreditation status and SOL pass percentages for Reading and Mathematics.

## **School Education Plans:**

School Education Plans are required by ACPS to be submitted by each school. On the following pages, the summaries for each elementary school are displayed. For each school, there is a SMART (Specific, Measurable, Aggressive and Achievable, Results-Driven, Time-Bound) goal in the areas of math, reading, science, and the teaching, empowering, leading and learning (TELL) survey. Following the SMART goal is the school goal. The final column is the link to the *ACPS 2020: A Strategic Plan for Alexandria's Future* goal.

## School Contact

### **Francis C. Hammond Middle School (Grades 6-8)**

Pierrette Peters, Principal  
4646 Seminary Road  
Alexandria, Virginia 22304  
Tel: 703-461-4100 | Fax: 703-461-4111  
pierrette.hall@acps.k12.va.us  
<http://www.acps.k12.va.us/fch/>

Francis C. Hammond Middle School will provide enthusiasm and support for all students in a nurturing academic environment that allows students to master the knowledge and skills needed to prepare them for success in high school and a variety of post-secondary and career opportunities. The vision of Francis C. Hammond Middle School is to be a model instructional environment for diverse adolescent learners. Our mission in alignment with ACPS is Every Student Succeeds through a partnership with students, families, staff, and community to ensure that every student has the skills to build a strong social and academic foundation in order to transition into a successful, responsible member of society.

### **Exemplary Program:**

AVID Secondary Schoolwide model is a foundational component of the AVID College Readiness System and supports AVID's mission and vision to provide a comprehensive model of success for all students, from elementary through higher education. The AVID Secondary model, which spans grades 6-12, includes a two-prong approach that supports students through the promotion of WICOR (writing, inquiry, collaboration, organization, and reading) across the entire campus. It also includes a selective elective course for interested students who have a desire to enroll in higher education. This course supports students' rigorous course schedules by providing a tutorial component (supported by college-age tutors), college knowledge curriculum, and college visits. The AVID Secondary model is a schoolwide model that changes the trajectory of the entire school campus by focusing on the four areas necessary to ensure all students are poised for academic success: Instruction, Culture, Leadership, and Systems. Funding for this program is found in the AVID/ College Readiness budget for FY 2019. The program is supported by a 1.00 FTE AVID teacher and provides funding for instructional supplies. Support totals \$0.14 million.

## Annual Measurable Objectives (AMOs) Benchmarks and School Status: Francis C. Hammond

	AMO			Accreditation	
	2014 - 2015	2015 - 2016	2016 - 2017	2017 - 2018	2018 - 2019
<b>AMO/Accreditation Target Pass Percentage for All Students*</b>					
English	69%	72%	75%	75%	TBD
Mathematics	66%	68%	70%	70%	TBD
<b>Met AMO/Accreditation Target for All Students</b>					
English	-	No	No-I	No-W	TBD
Mathematics	-	No	Yes	Yes	TBD
<b>Accreditation Status</b>	-	Partially Accredited	Partially Accredited	Partially Accredited	TBD

AMOs and Accreditation statuses are based on the Standards of Learning (SOL) tests administered during the previous school year.

\*In FY 2016, the *Elementary and Secondary Education Act of 1965* (ESEA) was reauthorized, replacing the *No Child Left Behind Act* (NCLB) with *Every Student Succeeds Act* (ESSA). ESSA targets are to be determined.

## Student Performance Data: Francis C. Hammond

	2013 - 2014	2014 - 2015	2015 - 2016	2016 - 2017	2017 - 2018
<b>SOL: Percent of Students Passing Across All Grade Levels</b>

Gap Group 2 - Black Students	54	61	71	70	66
Gap Group 3 - Hispanic Students	48	49	61	61	52

Detailed SOL results are available on the Virginia Department of Education website.

Key: Yes-3YR = Met objective based on the three year average result.

Yes-R10 = Met objective by reducing failure rate by at least 10 percent.

Yes-MP = Maintain Progress: Current year pass rate equal to prior year's pass rate, or stayed within 5%.

No-I = Did not meet benchmark but satisfies the criteria for improvement.

< = A group below state definition for personally identifiable results.

- = No data for group.

## SMART Goals – Francis C. Hammond

	Goals	Alignment with Strategic Plan
<b>SMART Goal 1</b> Math	By the end of the 2017-2018 school year, 75% of FCH students will score proficient or pass advanced in math as measured by the End Of Course SOL.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 2</b> Reading	By the end of the 2017-2018 school year, 75% of FCH students will score proficient or pass advanced in Reading as measured by the End of Course SOL.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 3</b> Science	By the end of the 2017-2018 school year, 75% of FCH students will score proficient or pass advanced in the Science as measured by the End Of Course SOL.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 4</b> TELL	By the end of the 2017-2018 school year, student disciplinary referrals resulting in out of school suspension will decrease by 40%.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input checked="" type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 5</b> Specialized Instruction	During the 2017-2018 school years, 35% of FCH students with disabilities will score proficient or advanced on all End of Course SOL tests.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment

# Middle Schools

		Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 6</b> ELL	During the 2017-2018 school year, students with limited English proficiency will show a 20% pass rate increase on all End Of Course SOL tests.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations

### School Contact

**George Washington Middle School (Grades 6-8)**

Jesse Mazur, Principal  
1005 Mount Vernon Avenue  
Alexandria, Virginia 22301  
Tel: 703-706-4500 | Fax: 703-299-7597  
[jesse.mazur@acps.k12.va.us](mailto:jesse.mazur@acps.k12.va.us)  
<http://www.acps.k12.va.us/gw/>

George Washington is committed to providing a safe and nurturing environment where student learning comes first. In partnership with parents and community, George Washington will guide students to uphold high standards of integrity and handle independence, responsibility, and success. Each student is engaged so that he or she can become a caring citizen and a lifelong learner in today's multicultural and technological world.

**Exemplary Program:**

Advancement Via Individual Determination (AVID) is a system to prepare students in the academic middle for four-year college eligibility. It has a proven track record in bringing out the best in students, and in closing access, opportunity, and achievement gaps with students. The program is supported by a 1.00 FTE AVID teacher. Support totals \$0.12 million.

## Annual Measurable Objectives (AMOs)/Accreditation Benchmarks and School Status: George Washington

	AMO			Accreditation	
	2014 - 2015	2015 - 2016	2016 - 2017	2017 - 2018	2018 - 2019
<b>AMO/Accreditation Target Pass Percentage for All Students*</b>					
English	69%	72%	75%	TBD	TBD
Mathematics	66%	68%	70%	TBD	TBD
<b>Met AMO/Accreditation Target for All Students</b>					
English	-	Yes	Yes	Yes	TBD
Mathematics	-	Yes-MP	Yes	Yes	TBD
<b>Accreditation Status</b>	-	Fully Accredited	Fully Accredited	Fully Accredited	TBD

AMOs and Accreditation statuses are based on the Standards of Learning (SOL) tests administered during the previous school year.

\*In FY 2016, the *Elementary and Secondary Education Act of 1965* (ESEA) was reauthorized, replacing the *No Child Left Behind Act* (NCLB) to *Every Student Succeeds Act* (ESSA). ESSA targets are to be determined.

## Student Performance Data: George Washington

	2013 - 2014	2014 - 2015	2015 - 2016	2016 - 2017	2017 - 2018
<b>SOL: Percent of Students Passing Across All Grade Levels</b>

Gap Group 2 - Black Students	53	58	49	50	49
Gap Group 3 - Hispanic Students	58	62	53	48	43

Detailed SOL results are available on the Virginia Department of Education website.

Key: Yes-3YR = Met objective based on the three year average result.

Yes-R10 = Met objective by reducing failure rate by at least 10 percent.

Yes-MP = Maintain Progress: Current year pass rate equal to prior year's pass rate, or stayed within 5%.

< = A group below state definition for personally identifiable results.

- = No data for group.

## SMART Goals – George Washington

	Goals	Alignment with Strategic Plan
<b>SMART Goal 1</b> Math	<p>By June 2018, GW students will achieve mathematics pass rate of 78% or higher as measured by the V.A. SOL. This represents an increase of 3% as measured by state accreditation standards, and a 5% increase in federal AMO performance.</p> <p><b>GAP Group 1</b> will improve mathematics proficiency by <b>7%</b> represented by <b>55%</b> of the population demonstrating math proficiency as measured by the SOL.</p> <p><b>GAP Group 2</b> will improve mathematics proficiency by <b>8%</b> represented by <b>58%</b> of the population demonstrating math proficiency as measured by the SOL.</p> <p><b>GAP Group 3</b> will improve mathematics proficiency by <b>8%</b> represented by <b>55%</b> of the population demonstrating math proficiency as measured by the SOL.</p> <p><b>Students with Disabilities (SWD)</b> will improve mathematics proficiency by <b>3%</b> represented by <b>30%</b> of the population demonstrating math proficiency as measured by the SOL.</p> <p><b>Limited English Proficient (LEP)</b> will improve mathematics proficiency by <b>7%</b> represented by <b>50%</b> of the population demonstrating math proficiency as measured by the SOL.</p> <p><b>Free and Reduced Lunch (FRL)</b> will improve mathematics proficiency by <b>5%</b> represented by <b>52%</b> of the population demonstrating math proficiency as measured by the SOL.</p>	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 2</b> Reading	<p>By June 2018, the all student pass rate on the Reading SOL will improve to at least 80%.</p> <p><b>GAP Group 1</b> will improve will improve reading proficiency by <b>4%</b> represented by <b>55%</b> of the population demonstrating reading proficiency as measured by the SOL.</p> <p><b>GAP Group 2</b> will improve will improve reading proficiency by <b>3%</b> represented by <b>60%</b> of the population demonstrating reading proficiency as measured by the SOL.</p> <p><b>GAP Group 3</b> will improve will improve reading proficiency by <b>4%</b> represented by <b>55%</b> of the population demonstrating reading proficiency as measured by the SOL.</p> <p><b>SWD</b> will improve will improve reading proficiency by <b>4%</b> represented by <b>35%</b> of the population demonstrating reading proficiency as measured by the SOL.</p> <p><b>LEP</b> will improve will improve reading proficiency by <b>3%</b> represented by <b>45%</b> of the population demonstrating reading proficiency as measured by the SOL.</p> <p><b>FRL</b> will improve will improve reading proficiency by <b>4%</b> represented by <b>54%</b> of the population demonstrating reading proficiency as measured by the SOL.</p>	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations

# Middle Schools

	Goals	Alignment with Strategic Plan
<b>SMART Goal 3</b> Science	<p>By June 2018, students will increase the overall pass rate by 3%, which represents achievement levels reached in 2015 of 78% and exceeds the 3-year average.</p> <p><b>Gap Group 1</b> will improve will improve science content proficiency by <b>3%</b> represented by <b>45%</b> of the population demonstrating science proficiency as measured by the SOL.</p> <p><b>Gap Group 2</b> will improve will improve science proficiency by <b>6%</b> represented by <b>50%</b> of the population demonstrating science proficiency as measured by the SOL.</p> <p><b>Gap Group 3</b> will improve will improve science proficiency by <b>3%</b> represented by <b>50%</b> of the population demonstrating science proficiency as measured by the SOL.</p> <p><b>SWD</b> will improve will improve science proficiency by <b>5%</b> represented by <b>35%</b> of the population demonstrating science proficiency as measured by the SOL.</p> <p><b>LEP</b> will improve will improve science proficiency by <b>8%</b> represented by <b>35%</b> of the population demonstrating science proficiency as measured by the SOL.</p> <p><b>FRL</b> will improve will improve science proficiency by <b>4%</b> represented by <b>45%</b> of the population demonstrating science proficiency as measured by the SOL.</p>	<input type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 4</b> TELL	<p>During the 2017-2018 school year, 92% of George Washington Middle School students will demonstrate an understanding of expected behaviors in accordance with the Positive Behavior and Intervention and Supports and the Alexandria City Public Schools Code of Student Conduct.</p> <p>This will be evidenced by: quarterly student self-assessments, teacher feedback, Dean of Students Conduct Walk-throughs, data collected from online teacher referrals and PowerSchool record of suspensions, consistent parent contact and involvement, and restorative practices.</p>	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input checked="" type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input checked="" type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 5</b> Specialized Instruction	<p>By June 2018, Students with Disabilities will increase their pass rate by 5% or better on the reading and math SOL through service delivery and appropriate tier II and tier III interventions outlined in the IEP. This will continue the upward trend of growth for SWD from 2015-2017.</p>	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations

### Secondary Schools Overview

ACPS has one high school, T.C. Williams High School, which is comprised of two campuses: King Street campus and Minnie Howard campus. The school also oversees the division-wide Athletics Program and the Financial Aid

Program. Across the division, high school enrollment is projected to increase by 3.2 percent to a total of 4,074. Other major programs can be seen in the table below.

School Name	Principal	Address and Contact	Grades Served	Major Programs
T.C. # High School

## Enrollment and Demographics:

High School enrollment, for ninth through twelfth grades, was 3,949 as of September 30, 2017. Next year, enrollment is projected to increase by 3.2 percent to a total of 4,074. T.C. Williams has experienced steady growth in enrollment over the past few years, as displayed in the chart below.

With the increasing enrollment, the number of students with additional needs continues to

grow as well. Significant numbers of English learner (EL) students attend ACPS schools, as displayed in the chart below.

In total, the number of EL students at the high school level is projected to decrease slightly to a total of 1,008 students. Additional information describing the EL program is located within the Information and Department sections of the budget book.

# High School

The trends of numbers of students requiring special education (SPED) services are shown by campus in the table above.

The number of students receiving special education services at the high school level is projected to increase by 25.7 percent, to a total of 449. For more information on specialized instruction, please refer to the Information and Department sections of the budget book.

Many of the students at T.C. Williams come from families that are economically disadvantaged; this is reflected in the number of students qualifying for free and reduced-price meals, shown in the table below.

Assuming that the proportion of students qualifying for free and reduced-price meals stays constant, the FY 2019 projected number of students meeting this criteria will increase to 2,272 students.

# High School

---

## **Staffing:**

Division-wide, operating funded staffing at high school will decrease by 2.00 FTEs to 426.68 FTEs. This decrease includes special education teacher, paraprofessional, and core content teacher positions.

## **Specialized Instruction:**

The allocation of special education staffing is determined by two factors: disability category and level of service. Beginning in FY 2017, to further support inclusion and co-teaching across content areas, the staffing formula was revised by adjusting the service intensity point values which determine staff ratios. In FY 2019, the revised formula generated an additional 1.00 FTE at the T.C. Williams Main campus. Special education paraprofessional I and III positions are a central pool in the School-wide resources section. Speech language pathologist (SLP) positions are housed in a central pool in the Specialized Instruction Department. Positions will be allocated from these two pools based on the needs of individual students.

## **English Learners:**

An International Academy (IA) was created in 2011 to support and empower English learners with content mastery and language proficiency through rigorous, experiential, and project-based curricula for college and workforce readiness and to prepare them to become both contributing members of our community and conscientious global citizens of the future.

Staffing for the IA at the King Street campus provides each of six cohorts with 4.00 FTE core content teachers and 3.00 FTE EL support teachers. The Minnie Howard IA has 2.00 FTE EL support teachers. In addition, both campuses are allocated additional EL teacher FTE to provide services to students who do not participate in the International Academy. In total the King Street campus will receive 27.00 FTE

and the Minnie Howard campus will receive 5.00 FTE teachers.

## **Other Staffing Changes:**

Secondary core and elective classes are staffed based on class enrollment. As a result of staffing adjustments associated with the leadership reorganization, increased enrollment, and major changes in staff scheduling, FY 2019 FTEs will remain constant as staffing is further evaluated.

## **Compensation and Benefits:**

Compensation and benefits for T.C. Williams high school will increase by \$1.50 million. As noted in the Financials section of the budget book, the FY 2019 budget includes a full step increase for all eligible employees to be awarded at the beginning of the contract year. The budget also includes a one percent bonus for staff who are not eligible for a step increase due to placement on hold steps.

The overall cost of employee benefits is increasing as a result of changes to Kaiser and United Healthcare premiums, although the VRS retirement rate for the professional group will decrease by approximately 3.9%.

Further information about these changes can be found in the Salary and Employee Benefits pages of the Financials section.

## **School Base Allocations:**

To determine a school's base allocation, the projected enrollment, ninth to twelfth grade, is then multiplied by the per pupil rate of \$195. This allocation is expected to fund the items necessary for school operations, including instructional and paper supplies, postage, and staff development.

## **Extended Learning:**

Each school will receive an extended learning

# High School

---

allocation to supplement classroom instruction. Each principal has the ability to create a unique program to support his or her students.

T.C. Williams' allocation will be \$40,000 for FY 2019. The allocation will provide student support through tutoring services. Individual school allocations can be found on the school allocation table found in the Information section.

## **Summer Learning:**

T.C. Williams hosts a summer learning program for credit recovery and new courses. Funding totals \$0.32 million and is found in the T.C. Williams King Street Campus budget.

## **Stipends:**

Each school receives funds for stipends which are provided for duties performed outside the scope of the regular work day and in addition to regular duties. Grade and department level and student activity stipends are considered standard school stipends. T.C. Williams will receive 36 grade department/team leader level stipends, which the principal assigns at his discretion to support the instructional programs. The student activity stipends are funded to support programs that are lead by staff with the students, such as safety patrol or a school newspaper. T.C. Williams will receive 65 student activity stipends. These stipends are shared across both campuses.

Finally, certain departments fund stipends for program-specific activities. For T.C. Williams this includes special education and mentor stipends, as well as a test coordinator stipend for the T.C. Williams Minnie Howard Campus. Mentor stipends vary in amount dependent on whether the mentee is a novice or has teaching experience. The Department of Accountability provides stipends to the staff members who administer standardized testing programs.

More information is available in the stipend section in the Information section of this

document.

## **Substitutes:**

Substitute pay is defined as compensation for non-contract part-time employees who perform the work of regular full or part-time employees who are absent. Beginning in FY 2017, a new methodology was created for allocating the substitute compensation funding. Each school will be allocated professional development days based on a formula of two days per licensed staff member. These days are calculated at the short-term rate of \$105 per day. These days can be used at the principal's discretion to provide staff development.

The remaining substitute funding is located in the Division-Wide Human Resources budget. These funds will be used when professional staff is out on leave, such as sick leave.

## **Exemplary Programs:**

Exemplary programs continue to be supported at the secondary schools in FY 2019. For FY 2019, the schools have chosen the following exemplary programs:

- T.C. Williams King Street Campus: Advancement Via Individual Determination (AVID);
- Advanced Placement;
- Dual Enrollment;
- Science, Technology, Engineering, & Math;
- T.C. Williams Minnie Howard Campus: Advancement Via Individual Determination (AVID), Science, Technology, Engineering and Mathematics (STEM), and Advancement Placement.

Descriptions for each of the programs are shown on the following pages.

## **Staffing Reports:**

The staffing reports are shown by program, position title, and funding source and can be

# High School

---

found on the individual school pages in this section of the budget book. The staffing for the FY 2017, FY 2018, and the FY 2019 Final Budget are shown along with the variance from FY 2018 to FY 2019. Major changes to staffing levels are described earlier in this section.

## Budget Reports:

The tables on the individual school pages show the budget summary by program group by character, or major expenditure category. The reports show three years of actual expenditures, the FY 2018 final and FY 2019 Final Budget and the variance from FY 2018 to FY 2019.

The budget reports includes six character categories as explained below.

- **Salaries:** All compensation for the direct labor of persons in the employment of the local government. This includes regular, intermittent, supplement and overtime pay.
- **Benefits:** Job related benefits provided to employees as part of their total compensation such as FICA, Medicare, VRS and hospital/medical plans.
- **Purchased Services:** Payment for services from outside sources such as staff development and professional services.
- **Internal Services:** Charges from one department of ACPS to another for items such as field trips and printing.
- **Other Charges:** Payments for other services such as travel, lease and rental and dues/association memberships.
- **Materials and Supplies:** Includes articles and commodities that are consumed or materially altered when used and minor equipment that is not capitalized such as instructional, office and paper supplies, textbooks, software/online charges and other technology equipment.

The changes in the school budgets include school allocation and staffing changes based on enrollment, other non-formula staffing changes, and the reallocation of substitute funding.

## Performance Report:

The performance report shows the progress of schools in raising achievement and improving learning. The US Department of Education established the Annual Measurable Objectives (AMO) for reducing proficient gaps between low-performing and high-performing schools. In December, 2015, the *Elementary and Secondary Act of 1965* (ESEA) was reauthorized, replacing the *No Child Left Behind Act of 2001* (NCLB) with the *Every Student Succeeds Act* (ESSA). The AMO target will not be a requirement for the current year as Virginia transitions to implement requirements within ESSA beginning in school year 2017-2018.

The report includes the targeted AYP and AMO pass percentages, if the school has met the AMO target, the accreditation status and SOL pass percentages for Reading and Mathematics.

## School Education Plans:

School Education Plans are required by ACPS to be submitted by each school. On the following pages, the summaries for each elementary school are displayed. For each school, there is a SMART (Specific, Measurable, Aggressive and Achievable, Results-Driven, Time-Bound) goal in the areas of math, reading, science, and the teaching, empowering, leading and learning (TELL) survey. Following the SMART goal is the school goal. The final column is the link to the *ACPS 2020: A Strategic Plan for Alexandria's Future* goal.

This page intentionally left blank.

## **T.C. Williams High School**

T.C. Williams is committed to the effective and efficient utilization of funding and resources to meet the goals and objectives of our school and the division. Through the implementation of our strategic plan, we will prepare students with the requisite 21st Century skills necessary to compete and succeed in the global marketplace by providing: a rigorous and challenging academic curriculum; a diverse selection of extracurricular opportunities and experiences; access to the most current technologies; College and Career preparatory and transition programs; and, a spectrum of services focusing on individualized care, goal setting, and planning.

### **Exemplary Program:**

Advancement Via Individual Determination (AVID) is a system to prepare students in the academic middle for four-year college eligibility. It has a proven track record in bringing out the best in students and in closing the access, opportunity and achievement gap with students. The program at T.C. Williams King Street Campus is supported by 2.00 FTE AVID teachers; support totals \$0.20 million. The program at T.C. Williams Minnie Howard Campus is supported by 1.00 FTE AVID teacher. Support totals \$0.12 million.

The STEM Academy is a small learning community that was developed to reach students who have a deep interest in STEM topics but who do not feel engaged or challenged by a traditional high school model. The mission is to create a student-centered, inquiry-based environment that

# High School

---

is both challenging and supportive so that students are excited to come to school and can become successful life-long learners. The T.C. Williams Minnie Howard Campus supports this program. Non-compensation support totals \$0.02 million for instructional supplies, public carriers, and course and event fees.

## Annual Measurable Objectives (AMOs) Benchmarks and School Status: T.C. Williams

	AMO			Accreditation	
	2014 - 2015	2015 - 2016	2016 - 2017	2017 - 2018	2018 - 2019
<b>AMO/Accreditation Target Pass Percentage for All Students*</b>					
English	69%	72%	75%	75%	TBD
Mathematics	66%	68%	70%	70%	TBD
<b>Met AMO/Accreditation Target for All Students</b>					
English	Yes	Yes-MP	Yes	No-W	TBD
Mathematics	No	Yes-R10	No-W	No-W	TBD
<b>Accreditation Status</b>	Accredited with Warning	Fully Accredited	Partially Accredited	Partially Accredited	TBD

AMOs and Accreditation statuses are based on the Standards of Learning (SOL) tests administered during the previous school year.

\*In FY 2016, the *Elementary and Secondary Education Act of 1965* (ESEA) was reauthorized, replacing the *No Child Left Behind Act* (NCLB) to *Every Student Succeeds Act* (ESSA). ESSA targets are to be determined.

## Student Performance Data: T.C. Williams

Gap Group 2 - Black Students	56	62	52	51	51
Gap Group 3 - Hispanic Students	51	56	48	40	38

Detailed SOL results are available on the Virginia Department of Education website.

Key: Yes-3YR = Met objective based on the three year average result.

Yes-R10 = Met objective by reducing failure rate by at least 10 percent.

Yes-MP = Maintain Progress: Current year pass rate equal to prior year's pass rate, or stayed within 5%.

No-W = Did not meet benchmark or criteria for narrow margin or improvement.

< = A group below state definition for personally identifiable results.

- = No data for group.

## SMART Goals – T.C. Williams

	Goals	Alignment with Strategic Plan
<b>SMART Goal 1</b> Math	During the 2017-18 school year, all students in SOL Math classes will meet or exceed a 70% pass rate on the spring SOL as measured by the State Accreditation Formula with an emphasis on Algebra 1, Geometry, and Algebra 2.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 2</b> Reading	During the 2017-18 school year, all students taking the reading SOL will meet or exceed 75% on the SOL as measured by the Federal AMOs. <ul style="list-style-type: none"> <li>Gap Group 1 will increase by a minimum of 5 percentage points from 54% to at least 59%</li> <li>Gap Group 2 will increase by a minimum of 5 percentage points from 74% to at least 79%</li> <li>Gap Group 3 will increase by a minimum of 5 percentage points from 48% to at least 53%</li> </ul>	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 3</b> Science	During the 2017-18 school year, all students in SOL Science classes (ES, BIO, Chem) will have percentage point gains to support an increase over 80% on the spring SOL as measured by the State Accreditation Formula. <ul style="list-style-type: none"> <li>Earth Science and Biology will increase by 5 percentage points on their SOL pass rates with an emphasis on increasing the Federal scores in the sub groups.</li> </ul>	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 4</b> TELL	By the next administration of the TELL survey, TC Williams will increase teacher perception ratings in the category of Managing Student Conduct.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input checked="" type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 5</b> Specialized Instruction	During the 2017-18 school year, students with disabilities (SWD) in SOL End of Course classes will increase by a 5 to 8 percentage points on the spring SOL as measured by the State Accreditation Formula with an emphasis on mathematics.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations

### Alternative Programs Overview:

ACPS has four alternative education programs consisting of the Northern Virginia Juvenile Detention Center School (NVJDCS), T. C. Williams Satellite Program, the Chance for Change (CFC) Academy, and Sheltercare Program.

These programs report to the Department of Student Services, Alternative Programs, and Equity. CFC is located at 216 Peyton Street while the T.C. Williams Satellite Program is located within the ACPS Central Office building at 1340 Braddock Place. Both programs receive student enrollments through the Department of Student Services, Alternative Programs, and Equity as well as through student, parent, and school counselor referrals.

The NVJDCS and Sheltercare Programs are located on S. Whiting St. and receive placements through the Alexandria City court system. In addition, ACPS provides funding for limited placement at the Fairfax County Bryant

Center.

For FY 2019, these Alternative education programs have prepared their budgets using the modified zero-based budgeting (MZBB) methodology.

### Staffing:

Staffing for the T.C. Satellite program will remain at 10.00 FTEs, and the total number of positions for the Chance for Change Academy will remain at 11.00 FTEs. Both programs will share a 1.00 FTE shelter care teacher. Chance for Change Academy and T.C. Satellite also share the student support team.

### Specialized Instruction:

The allocation of special education staffing is determined by two factors: disability category and level of service. Beginning in FY 2017, to further support inclusion and co-teaching across content areas, the staffing formula was revised by adjusting the service intensity point

# Alternative Programs Summary

---

values which determine staff ratios. In FY 2019, the T.C. Williams Satellite program and Chance for Change Academy will share 2.00 FTE special education teachers, which is unchanged from FY 2018.

## **English Learners:**

A 1.00 FTE EL teacher will continue to be shared between the T.C. Williams Satellite program and the Chance for Change Academy.

## **Compensation and Benefits:**

Operating-funded compensation will increase by \$0.05 million and benefits are projected to increase by \$0.03 million. As noted in the Financials section of this budget book, the FY 2019 budget includes a full step increase for all eligible employees to be awarded at the beginning of the contract year. The budget also includes a one-percent bonus for staff who are not eligible for a step increase due to placement on hold steps.

The overall cost of employee benefits is increasing as a result of changes to Kaiser and United Healthcare premiums, although the VRS retirement rate for the professional group will decrease by approximately 3.9 percent.

Further information about these changes can be found in the Salary and Employee Benefits pages of the Financials section.

## **Grant Support of Alternative Schools:**

The NVJDCS will receive funding through the VDOE State Operating Programs to staff a total of 12.00 FTE. Included in this is continued funding for 2.00 FTE special education teacher positions.

Additionally, staffing for the English learners program will remain at 1.00 FTE EL Teacher position which will be funded through the State. The Juvenile Detention Commission for Northern Virginia will fund additional 2.00 FTE

EL positions for FY 2019. Title I, Part D will fund a 1.00 FTE Instructional Coach-Literacy position for FY 2019.

## **Staffing Reports:**

The staffing reports are shown by program, position title, and funding source. The staffing for the FY 2016, FY 2017 and FY 2018 final and FY 2019 final budgets are shown, with the variance from FY 2018 to FY 2019 displayed in the final column. Major changes to staffing levels is described earlier in the section.

These reports are found on the individual alternative programs pages in this section of the budget book.

## **Budget Reports:**

The tables on the individual school pages show the budget summary by program group, character, or major expenditure category. The reports show three years of actual expenditures, the FY 2018 final and FY 2019 final budgets, and the variance from FY 2018 to FY 2019.

The salaries account will see an increase in budget as a result of changes in compensation, as mentioned earlier in this section. Associated benefits will also see an overall increase.

This page intentionally left blank.

### School Contact

**Northern Virginia Juvenile Detention Center School**

Victor S. Martin Jr. Ed.D, Principal  
200 South Whiting Street  
Alexandria, Virginia 22304

The Northern Virginia Juvenile Detention Center School (NVJDCS) is a regional, state-operated program whose local educational agency is ACPS. NVJDCS provides full-day educational services for school-aged students who are residing at the detention center. The school is a secure facility with a capacity for 70 students who are of pre- and post-judicial disposition. NVJDCS' students are enrolled for short periods of time, ranging from one day up to 180 days for students in the post-disposition program. The school receives funding for school staff and instructional needs from the Virginia Department of Education State Operating Programs.

## SMART Goals - NVJDC

	Goals	Alignment with Strategic Plan
<b>SMART Goal 1</b> Math	During the 2017-18 school year, 85% of Algebra 1 and Geometry students, enrolled in NVJDCS for at least 30 days, including students who receive special education services, will demonstrate knowledge of math vocabulary skills and comprehension of math content vocabulary words by scoring at least 80% on teacher-created math vocabulary summative assessments.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input checked="" type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 2</b> Reading	During the 2017-18 school year, 80% of students in NVJDCS for 30 schools days or more will make 5% growth in reading as measured by the STAR assessment. Students attending NVJDCS for 30 school days through one semester will improve their scaled score by 50 Lexile points. Students attending NVJDCS for more than one semester will improve their score by 100 Lexile points.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input checked="" type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 3</b> Science	During the 2017-18 school year, 80% of Biology and Earth Science students who have been in NVJDCS for at least 30 days including students who receive ELL and/or special education services will demonstrate knowledge of academic language by scoring 80% or more on teacher created summative vocabulary assessments in their respective content area topics.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input checked="" type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 4</b> TELL	By June 2018, 85% of staff at NVJDC will agree with the statement, "There is an atmosphere of trust and mutual respect in this school or program."	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. T.C. Williams Satellite is a campus of T.C. Williams High School and is designed to offer a flexible schedule for students within a non-traditional school setting. Students may apply to Satellite for a variety of reasons such as having an aspiration to graduate early, a need to recover credit, a desire for a smaller setting, student health conditions that require flexible options, a competitive athletic schedule, or a responsibility for helping to support their family. Many Satellite students are considered “hybrid”, and attend classes at T.C. Williams King Street Campus and T.C. Williams Satellite campus simultaneously. Satellite offers every student an academic adviser who monitors academic progress, supports student academic development, takes daily attendance, and engages their advisory caseload in a variety of team and relationship building activities that encourage student success. Additionally, Satellite offers socioemotional supports for students, and student groups, as well as opportunities for hands-on, experiential learning activities such as blended learning sessions, field trips to museums, colleges, universities, historical landmarks, and Alexandria sustainability facilities, immersive science labs, a Satellite student government, and student-led extracurricular activities. Courses are offered online and supplemented on site with blended learning instruction. Students in grades 9-12 may apply via their school counselors for admission to Satellite.

The Chance for Change Academy serves as an alternative school program for students in grades 6-12 who have violated the student code of conduct, are transitioning from a medical or disciplinary placement, or students have the opportunity to attend CFC through an application process. This program is designed to equip students with tools to enhance their academic progress and address behavioral challenges with which they are dealing at school. Each student who participates in this program is supported by a team of dedicated teachers and the student success team, in addition to having access to organizations that offer assistance in mental health, wellness, and academics.

## SMART Goals – T.C. Williams Satellite Program

	Goals	Alignment with Strategic Plan
<b>SMART Goal 1</b> Math	By June 2018, all Satellite Math students, who have entered Satellite prior to the end of the 1 <sup>st</sup> quarter, will utilize the classroom SmartBoard to enhance at least one lesson per month in order to facilitate student engagement with content material.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input checked="" type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 2</b> Reading	By June 2018, all 11 <sup>th</sup> grade Satellite students, who have entered Satellite prior to the end of the 2 <sup>nd</sup> quarter, will improve their individual reading proficiency as measured by a 5 point percentage increase between pretests administered in the fall and posttests administered in the spring.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 3</b> Science	By June 2018, all Satellite Science students, who have entered Satellite prior to the end of the 1 <sup>st</sup> quarter, will participate in four experiential learning labs during their online course enrollment period to demonstrate their ability to apply content knowledge to hands-on experiments.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input checked="" type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 4</b> TELL	By June 2018, 70% of Satellite staff will agree or strongly agree with the statement, "There is an atmosphere of trust and mutual respect in this school."	<input type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input checked="" type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 5</b> Specialized Instruction	By June 2018, all Satellite students with IEPs, who have entered Satellite prior to the end of the 1 <sup>st</sup> quarter, will have access to three co-teaching, cross-curricular opportunities per quarter.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input checked="" type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input checked="" type="checkbox"/> 6. Effective and Efficient Operations

# Alternative Programs Summary

## SMART Goals – Chance For Change Academy

	Goals	Alignment with Strategic Plan
<b>SMART Goal 1</b> Math	During the 2017-18 school year, 75% of Algebra 1 and Geometry students, enrolled at CFC for at least 30 days, including students who receive special education services, will demonstrate knowledge of math vocabulary skills and comprehension of math content vocabulary words by scoring at least 80% on teacher created math vocabulary summative assessments.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input checked="" type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 2</b> Reading	During the 2017-18 school year, 80% of students in CFC for 30 schools days or more, will make measurable progress in reading as measured by the STAR assessment. Students attending CFC for 30 school days through one semester will improve their scaled score by 55 Lexile points. Students attending CFC for more than one semester will improve their score by 100 Lexile points	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input checked="" type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 3</b> Science	During the 2017-18 school year, 80% of Biology and Earth Science students who are attending CFC for at least 30 days including students who receive ELL and/or special education services, will demonstrate knowledge of academic language by scoring 80% or more on teacher created summative vocabulary assessments in their respective content area topics.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input checked="" type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 4</b> TELL	During the 2017-18 school year, 80% of all students will earn 75% of their daily school points. Also, biweekly student staffing meetings will take place where teachers will discuss student behaviors affecting their academic progress as well as review school rules and implementation of those rules.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input type="checkbox"/> 3. An Exemplary Staff <input checked="" type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input checked="" type="checkbox"/> 6. Effective and Efficient Operations
<b>SMART Goal 5</b> Specialized Instruction	During 2017-18 school year, 80% of special education students will earn 4 or more points per class. Class points are earned by exhibiting certain positive classroom/school behaviors. Each behavior is worth one point. The behaviors are: Cooperative, Respectful, Engaged, Responsible Global Citizen, and Productive.	<input checked="" type="checkbox"/> 1. Academic Excellence and Educational Equity <input type="checkbox"/> 2. Family and Community Engagement. <input checked="" type="checkbox"/> 3. An Exemplary Staff <input checked="" type="checkbox"/> 4. Facilities and the Learning Environment <input type="checkbox"/> 5. Health and Wellness <input type="checkbox"/> 6. Effective and Efficient Operations

### Responsibilities:

The School-Wide resources budget is comprised entirely of contract salaries and benefits. The positions in this section will remain in this budget but be deployed to schools as needed, e.g. special education paraprofessional I positions.

### Budget Summary

The School-Wide Resources Office budget includes funding for 40.85 special education FTE positions, comprised of 33.00 FTE Paraprofessional I positions and 7.85 FTE Paraprofessional III positions. Staffing these positions in this department allows flexibility for the Paraprofessionals to transfer with the student instead of being allocated to a specific school site.

The budget totals \$1.85 million, an increase of \$0.07 million, and is comprised entirely of salary and benefits.

### Department: Overview

This section of the book provides detailed information about ACPS departments including a list of responsibilities, budget summary narratives and detailed staffing and budget reports for each department or office.

The FY 2019 Final budget includes a full step increase for all eligible employees to be awarded at the beginning of the contract year. The budget also includes a one percent bonus for support staff who are not eligible for a step increase due to placement on hold steps or at the top of the scale.

Employee benefits are increasing as a result of changes to Kaiser and United Healthcare premiums while VRS rates will decrease.

Further information about these changes can be found in the Salary and Employee Benefits pages of the Financials section.

The Office of School, Business and Community Partnerships was established in FY 2017 to support ACPS partners, Family and Community Engagement (FACE), Business Advisory Council (BAC), grants development, volunteer services and community-funded facilities projects.

The Department of Accountability supports evaluation and research, technical support, data analysis and reporting and test administration. The department will receive funding to administer the ACPS 2020 family/community survey for FY 2019.

The FY 2019 budget continues to focus on student achievement and targeted intervention. The Department of Curriculum and Instruction includes funding for professional development for staff, an expanded Teacher Mentor Program, instructional supplies for students,

and continued support of the Advancement Via Individual Determination (AVID) program. The Curriculum and Instruction budget will see a significant increase in the Final FY 2019 Budget attributed to replacing, replenishing, and bringing current all textbooks on a seven year cycle.

Funding within the Office of EL will support student registration and assessment, professional development (Project GLAD training) and textbook adoption for elementary dual language.

The office of AVID/College Readiness will receive funding to continue support of the existing AVID program at Cora Kelly, as well as expand the program to Patrick Henry in FY 2019. This includes membership dues, stipend, transportation and travel costs.

The Technology Services Department will receive funding to renew and maintain annual licenses for instructional and operational software and subscriptions due to the projected increase in enrollment and content agreement.

The Office of Student Services, Alternative Program and Equity supports the Alternative Educational Programs, school counseling services, cultural competency, school health services, Family Education Rights and Privacy Act (FERPA), school psychologist services, homelessness, school social work services, home schooling, student hearings, title IX compliance and residency verification. Funding will provide staff development in cultural competency, a increase in intermittent pay for homebound instructional services, updated software and travel cost to attend the ASCA National Conference for staff.

Student Services will see a reduction to its budget in 2019 due to restructuring its engagement in the Positive Behavior

Intervention and Support (PBIS) program. A full time School Climate Specialist will engage in the program to eliminate the need for outside liaison service contracts. The department will also receive funding to standardize parent liaison positions through the division.

Growing enrollment will be addressed by the design and build of a new centralized preschool center and the new West End Elementary school. The existing John Adams Elementary School is the site for the new Early Childhood Center Preschool. The site of the new Ferdinand T. Day Elementary school is located at 1701-1705 North Beauregard Street.

The Office of Educational Facilities within the Support Operations Department will see a significant increase in funding within the FY 2019 Final Budget. The increase is primarily attributed to expanding transportation costs, building leases, utilities, elevator maintenance, parking management, HVAC service contracts, and landscaping and grounds maintenance costs associated with the new Ferdinand T. Day Elementary school and Patrick Henry.

### Responsibilities

The ACPS School Board directs and supports all aspects of the operational elements of the school system in accordance with the goals and objectives of *ACPS 2020: A Strategic Plan for Alexandria's Future*. The School Board's budget reflects this role as the governing body of the school division:

- Ensures policies, regulations, recommendations, budgets, and decisions consider that every student succeeds in ACPS;
- Ensures requisite consideration and incorporation of community views in the vision and mission statements of the school division;
- Provides opportunities for public access, review, comment, and input;
- Ensures application of accountability measures and provides a mechanism to receive performance reviews of the school division;
- Provides input, finalizes, and approves the budgets that are presented to the community and City Council;
- Advocates for all educational legislative issues at the local, state, and federal level that would directly affect the school division;
- Ensures public school operations are conducted in an efficient manner and in accordance with established law and Division policies;
- Creates, updates, and ensures the enforcement of school division policies, bylaws, and regulations including those that pertain to Board governance, the management of official Division business, and for the supervision of schools;
- Ensures proper care, management, operation, and control of all school division properties including school facilities, Division headquarters, garages, and warehouses;
- Adjusts school boundaries and pupil assignment policies as required to ensure efficient and equitable operation of the school division;
- Provides input and approves the program of studies annually, consistent with state statutes and regulations;

# School Board

- Approves yearly school division calendar including identifying number of school days, holidays, etc., consistent with state statutes and regulations; and
- Performs such other duties as prescribed by the Virginia Department of Education (VDOE) or imposed by law.

## Budget Summary

The School Board budget funds all of the School Board's efforts, with a focus on community outreach and redistricting support for FY 2019. The Final FY 2019 School Board Services budget totals \$1.12 million, a decrease of \$0.03 million from FY 2018. Positions remain unchanged at 2.00 FTEs. The budget decrease is due primarily to reduction in purchased services, partially offset by a full-year step increase for eligible employees, benefit increases and an increase in internal printshop.

### Department and Office Contact

#### Office of the Superintendent

Dr. Gregory C. Hutchings, Jr., Superintendent of Schools

1340 Braddock Place

Alexandria, Virginia 22314

Tel: 703-619-8001 | Fax: 703-619-8091

[superintendent@acps.k12.va.us](mailto:superintendent@acps.k12.va.us)

<http://www.acps.k12.va.us/superintendent/>

### Responsibilities

The ACPS Office of the Superintendent represents the leadership role of the Superintendent. All budget lines in this office are directly related to the role of educational leader and chief executive officer of the school division. The Superintendent will:

- Serve as the educational leader and chief executive officer of the school division;
- Articulate to the community and to the staff a clear vision and statement of core beliefs along with a plan for developing a world-class school system; and,
- Ensure the work of all schools and departments is aligned with all of the goals and objectives of the division's strategic plan, *ACPS 2020: A Strategic Plan for Alexandria's Future*.

### Budget Summary

The budget for the Office of the Superintendent supports all of the duties of the Superintendent with a focus on parent and community outreach. The Final FY 2019 budget totals \$0.51 million, an increase of \$0.03 million over FY 2018. Positions remain unchanged at 2.00 FTEs. The budget increase is due to the full-year step increase for eligible employees and benefit increases.

Additionally, decreases in other charges and materials and supplies due to anticipated decreases in conference travel and continued reduction in paper and other operating supplies.

## Department and Office Contact

Chief Accountability Officer  
Clinton Page, Chief Accountability Officer  
1340 Braddock Place  
Alexandria, Virginia 22314  
Tel: 703-619-8032 | Fax: 703-619-8989  
[clinton.page@acps.k12.va.us](mailto:clinton.page@acps.k12.va.us)  
<http://www.acps.k12.va.us/mes/>

## Responsibilities

The vision statement of Accountability is:  
“Anyone can measure the rain; we build arks.”  
The mission of Accountability in ACPS is to provide decision-makers with valid, reliable, and timely data to enhance the quality of education offered to students.

This department is led by the Chief Accountability Officer and supports the division in achieving goals 1, 3 and 6 of the ACPS strategic plan:

- Goal 1: Academic Excellence and Educational Equity: Every student will be academically successful and prepared for life, work and college.
- Goal 3: An Exemplary Staff: ACPS will recruit, develop, support and retain a staff that meets the needs of every student.
- Goal 6: Effective and Efficient Operations: ACPS will be efficient, effective and transparent in its business operations.

The Accountability Department manages all aspects of a wide-ranging assessment system. The department implements the division's standardized testing program and reports on

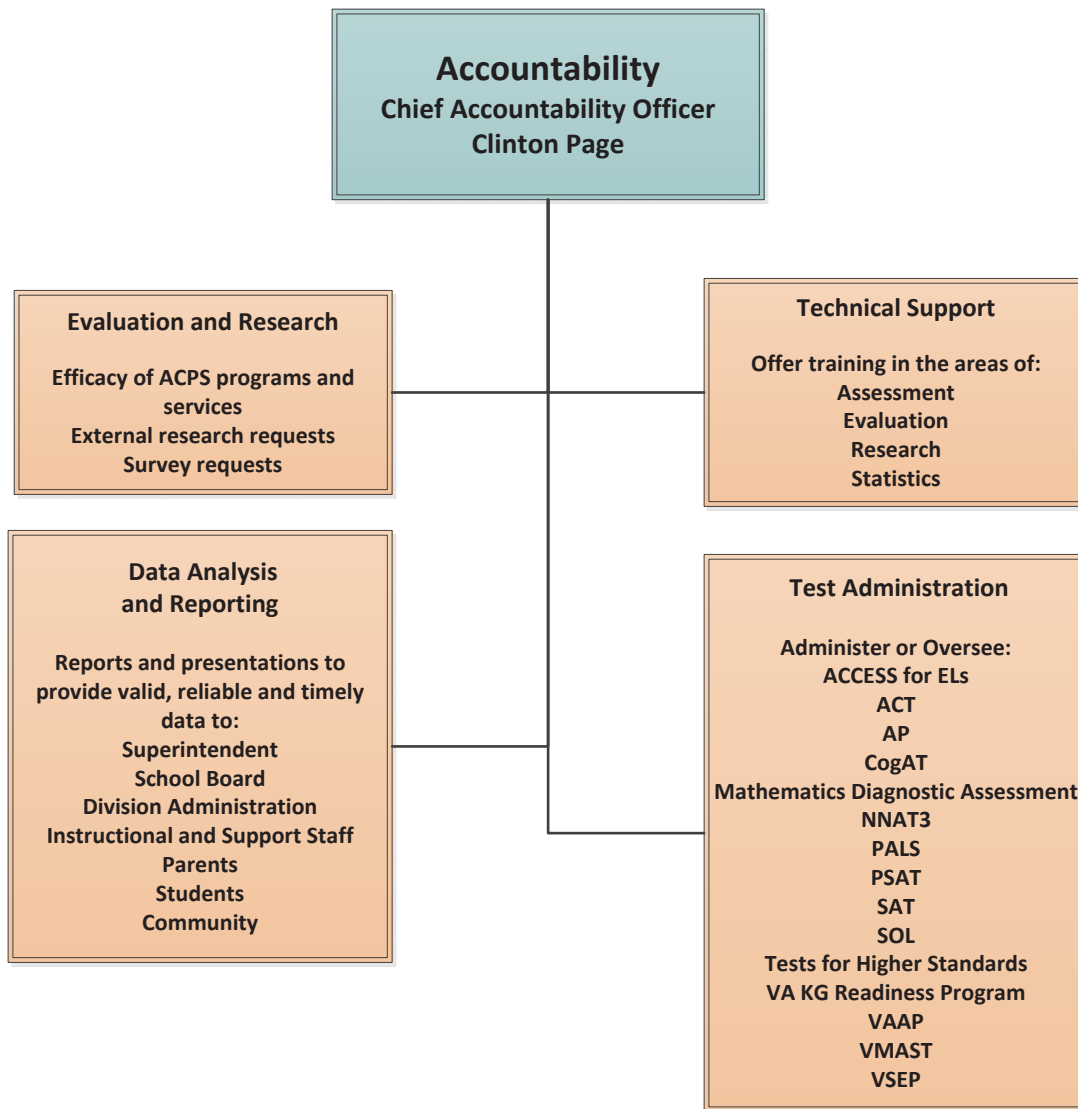

students' results for a variety of tests. The Virginia Department of Education requires some of the tests; others are required by ACPS; and others, such as the SAT or Advanced Placement (AP), are selected by students. Typically, these tests are administered to all students at a specific grade level, through course enrollment, or to a certain subgroup (e.g., EL).

Tests administered or overseen by the Department of Accountability include:

- Virginia's Standards of Learning (SOL) tests (six main administrations and six expedited administrations per year)
- Virginia Alternate Assessment Program (VAAP)
- Virginia Substitute Evaluation Program (VSEP)
- Virginia Modified Achievement Standards Test (VMAST)
- The Phonological Awareness Literacy Screening (PALS) (two to three times each year)
- Assessing Comprehension and Communication in English State to State (ACCESS) for EL
- The Naglieri Nonverbal Ability Test (NNAT3)
- The Cognitive Abilities Test (CogAT)
- First & Second Grade Mathematics Diagnostic Assessments

# Accountability

- Virginia Kindergarten Readiness Program
- Additional tests coordinated and monitored by the Department of Accountability include the previously mentioned SAT, AP, ACT, Tests for Higher Standards, and the Preliminary SAT (PSAT).

The Department of Accountability coordinates or produces a wide array of reports and presentations to provide decision-makers with valid, reliable, and timely data to enhance the quality of education offered to students. The department provides these services

to a wide array of stakeholders including the Superintendent, School Board, senior leadership, school administration, instructional staff, support staff, parents, students, and community members.

Along with analyzing and reporting test and survey data, the department evaluates the efficacy of various programs and services offered by the school division. The department engages in monitoring and evaluation activities to drive decisions that encourage the use of best practices. Programs are evaluated at the

# Accountability

request of the Superintendent, School Board and ACPS departments.

Additionally, all external research requests and all survey requests that include ACPS schools, students, or staff, are reviewed by the department for practicality and methodology.

Tertiary responsibilities include providing ACPS staff and departments with training and/or other educative utilities related to the department's specialized expertise in assessment, research, statistics, and evaluation.

## Department Goals

Central office departments prepared department goals and strategies in support of meeting division objectives. The following table represent the department's work plan for the fiscal year as the first phase of establishing long-term Specific, Measurable, Aggressive and Achievable, Results-Driven, Time-Bound (SMART) goals.

### Department Title: Accountability

#### Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
By June 2018, continue to improve the implementation of standardized test administrations as evidenced by a 10% (n=4) reduction in the number of irregularities during the Spring SOL test administration cycle caused by human error.	Enhance trainings between DOA and school staff to target most frequent human error caused irregularities.	Utilize irregularity analysis conducted after spring 2017 testing to build training in an effort to supply schools with discrete strategies to reduce the chance of these occurring in future administrations.
	Continue to collaborate with Special Education and EL Offices.	Work with these offices to plan a coordinated communication effort to school contacts from each office providing expectations and protocol for ensuring students receive appropriate accommodations. Team with office representatives to offer professional development to teacher leads during the school year.
	Continue random DOA school based audit(s) during test administrations.	Communicate to schools that random audits during spring test administrations will occur. Supply immediate verbal and written feedback to school leaders once audit is complete.
	Encourage high school to utilize the entirety of the term graduate testing window and to not backload testing.	Assist STC in setting of term graduate testing calendar.
	Assist the high school counseling department in their identification of students for testing.	Inform Director of Counseling of misidentified students for testing and identify trends to be addressed. Assist in the development of action steps to ensure that students are appropriately identified and offer strategies for verifying identification.
By January 2018, increase the access to valid, reliable, and timely data to stakeholders specifically reporting on metrics identified by the new Strategic Plan.	Collect 2016-17 performance data.	Outline a schedule for and facilitate the collection of 2016-17 goal data from goal owners.
	Solicit family and community perceptions of ACPS performance.	Facilitate ACPS 2020 survey administration aimed to measure community perceptions of the division in relation to critical areas outlined in the division's strategic plan.
	Report Key Performance Indicator outcomes for all goals to School Board.	Provide performance updates for all Goal areas to the School Board to review for possible planning, procedural, programmatic, and/or budgetary changes.
	Report Key Performance Indicator outcomes for all goals to stakeholders.	Collaborate with TS to visually present each Goal's data via the dashboard in a meaningful and concise manner for public consumption.
	Review and revise ACPS 2020 metrics to increase validity and reliability.	Encourage Goal Owners to review, adjust, and refine Key Performance Indicators to ensure appropriateness.

# Accountability

## Department Title: Accountability

### Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
By June 2018, have completed all data cohort trainings with 85% or more of participants stating that the trainings have positively impacted their ability to perform data-related job duties within their work location as measured by a survey.	Continue to offer a professional development cycle for school data/Title I coaches (n~27)	Conduct a pre-series survey to solicit feedback from staff as to relevant topics and current needs.
		Develop training materials and implement professional development for school data/Title I coaches.
		Facilitate the sharing of best practices in data analysis and data discussions across schools by identifying schools with promising practices and having these schools lead portions of the trainings.
		Conduct a post-series survey to determine the extent to which cohort needs were met and impact on staff's ability to perform data-related job duties.
By June 2018, the Department will have engaged in four priority areas of evaluation work with two full projects completed.	Work closely with external vendors and internal staff to develop and employ high quality evaluation methodologies culminating in final reports with actionable recommendations to improve division programs moving forward.	TAG Evaluation: Finalize report and Executive Summary and present findings to the Board.
		TAG Evaluation: Develop communication plan in collaboration with Communications and C&I following the presentation of the TAG Evaluation findings to the Board to include all relevant stakeholders (e.g. principals, staff, parents and community, etc.).
		Summer Enrichment Evaluation: Collaborate with vendor and Summer Enrichment Division Leadership to continue scoping out a sound and logical evaluation plan with interim findings to support Summer Enrichment 2018 planning.
		SWD Evaluation: Plan and support data collection efforts and provide feedback on instruments and final report.
		SWD Evaluation: Develop communication plan in collaboration with Communications and C&I following the presentation of the TAG Evaluation findings to the Board to include all relevant stakeholders (e.g. principals, staff, parents and community, etc.).
		Family and Community Engagement Evaluation: Engage stakeholders in developing an evaluation plan, identifying appropriate research methods, and begin evaluation work.
	Collaborate with ACPS Departments to follow through with action steps based on recommendations from evaluations.	Curriculum Evaluation: Continue to collaborate with C&I to track progress on the Department action plan initiated in response to the Curriculum Evaluation.
		TAG Evaluation: Collaborate with C&I to develop a plan to track progress of the TAG action plan initiated in response to the TAG Evaluation.
	Collaborate with ACPS Departments and program leads to establish a culture of program planning and development	Conduct consultancy workshop series with Student Services and other relevant stakeholders to develop a program logic model to be used for program implementation and continuous improvement.
	Collaborate with ACPS senior leadership team, in the development of key evaluative research prioritization areas.	Conduct a survey to solicit feedback from principals, senior leadership, and school board members related to identifying potential future evaluation topics.

SMART: Specific, Measurable, Aggressive and Achievable, Results-Driven, Time-Bound

#### Strategic Plan Goals:

1. Academic Excellence and Educational Equity
2. Family and Community Engagement
3. An Exemplary Staff
4. Facilities and the Learning Environment
5. Health and Wellness
6. Effective and Efficient Operations

# Accountability

## Budget Summary

The Department of Accountability budget supports the testing administration program, division-wide program evaluations, and data analysis and reporting. The FY 2019 budget totals \$1.09 million, a decrease of \$0.01 million from FY 2018. Positions remain unchanged at 6.00 FTEs.

The full-year step increase for eligible employees and benefit increases adds \$0.01 million to the Accountability budget. These increases are offset by reductions in funding for materials and supplies for testing and evaluation.

## Responsibilities

Through building broad based partnerships, the Office of School, Business, and Community Partnerships will support innovative partnerships that strengthen the education and invigorate the principle of equal educational opportunities for all students. Established in FY 2017, the Office of School, Business and Community Partnerships helps build the school division's capacity to respond and coordinate partnerships, inspire civic engagement and encourage life long learners. The office supports the division in achieving goals 2 and 6 of the ACPS strategic plan:

- **Goal 2: Family and Community Engagement:** ACPS will partner with families and the community in the education of Alexandria's youth.
- **Goal 6: Effective and Efficient Operations:** ACPS will be efficient, effective, and transparent in its business operations.

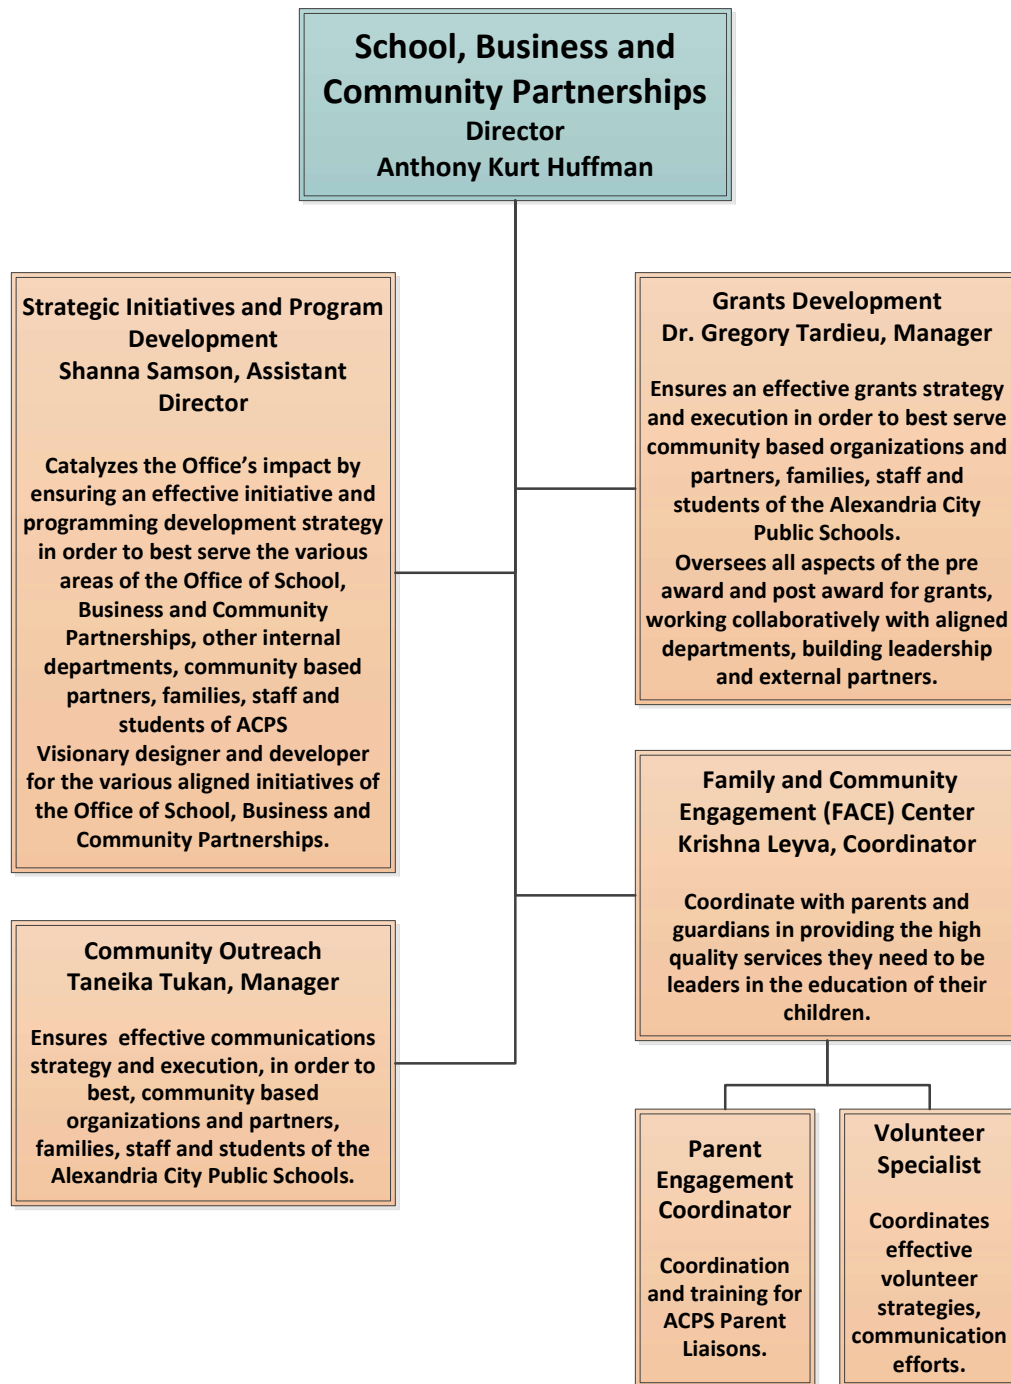

The Office:

- Serves as the initial point of contact to various departments and coordinate major community-facilities projects and outreach efforts;

- Develops work-flow processes assigned with large complex projects that involve multiple departments;
- Collaborates with all ACPS departments to ensure well-coordinated internal facing;
- Works with the Office of Communications to implement strategies that strengthen external facing of information to potential partners and assist in the development and application of effective strategies that compliment sales and marketing practices;
- Support existing partnerships between ACPS and business/community groups to enhance the efforts of ACPS to be a high-performing school division;
- Create new partnerships between the school division, local schools, businesses and community agencies to support the education of all children;
- Heighten community awareness of the desire of ACPS to actively partner with local businesses and community agencies;
- Support the efforts and growth opportunities for family engagement and volunteers;

# School, Business and Community Partnerships

---

# School, Business and Community Partnerships

---

- Investigate, develop, and implement systems designed to increase strategic funding and programmatic support for ACPS;
- Oversee the Family and Community Engagement Center and school based/division wide Parent Liaisons;
- Collaborate with parents and guardians in providing the high-quality services that they need to be leaders in the education of their children;
- Encourage a sense of community ownership of our schools and support the development of the academic, social, physical, creative, and emotional needs of students; and
- Research, apply for, and monitor competitive federal, state, and local grants.

## Department Goals

Central office departments prepared department goals and strategies in support of meeting division objectives. The following table represent the department's work plan for the fiscal year as the first phase of establishing long-term Specific, Measurable, Aggressive and Achievable, Results-Driven, Time-Bound (SMART) goals.

# School, Business and Community Partnerships

## Department Title: School, Business and Community Partnerships

### Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
ACPS will collaborate with parents and guardians in providing the high-quality services they need to be leaders in the education of their children.	Engage families in meaningful opportunities designed to support children's academic success and healthy social/emotional development.	<p>Train Parent Liaisons on planning/implementation of school-based family engagement events.</p> <p>Plan and implement "Navigating the School System" workshop in October at each PL school (include Parent-School Compacts at Title I schools).</p> <p>Plan and implement quarterly school-based workshops at each PL school that reflects school/parent needs/interests.</p> <p>Offer 1 four-week training series for ACPS families with a focus on improving literacy and/or math learning at each of the 6 elementary schools served by PL (target students on intervention lists at Title I schools).</p> <p>Coordinate two Strengthening Families training series (elementary / secondary).</p> <p>Sponsor and support 8 events at TC Williams High School focused on college and career readiness.</p> <p>Offer monthly support groups at ARHA and Community Lodgings FACE Centers to support high need families.</p>
	Connect ACPS families to tools, information and services that support educational achievement and overall quality of life.	<p>Train Parent Liaisons on tools and methods for keeping families informed.</p> <p>Provide Parent Tool Kits to parents at Back to School Nights, workshops/events and ongoing interactions.</p> <p>Connect families to online tools, including ACPS app and social media accounts.</p> <p>As needed, assist families to understand school policies, student report cards, ACPS information, etc.</p> <p>Assist families with questions/concerns they have regarding their child's education and/or the well-being of the child/family and appropriately connect them to ACPS staff resource.</p> <p>Market Bilingual Family Resource Lines for families division-wide.</p> <p>Manage bilingual Family Resource Lines by calling parents back within 24 hours, connecting them appropriately and following up.</p> <p>Solicit updated contact information and home language from parents at Back to School Nights, workshops/ events and ongoing interactions and provide to School Registrar.</p> <p>Update FACE web pages to be engaging, family friendly and contain narrative of good news and stories, tools, resources and information in multiple languages.</p>
ACPS will collaborate with parents and guardians in providing the high-quality services they need to be leaders in the education of their children.	Eliminate barriers to family engagement for ACPS families who are low-income, limited English proficient and/or historically-disenfranchised families.	<p>Place personal calls to EL families in their home language to invite them to parent coffees, workshops and events at schools.</p> <p>Offer two English for Parents training series (west-side / east-side).</p> <p>Offer computer training for families to include introduction to online learning resources and how to support student learning online.</p> <p>Submit FACE Support Forms a minimum of 8 weeks in advance to ensure childcare, refreshments and transportation (when appropriate) for school-based workshops/trainings.</p> <p>Provide event marketing, childcare, refreshments, interpreter services and transportation (when appropriate) for all FACE-sponsored and supported events division-wide.</p> <p>Secure interpreters for school-based parent conferences/meetings and workshops/events at PL-serving schools.</p> <p>Exploration and discovery to expand ACPS PL staff numbers and FACE Language-specific PL hours to achieve needed equity across the district to support all ACPS families.</p> <p>Provide support for the 21st Century Community Center Grant through family engagement opportunities.</p>

# School, Business and Community Partnerships

## Department Title: School, Business and Community Partnerships

### Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
ACPS will create an atmosphere of mutual trust and respect to ensure effective communication in schools, enhanced engagement with families, and culturally responsive relationships.	Facilitate an environment that is welcoming to all families and respectful of culture and diversity.	Train Parent Liaisons on creating welcoming environments.
		Show up on-time and flex time to appropriately accommodate family workshops/events, meetings and parent needs.
		Greet families during daily drop off/pick up and offer opportunities to meet/discuss any ideas or concerns.
		Serve as point of contact and strive to establish trusting relationships with all families.
		Be available to meet with families and assist them in efforts to navigate the school system and support their children's education.
		Respond to all questions/concerns in a timely manner (return phone calls within 24 hours).
		Conduct annual family engagement evaluation at all ACPS Title I schools and develop recommendations for improvement with Title I Dept. for school leadership.
		Seek opportunities to support cultural competency initiatives.
	Provide opportunities for ACPS families and community members to provide feedback.	Coordinate regular principal chats at all PL -serving K-8 schools designed to address topics identified as important by the families served.
		Offer PL-serving schools the opportunity to provide a Comment Box in their schools for families to share thoughts, concerns and ideas.
ACPS will actively engage families, students, staff, and community members regarding school programs and activities, volunteer opportunities, and events.	Provide coordination, technical assistance and other support to build the capacity of ACPS schools in planning and implementing effective family engagement activities to improve student academic achievement and school performance.	Offer monthly training and ongoing guidance to school-based parent liaisons aligned with the expectations and reflecting best practices.
		Provide ongoing technical assistance and support to school administrators and staff on family engagement strategies and the role of the Parent Liaison within their schools.
		Coordinate 2 professional development opportunities on family engagement to be offered during PD days to ACPS administrators, Title I curriculum coaches, SST staff and parent liaisons.
		Conduct needs assessments at ACPS PL-serving schools to identify volunteer opportunities relevant to each school community, develop school goals for engaging volunteers.
		Serve as point of contact and provide onsite recruitment, orientation, screening and management of volunteers.
		Screen new and existing volunteers annually and provide Handbook/Code of Conduct.
		Promote ACPS volunteer opportunities.
		Provide ongoing training to Parent Liaisons on volunteer management.
	Engage ACPS parent/guardians in meaningful opportunities to volunteer within schools.	Reflect on successes, challenges and identify action steps in regards to school-based screening of volunteers and continued ownership at school-level.
		Explore creating and implementation of an ACPS Volunteer Management Specialist Position.
	Engage community organizations and businesses in volunteer opportunities.	Develop systems and protocols for managing student internships/externships within the community.
		Provide direction, serve as the connector and identify opportunities for community organizations/members and businesses to serve ACPS through community giving projects and volunteer engagement.

# School, Business and Community Partnerships

**Department Title: School, Business and Community Partnerships**

**Department Work Plan: 1 Year SMART Goals for SY 2017-2018**

Departmental Goals	Strategies	Major Action Steps
ACPS will partner with external organizations to extend its services and programs, to encourage a sense of community ownership of our schools and to support the development of the academic, social, physical, creative and emotional needs of students.	Maintain new and existing partnerships with external organizations.	Execute and renew formal partnerships with community partners that support priorities identified within the ACPS Strategic Plan 2020.
		Execute and renew formal partnerships with local colleges and universities to expand ACPS staff capacity through the placement of interns system wide.
		Manage, collect data, observe, discuss programming successes and challenges with aligned departments and schools and support the Partners in Education Grant funding awarded partners.
		Create and disseminate monthly partnership newsletter and align to effective partnership webpages. Story telling enhancement.
		Review current partnership buildings specific satisfaction through the dissemination, collection and reflection of data from the newly created school/partnership survey to ensure that partnerships are supporting their work moving forward.
	Investigate, develop and implement systems designed to increase strategic support of ACPS.	Lead community stakeholders into next action steps and strategies for the development of an ACPS Educational Foundation.
		Disseminate information and reflect on how effective the process is moving regarding the Community Funded Facilities Project guidelines and protocols.
		Manage donation submissions and coordinate distribution with aligned departments and schools.
		Design and implement clearly defined policies and procedures for corporate, commercial, promotional sponsorships.
		Create/explore additional opportunities for community businesses and merchants to align and partner with ACPS.
	Collaborate with external organizations to seek outside funding opportunities.	Identify and apply for local, state and federal funding that supports priorities identified within the ACPS Strategic Plan 2020.
		Conduct research and help various aligned departments and partners write proposals to secure privately and publicly funded grants for ACPS departments, schools, general operations and capital projects.
	Foster positive relationships with stakeholders and partner organizations.	Promote partnerships by highlighting their contributions through partnership newsletter, informal discussions and social media.
		Connect partners by creating partnership focus mapping and information sharing through partnership meetings, newsletters and website.
		Explore possible adjustments to current partnership forms that allow ACPS to respond and complete partnership agreements at a more efficient pace.
		Transfer documents, tools, resources, and other appropriate materials into ACPS Canvas system to enhance collaboration between team members, departments and stakeholders.

# School, Business and Community Partnerships

## Department Title: School, Business and Community Partnerships

### Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
ACPS will use a wide variety of media to reach out to the community on issues of importance to the people of Alexandria.	Increase awareness of ACPS family engagement opportunities and other services/ resources available to families.	Distribute FACE multilingual promotional materials through ACPS Welcome Packets, weekly folders and regular community outreach.
		Distribute FACE eNewsletter monthly.
		Distribute FACE, ACPS and community information/ resources to ACPS families via social media accounts.
		Conduct personal calls in language of families to offer event details and important information.
		Develop and post bilingual videos online for access to important information.
	Edit and enhance Office of School, Business and Community Partnership webpages to engage all stakeholders through story telling, celebration notes, tools, policies, definitions, pictures and relevant links.	
ACPS will promote the general welfare of its students, their families, and members of its community by collaborating with local and state agencies and non-profit organizations.	Enhanced Digital/Web Presence.	Facilitate Office of SBC and cross-department meetings monthly to support the development of well defined policies, procedures and work flow processes along with external communication decisions and actions.
	Enhance Department and Cross-department Communication.	Coach, mentor and skill find internally with team to strengthen work culture and relationships to ensure highest performance.
		Work collaboratively with ACPS Departments, School Leadership and community stakeholders to support the development of well defined policies, procedures and work flow processes along with external communication of decisions and actions.
	Coordinate and integrate family engagement strategies with engagement strategies within other relevant Federal, State and local laws programs.	Support and promote Parent Resource Center workshops and trainings offered to ACPS families of students with special needs. (Ref: ESSA P.L. 114-95)
		Support and promote Kindergarten Transition workshop in April at ACPS Title I schools in cooperation with Head Start.
		Participate in opportunities to coordinate with local and state agencies and non-profit organizations.
		Seek and apply for funding in collaboration with local and state agencies and non-profit organizations.
		Staff the Children, Youth and Family Collaborative Commission. This includes serving as the Goal Group Leader for Goal 4.
	Collaborate with local and state agencies and nonprofits to best meet the needs of ACPS students and families.	Serve as a member of City Schools Staff Group tasked with the implementation of the Alexandria Children and Youth Master Plan.
		Serve as the ACPS Act for Alexandria Board representative.
	Provide support to efforts outlined within the City of Alexandria Children and Youth Master Plan.	

SMART: Specific, Measurable, Aggressive and Achievable, Results-Driven, Time-Bound

#### Strategic Plan Goals:

1. Academic Excellence and Educational Equity
2. Family and Community Engagement
3. An Exemplary Staff
4. Facilities and the Learning Environment
5. Health and Wellness
6. Effective and Efficient Operations

# School, Business and Community Partnerships

## Budget Summary

The budget for the Office of School, Business and Community Partnerships supports ACPS partners and volunteers, community-funded facilities projects, family and community engagement (FACE), grants development, and the Business Advisory Committee. The FY 2019 budget totals \$1.33 million, a decrease of \$0.10 million from FY 2018. Positions will increase to 9.50 FTEs. The budget increase is driven by the changes to FTEs and salary and benefit adjustments.

## School, Business and Community Partnerships

This office's budget totals \$0.40 million and funds 2.00 FTEs. The salary and benefits accounts are related to the director and grants officer positions.

The improvement of instruction purchased services category budget will be reduced to remove funding for Partnerships-In Education (PIE) grants.

## Partnerships and Community Engagement

The Partnerships and Community Engagement budget supports interactions among the families, community and ACPS, as well as the Family and Community Engagement (FACE) Center. The FY 2019 budget totals \$0.92 million and funds 7.50 FTEs. a 0.50 FTE parent liaison position will be added for FY 2019.

The purchase services category funds \$0.07 million for printing and binding, staff development, translation services, parent/family services, and other professional services.

#### Responsibilities

The Office of Communications is led by the Director and supports the division in achieving goal 2 of the ACPS strategic plan:

- Goal 2: Family and Community Engagement: ACPS will partner with families and the community in the education of Alexandria's youth.

The Office of Communications seeks to develop and implement targeted strategies to communicate and engage effectively with internal and external stakeholders including staff, parents, students, and the community.

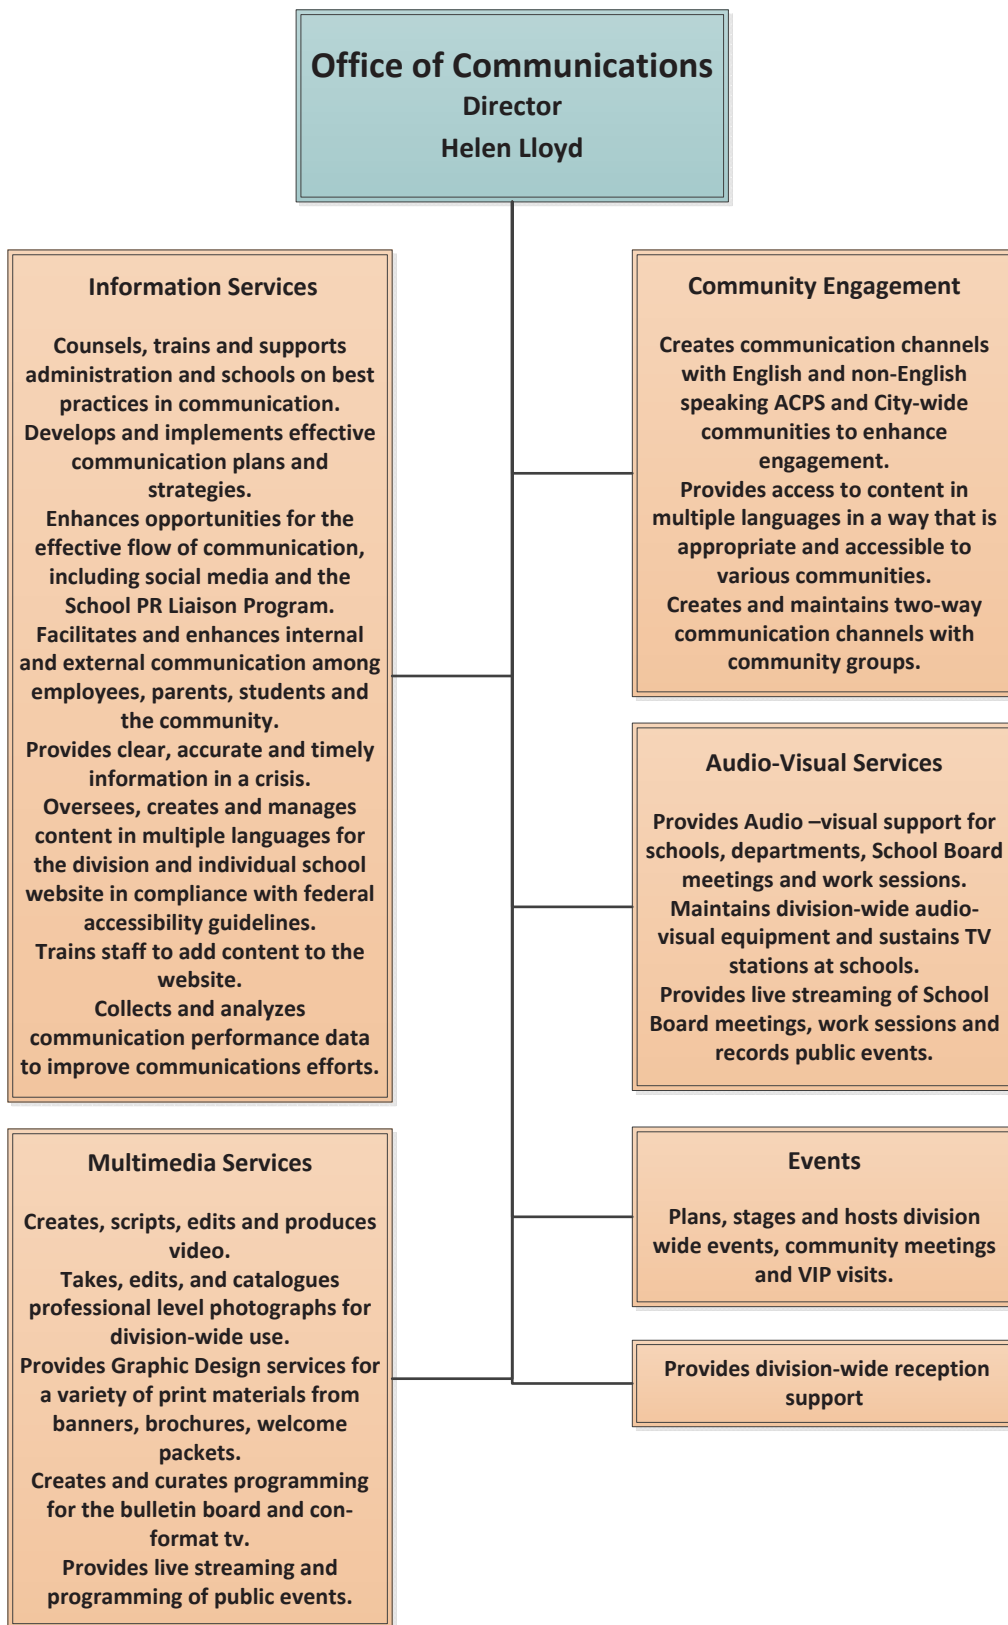

The Office of Communications will:

- Provide counsel, training, and support to administration and schools on best practices in communications and assist in implementing those practices;
- Develop and implement effective communications plans and strategies to support student achievement and community and family engagement;
- Provide clear, accurate, and timely information in a crisis;

- Facilitate and enhance internal and external communication among employees, parents, students, and the community;
- Identify, create, and enhance opportunities for the effective flow of communications among school, home, and community as well as between the administration and schools, thereby increasing trust and confidence in ACPS among all stakeholders;
- Provide audio/visual support to schools, departments and School Board meetings and work sessions, as well as live streaming these meetings;
- Create communication channels with English speaking and non-English speaking ACPS and City communities to enhance ACPS' engagement with the community;
- Effectively plan, stage, and host division-wide events, facilities community meetings, and VIP visits.
- Oversee, create, and manage content in multiple languages for the division website and individual school websites in compliance with Federal Accessibility Guidelines.

# Office of Communications

## Department Goals

Central office departments prepared department goals and strategies in support of meeting division objectives. The following table represent the department's work plan for

the fiscal year as the first phase of establishing long-term Specific, Measurable, Aggressive and Achievable, Results-Driven, Time-Bound (SMART) goals.

### Department Title: Communications

#### Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
The Office of Communications will have boosted community engagement across the division with measurable results by June 2018.	Continue to build links with the Arabic-, Amharic- and Spanish-speaking communities to increase trust	Continue to identify key community leaders in the Arabic-, Amharic- and Spanish-speaking communities and establish a database of contact information/and connections in the community
	Continue to build connections with civic associations, the Chamber of Commerce, pre-K directors, realtors, faith-based organizations and community groups	Collaborate with FACE to distribute ACPs division-wide information to the Arabic- and Amharic-speaking communities
		Increase the number of Spanish-speaking families with contact information in Powerschool, through an email/text campaign designed in collaboration with each principal based on the need of the school
	Establish a community network across Alexandria to share goals and resources	Link community groups through a monthly meeting to share goals and resources
		Develop strategic plans to strengthen community engagement for William Ramsay Elementary School, Cora Kelly School for Math, Science and Technology, and Jefferson-Houston School to deliver measurable results
		Support the Superintendent Search through messaging/distribution of content and materials/news releases
		Plan, design and implement early communication and outreach around the budget process to maximize community engagement around the City's Budget Survey
The Office of Communications will have led community engagement efforts needed for modernization by June 2018.	Support modernization projects with communication/aligned messaging/community engagement/media engagement	Create and implement a communication plan to support a smooth redistricting process
		Create and implement a series of communication plans to support community engagement around the West End School
		Facilitate community engagement around the Parker-Gray Stadium project
		Support Task Force decisions through strong unified messaging
The Office of Communications will have improved the perception of ACPs and its success among Alexandria taxpayers by June 2018.	Initiate a reset in year three of the ACPs 2020 Strategic Plan to reaffirm messaging	Reinvigorate staff/new staff awareness around the meaning of the roadmap through a series of employee engagement campaigns
	Reignite interest in the goals of the plan	Conduct core values campaign with staff/parents/community
		Target the use of media to highlight the success of all six goal areas
	Increase alignment of academic focus	Assist in creating unified messaging for the School Board to strengthen communication and community outreach around the overarching goals
		Collaborate with facilities to focus the language used in presentations on academics/the learning environment
		Communicate real stories through video/social media targeted separately at parents/community in alignment with desired outcomes

# Office of Communications

## Department Title: Communications

### Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
P	Use message-based communications to actualize fulfillment of the ACPS 2020 promise	Provide school-based communications support/updates/in-house training for principals and School PR Liaisons
	Support school-driven delivery of division messages	Train School PR Liaisons in message-based communication, emphasizing the importance of their role in communicating fulfillment of ACPS 2020
	Increase visible support of Communications team in schools	Collaborate with Parent Liaisons to get division messages to the Arabic-, Amharic- and Spanish-speaking communities
		Increase use of school eNewsletters by the Office of Communications to deliver division messages to families
		Provide photography/video to support marketing/branding campaigns for William Ramsay Elementary School, Cora Kelly School for Math, Science and Technology, Francis C. Hammond Middle School and Jefferson-Houston School
		Increase support in creating and posting content for schools on their eNewsletters/social media/website
		Monitor data around school eNewsletters/social media to ensure measurable results
The Office of Communications will have begun a shift in the mindset of departments around marketing and communications by June 2018.	Create communication platforms to assist with internal communications	Communicate guidelines for methods/timing/planning required to complete the communication around a project/event
	Increase support in the creation of communication plans for departments	Establishment of department eNewsletters for Curriculum and Instruction and Student Services
		Creation of training videos for eNewsletters and the website to train quickly and on their own time
		Create and implement a large-scale communication plan to support a staff culture change around Professional Learning Communities (PLCs)
		Create and implement mini-communication plans for departments around projects to focus on the desired outcome, not the delivery method
The Office of Communications will have ensured the smooth roll out of new emergency procedures by June 2018.	Establish clear communication with staff regarding the timeline and training requirements of the new procedures	Provide multi-layered communication plan for staff including Q&A sessions, FAQs, videos
	Provide clear communication to parents regarding the new procedures	Ensure on-going communication is in conjunction with HR for new staff/retraining
	Provide clear communication around the change in language for emergency communication	Develop communication plan for parents including Q&A sessions, FAQs, videos in four languages
	Design clear communication with parents of students with disabilities around the impact of the new procedures	Schedule face-to-face meetings with the community (City, pre-K directors, private schools, emergency services) and also community leaders to reach Arabic- and Amharic-speaking communities
		Provide Q&A sessions with community groups to reach Arabic-, Amharic- and Spanish-speaking communities
		Improve timeliness of emergency messages in Spanish
		Collaborate with Specialized Instruction to create a clear plan for students/families
		Ensure slow roll-out of language changes to ensure comprehension
		Update emergency scripts in four languages
The Office of Communications will have resolved the direction of ACPS-TV as a communication tool in line with Goals 2 and 6 of the ACPS 2020 Strategic Plan by June 2018.	Conduct research to accurately provide data on the audience/current usage of ACPS-TV	Conduct research around usage, cost benefits for the City, national trends, other school divisions/best practices/budget, usage/audience analysis
	Create a strategic communication plan for the re-launch of ACPS-TV as a communication tool interconnected with the other ACPS communication tools/platforms	Link ACPS-TV to other communication platforms via an online bulletin board with an RSS feed
		Streamline process for getting school-based content on ACPS-TV in a timely manner, with limited repeats
		Research and commission free educational material for in-school hours

SMART: Specific, Measurable, Aggressive and Achievable, Results-Driven, Time-Bound

#### Strategic Plan Goals:

1. Academic Excellence and Educational Equity
2. Family and Community Engagement
3. An Exemplary Staff
4. Facilities and the Learning Environment
5. Health and Wellness
6. Effective and Efficient Operations

# Office of Communications

## Budget Summary

The budget for the Office of Communications supports all division-wide communication, focusing on the roll-out of the strategic plan by bringing the message to the community and telling the ACPS story. The FY 2019 budget is \$1.14 million, a slight increase compared to FY 2018. Positions remain unchanged at 7.00 FTEs.

Salary and benefit increases add \$0.06 million to the Communications budget. This increase is partially offset by the reduction of \$0.04 million in non-personnel expenditures including funding for other printing and binding and other technology equipment.

# Curriculum and Instruction

---

## Department Overview

The Department of Curriculum and Instruction is led by the Chief Academic Officer (CAO) and supports the division in achieving Goal 1 of the ACPS 2020 Strategic Plan: Every Student Succeeds. More specifically, Goal 1: Academic Excellence and Educational Equity ensures that every student will be academically successful and prepared for life, work, and college. Associated with Goal 1 are eleven objectives: 1.1 Educational Excellence; 1.2 Achievement Gaps; 1.3 Disproportionality; 1.4 Educational Equity; 1.5 Teacher Resources and Supports; 1.6 Early Childhood Education; 1.7 Adult Education and Services for Adult English Language Learners; 1.8 Alternative Education; 1.9 Cultural Competence and an Atmosphere of Respect; 1.10 Civic Engagement and Civic Responsibility; and 1.11 Ethics and Behaviors for Success.

The Department of Curriculum and Instruction supports the implementation of high quality instructional programs which include an engaging and rigorous curriculum, exemplary and effective teaching, and multiple academic enhancement and intervention programs. The CAO provides leadership to the following offices: English Learner (EL) Services; Specialized Instruction; Talent Development; and Title I Programs. The CAO also oversees the newly formed teams of College and Career Readiness; Data Analysis, Interpretation, and Resources; Elementary Instruction; Humanities; Literacy; and STEM (Science, Technology, Engineering, and Mathematics).

The department supports all aspects of teaching and learning in one early childhood center, twelve elementary schools, one K-7 school, one PreK-8 school, two middle schools, and one high school (located on multiple campuses). The department provides services, supports, and resources to help all students reach their full potential. The department works collaboratively with principals, assistant principals, teachers, paraprofessionals,

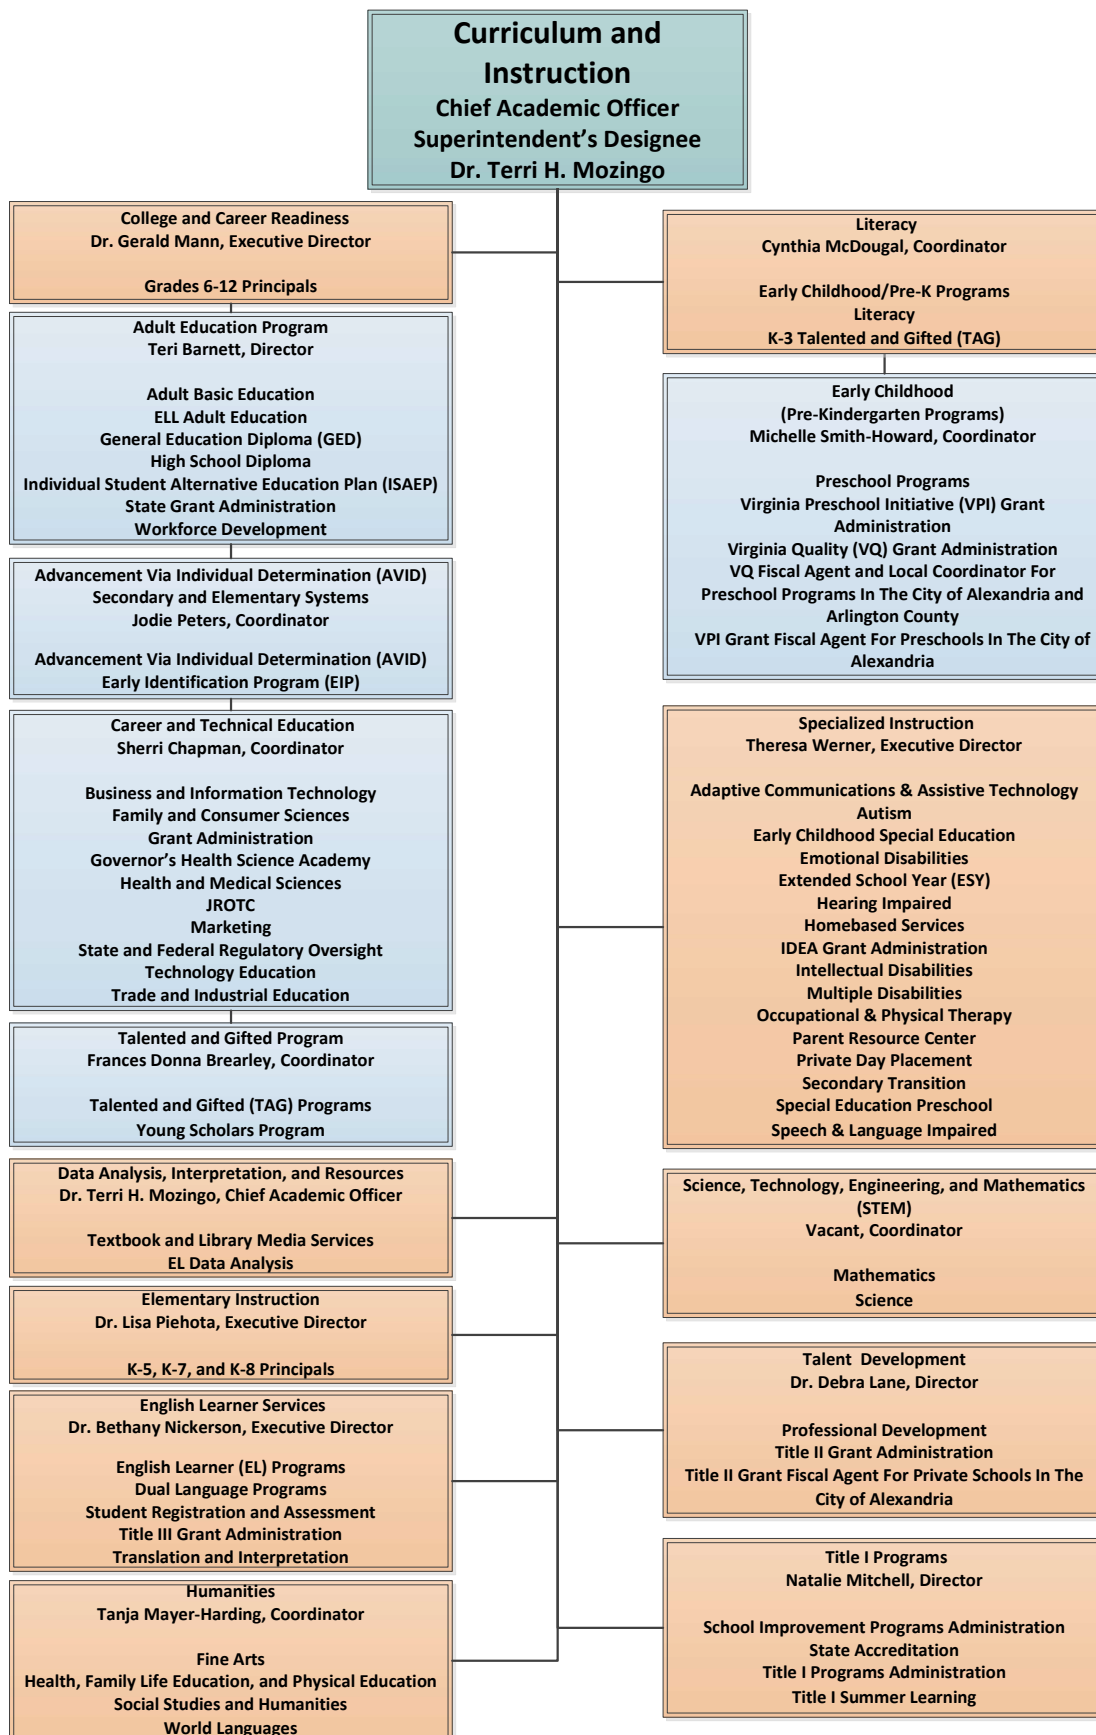

and others to create exemplary educational experiences for all our students. The primary goal of the department is to promote teacher learning, professional growth, and increased student achievement.

## Configuration of College and Career Readiness Team

The College and Career Readiness Team focuses on ensuring a fully articulated and effectively implemented set of career and college-preparation programs and services for all ACPS learners, grades K-12. To ensure that our students are prepared for as many opportunities as possible while in school and beyond their completion of high school, this team supports the continued expansion of dual enrollment, opportunities for industry certifications, and avenues for students to earn an Associate's Degree while completing high school credits for an Advanced Studies Diploma. Ensuring that students graduate on-time is also a primary focus for the College and Career Readiness Team. Team members include the Executive Director of Secondary Instruction in the role of the team leader, as well as the Director of Adult Education, AVID Coordinator, Career and Technical Education (CTE) Coordinator, and Talented and Gifted (TAG) Coordinator. Additionally, this team includes instructional specialists representing English Learners and Students with Disabilities. Specific offices within this team include:

- **The Office of Adult Education** manages the federal Adult Education and Family Literacy Act (AEFLA) grant, the Race-to-GED grant, and the Individual Student Alternative Education Program (ISAEP) GED grant. These grants support basic and literacy education programs for adults who need a high school diploma or are not proficient in English. This office also manages state grants that support the high school diploma program, the general equivalency diploma (GED), and EL adult education.

# Curriculum and Instruction

# Curriculum and Instruction

---

- **The AVID** school-wide system, which includes the AVID Elementary and AVID Secondary model, is a college-readiness system designed to advance the trajectory and long-term outcomes for all students. The AVID school-wide framework at both the elementary and secondary levels is intended to target and expand school-wide instruction, the culture, the systems, and the leadership capacity by creating a college-going culture that increases the number of students who enroll and succeed in higher education and are workplace ready post-high school. Additionally, the AVID secondary model supports approximately 600 students who enroll in the AVID elective over a series of years in an effort to focus on college preparation. AVID supports school-based leaders, departments, and offices with college readiness, entrance processes, and college-testing initiatives.
- **The Career and Technical Education (CTE)** office manages and oversees the Carl Perkins grant. This federal grant provides an increased focus on the academic achievement of career and technical education students, strengthens the connections between secondary and post-secondary education, and improves state and local accountability. The office also manages state grants supporting workplace development, equipment purchases, certification testing, and oversees state and federal compliance of all Business, Marketing, Health and Medical Science, JROTC, Family and Consumer Sciences, Technology Education, and Trade and Industrial Education Programs, including the Governor's Health Sciences Academy, the Academy of Finance, and the STEM Academy.
- **The Office of Talented and Gifted (TAG)** Programs ensures effective delivery of services for students identified as gifted beginning at the elementary level and continuing through high school. The office

also supports school-based personnel processes associated with the identification and services to TAG-identified students and families.

## **Configuration of Data Analysis, Interpretation, and Resources Team**

**The Data Analysis, Interpretation and Resources Team** supports effective data analysis, interpretation, and articulation of instructional implications. This team collaborates with the Department of Accountability and other offices in analyzing student achievement data, preparing data displays, and offering instructional implications of the data within and across schools. This team is led by the Chief Academic Officer and includes the Coordinator of Textbooks and Library Media Services, the English Learner Office Data Specialist, and the Assistant Director for Specialized Instruction.

## **Configuration of Humanities Team**

**The Humanities Team** improves student achievement in the areas of fine arts, health and physical education, social studies (including history, economics, political science, and service learning), and world languages. Team members include the instructional specialists for fine arts, health and physical education, social studies, and world languages. The Humanities Team also includes instructional specialists from the Offices of English Learners and Specialized Instruction. This team collaborates with the K-12 TAG Coordinator to ensure appropriate alignment of gifted practices within these disciplines to support problem-based/service learning opportunities for students in alignment with recommended Virginia state assessment recommendations.

## **Configuration of Literacy Team**

**The Literacy Team** is a pre-K-12 team that addresses problems of practice related to the improvement of ACPS students' reading,

# Curriculum and Instruction

---

writing, speaking, listening, research, and media presentation skills. The Literacy Team includes elementary and secondary English Language Arts specialists and the Coordinator for Early Childhood Programs as well as a representative from the Offices of English Learners, Specialized Instruction, and TAG. This team strategically and deliberately focuses on ways to ensure that more students are reading on grade-level and have language skills that enable them to effectively access the curriculum and other literacy-related resources. Because of the importance of early literacy, the Literacy Team includes representatives from the Office of Early Childhood:

- **The Office of Early Childhood** provides leadership and coordination of the division-wide implementation of early childhood education and collaborates with other City of Alexandria providers to ensure consistent delivery of services focused on Kindergarten readiness.

## **Configuration of STEM (Science, Technology, Engineering, and Mathematics) Team**

**The STEM Team** focuses on the improvement of K-12 students' achievement in the areas of science, technology, engineering, and mathematics. This team is comprised of elementary and secondary science instructional specialists as well as a representative from the Offices of English Learner Programs, Specialized Instruction, and TAG. A major priority for this team is to provide direct services and support resources to schools in order to improve student achievement in the areas of science and mathematics. Additionally, the team is responsible for helping schools to implement an integrated and blended learning approach to engage students in the processes of mathematical problem solving and scientific inquiry. The team is responsible for helping educators to integrate science, mathematics, technology, and engineering concepts and problem solving into a more interdisciplinary

and holistic approach to STEM education within the division.

## **Configuration of Elementary Instruction Team**

**The Elementary Instruction Team** is led, supported, and monitored by the Executive Director of Elementary Instruction. The Executive Director works closely with all elementary principals and assistant principals as well as appropriate teams and team members when addressing problems of practice within a single school site and/or across multiple elementary sites. This team structure within the Department of Curriculum and Instruction ensures a greater degree of alignment between central office instructional support and school-based needs in all aspects of the elementary instructional program.

## **Configuration of Offices within Department**

**The Office of English Learner (EL) Services** provides a variety of services to students and families who have a primary language other than English. The Office of EL Services is responsible for registering students in families who have a primary language other than English, assessing students for English language proficiency to determine eligibility for program services, and evaluating transcripts from countries outside the United States. The parent liaison in the Office of EL Services also provides orientation materials and connects families with community resources.

Additionally, this office provides guidance and support to schools to promote language acquisition and academic achievement for EL students, ensures compliance with federal and state regulations for serving EL students, supports the dual language education programs, and coordinates translation and interpretation services to enhance communication with families who have a primary language other than English. This office is also responsible for providing resources

# Curriculum and Instruction

---

within the ACPS curriculum to address the needs of English learners.

**The Office of Specialized Instruction** ensures that a continuum of special education services is provided to students with disabilities as required by the Individuals with Disabilities Education Act (IDEA). The staff provides support to schools through coaching and modeling effective instructional practices and behavioral interventions related to students with disabilities. In addition, the office provides support to families through outreach and technical support by the Anne R. Lipnick Family Resource Center. These resources enable families to become engaged partners in their child's educational success. This office will also be responsible for providing resources within the ACPS curriculum to address the needs of students with Individual Education Plans (IEPs).

**The Office of Talent Development** supports all offices in providing professional development opportunities. This office ensures that procedures for providing professional learning are in alignment with Learning Forward's Standards for Professional Learning; that all professional development and growth opportunities within Curriculum and Instruction align with, where appropriate, the characteristics of high-performing school districts; and, that professional development and growth opportunities relate to the ACPS Strategic Plan 2020. This office also coordinates new teacher orientation and induction activities.

**The Office of Title I Programs and School Improvement** provides leadership in the coordination of division offices and programs to implement school support structures. The purpose of the Title I grant is to ensure that all children are afforded the opportunity to receive a fair, equitable, and high-quality education, and to close educational gaps. The office ensures meaningful compliance and integration of both state and federal expectations for academic achievement and

school improvement under various federal and state programs, including state accreditation and federal school improvement programs.

## **Departmental Budget and Grant-Funded Services:**

The operating budget is the key funding source for the department; however, several grants supplement the funding for specific purposes:

**The Office of Early Childhood** manages the Virginia Preschool Initiative (VPI) grant for ACPS and acts as the fiscal agent for private providers throughout the city. Furthermore, this office coordinates the Virginia Quality Rating and Improvement System (VQRIS) grant for both Alexandria City and Arlington County. This office serves as the liaison for Early Head Start and Head Start Programs.

**The Office of English Learner (EL) Services** manages the federal Title III grant, including subprograms. The Title III grant is specifically targeted to promote language instruction for English learner students and immigrant youth.

**The Office of Specialized Instruction** oversees the IDEA and IDEA preschool grants. These grants provide funds for personnel and the materials directly supporting students with disabilities.

**The Office of Talent Development** manages the Title II, Part A grant. The purpose of the Title II, Part A grant is to increase academic achievement by improving teacher and principal quality. Title II funds are intended to improve teacher and leader quality and increase student success by providing evidence-based professional development activities that are sustained, intensive, collaborative, job-embedded, data-driven, and classroom-focused. This office also oversees the State's teacher mentor grants.

This office also facilitates and coordinates the mentoring program for both new and novice

# Curriculum and Instruction

---

teachers, manages the tuition reimbursement program, creates K-12 interactive professional learning videos focusing on research-proven instructional practices, and oversees the professional learning management software system to support professional development division-wide.

**The Office of Title I Programs and School Improvement** manages division requirements for the expenditure of federal funds under Title I programs and sub-programs, as well as several state grant programs for school improvement. Title I funds provide supplemental assistance to schools with high concentrations of students living under circumstances of poverty.

# Curriculum and Instruction

## Department Title: Curriculum and Instructions

Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
<b>1.1 Educational Excellence:</b> ACPS will regularly assess and respond to the needs, interests, and abilities of individual students.	<b>1.1.1 PALS Percent above the benchmark on fall Kindergarten assessment</b>	<b>1.1.1: Provide high quality instruction in all pre-K classes:</b>  Provide professional development to 100% of all pre-K instructors on strategies that are developmentally appropriate to improve student literacy skills (e.g., name writing, alphabet knowledge, beginning sound awareness, print and word awareness, and rhyme and nursery rhyme awareness).  Increase staff understanding and skill in implementing the new Creative Play curriculum (aligned with state and national standards).  Continue to collaborate with the Early Care and Education Work Group to reinforce student readiness and skills mastery.
	<b>1.1.2 Percent of fall-identified K-2 students who meet the PALS spring benchmark assessment</b>	<b>1.1.2: Use continuous progress monitoring to trace students' developing proficiency in key reading skills:</b>  Ensure that 100% of elementary schools participate in a PALS data analysis session led by a PALS consultant and Comprehensive Balanced Literacy cross-division unit planning sessions.  Incorporate strategies for early literacy instruction into 100% of all content academies offered to K-2 teachers.  Hold PALS data-analysis sessions for 100% of PALS-assessed grade levels and facilitate school-specific mid-year PALS data analysis sessions for 100% of the elementary schools.  Work with the Literacy Leadership Cadre to articulate recommended intervention strategies (aligned with ACPS MTSS) for 100% of the PALS subtest areas on Canvas.  Elevate staff understanding of the need to incorporate literacy skills across content areas via a large division-level K-5 Literacy in a Blended World Institute.  Ensure that 100% of elementary schools have staff trained in using word study to increase spelling and phonetic analysis achievement.  Collect, analyze, and generate a report summarizing K-2 student reading achievement on the Reading Inventory to determine student growth and target areas of focus.
	<b>1.1.3 Percent of students passing the third-grade Reading SOL assessment</b>	<b>1.1.3: Implement a multi-faceted and cross-functional team approach to reading improvement, including:</b>  Ensure that 100% of elementary schools are represented in a year-long literacy professional learning community, "Literacy Leadership Cadre" (including teachers, SPED, EL, and TAG members).  Support schools in implementing all components of the K-5 Literacy Framework, including daily in- and out-of-school reading.  Increase support and accountability for students to write daily in a structured Writing Workshop format.  Provide professional development sessions on Tier II and III interventions, including matching tiered interventions to student needs and progress monitoring.  Revise 100% of ACPS ELA Curriculum units to include teaching calendars and formative assessments aligned with the third-grade SOL Reading Assessment.  Ensure that 100% of schools implement the ACPS Comprehensive Literacy Framework, including alignment with time allotments for reading and writing articulated in the framework.  Collaborate with the ACPS F.A.C.E. and Community Partners to create services and programs involving wrap-around literacy (e.g., the Brent Place 21st Century Grant-Funded Program).  Continue to incorporate EL and SPED best practices and strategies into the revised curriculum on Canvas as well as 100% of all reading-related professional development workshops.

# Curriculum and Instruction

## Department Title: Curriculum and Instructions

Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
<b>1.1 Educational Excellence:</b> ACPS will regularly assess and respond to the needs, interests, and abilities of individual students.		<b>1.1.3: Reading SOL (English Learners):</b> Provide 100% of EL Instructional Specialists with training on ACCESS for ELs data analysis, including the Reading domain, to identify students on and off-target with regard to their progress of language acquisition and shared ACCESS for ELLs and off-target student data with instructional specialists and principals.
	<b>1.1.4 Percent of students in Grades 6-12 with Individual Career and Academic Plans (ICAP's)</b>	<b>1.1.4: Provide feedback to schools on relevant MTSS Tier 1, 2, and 3 intervention strategies to address identified achievement gap areas in students' Individual Career and Academic Plans (ICAPs):</b>  Ensure that students in secondary schools (6-12) have an ICAP that includes (where appropriate) suggested MTSS Tier 1, 2, and 3 strategies and interventions.
	<b>1.1.5 Advanced Placement and Dual Enrollment:</b> Percent of students taking an AP assessment (grades 10, 11, 12)	<b>1.1.5: Provide coaching and support to all AP instructors, including:</b> Ensure that 100% of all AP syllabi are aligned with current College Board/AP standards and expectations and that all AP texts and support resources are current and aligned with College Board requirements.
	Percent of AP scores earning '3', '4', or '5'	Meet with AP teachers to conduct quarterly AP Roundtable Discussions, including strengths, areas of progress, and needs (e.g., professional learning, resources, etc.)
	Percent of students taking a dual-enrollment class	Ensure that 100% of all AP teachers in ACPS are College Board certified via AP workshops for AP instructors.
		Continue monitoring with T.C. Williams High School to ensure that students have full access to Dual Enrollment courses (including at the high school and on the Alexandria Community College campus) and opportunities, ensuring that 100% of high school students are oriented to available Dual Enrollment options.
		Enroll and monitor AVID student progress in Honors, AP/DE classes and ensure 100% participation for all 6-12 students in at least one or more course of rigor (revisit of enrollment at start and mid-year).
		Provide support to 100% of AVID and GMU Early Identification Program (EIP) students enrolled in an AP/DE course (s) by providing targeted AVID class tutorials or after-school mentoring. (Quarterly progress monitoring each quarter when grades are released).
	<b>1.1.6 Algebra by 8<sup>th</sup> Grade:</b>	<b>1.1.6: Provide ongoing support services to middle schools and Minnie Howard/T.C. Williams to enhance Algebra and pre-Algebra performance, including:</b>
	Percent of participation in Algebra I by end of Grade 8	Provide professional development to 100% of all middle schools in research-based math best practices and effective lesson design.
	Percent pass on Algebra SOL	Conduct disaggregated data analysis and interpretation (including student-response-by-question SOL data and related diagnostic assessments such as Imagine Math) to identify strengths and gap areas for individuals and groups of middle school students preparing for Algebra and those currently enrolled in eighth-grade Algebra.
		Provide 100% of pre-Algebra and Algebra teachers opportunities for modeling and demonstration lessons that exemplify best practices and strategies in pre-Algebra and Algebra (including demonstration of new math resources).
		Provide extensive training in the use of math research-based best practices (e.g., use of manipulatives, multiple representations, real-world problems, transfer to real-world applications).
		Increase teacher and tutor training and support to ensure 100% 8 <sup>th</sup> -grade AVID students pass SOLs.
		Support middle school Honors teachers in the writing and development of Differentiated Education Plans (DEP) for Talented and Gifted students (related to Pre-Algebra/Algebra) through PLCs and after-school Honors Differentiation workshop series and ensure that 100% of Differentiated Education Plans are disseminated to parents.

# Curriculum and Instruction

## Department Title: Curriculum and Instructions

Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
<b>1.1 Educational Excellence:</b> ACPS will regularly assess and respond to the needs, interests, and abilities of individual students.	<b>1.1.7 Overall SOL Pass Rate:</b>  Reading Math History Science Writing	Collaborate with George Mason University Mathematics Education Office to align their support resources with our efforts to improve mathematics outcomes.
		<b>1.1.7: Use a cross-functional team approach to provide ongoing customized services designed to improve aggregate and disaggregated SOL performance data, including:</b>  Provide ongoing PD in Tier 1 core curriculum strategies and best practices to 100% of all ACPS schools in the areas of literacy, math, science, and social studies.
		<b>1.1.7: Overall SOL Pass Rate (Reading and Writing):</b>  Work with 100% of Language Arts Professional Learning Communities to analyze and interpret reading data; develop lesson plans in response to identified gap areas; and ensure fidelity of implementation of the K-12 reading curriculum.
		Ensure that 100% of all ACPS schools have tiered texts and access to resources to improve students' reading comprehension.
		Provide professional development on the K-12 Comprehensive Literacy Framework, implementing the writing process (prewriting, drafting, revising, editing, and publishing) within Writing Workshop and in the content areas, and using student achievement data to guide writing conferences and small group writing instruction.
		Develop a comprehensive writing program at Hammond Middle School involving administrators and teachers in the implementation of the Columbia Teachers College Writing Project.
		Offer professional development sessions to support 100 % of English Language Arts teachers (K-12) in teaching conventions and grammar as part of the Writing Workshop.
		Collaborate with the Department of Technology to offer multiple professional development sessions to 100 % of schools supporting teachers in implementing blended learning strategies during the ELA block (including a comprehensive "Literacy in a Blended World" institute for all elementary teachers (October 9, 2017).
		Ensure that each core content area Instructional Specialist supports schools in successfully implementing the MTSS Framework (including literacy Tier I, II, and III core curriculum and related interventions).
		Make certain that 100% of all ACPS schools provide tiered interventions and supports for students consistent with the MTSS framework, including MTSS-related Tier 1 strategies in all SOL content area professional development.
		Provide 100% of all school support in coaching and professional development related to progress monitoring and related data collection and analysis in each of the four SOL content areas to guide and inform instructional decision making.
		Ensure that 100% of the schools receive customized services, including modeling, job-embedded professional development, demonstration lessons in SOL content areas, and reading and writing in the content areas (including both SOL-tested and Encore subjects).
		<b>1.1.7: Overall SOL Pass Rate (Mathematics):</b> Provide ongoing professional development to 100% of all elementary schools in the use of core and support materials for the <i>Math Expressions</i> series (K-5) as well as resources such as <i>Think Fun</i> .
		Analyze data and offer division-wide and school-based content academies based on identified achievement gap areas to 100% of all elementary schools.
		Provide professional development to 100% of pre-Algebra and Algebra teachers in strategies to improve student achievement.

# Curriculum and Instruction

## Department Title: Curriculum and Instructions

Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
		<p>Train elementary and secondary math professional learning community teams to address problems of practice and provide solutions related to math gap areas.</p> <p>Work with teachers to post exemplary math lessons in 100% of identified math achievement gap areas.</p>
<p><b>1.1 Educational Excellence:</b> ACPS will regularly assess and respond to the needs, interests, and abilities of individual students.</p>		<p><b>1.1.7: Overall SOL Pass Rate (Science):</b></p> <p>Provide training to help teachers unpack 100% of the science curriculum guides, assessments, and core resources to plan and implement effective science instruction.</p> <p>Provide professional development in lesson plan design, and differentiation for 100% of science teachers in collaboration with specialists in Curriculum and Instruction, English Learner Services, Gifted Learning, and Specialized Instruction.</p> <p>Continue to collaborate with STEM faculty at Minnie Howard and King Street campuses via ongoing professional development, lesson and unit design, assessment and data analysis, and field experiences.</p> <p>Develop curriculum modifications and enhancements that target 100% of all identified gap areas in science content and pedagogy based on a review of division-wide data.</p> <p>Design and implement customized and long-term professional development academy for 100% of science teachers in partially accredited school sites.</p> <p>Assist schools in the analysis and interpretation of SOL data by subgroup including Student Performance by Question (SPBQ) reports (producing a data analysis and instructional intervention report for 100% of SOL-tested areas in Science).</p> <p>Provide 100% of science teachers access to assessments that are aligned with the SOL science standards, including transfer tasks and common assessments (with suggestions for formative assessment data-based feedback).</p> <p>Coordinate with 100% of all principals, science chairs, and science leaders to provide customized services including: professional development sessions, coaching, co-teaching, and Visiting Scientists.</p> <p>Work with science teachers and visiting scientists to ensure focus on scientific inquiry, lab experiences, Probeware, and use of FOSS kits.</p> <p><b>1.1.7: Overall SOL Pass Rate (History and Social Science):</b></p> <p>Provide services to support implementation of the Tier 1 core curriculum at 100% of schools, with a particular emphasis on priority and focus schools.</p> <p>Analyze division-wide and school-level data to identify areas of need in social studies instruction, including SOL data, performance on ACPS Benchmarks, and transfer task data.</p> <p>Work with teams of Social Studies teachers representing 100% of ACPS schools to examine student work samples to identify areas for growth and re-teaching (including reading and writing in Social Studies as well as the use of visual representations and real-world artifacts).</p> <p>Offer ACPS Benchmark assessments and work with teachers to analyze data and identify instructional strategies for re-teaching prior to SOL tests, ensuring that 100% of all schools have a progress-monitoring process for Social Studies in place.</p>
		<p>Support implementation of best practices in social studies through observations, feedback, co-planning, and modeling of lessons, ensuring that 100% of all schools have access to these services.</p>
		<p>Continue to implement service learning opportunities into the K-12 social studies curriculum as well as field trips and enhancement opportunities (e.g., National History Day).</p>

Department Title: Curriculum and Instructions

Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
<b>1.1 Educational Excellence:</b> ACPS will regularly assess and respond to the needs, interests, and abilities of individual students.		Collaborate with staff in the Offices of Specialized Instruction, English Learner Services, and Gifted Instruction to support practices, including differentiation, co-teaching, and literacy integration.
		<b>1.1.7: SOL Pass Rates (English Learners):</b> Use a comprehensive approach to disaggregating EL achievement data and identifying appropriate interventions for off-track English speakers.
		Coach, model and support individual EL teachers at each school with implementation of the ACPS EL best practices (Activating Prior Knowledge, Comprehensible Input, Explicit Language Instruction, Differentiation, Quality Interaction, Cultural Competence, Metacognition).
		Provide targeted school support to meet needs through Guided Reading, Writing Across the Content Areas, Guided Language Acquisition Design (GLAD), cooperative learning, and co-teaching strategies using School Education Plan and ACPS EL Best Practices walkthrough data.
		<b>1.1.7: SOL Pass Rates (Students with Disabilities)</b> Offer and conduct professional learning series on specially designed instruction (SDI) focusing on targeted instructional strategies to address needs in math, reading, writing, and behavior, as well as effective use of data in the inclusive/resource setting.
		Coach and support specialized instruction teachers with implementation of reading and math instructional best practices in the special education setting (including planning/modeling lessons in SOL content areas).
	1.1.8 VA on-time graduation rates for all students	<b>1.1.8: Provide ongoing support, including information updates, about federal and state requirements related to Standard and Advanced diplomas, including:</b>
		Provide Minnie Howard and T.C. Williams ongoing professional development in graduation-related areas (e.g., Economics and Personal Finance), and achievement gap areas (e.g., industry certification).
		Provide all secondary programs ongoing professional development in research-based best practices to improve the achievement of students with disabilities in all SOL-tested areas.
		Provide on-going instructional coaching, leadership development, and professional development to International Academy secondary teachers and coaches through partnership with the International Network for Public Schools.
		Implement the T.C. Williams "Credit Recovery" program in collaboration with Adult Education for students who need to recovery class credit for "on-time" graduation.
		Provide on-going support for students who are at-risk of dropping out of high school by continuing to offer the ISAEP/GED program through the Adult Education Program.
	1.1.9 Percent of positive responses on an ACPS Insight Survey of families, disaggregated by student status, that asks about awareness and satisfaction related to various program services and access for students, including Talented and Gifted services, Special Education services, English-Language Learner services, etc.:	<b>1.1.9: Ensure that all leaders of identified program area are actively involved in monitoring data results extending from the new survey.</b>
	Families of African American students Families of Hispanic students Families of White students Families of Limited English Proficient (LEP) students Families of Students with Disabilities (SWD) students Families of Talented and Gifted (TAG) students	Analyze results and develop a plan of action to address Talented and Gifted students, English Learners, and Students with Disabilities.  Continue to incorporate feedback and results from parent and community surveys as well as various evaluation reports or state reviews/audits (e.g., TAG, SPED, EL).

Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
<b>1.9 Cultural Competence and an Atmosphere of Respect:</b> ACPS will implement practices that maximize the benefits of cultural, linguistic, racial, ability, religious, gender, gender-identity, and ethnic diversity within the student body to ensure optimal levels of cultural competence among staff members and students, and that engage every student in a respectful school environment.	<b>1.9.1 Percent of faculty TELL survey results and Student Development Total Assets survey results reflecting positive answers by respondents about indicators of organizational culture:</b>  Faculty: TELL Survey  Students: Developmental Assets Survey	<b>1.9.1: Staff will integrate key concepts and processes to reinforce the concept of cultural competence in all curriculum content areas as well as specific programs (e.g., AVID, Specialized Instruction, EL, TAG):</b>
		Department leaders and instructional specialists will use data from TELL and Developmental Assets Surveys to identify and provide appropriate interventions that reinforce a responsive and culturally competent classroom and school.
		Department leaders and instructional specialists will integrate strategies to build cultural competence within the content area classrooms, including strategies to address the learning needs of such groups as SPED, EL, TAG, and FARM students.
<b>1.10 Civic Engagement and Civic Responsibility:</b> ACPS will engage with its students in an atmosphere conducive to mutual respect, civic engagement, and good citizenship.	<b>1.10.1 Young persons serving in the community one hour per week (Developmental Assets Survey)</b>	<b>1.10.1: Curriculum and Instruction staff will collaborate to identify schools and teachers engaged in exemplary service learning, civic engagement, and civic responsibility activities (highlighting areas of alignment with curriculum focus areas for each content area):</b>
		Develop and implement a progress-monitoring system in which data related to each school's involvement with community service and civic engagement activities and projects are collected, analyzed, and publicized.
		Integrate into the written curriculum (e.g., science, social studies, English) potential culminating projects that require aspects of civic engagement and good citizenship.
		Continue to implement and monitor the AVID elective requirement for community and service participation to include incremental hourly requirements for grades 9-12.
		By the conclusion of the year, enroll students or student groups from each secondary school in the Volunteer Alexandria volunteer online warehouse in an effort to increase support for civic responsibility across the local community.
<b>1.11 Ethics and Behaviors for Success:</b> ACPS will set expectations for the habits and behaviors students need to succeed and will lay the foundations for student explorations of ethical conduct.	<b>1.11.1 Percent of schools implementing a positive behavior intervention and supports system, including Responsive Classroom and Restorative Practices, which foster positive and respectful learning environments within the school as a learning community:</b>  NOTE: This component of the ACPS Strategic Plan is primarily under the direction of the Department of Student Services.	<b>1.11.1: Staff from the Department of Curriculum and Instruction will work collaboratively with staff from the Department of Student Services to:</b>  Integrate strategies for effective classroom management into ongoing professional development workshops and programs.
	<b>1.11.2 Perceptions on the TELL Survey of the schools as a positive and engaging environment for learning</b>	Analyze student data (e.g., disciplinary referrals, suspensions, expulsions, related incident reports) to discern possible patterns associated with the underachievement of individual students and gap-group cohorts.  Continue to reinforce behavioral components of the MTSS framework as part of ongoing customized service delivery, lesson design, walk-throughs, and feedback sessions.
SMART: Specific, Measurable, Aggressive and Achievable, Results-Driven, Time-Bound  <u>Strategic Plan Goals:</u> 1. Academic Excellence and Educational Equity 2. Family and Community Engagement 3. An Exemplary Staff 4. Facilities and the Learning Environment 5. Health and Wellness 6. Effective and Efficient Operations		

# Curriculum and Instruction

---

## Budget Summary

The Department of Curriculum and Instruction FY 2019 operating funded budget totals \$17.78 million, an increase of \$0.25 million. There is an increase of 2.10 FTEs across all funds.

For FY 2019, the Department of Curriculum and Instruction underwent a re-organization of department which includes:

- Creation of the College and Career Readiness Team which will oversee the Offices of AVID, Adult Education, CTE, and TAG Programs;
- Creation of the Data Analysis, Interpretation, and Resources Team;
- Splitting of the Curriculum Design and Instructional Services Department into three teams; Literacy, Humanities, and STEM; and
- Reorganizing the Offices of Elementary Instruction and Secondary Instruction so that they report directly to the Chief Academic Officer.

The following Curriculum and Instruction budget summaries, staffing table, and budget table do not reflect the FY 2019 re-organization.

### Chief Academic Officer

The Chief Academic Officer budget provides funds to support all of the offices in Curriculum and Instruction through leadership and professional development. The FY 2019 final budget totals \$0.42 million, relatively unchanged compared to the FY 2018 final budget. The office continues to staff 3.00 FTE positions.

Major changes to the budget include a reduction in the materials and supplies category for educational/recreational supplies and food/food services supplies such as refreshments during curriculum office and school events. This is partially offset by the increase in salary and benefit adjustments.

## Curriculum Design and Instructional Services

The Curriculum Design and Instructional Services budget supports all curriculum areas with textbooks, curriculum writing, instructional materials, and professional development. The FY 2019 budget is \$3.82 million, an increase of \$0.26 million compared to FY 2018. Positions will reduce to 13.00 FTEs, a reduction of 1.00 FTE compared to FY 2018.

Funding within the instructional core program group has increased in materials and supplies as part of the FY 2019 new elementary textbook adoption. This will include support for K-5 reading.

### Career and Technical Education

The Career and Technical Education (CTE) budget supports the program in middle and high schools. The office remains relatively steady in operating funding at \$0.26 million. The office will continue to staff 1.00 FTE CTE coordinator.

In the materials and supplies category, funding will decrease to \$0.04 million. The majority of funding will provide CTE textbooks to address replacement and growth in areas such as economics and personal finance.

The CTE office will also receive \$0.21 million funded by the Carl Perkins Vocational Education fund and as well \$35K in funding from the Virginia Department of Education.

### Talent Development

The Talent Development budget supports the division-wide professional development program, content academies and the teacher mentor program. Funding for the FY 2019 operating funded budget is \$1.00 million, a \$0.05 million decrease compared to FY 2018. Positions will remain at 3.00 FTE in the department, one of which will be grant-funded.

# Curriculum and Instruction

---

Supplemental salaries increase by \$0.01 million to support expanded summer content academies and teacher mentor programs. Overall the purchased services category is increased by \$0.03 million. Funding remains for trainings such as Family Life Training and Summer Content Academy.

The Talent Development Office is also funded through Title II. The purpose of the program is to increase academic achievement by improving teacher and principal quality. This program is carried out by increasing the number of highly qualified teachers in classrooms; increasing the number of highly qualified principals and assistant principals in schools; and increasing the effectiveness of teachers and principals by holding local education agencies (LEAs) and schools accountable for improvements in student academic achievement. While schools do not receive these funds directly, these funds support division-wide staff development, including the summer content academies.

## **Adult Education**

The Adult Education budget supports the day program and the midday EL program offered at central office and the night program offered at T.C. Williams High School. Courses include Adult Basic Education, EL adult education, General Education Diploma (GED), high school diploma and Individual Student Alternative Education Plan (ISAEP). The FY 2019 operating funded budget is \$0.65 million, a decrease of \$4,155 compared to the FY 2018 final budget. The operating fund continues to fund 3.00 FTE positions. In addition, the Adult Detention Center and Division of Criminal Justice Services (DCJS)-Detention grants fund a 1.00 FTE teacher at the Adult Detention Center.

The intermittent salary accounts will remain relatively unchanged at \$0.20 million. Purchased services encompasses funding for testing materials and other professional services. It will remain at the same level as previous year at \$0.018 million. The materials and supplies accounts decreases in software

and online charges to fund GED Academy and GradPoint annual license and fees. This results in an overall reduction in this category of \$1,500.

## **Talented and Gifted Programs**

The Talented and Gifted (TAG) Programs budget supports both the TAG and Young Scholars programs. The FY 2019 operating funded budget totals \$0.52 million, an increase of \$0.16 million. There is no change to the number of FTEs.

The purchased services category continues to fund instructional services for the VDOE Summer Residential Governor's Schools and Foreign Language Academy, testing and evaluation, staff development, and other printing and binding.

The materials and supplies category will receive additional funding to expand the young scholars program to two school sites. Funding includes supplemental pay, course/event fees, refreshments, transportation, instructional supplies, and staff development.

## **Advancement Via Individual Determination (AVID) / College Readiness**

The AVID/College Readiness budget funds the AVID program and George Mason University Early Identification Program (GMU-EIP). Both support college readiness for select students and for all secondary and elementary sites that are part of the AVID System. The FY 2019 budget totals \$0.47 million, a decrease of \$0.02 million. Staffing remains at 1.00 FTE.

Intermittent and supplemental salaries of \$0.14 million provides additional AVID tutors. In the purchased services category, funding provides for staff development, and other printing and binding. Funding in internal services continues to provide transportation for AVID students to participate in college visits and other events and GMU-EIP students to attend the Saturday Power

# Curriculum and Instruction

---

Aid program. Other charges decrease by \$0.01 million which includes yearly AVID membership fees.

## **Specialized Instruction**

The Office of Specialized Instruction budget supports all special education services division-wide, including the Extended School Year (ESY) program and private placements. The FY 2019 operating funded budget is \$7.60 million, an increase of \$0.13 million. Additionally, the office will increase staffing to 74.60 FTE positions, which includes 25.00 FTE grant-funded positions.

The purchased services category will be budgeted at \$1.41 million for FY 2019. This includes transportation services for students with disabilities whose individualized education plan (IEP) requires transportation accommodations. This line will continue to be budgeted at \$0.98 million. Alternative multi-student transportation methods are being implemented using ACPS vehicles and drivers. Additionally, funding for purchase of services from other divisions will increase to \$0.12 million, and will continue to provide tuition for specialized programs.

The Office of Specialized Instruction receives funds through the Individuals with Disabilities Education Act (IDEA). The IDEA is a law ensuring services to children with disabilities throughout the nation. IDEA governs how states and public agencies provide early intervention, special education and related services to children and youth with disabilities. This grant funds an early childhood special education teacher, a special education teacher, a speech language pathologist, and several specialists and coordinators. In addition, technology equipment and instructional supplies are funded through the IDEA grant.

## **English Learner (EL) Services**

The EL budget supports all EL activities division-wide, dual language programs, translation services and parent liaisons. The

operating funded budget is \$2.90 million for FY 2019 a decrease of \$0.20 million. There are 17.00 FTE positions total in the office. Two of these positions continue to be funded through the Title III grant budget.

Funding for intermittent and supplemental salaries decreases by \$0.05 million to support student registration and assessment.

The purchased services category includes a new funding request for additional ACCESS for ELLs testing material, as well as continued funding for management services, translation services, testing and evaluation, staff development, and other printing and binding.

The EL Services Office also receives funds through Title III. Federal funds awarded under Title III support programs to improve the education of limited English proficient (LEP) children and youths by helping them learn English and meet challenging state content and achievement standards. Title III programs also provide enhanced instructional opportunities for immigrant children and youths. Schools do not receive these funds directly, but are supported through staff development, instructional materials, and bilingual parent liaisons through this funding.

## **Title I Programs**

The operating budget for Title I Programs funds a portion of the director's salary, association membership dues, travel and refreshments for parental engagement activities that are not covered through Title I. The operating funded budget totals \$0.06 million, a decrease compared to the FY 2018 final budget. This includes staffing of a 0.25 FTE director position, split funded with the Title I Part A grant. In addition, 3.75 FTE positions are funded through Title.

The majority of the office budget is funded through Title I. Title I, Part A of the Elementary and Secondary Education Act (ESEA), as amended, provides financial assistance to local

# Curriculum and Instruction

---

educational agencies (LEAs) and schools with high numbers or high percentages of children from low-income families to help ensure that all children meet challenging state academic standards. For FY 2019, Cora Kelly, Francis C. Hammond, Jefferson-Houston, John Adams, Patrick Henry, Ferdinand T. Day, James K. Polk, and William Ramsay will receive Title I funding. These funds will be used for school-based personnel, staff development, translation, technology equipment and software, instructional supplies, and parental involvement activities. All items must supplement what is provided to all schools in the operating budget.

## **Pre-Kindergarten Programs**

The main funding sources for the pre-kindergarten program are the Virginia Preschool Initiative (VPI) and the transfer from the operating fund. The total VPI budget for FY 2019 is \$2.83 million, including the funding designated for the private preschool providers in the City of Alexandria. There are 26.00 FTEs funded; 12.00 FTE teachers and 12.00 FTE paraprofessionals at Jefferson Houston, Early Childhood Center, James K. Polk and William Ramsay; 2.00 FTE positions at central office.

## Department and Office Contact

### Elementary School Instruction

Dr. Lisa Piehota, Executive Director  
1340 Braddock Place  
Alexandria, Virginia 22314  
Tel: 703-619-8020 | Fax: 703-619-8984  
lisa.piehota@acps.k12.va.us

## Responsibilities

The Office of Elementary Instruction is led by the Executive Director and supports the division in achieving goals 1, 2, and 3 of the ACPS strategic plan:

- **Goal 1: Academic Excellence and Educational Equity:** Every student will be academically successful and prepared for life, work and college.
- **Goal 2: Family and Community Engagement:** ACPS will partner with families and the community in the education of Alexandria's youth.
- **Goal 3: An Exemplary Staff:** ACPS will recruit, develop, support and retain a staff that meets the needs of every student.

The Office of Elementary School Instruction will provide direct assistance, coaching, support, and supervision to new and experienced elementary principals to develop and enhance leadership skills, observe assigned principals both formally and informally, and provide feedback to build the principals' knowledge base and repertoire of leadership skills. The Office of Elementary School Instruction will also

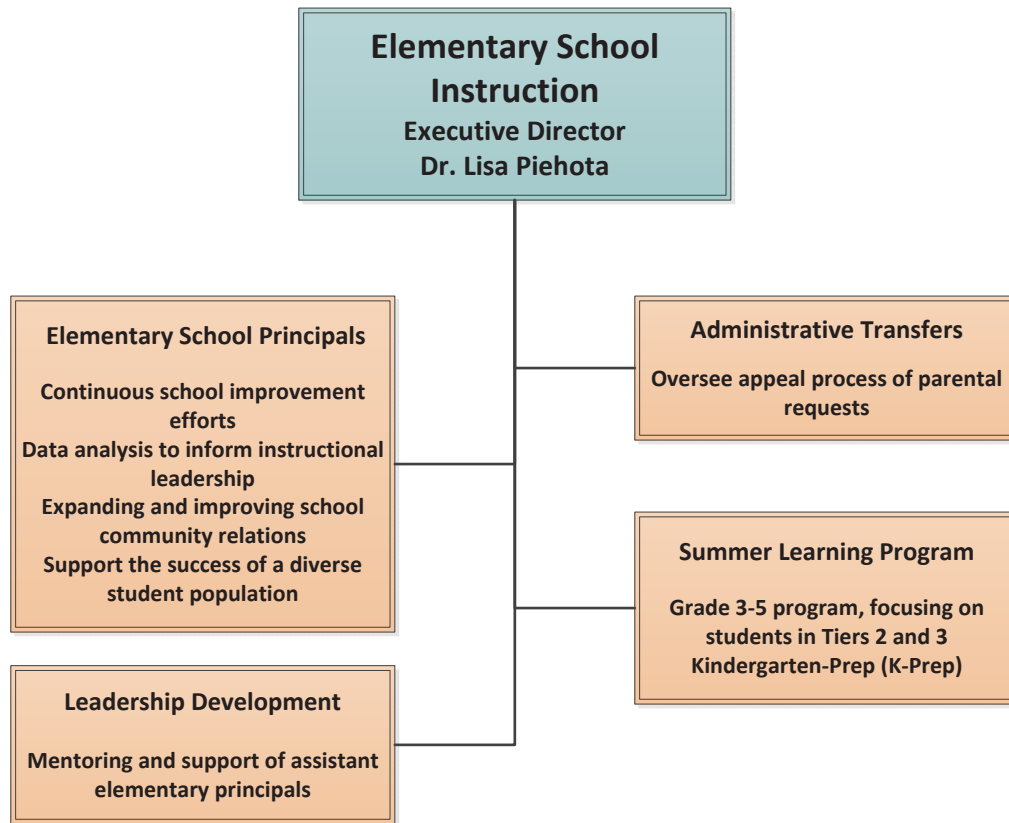

create a leadership development program for licensed staff aspiring for advancement within ACPS. Through these efforts, the office:

- Provides mentoring and support to elementary principals new to ACPS and to those newly promoted from within ACPS;
- Provides mentoring and support to elementary assistant principals aspiring for advancement within ACPS;
- Assists elementary principals in the continuous improvement efforts for the school;
- Assists elementary principals in analyzing national, state, and local testing programs to interpret and inform instructional leadership through analysis of student results;
- Provides direction and coaching to elementary principals in assessing school community needs in order to expand and improve community relations;
- Keeps current with best practices in school leadership and has expert knowledge in leadership and change management.

# Elementary School Instruction

---

- Collaborates with elementary principals and staff to develop effective school improvement strategies; and,
- Works collaboratively with staff, families, and community members to secure resources for and to support the success of a diverse student population.

The Office of Elementary Instruction also plans and oversees the K-Prep and grades 3-5 summer learning programs.

Additionally, the office oversees the Parental Appeal Process for denied transfers. The Executive Director also directly communicates with parents on issues of concern or compliment.

# Elementary School Instruction

## Budget Summary

The Office of Elementary School Instruction budget supports the professional and leadership development of elementary principals, snacks for pre-kindergarten and kindergarten students division-wide, and elementary summer learning. The FY 2019 budget totals \$0.69 million, an increase of \$0.01 million. Positions remain unchanged at 1.50 FTEs.

In FY 2018, funding was added for substitutes to support teachers from Charles Barrett and John Adams elementary schools attending CETA professional development. These funds will continue to be budgeted within the schools for FY 2019.

The budget for improvement of instruction supplement will increase by \$0.02 million to provide teacher stipends for Summer Education Planning. This is offset by a reduction in summer and extended learning intermittent pay.

### Department and Office Contact

#### Secondary School Instruction

Dr. Gerald Mann, Jr., Executive Director  
1340 Braddock Place  
Alexandria, Virginia 22314  
Tel: 703-619-8020 | Fax: 703-619-8984  
gerald.mann@acps.k12.va.us

### Responsibilities

The Office of Secondary Instruction is led by the Executive Director and supports the division in achieving goals 1, 2, and 3 of the ACPS strategic plan:

- **Goal 1: Academic Excellence and Educational Equity:** Every student will be academically successful and prepared for life, work and college.
- **Goal 2: Family and Community Engagement:** ACPS will partner with families and the community in the education of Alexandria's youth.
- **Goal 3: An Exemplary Staff:** ACPS will recruit, develop, support and retain a staff that meets the needs of every student.

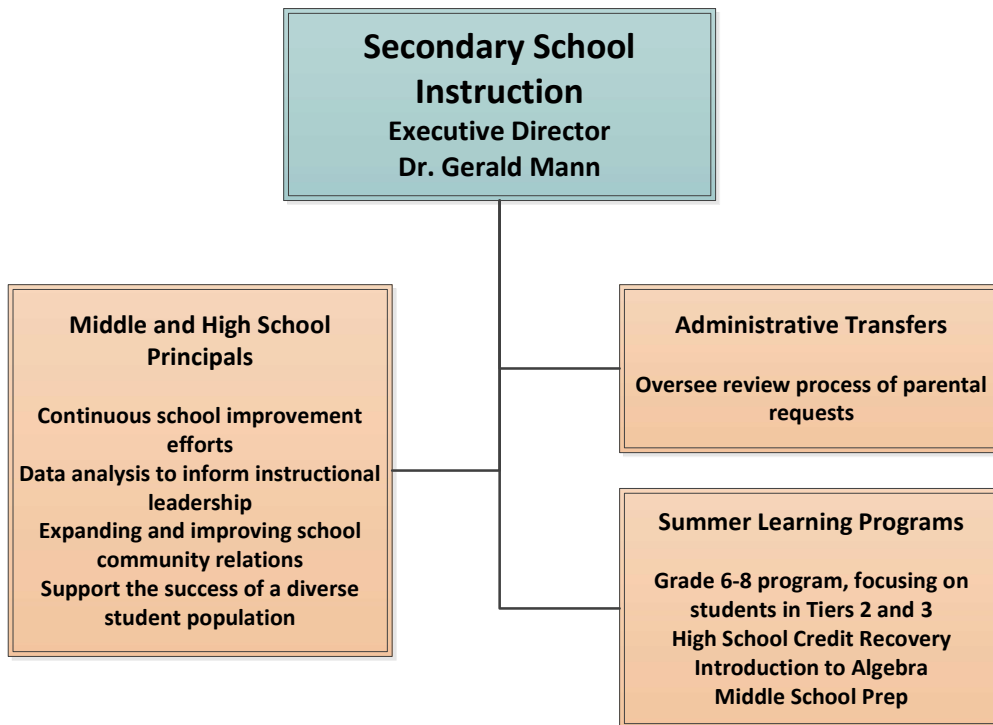

The Office of Secondary School Instruction will provide direct assistance, coaching, support, and supervision to new and experienced secondary principals to develop and enhance leadership skills, observe assigned principals both formally and informally, and provide

feedback to build the principals' knowledge base and repertoire of leadership skills. This office also coordinates all secondary summer learning programs. Primary responsibilities are as follows:

- Provide mentoring and support to secondary principals new to ACPS and to those newly promoted from within ACPS;
- Assist secondary principals in the continuous improvement efforts for the school;
- Assist secondary principals in analyzing national, state, and local testing programs to interpret and inform instructional leadership through analysis of student results;
- Provide direction and coaching to secondary principals in assessing school community needs in order to expand and improve community relations;

# Secondary School Instruction

---

- Keep current with best practices in school leadership and have expert knowledge in leadership and change management;
- Collaborate with secondary principals and staff to develop effective school improvement strategies; and,
- Work collaboratively with staff, families, and community members to secure resources for and to support the success of a diverse student population.

# Secondary School Instruction

## Budget Summary

The Office of Secondary School Instruction budget supports the professional and leadership development of secondary principals, the middle school intramural program, and secondary summer learning. The FY 2019 budget totals \$0.55 million, relatively unchanged over the prior fiscal year. Positions remain unchanged at 1.50 FTEs.

The Office of Secondary School Instruction budget is mainly comprised of salaries and benefits at \$0.47 million. The non-personnel budget includes funding for awards and grants, printing services, postal services, travel, course and event fees, transportation, staff development, food supplies, and educational and recreational supplies.

### Responsibilities

The Technology Services Department is led by the Chief Technology Officer and supports the division's mission in achieving all six of the ACPS strategic plan goals:

- **Goal 1: Academic Excellence and Educational Equity:** Every student will be academically successful and prepared for life, work, and college.
- **Goal 2: Family and Community Engagement:** ACPS will partner with families and the community in the education of Alexandria's youth.
- **Goal 3: An Exemplary Staff:** ACPS will recruit, develop, support, and retain a staff that meets the needs of every student.
- **Goal 4: Facilities and the Learning Environment:** ACPS will provide optimal and equitable learning environments.
- **Goal 5: Health and Wellness:** ACPS will promote efforts to enable students to be healthy and ready to learn.

- **Goal 6: Effective and Efficient**

**Operations:** ACPS will be efficient, effective, and transparent in its business operations.

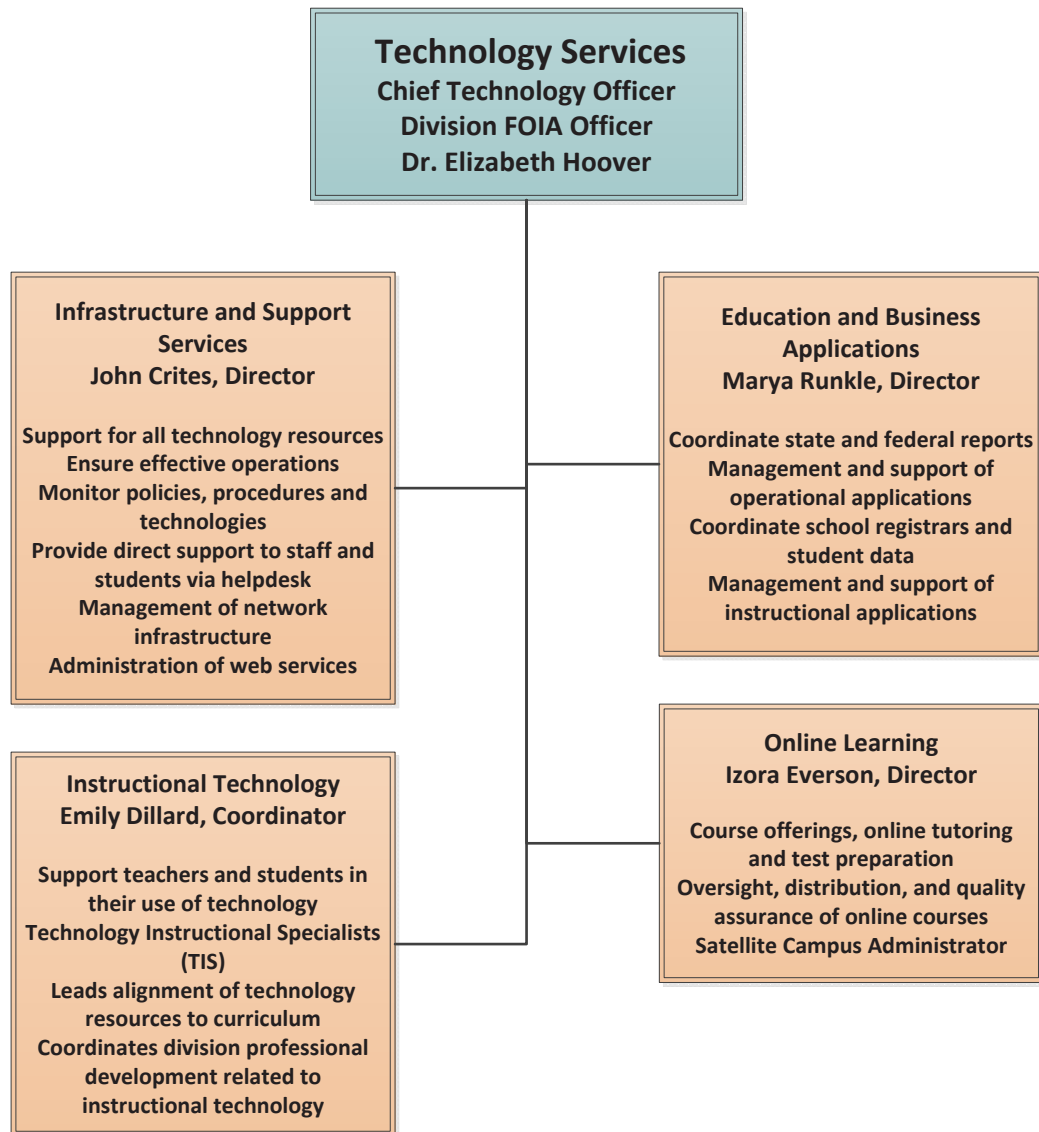

The Technology Services Department leads and manages the implementation of the ACPS Technology Plan which is aligned with the 2020 Strategic Plan. There are four major technology goal areas in this plan: Learning Environment, Professional Learning, Infrastructure, and Data.

*Learning Environment* - To create student-centered, technology-rich learning environments that provide for academic excellence and educational equity by encouraging creativity, critical thinking, and collaboration.

- Provide equitable opportunities and resources that allow for meaningful and relevant learning opportunities for students. Define and model instructional strategies that implement a 21st century curriculum that supports student-centered, technology-rich learning environments.
- Evaluate how technology is used to support creation, collaboration, and critical thinking.
- Proactively support community understanding of technology resources,

# Technology Services

---

# Technology Services

---

blended learning, and their impact on student learning.

*Professional Development* - Provide effective professional development for all staff that mirrors best practices and supports learner-centered, technology-rich learning environments.

- Provide job-embedded, differentiated professional learning options that encourage learner choice, meaningful participation, and risk-taking for professional growth.
- Maintain a program of instructional leadership development that fosters effective identification and implementation of technology in support of academic achievement.

*Infrastructure* - Provide a reliable infrastructure that facilitates the operation of the school division and is transparent to the end user.

- Build and maintain a technical architecture that provides a strong and scalable foundation in support of the goals of the division.
- Provide efficient and effective support for all instructional and administrative technology resources for students and staff.
- Monitor policies, procedures, and technologies to ensure that computing resources are secure and recoverable.
- Maintain office productivity software and systems for communication and collaboration throughout the division.
- Develop sound policies and procedures for the acquisition and management of technologies.

*Data* - Provide access to high-quality data to support data-driven decision making.

- Implement governance structure to manage and monitor IT investments.
- Increase data accessibility and data quality.
- Enhance and implement systems and analysis tools.
- Collaborate to procure, update, and maintain assessment tools and systems

that provide authentic and blended assessment opportunities

In addition to implementing the Technology Plan, Technology Services is also responsible for complying with a variety of state mandates. These are listed below.

- The Virginia Department of Education requires state-mandated assessments, including annual assessments and end-of-course (EOC) exams (some required for high school graduation) to be administered online on a computer unless a student has a documented need for a paper/pencil test. Tests are administered during fall, spring, and summer.
- Virginia Code 22.1-253.13:2 SOQs: Virginia's standards of quality (SOQ) require two full-time equivalent positions per 1,000 students in kindergarten through grade 12, one to provide technology support and one to serve as an instructional technology resource teacher (Technology Integration Specialist).
- Technology Plan: The state currently operates under the Educational Technology Plan for Virginia: 2010–2017, which serves as a blueprint for school divisions to enhance students' academic achievement through technology. Each division must devise its own technology plan, which defines a strategic direction for both the short and long term and is aligned with the state technology plan.
- Virginia Code 22.1-70.2 Acceptable Use/Responsible Use Policy: Schools and divisions are required to establish guidelines for appropriate technology use. These guidelines generally are called acceptable use policies (AUP). By definition, an AUP is a written agreement signed by students, their parents/caregivers, and their teachers. It outlines the terms and conditions for using technology-based devices maintained by schools and personal technology-based devices used during school hours on school

# Technology Services

property. During the 2011-2012 school year, ACPS transitioned its AUP to a Responsible Use Policy (RUP). In February 2016, the RUP, Employee Use of Social Media Policy and Student Use of Social Media Policy and Regulations were updated.

- Reports: As a result of local, state and federal requirements, (ESSA Every Student Succeeds, Title I, Family Educational Rights and Privacy Act, Individuals with Disabilities Education Improvement Act, student records collections, etc.) ACPS submits numerous reports throughout the calendar year. These reports are all coordinated and collected through Technology Services.
- Filtering: Various laws mandate Internet filtering on school and library computers. Legislation passed by the Virginia General Assembly required state schools to implement filtering in public schools by July 1, 2001. The Children's

Internet Protection Act (CIPA), passed by Congress in December 2000, applies to all schools and libraries that receive E-rate discounts for Internet access and internal connections. On Apr. 5, 2001, the Federal Communications Commission (FCC) issued regulations for schools and libraries receiving non-telecommunications E-Rate discounts.

## Department Goals

Central office departments prepared department goals and strategies in support of meeting division objectives. The following table represent the department's work plan for the fiscal year as the first phase of establishing long-term Specific, Measurable, Aggressive and Achievable, Results-Driven, Time-Bound (SMART) goals.

### Department Title: Technology Services

#### Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
Provide all ACPS students a rich learning environment by upgrading and/or increasing availability of technology resources in all schools.	Provide technology tools to allow for more personalized and secure learning experiences inside and outside of the classroom.	Distribute Chromebooks for all students in grades 4-12. Implementation goals include a reliable infrastructure, effective communication with the ACPS community, differentiated instruction for teachers and students, and student-centered decision making. Data will be collected in all of the stated areas
	Upgrade technology tools to make curriculum resources more reliable and accessible.	Increase single-sign on capabilities with Clever, GSuite and Canvas for students, staff and parents.
		Provide students access to 500 mobile hot-spots designed to provide filtered Internet access from home. These hot-spots are specifically designed for K-12 education and are available for check-out through student helpdesks.
		Implement a new Learning Management System, Canvas.
	Increase exposure to digital tools that focus on math and science.	Provide each Kindergarten classrooms with six student iPads to replace classroom desktops.
		In collaboration with Curriculum and Instruction, provide middle schools with grant opportunities around coding. In collaboration with Curriculum and Instruction, provide elementary schools with Osmos, interactive manipulatives.

# Technology Services

## Department Title: Technology Services

### Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
Provide job-embedded, differentiated professional learning options that encourage learner choice, meaningful participation and risk-taking for professional growth.	Work in collaboration with Curriculum and Instruction to provide professional learning for teachers and administrators that integrates technology into the curriculum and supports blended learning practices.	Host a two-day summer professional learning event for teachers and administrators, Blended Learning Camp, to increase understanding of blended learning, learn new and existing tools and to provide opportunities for collaboration around the ACPS curriculum.
		Host a mini Blended Learning Camp for Curriculum and Instruction staff, including Specialized Instruction and English Language Learner staff to increase understanding of blended learning, learn new and existing tools and to provide opportunities for collaboration around the ACPS curriculum.
		Offer Blended Learning Cohorts for teachers, building and Central Office administrators.
		Partner with Curriculum and Instruction staff to plan, lead and/or support professional learning sessions on division-wide professional learning days.
		Provide multiple opportunities for teachers and administrators to participate in Canvas training. Opportunities include summer, face-to-face, online, after school and within the school day.
		Provide professional development for counselors and librarians on Common Sense Media Digital Citizenship curriculum.
		Host a Leadership Roundtable event with Google for Education
By summer 2018, upgrade IT infrastructure in at least 50% of ACPS buildings to increase reliability and availability of services.	Work in collaboration with Student Services to provide professional learning for administrators and support staff to improve	Provide training on discipline data entry to school administrators.
		Provide customized school-based PowerSchool training for new principals.
		Continue deployment of VOIP at FC Hammond and George Washington Middle Schools, as well as Chance for Change and Transportation.
		In collaboration with the City IT Department, upgrade iNet hardware in all schools.
		Increase bandwidth from 2Gbps to 4Gbps.
Increase access to valid, reliable, and timely data to stakeholders specifically reporting on metrics identified by the 2020 Strategic Plan.	Continue to increase the access to valid, reliable, and timely data to stakeholders.	Prioritize recommendations. Implement those that can be completed within the FY 18 budget.
		Update the ACPS data dashboard to include Year 3 Key Performance Indicators of the 2020 Strategic Plan.
		Reduce the need for dozens of discrete student and staff logins by consolidating applications to a common authentication mechanism.
		Provide parents/guardians with login access to ACPS Academic Access (AAA) within the first week of school.
		In collaboration with Financial Services and Human Resources, implement recommendations for the ACPS Payroll Audit.

SMART: Specific, Measurable, Aggressive and Achievable, Results-Driven, Time-Bound

#### Strategic Plan Goals:

1. Academic Excellence and Educational Equity
2. Family and Community Engagement
3. An Exemplary Staff
4. Facilities and the Learning Environment
5. Health and Wellness
6. Effective and Efficient Operations

# Technology Services

---

## Budget Summary

The Technology Services funds services provided to ACPS in the areas of connectivity, business applications, educational applications, backup services, and security. The FY 2019 operating funded budget is \$12.00 million, an increase of \$0.14 million. The total number of positions increase to 59.50 FTEs. This increase includes 1.00 FTE technician I and 1.00 FTE technology integration specialist positions funded through the operating budget. This is offset by a reduction of 0.50 FTE technology integration specialist position funded through E-Rate FCC Universal Service. These positions will help to support the new Ferdinand T. Day Elementary School.

The budget for the purchased services category is \$1.07 million, a decrease from the prior fiscal year. This category funds professional services, maintenance services, other printing and binding, computer equipment repair, software maintenance, and computer network services.

The materials and supplies category continues to provide support for the division through online subscriptions and software such as Electronic School Board, Microsoft licensing fees, web development application, Kaltura, PowerSchool, Blackboard, Atomic Learning, BrainPop, VoiceThread, Discovery, Naviance, DimensionsU and Respondus.

The capital outlay category continues to fund additions and replacement of capital technology hardware for upgrades to the network and replacement of computers, laptops, and devices including hardware for data center and network storage. The budget is reduced to \$2.26 million within this category.

The E-rate Program helps ensure that schools obtain high-speed internet access and telecommunications at affordable rates. The Technology Services Department continues to receive funding through E-rate of \$0.34 million.

## Responsibilities

The Department of Student Services, Alternative Programs and Equity is led by the Chief Student Services, Alternative Programs and Equity Executive Director and supports the division in achieving goals 1, 2, 3, and 5 of the ACPS strategic plan:

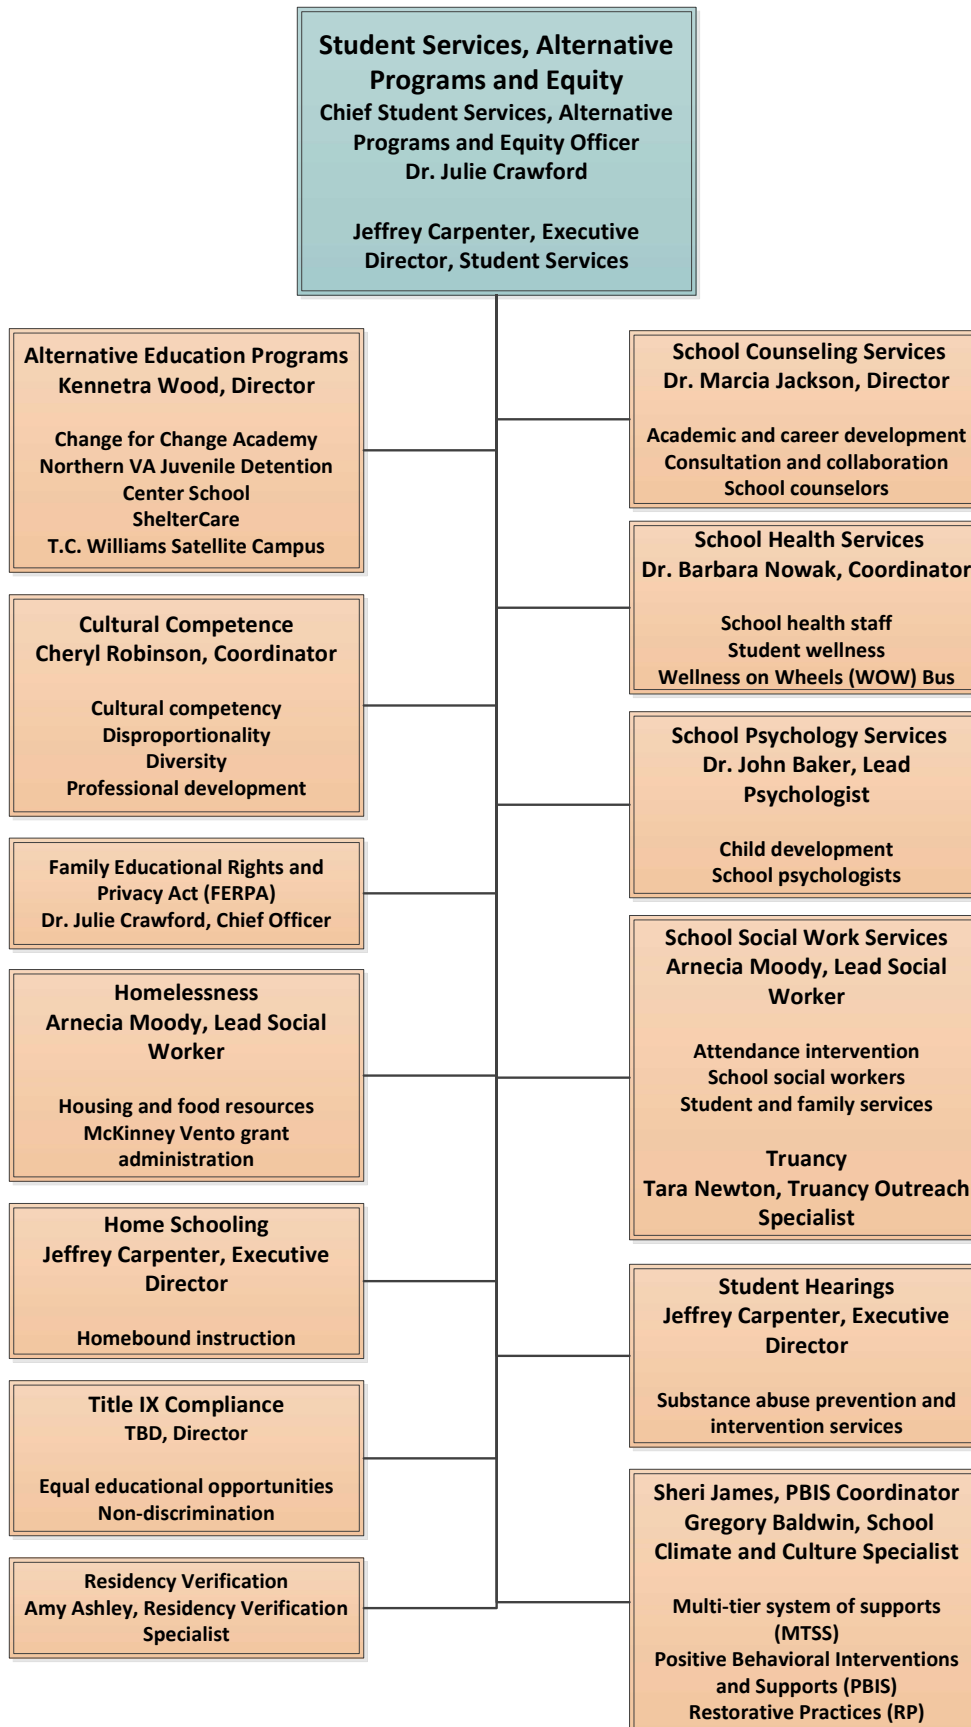

- **Goal 1: Academic Excellence and Educational Equity:** Every student will be academically successful and prepared for life, work, and college.
- **Goal 2: Family and Community Engagement:** ACPS will partner with families and the community in the education of Alexandria's youth.
- **Goal 3: An Exemplary Staff:** ACPS will recruit, develop, support, and retain a staff that meets the needs of every student.
- **Goal 5: Health and Wellness:** ACPS will promote efforts to enable students to be healthy and ready to learn.

These goals are achieved through the collaborative efforts of the Office of Alternative Programs and Equity and the Office of Student Services.

The Office of Alternative Programs and Equity provides direct oversight to division-level alternative programs, including the T.C. Williams Satellite Campus, Chance for Change Academy, Northern Virginia Juvenile Detention Center School and ShelterCare Educational Program. The office also works with students who are placed in the Bryant Transition Support Resource Center (TRSC) or who are on home instruction.

The office will provide counsel and support to the administration, school principals and staff to help ensure ACPS schools are safe, equitable learning environments for all students. The office reviews, recommends and implements policies, regulations and procedures that address issues of disproportionality, diversity and cultural competency. The office also serves as the division liaison to many community agencies that support student wellness.

# Student Services, Alternative Programs and Equity

## Student Services, Alternative Programs and Equity

---

Sustained professional development on equity and cultural competency is offered for staff, students, and the community to assist schools in monitoring issues of disproportionality and diversity. In addition, guidance and support are provided to school administrators and secondary deans for attendance, discipline, and other issues that impact student academic and social achievement. The office issues and monitors discipline through hearings needed to support appropriate student behavior and develops and implements effective strategies to support student achievement, increase graduation rates, decrease dropouts, and address issues of disproportionality.

compassion, and a commitment to positive results for every student.

The Office of Alternative Programs and Equity works with the Department of Technology Services on the submission of required data for the Crime and Violence Report, a state report.

Instructional programs such as the Minority Student Achievement Network (MSAN), Young Stars Success Program, and Mentoring Program at T.C. Williams High School are coordinated through this office.

The Office of Student Services' staff works to ensure success for every child, every day. These professionals are dedicated to executing the School Board's promise to be committed to the academic, social, physical, and emotional well-being and development of ACPS students.

ACPS serves students with extraordinary talents and extraordinary needs. Using a cross-disciplinary approach, the professionals in the Department of Student Services, Alternative Programs and Equity address the health, psychological, counseling, and social, physical, and mental health work needs of ACPS students and families. Continuous increases in enrollment and the need to address the academic and social-emotional needs of students and families dramatically impacts the requirements on these professionals. The staff delivers essential services with expertise,

# Student Services, Alternative Programs and Equity

## Department Goals

Central office departments prepared department goals and strategies in support of meeting division objectives. The following

table represent the department's work plan for the fiscal year as the first phase of establishing long-term Specific, Measurable, Aggressive and Achievable, Results-Driven, Time-Bound (SMART) goals.

### Department Title: Student Services, Alternative Program & Equity

#### Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
During the 2017-18 school year, using the MTSS framework, 100% of schools will be supported with achieving or maintaining alignment with the components of the American School Counselor Association (ASCA) National Model as measured by counseling program reviews in order to support the achievement, attendance and positive behavior outcomes of students.	Targeted support for elementary school counselors	<ul style="list-style-type: none"> <li>• Provide school program review based on the components of the ASCA model as measured by the RAMP Rubric</li> <li>• Meet individually with elementary counselors to review current levels of progress to provide needed supports</li> <li>• Observation of various aspects of the counseling program (i.e., classroom lesson, academic advisement, parent meeting)</li> <li>• Provide coaching through the monthly ASCA/RAMP support sessions</li> <li>• Review school specific achievement, attendance and behavior data to develop ways to intervene that positively impact student outcomes</li> <li>• Provide professional development on data collection and reporting out of data</li> </ul>
	Targeted support for middle school and K-8 counselors	<ul style="list-style-type: none"> <li>• Meet with each counseling team to assess ongoing implementation with the ASCA model given RAMP status</li> <li>• Observation of various aspects of the counseling program (i.e., classroom lesson, academic advisement, parent meeting)</li> <li>• Provide coaching to individual counselors who demonstrate a need</li> <li>• Provide resources for ongoing professional learning as needed</li> <li>• Review school specific achievement, attendance and behavior data to develop ways to intervene that positively impact student outcomes</li> <li>• Provide targeted professional development as needed</li> </ul>
	Targeted support for high school counselors	<ul style="list-style-type: none"> <li>• Provide feedback on ASCA components using the RAMP rubric as schools submit information each month</li> <li>• Consult with school based Director of Counseling to gauge levels of progress to provide needed supports</li> <li>• Observation of various aspects of the counseling program (i.e., classroom lesson, academic advisement, parent meeting)</li> <li>• Provide coaching through the monthly ASCA/RAMP support sessions</li> <li>• Review school specific achievement, attendance and behavior data to develop ways to intervene that positively impact student outcomes</li> <li>• Provide professional development on data collection and reporting out of data</li> </ul>
By July 2018, the Chance for Change Academy, NVJDCS, and Satellite Program will have developed a comprehensive Positive Behavior Supports Framework (PBIS), to include Restorative Practices that will support the reduction of suspensions at each location by 25% and enhance the climate of each site as measured by staff, students, and administrative evaluations.	Strategy: Enhance the PBIS Framework at each site through targeted support specific to each site.	<ul style="list-style-type: none"> <li>• Provide site administration with resource materials prior to enhancement of the framework to strengthen background knowledge.</li> <li>• Attend and complete required professional development with consultant(s) and ACPs designated staff. Review current framework and effectiveness, to include messaging to students and families.</li> <li>• Monthly written summary of status of the framework and implementation. This will address what is working, how well, and changes necessary to note success.</li> <li>• Meet individually with site based administration monthly to review current levels of progress to provide needed supports</li> <li>• Participate in consistent observation of the framework in action.)</li> <li>• Review attendance and behavior data monthly.</li> </ul>

# Student Services, Alternative Programs and Equity

## Department Title: Student Services, Alternative Program & Equity

### Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
By June 2018, 80% of staff in three of the alternative programs (CFC, NVJDC, Satellite ) will agree with the statement, "There is an atmosphere of trust and mutual respect in this school or program."	Utilizing pre-assessment data regarding climate, supports will be provided to ensure that the goal of 80% is achieved and that it is maintained going into the 2018-19 school year.	<ul style="list-style-type: none"> <li>Utilize focus groups with staff to assess current perceptions of climate and how best to enhance.</li> <li>Develop an on-going action plan to address concerns presented by the staff.</li> <li>Provide professional learning opportunities to administration to enhance their skills in creating climates where there is an atmosphere of trust and mutual respect at their site.</li> <li>Provide district wide resources to administrators where applicable.</li> <li>Provide resources for ongoing professional learning as needed.</li> </ul>
By June 2018, the Office of Alternative Programs and Equity will work with each secondary school to decrease the disproportionality between short term suspensions and enrollment for Black and Hispanic/Latino students by 10%.	Improve communication of best practices to support this reduction through site based and administrative reflection on current practices.	<ul style="list-style-type: none"> <li>Review previous year's suspension data with Climate Specialist and site administration.</li> <li>Review MTSS/PBIS Framework for each site and current suspension data, to include teachers referring students, students disciplinary history, administrator assigned to student, alternatives to suspension options by site, and role of the Dean (middle school only) in the suspension process.</li> <li>Provide additional professional development opportunities to support areas of need.</li> <li>Require administrators to journal for one week to chart disciplinary actions, or if the site has a recording system, utilize it to review current practices and effectiveness.</li> <li>Provide supports based on findings from review.</li> <li>Coordinate best practices with each of the secondary schools to share successes and problems of practice.</li> </ul>
By July 2018, the Department of Student Services, Alternative Programs and Equity will work with each school to decrease the disproportionality between short term suspensions as it correlates to enrollment for Black and Hispanic/Latino students by 10%.	Revise Student Code of Conduct and provide to all site administrators.	Provide yearly (August/September) discipline updates and reminders memo to administrators. Provide opportunities for questions and answers.
	Collaborate with building administrators to increase alignment between schools regarding discipline practices.	Consultation with School Deans, as well as professional development opportunities and data review. Attend AP and Principal meetings upon request and/or develop and deliver presentations centered on discipline management and data.
	Collaboration with Dept. of Accountability to collect quarterly discipline data.	Review division and hearings office data and building level suspension data for recidivism and consult with specific schools based on the data.
	Student Education	Develop and implement student rights language in the code of conduct and provide schools with resource materials to educate students regarding the Code of Conduct and rights.
By July 2017, the Chance for Change Academy and Satellite Program, will have developed a comprehensive Positive Behavior Supports Framework (PBIS) that will support the reduction of suspensions at each location and enhance the climate of each site as measured by staff, students, and administrative evaluations	Provide professional development opportunities on PBIS systems, practices and data to ensure effective Tier One practices and supports.	Collaborate with PBIS Coordinator to include alternative program staff in division professional development opportunities on PBIS Tier One systems, practices and supports
	Provide professional development opportunities on Restorative Practices to improve relationships among staff and students.	Collaborate with PBIS Coordinator to include alternative program staff in division professional development opportunities on community circles.
	Assess implementation quarterly.	Using the team and various members of the DSSAPE Dept., analyze data regarding the climate of the sites.
By July 2018, 75% of staff in each of the alternative programs (CFC, NVJDC, Satellite and Shelter care) will agree with the statement, "There is an atmosphere of trust and mutual respect in this school or program."	Provide pre and post assessment questions from the survey to the staff.	Utilizing questions from the survey, provide staff with an opportunity to respond, but also include specific examples to support their responses.
	Based on results of the TELL Survey (2016), develop an action plan to move forward to ensure that goal is attained.	Review of results and develop plan in collaboration with site leadership.
	Conduct observations of staff to note progress.	Utilize information to drive PD, staff meeting agendas and support for staff.

# Student Services, Alternative Programs and Equity

## Department Title: Student Services, Alternative Program & Equity

### Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
By July 1, 2018, using the MTSS framework, the school social work team will establish a system for tracking and analyzing the effectiveness of interventions delivered by social worker's to support and provide interventions to students in need of social, emotional, behavioral, substance abuse and/or academic supports.	Establish a system for tracking and analyzing the effectiveness of interventions delivered by school social worker team to ensure that student's are receiving high fidelity service supports and interventions (social, emotional, behavioral, substance abuse and/or academic supports).	1. Track/monitor referral concerns submitted to student support team. 2. Maintain a record of students referred for Tier 2 and 3 level supports. 3. Track/monitor effectiveness of interventions and/or supports delivered by social work team.
	Increase professional knowledge, skills, and competencies of ACPs social workers.	1. Attend at least one professional development workshop that enhances the delivery of social work-related services and supports (assessment, intervention, counseling or crisis response) in schools. 2. Conduct independent study in an area that is specific to the needs of a school/program or one's role as a school social worker. 3. Conduct department-wide professional staff development with school social workers in the field of social worker.
	Analyze school social work data.	Review school social work data with the team to identify areas of improvement.
	Offer professional development to staff.	The school social work team will host a series of in-service presentations for school staff focusing on improving student's attendance. Topics include the importance of collaborating as school-based teams to address positive attendance practices and working collectively to encourage students to attend school on time.
By July, 2018, the positive attendance and truancy prevention program develop and implement practices/procedures for Restorative Attendance Circles at the 9th grade campus.	Incorporation of attendance related strategies with MTSS interventions.	<p>Truancy Outreach Specialist will collaborate with ACPs staff to increase the implementation of Tier 1 interventions with students by integrating the use of Restorative Attendance Circles at the TC Williams 9th grade, Minnie Howard Campus.</p> <p>Baseline data will be obtained this year with a pilot group of ten 9th grade students who will be selected to participate in Restorative Attendance Circles once a month between October and June of the 2017 – 2018 school year. Baseline data will be collected to obtain information regarding the potential effectiveness of Restorative Attendance Circles in reducing and/or maintaining positive attendance in ACPs schools.</p> <p>Truancy Outreach Specialist will continue to facilitate Restorative Attendance Circles each school year using the same cohort of students to track attendance data and progress.</p>
By July, 2018, the positive attendance and truancy prevention program will increase staff awareness and understanding of positive attendance initiatives, interventions and ACPs attendance procedures, as measured by pre/post assessments.	Provide attendance related professional development activities to community partners and ACPs staff	<p>The Truancy Outreach specialist will host a series of in-service presentations for identified school staff which focus on factors which impact student attendance.</p> <p>The Truancy Outreach specialist will collaborate with identified ACPs departments leads in order to provide attendance specific training and support to staff and/or community members.</p> <p>Baseline data will include the number of attendance related professional development activities that were provided in the 2016-2017 school year. For example, attendance related professional development opportunities were provided to 3 specific audiences/groups in 2016-2017: school nurses, FACE/Spanish speaking parents and school social Workers. This year, training opportunities could increase by targeting 5 groups: school counselors, school nurses, a different population of parents associated with FACE, school social workers, and select teachers at the secondary level.</p>
	Increase collaboration with the Northern Virginia Truancy Prevention and Intervention Stakeholders	Truancy Outreach Specialist will collaborate with and support surrounding school jurisdictions in Northern Virginia 2 times a year to confirm and assess the impact of state attendance codes and guidelines set forth by VDOE, Virginia Compulsory Attendance Laws and the Virginia Administrative Code/s.

# Student Services, Alternative Programs and Equity

## Department Title: Student Services, Alternative Program & Equity

### Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
By July, 2018, the Department of Student Services will develop a Strategic Prevention Framework plan to address K-12 Substance abuse prevention needs.	Design the K-12 Substance abuse Strategic Prevention Framework (SPF) plan	Produce a Strategic Prevention Framework (SPF) plan (Document)
	Explore technical support from agencies in the Strategic Prevention Framework (SPF) implementation	Explore and get technical support from the Virginia Department of Behavioral Health & Developmental Services and/or SAMHSA services.
		Identify partners (external and internal) (list)
		Meet and greet with external and internal partners (List and outcome)
	Start collection of data towards the assessment component of the Strategic Prevention Framework (SPF) -(Conduct a needs analysis )	Identify current SA prevention initiatives, collect data, (list and description)
		Study and interpret YRBS survey & protective and risk factors study. (Document)
		Interview at least 5 counselors from 5 High schools and 5 from Middle school. (Report)
		Identify and/or Support at least one current SA prevention initiative (attendance list)
		Develop at least one SA prevention partnership (agreement)
By July 2018, the Department of Student Services will design and implement a preliminary MTSS aligned model for Substance Abuse intervention services for K-12.	Develop and deliver a MTSS -Tiered system for SA intervention to meet students and staff needs.	Design the K-12 MTSS of Substance Abuse Intervention Services (Document)
		Obtain the screening, assessment and curriculum tools (materials & tools)
		Conduct screenings, assessments and referrals to K-12 students suspended due to violations of the Student Code of Conduct related to substance abuse or substance related problems. (# of screenings, # of assessments, # of referrals)
		Conduct Early Intervention Curriculum sessions for eligible students suspended due to violations of the Student Code of Conduct related to substance abuse or substance related problems. (Pilot)+ (number of participants)
By July 2018, the Department of Student Services, Alternative Programs and Equity will Improve compliance with current ACPs residency guidelines in the schools and EL office by 5%. **2016/17 audit data (76% overall compliance of files reviewed).	Conduct a policy review and continue positive collaboration with stakeholders to provide improved residency verification.	1. Review policies/practices of surrounding jurisdictions, best practices, historical data, state and federal laws to provide recommendations to strengthen ACPs policies and practices. 2. Support the tiered process for residency verification in the schools. 3. Meet with all school based staff (nurses, registrars, social workers and principal/administrators) responsible for residency verification to review current residency policy and expectations.
	Complete a review of current residency verification practices at ACPs schools and EL office, continuing to identify opportunities for improvement of the residency verification process.	1. Provide education and support to registrars on how to comply with the ACPs -JEC regulations in person, by phone and in monthly registrar meetings. 2. Complete file reviews of new registrations (2017/18 school year) in each school and the EL office to identify compliance with current registration guidelines. 3. Compare data gathered from the 2016/17 file review to identify areas that continue to need of focus
	Refine system wide re-registration expectations and procedures to ensure all residency documentation is current and accurate.	1. Review policies/practices of surrounding jurisdictions, best practices, historical data, state and federal laws to provide recommendations for system wide re-registrations in ACPs. 2. Develop a comprehensive plan to conduct a system wide re-registration at several of the grade levels.

# Student Services, Alternative Programs and Equity

**Department Title: Student Services, Alternative Program & Equity**

**Department Work Plan: 1 Year SMART Goals for SY 2017-2018**

Departmental Goals	Strategies	Major Action Steps
By July 2018, complete 100% of Section 504 internal reviews and provide feedback to schools.	Review and update the 504 procedural manual.	Continue to gather data on the current 504 practices to determine where gaps in knowledge are and add to the existing procedural guidelines that will help to build the capacity of staff.
	Attend professional development sessions on 504.	Continue to provide professional development to staff to ensure capacity is built throughout the system.
	Internal Review process	Develop process and questions for internal review process and communicate the process to schools in advance of the internal review process beginning.
	Provide individual consultation to schools.	Receive phone and email consultations from school teams and attend meetings as requested to support school teams. Develop an internal review process & procedures for implementation during SY 2017-18.
	Update the current 504 paper process to an electronic process that integrates into the student information system so that as students move from one school to another, their 504 status is evident to staff.	Monitor the input of Section 504 data into power school.
By July 2018, ACPS School Health Services will assess 100% of students who require state mandated screenings and/or healthcare provider diagnosed chronic conditions and create referrals and Individualized Health Plans that assist the student's ability to access the curriculum.	Identify ACPS students for state mandate screenings for hearing and vision. Create referrals for all students who fail the screenings.	1. Identify and screen all K, 3rd, 7th, and 10th grade students for hearing and vision assessments. 2. Identify and screen all new students in ACPS for hearing and vision assessments. 3. Refer all students who fail the screenings to the appropriate healthcare provider.
	Identify all ACPS students with healthcare provider diagnosed chronic health conditions.	1. Identify students with chronic conditions via the electronic health record, paper copies of the Health Information Forms, and teacher and parent interviews. 2. Create IHPs for all students with healthcare provider diagnosed chronic health conditions. Send letters to all parents/guardians of students with diagnosed chronic health conditions informing them of their rights under Section 504. Inform classroom teachers, Child Find, Special Instruction and Guidance of students' conditions for appropriate 504 or IEP development to allow the student to fully participate with the curriculum.
By July 2018, ACPS Health Services in collaboration with the Health/P.E. Specialist and the Director of Nutrition Services will have assisted in the implementation and evaluation of the School Board Wellness policies.	Develop guidance documents that will inform the work of a school's Wellness Committee and direct evaluation of the implementation of the Wellness Policy within the schools.	1. Review the CDC's resources on school wellness initiatives' implementation and evaluation. 2. Survey the schools for the work that the established Health and Wellness committees are already doing. 3. Survey the work already being completed by the Asst. Director of Health/Safety/Risk Management and the Fac Health/Safety Specialist for alignment with the new Wellness policy. 3. By November 15, write a guidance document for use by the Wellness Committee to implement the Wellness Policy in their schools. 4. By November 15, write an evaluation tool to provide accountability for the implementation of the Wellness Policy in the schools. 5. By December 15, review the documents with the Wellness Champions and receive feedback to finalize the documents.
	Consult with the school Wellness committees to define and align their work to meet the new Wellness policy.	1. Identify a School Wellness Champion at each school. 2. Review the guidance documents with the Wellness Champions. 3. Provide guidance for the Wellness Champions concerning the evaluation of implementation of the Wellness policy at the individual school level.
	Develop a plan to evaluate implementation of the Wellness policy in the schools.	1. By March 30, complete a pilot project of evaluating three schools using the evaluation tool. 2. Review the pilot project for areas of success and needed change and make the necessary changes to the evaluation document. 3. Consider feedback from school administrators, school nurses, and SHAB on the evaluation document. 4. Create a plan to evaluate implementation of the Wellness policy at each school within ACPS every three years on a rotating basis.

# Student Services, Alternative Programs and Equity

## Department Title: Student Services, Alternative Program & Equity

### Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
By July 2018, ACPS Health Services, in collaboration with Neighborhood Health, will have developed plans to institute school based clinics for dental and medical care delivery in two schools in ACPS.	Provide dental services at Jefferson-Houston in the clinic spaces provided within the school.	<ol style="list-style-type: none"> <li>1. By October 2, work in collaboration with Neighborhood Health and the WOW Bus, begin using portable dental equipment within the schools to deliver needed dental care.</li> <li>2. By February 16, review the dental services provided at Jefferson-Houston and discuss feasibility of permanent equipment in the space at Jefferson-Houston.</li> </ol>
	Collaborate with facilities to design space within the new school located on Beauregard Street for dental services.	<ol style="list-style-type: none"> <li>1. Work with facilities to develop areas within the new building design to accommodate clinic space.</li> <li>2. Collaborate with Neighborhood Health for them to purchase equipment to supply the proposed clinic space.</li> <li>3. Determine if portable equipment vs. fixed equipment is the best solution.</li> </ol>
	Support collaboration with Neighborhood Health and ACPS to begin provision of pediatric medical care at Jefferson-Houston and the new school on Beauregard modeled after the Teen Wellness Center at TC Williams High School.	<ol style="list-style-type: none"> <li>1. Review up-to-date community needs assessments completed by Inova Alexandria and Neighborhood Health to ensure continued need for pediatric care in the two locations.</li> <li>2. Work with Director of Schools, Business and Community Partnerships to create a Memorandum of Agreement supporting medical care at the two school locations.</li> <li>3. Begin collaboration with the school administration to ensure success of dental and medical services within the school buildings.</li> <li>4. Collaborate with Neighborhood Health to purchase needed equipment and hire staff to serve the school community.</li> </ol>
By June 2018, 100% of ACPS psychologists will track and monitor all Tier 2 and Tier 3 social, emotional, and/or behavioral supports provided to students referred to the MTSS team.	Implement process for tracking and monitoring the effectiveness of interventions delivered by school psychologists to students requiring Tier 2 and Tier 3 social, emotional, and/or behavioral supports.	<ol style="list-style-type: none"> <li>1. Track reasons for referral of students referred to the MTSS or Student Support Team.</li> <li>2. Maintain record of students receiving Tier 2 and 3 level supports delivered by school psychologist.</li> <li>3. Monitor effectiveness of interventions and/or supports delivered by school psychologist.</li> </ol>
By June 2018, 100% of ACPS psychologists will increase their professional knowledge/skills in NASP (National Association of School Psychologists) Domain #10: Legal, Ethical, and Professional Practice.	Increase professional skills and competencies of ACPS psychologists.	Attend at least one professional development workshop that enhances their understanding of the legal and ethical principles guiding the delivery of psychological services and supports (i.e., assessment, intervention, counseling, crisis response, etc.) in schools.
During the 2017-18 school year, using the Multi-tiered System of Support (MTSS) framework, 14 out of 16 schools will achieve fidelity of implementation of their positive behavioral interventions and supports (PBIS) framework to support students' social emotional and behavioral outcomes as measured by the Tiered Fidelity Inventory.	Increase the number of schools implementing PBIS with fidelity from 11 to 14 schools as indicated by a score of 70% or better on the Tiered Fidelity Inventory (TFI).	Provide training for PBIS coaches and school teams on the systems, practices and data required to implement Tier 1-3 strategies and supports. 2. Provide technical assistance to PBIS coaches, school teams and administrators on an as-needed basis to increase consistency and effectiveness of positive behavior programming.
	Expand technical support to T.C. Williams HS and Hammond as restorative practices expands to 12th grade and IA, respectively.	<ol style="list-style-type: none"> <li>1. Meet monthly with RP implementation teams to monitor progress and areas of need.</li> <li>2. Identify staff in need of training throughout the year.</li> <li>3. Offer regular training on Community Circles for new staff.</li> </ol>
	Expand the capacity of the PBIS Coaches to support and lead school-based teams in the implementation of tiered practices and supports.	<ol style="list-style-type: none"> <li>1. Meet monthly with PBIS coaches to deliver professional development and group support towards schools' PBIS goals.</li> <li>2. Support coaches in the monitoring of progress in their school's implementation of PBIS.</li> <li>3. Support coaches and administration in the identification of areas of need for their school's PBIS framework.</li> </ol>
	Analyze school discipline data.	Regularly review school discipline data with PBIS coaches to identify areas of improvement for PBIS implementation.

# Student Services, Alternative Programs and Equity

## Department Title: Student Services, Alternative Program & Equity

### Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
During the 2017-18 school year, 100% of the School Board and administrators will participate in professional development that highlights their individual and collective spheres of influence and ways to positively wield their positional authority to create and implement and sustain more equitable policies, practices and processes.	Targeted Support for School Board Members	<ul style="list-style-type: none"> <li>• Meet with members at least six times to extend equity conversations to focus on school board policy and to explore equity related the topics of their choosing.</li> <li>• Use equity assessment tools to review policies to ensure that each supports the equity work required to achieve the ACPS Strategic Plan Goals.</li> <li>• Review the 2017 Hanover report on ACPS policies.</li> <li>• Assess exemplars from other school district's equity policies.</li> <li>• Continue conversations focusing on intersectionality and meeting the needs of the whole child.</li> </ul>
	Targeted Support for ACPS Administrators	<ul style="list-style-type: none"> <li>• Meet seven times during the school year to expand conversations.</li> <li>• Provide coaching focusing on equity when requested.</li> <li>• Provide resources for ongoing professional learning.</li> <li>• Review division wide and school specific achievement, attendance and behavior data to develop ways to intervene that positively impact student outcomes.</li> </ul>
	Targeted Support for School Staff	<p>Offer skill-building professional development on identifying, addressing and redressing issues of personal, interpersonal, and structural inequities in schools.</p> <ul style="list-style-type: none"> <li>• Meeting with equity advisory committee to design, facilitate and evaluate equity conversations.</li> <li>• Offer city-wide professional learning opportunities on culturally responsive planning, teaching, evaluating and behavioral supports with a focus on student learners who are experiencing the education debt.</li> <li>• Consult with national experts relative to best practices in eliminating structural, interpersonal and personal behaviors that advantage some student groups and disadvantage others.</li> <li>• Pilot units in the equity curriculum with staff serving Mt.Vernon Community School.</li> </ul>
By July 2018, utilizing Restorative Practices (RP), in collaboration with the Multi-tiered System of Support (MTSS) framework, 100% of specified groups at T.C. Williams High School (10th grade English teachers; 11th and 12th grade Economics and Personal Finance teachers; 12th grade History, Government and English teachers) will be trained in RP circles that support student achievement and	Implement MTSS to increase RP tiered approach.	Facilitate or support the use of Tier 3 restorative conferences for students with 3 or more days of suspension.
	Provide RP professional development to specified staff and faculty (10th grade English teachers; 11th and 12th grade Economics and Personal Finance teachers; 12th grade History, Government and English teachers).	Reinforce and support the implementation of RP, in collaboration with the MTSS framework, through professional development opportunities.
	Collaborate with secondary school leadership to create a positive learning environment and school culture using the RP framework.	Monthly meeting with secondary school leadership to gather feedback on the use of the RP framework to create a positive learning environment and school culture.
	Provide support to secondary school in the implementation of tiered RP practices and supports.	Monthly meeting with RP implementation teams to monitor progress, identify areas of need, and develop opportunities for growth.
By July, 2018, we will establish a system for tracking and analyzing the effectiveness of RP.	Provide pre and post assessments.	Provide staff and students with an opportunity to assess the culture and climate needs of the school and community as it relates to RP.
	Collaborate with secondary school leaders to identify areas of disproportionality regarding discipline practices.	Monthly review of school discipline data with school leaders to identify areas of disproportionality.

SMART: Specific, Measurable, Aggressive and Achievable, Results-Driven, Time-Bound

#### Strategic Plan Goals:

1. Academic Excellence and Educational Equity
2. Family and Community Engagement
3. An Exemplary Staff
4. Facilities and the Learning Environment
5. Health and Wellness
6. Effective and Efficient Operations

# Student Services, Alternative Programs and Equity

## Budget Summary

The Student Services, Alternative Programs and Equity budget supports Alternative Programs and Equity and Student Services. The FY 2019 operating funded budget totals \$3.03 million, an increase of \$0.07 million. Positions will remain unchanged at 18.08 FTEs.

### Student Services

The Student Services budget supports school health, psychology, counseling and social work services, homebound instruction, Minority Student Achievement Network (MSAN), Positive Behavioral Interventions and Supports (PBIS), truancy and homelessness support. The total FY 2019 operating funded budget is \$2.10 million, a slight decrease.

Funding in materials and supplies will increase to reflect an additional need for instructional supplies. Materials and supplies continues to be budgeted for instructional materials, office and paper supplies, refreshments, software/online charges, and medical supplies.

## Alternative Programs

The Alternative Programs and Equity budget supports the direct oversight of the alternative education programs and activities to ensure ACPS schools provide safe, equitable learning environments for all students and supports professional development on cultural competence. The FY 2019 budget is \$0.93 million, an increase of \$0.08 million over the prior fiscal year. Staffing remains unchanged at 5.00 FTEs for FY 2019.

The purchased services category will continue to fund medical/legal services, instructional services, other professional services, staff development, other printing and binding, and tuition for services provided by other divisions.

#### Responsibilities

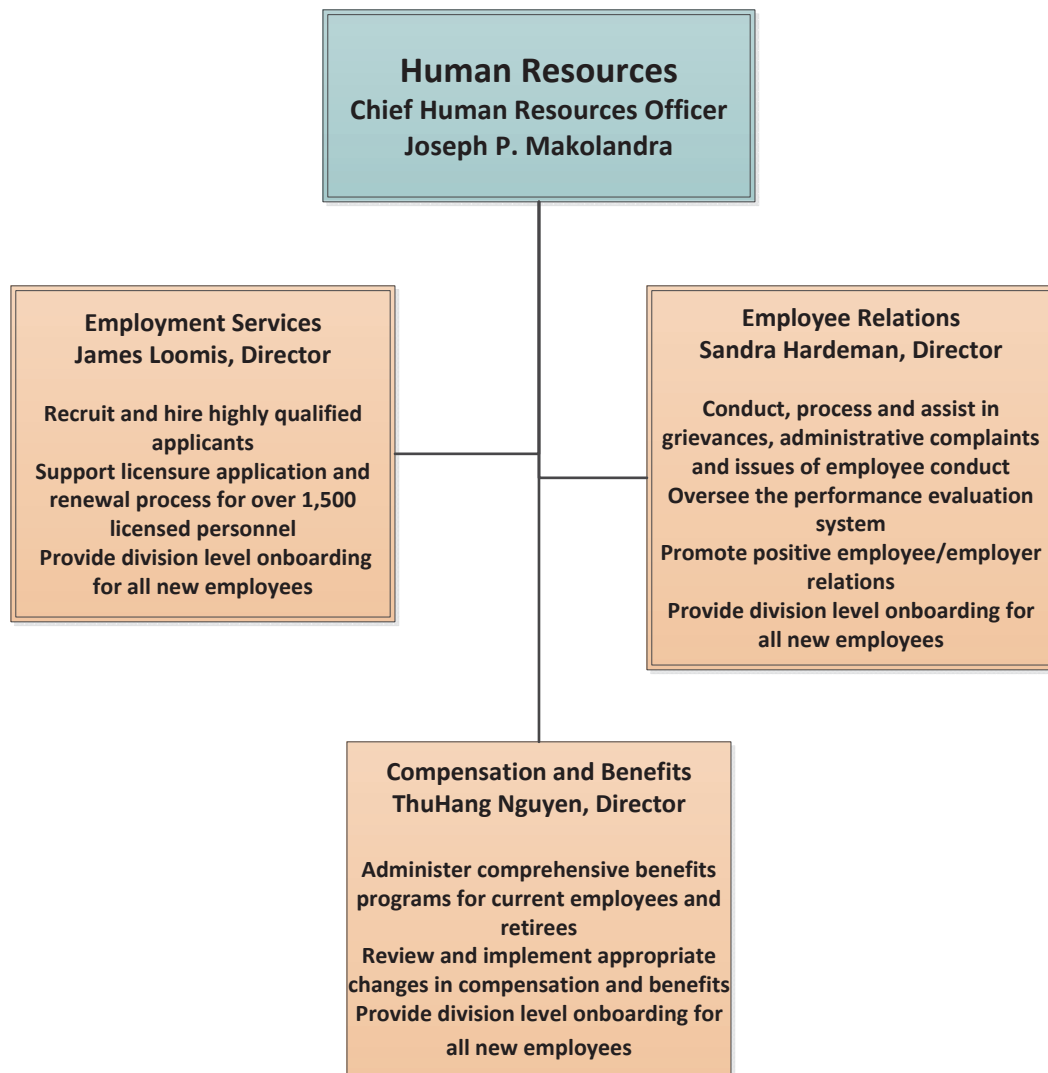

The Human Resources Department is led by the Chief Human Resources Officer and supports the division in achieving goals 3 and 6 of the ACPS strategic plan:

- **Goal 3: An Exemplary Staff:** ACPS will recruit, develop, support, and retain a staff that meets the needs of every student.
- **Goal 6: Effective and Efficient Operations:** ACPS will be efficient, effective, and transparent in its business operations.

The Human Resources Department advances educational excellence by recruiting, selecting, and retaining the very best instructional and support staff. Primary responsibilities are to:

- Recruit and hire highly-qualified applicants who reflect the needs of a culturally diverse community and student population;
- Complete and review background checks on all newly hired employees;
- Administer comprehensive benefits programs to include health, dental, vision, retirement, workers compensation, flexible spending accounts, and deferred compensation;
- Review and implement appropriate changes in compensation, benefits, and personnel administration to ensure market competitiveness and compliance with all federal, state, and local mandates;
- Conduct, process, and assist in the investigation and adjudication of grievances, administrative complaints, and other issues of employee conduct;
- Provide division-level onboarding for all new employees;
- Develop succession planning initiatives to ensure ACPS has well-prepared leaders for future leadership roles;
- Maintain and update human resource (HR) databases and files associated with employee management;

# Human Resources

- Support licensure application and renewal for over 1,500 licensed personnel;
- Promote positive employee/employer relations and create a climate in which optimum staff performance and satisfaction can be achieved;
- Oversee the performance evaluation system and support the services and environment that each employee requires for professional and personal development;
- Ensure compliance with all federal and state laws and mandates related to Human Resources including:
  - Code of Virginia
  - Department of Homeland Security Immigration Laws
  - Equal Employment and Opportunity Act (EEOA)
  - Occupational Health and Safety Act (OSHA)
  - Virginia Workers' Compensation Act
  - Civil Rights Act
  - Family and Medical Leave Act (FMLA)
  - Age Discrimination in Employment Act
  - Americans with Disabilities Act (ADA)
  - Fair Labor Standards Act (FLSA)
  - Health Insurance Portability and Accountability Act (HIPAA)
  - Patient Protection and Affordable Care Act (PPACA)
  - IRS section 125

## Department Goals

Central office departments prepared department goals and strategies in support of meeting division objectives. The following table represent the department's work plan for the fiscal year for establishing long-term Specific,

Measurable, Aggressive and Achievable, Results-Driven, Time-Bound (SMART) goals.

### Department Title: Human Resources

#### Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
ACPS will hire the best employees possible and create an environment that motivates, competitively compensates and retains them.	Percentage of full-time classroom positions filled with well qualified teachers on the first day of school.	Complete Recruitment Roundtable with principals to share last years results and obtain input to shape recruiting activities for 2018. Complete aggressive campus recruiting schedule focused on critical field positions, teacher quality and workforce diversity. Complete ACPS Job Fair
	Percentage of new teachers hired before June 30 of each year.	Share month by month hiring trend data with principals and discuss the importance to hiring early. Set specific timelines for hiring completion on known vacancies
	Student teachers placed in ACPS	Increase outreach and relationship building with local universities to obtain outstanding student teacher placements that will meet hiring needs and provide an opportunity to assess their classroom performance before hiring. Partner with directors of elementary and secondary instruction to identify the best placements.
	Teacher Salaries in Northern Virginia	Survey surrounding districts to obtain market information regarding salaries Submit budget recommendation to ensure ACPS maintains competitive posture in the marketplace
	Quality of the workplace as reported on the TELL Survey	Complete procurement and contract for TELL Survey; Convene survey committee; Complete implementation plan Execute survey; Report results; Provide post survey communications and administrator training
	By July 2018 develop and vet leadership development plan; set goals and targets	Obtain resources to collaborate with stakeholders and develop plan.
	Identify internal candidates prepared for school leadership roles and increase the number each year of the life of this Strategic Plan	Identify internal candidates that have leadership potential to determine development opportunities to support their preparation for future leadership roles. Identify internal candidates that have the appropriate licensure to be considered for leadership roles and determine the developmental needs they have to be prepared for these roles.
ACPS will provide multiple opportunities for all employees to receive feedback and coaching on their performance and resources needed to improve and excel.	Percentage of employees with documented evaluations.	Produce reports by school and department indicating outstanding evaluations for each work site.
	Percentage of evaluations completed on time	Produce reports by school and departments for the percentage of evaluations completed for all employee groups.

# Human Resources

---

**Department Title: Human Resources****Department Work Plan: 1 Year SMART Goals for SY 2017-2018**

Departmental Goals	Strategies	Major Action Steps
ACPS will engage in cycles of continuous improvement at every level of the school division, and employ evidence-based decision-making in its consideration of process improvements, policy making, and budgeting and accountability	Comprehensive HR Audit	Audit completed by Gibson Auditors

SMART: Specific, Measurable, Aggressive and Achievable, Results-Driven, Time-Bound

Strategic Plan Goals:

1. Academic Excellence and Educational Equity
2. Family and Community Engagement
3. An Exemplary Staff
4. Facilities and the Learning Environment
5. Health and Wellness
6. Effective and Efficient Operations

# Human Resources

## Budget Summary

The Human Resources budget consists of two parts: the Human Resources Department and the Division-Wide Human Resources accounts. The Human Resources Department budget manages the daily operations of the department, while the Division-Wide Human Resources budget supports system-wide activities. The FY 2019 Final Budget totals \$9.36 million, a decrease of \$0.36 million from the previous year. Positions remain the same at 14.00 FTEs.

## Human Resources

The budget for the Human Resources Department supports recruitment and retention of staff, new teacher and substitute orientation, compensation and benefits, employee relations, service awards, and the retirement ceremony. The FY 2019 Final Budget is \$1.79 million, relatively the same as FY 2018 Final Budget.

Salaries and employee benefit increases are offset by reductions in overtime and lower salaries due to retirements as well as reductions

in non-personnel expenditures including materials and supplies and purchased services.

## Division-Wide Human Resources

The Division-Wide Human Resources budget includes funding for employee benefits, substitutes, and tuition reimbursement. The budget also supports division-wide benefits and substitutes. The Final FY 2019 Division-Wide Human Resources budget totals \$7.57 million, a decrease of \$0.35 million. There are no FTEs in this department.

The major factor for the decrease is due to the reductions from supplemental accounts as well as division-wide benefit reductions that are accounted for in school and department budgets.

## Responsibilities

The Financial Services Department (FSD) is led by the Chief Financial Officer and supports the division in achieving goal 6 of the ACPS strategic plan:

- **Goal 6: Effective and Efficient Operations:** ACPS will be efficient, effective and transparent in its business operations.

This goal is achieved through the collaborative efforts of the Offices of Budget and Financial Planning, Financial Systems and Reporting, Procurement and General Services, Accounting Services, and Payroll Services.

The Financial Services Department serves as a steward for public funds, safeguarding the assets of ACPS while supporting the division to meet annual and long-term performance goals.

Primary responsibilities are to:

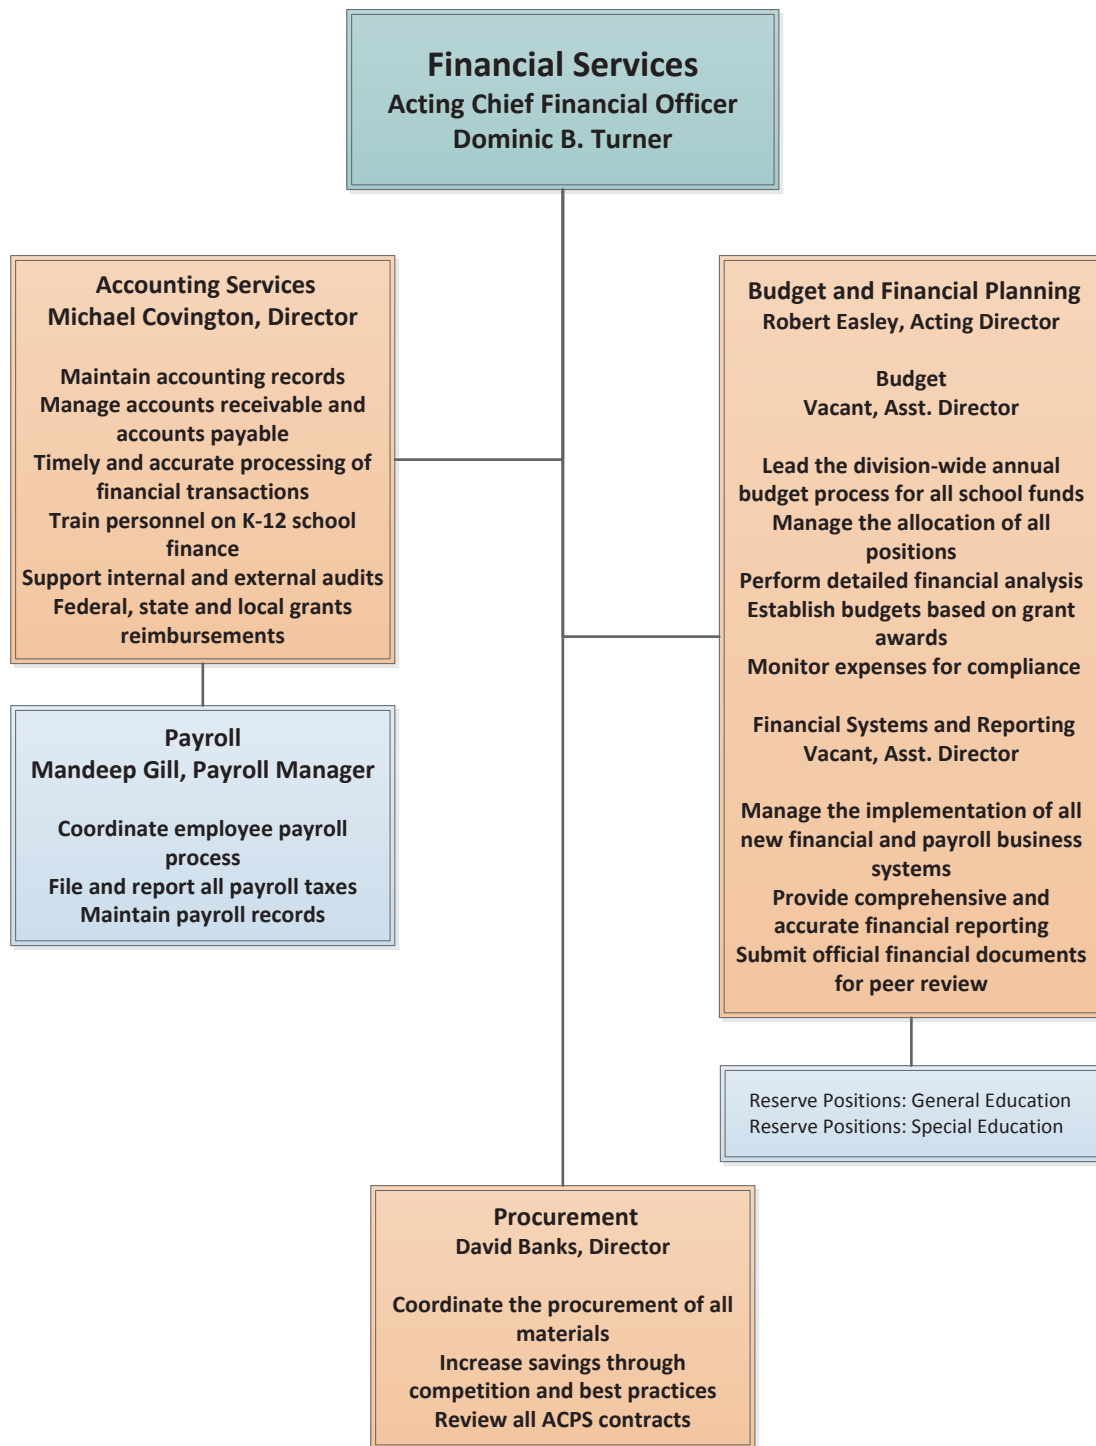

- Support and assist schools and departments in budget preparation, financial management, procurement procedures, appropriation control,

expenditures monitoring, position control, chart of accounts, and student activity funds;

- Provide excellent customer service by enhancing the efficiency of financial operations throughout the division through continuous assessment of the department and implementation of technological and process improvements;
- Lead, coordinate, and prepare the division-wide annual budget for all school funds. This includes establishing budgets in compliance with grant awards and ACPS requirements;
- Prepare and manage the allocation of all positions through the use of staffing formulas and class size analyses. Monitor staffing assignments and compliance with total approved full-time equivalents (FTEs);
- Prepare financial documents, including School Board materials, the Superintendent's proposed budget book, the School Board's final budget book, internal management reporting, the Virginia Annual School Report (ASRFIN), and the

# Financial Services

---

# Financial Services

---

## Comprehensive Annual Financial Report (CAFR);

- Maintain accounting and payroll records in compliance with state and federal regulations;
- Ensure the timely and accurate processing of all financial transactions, including accounts receivable, accounts payable, payroll, Automated Clearing House (ACH) transactions, purchase orders, invoices, and credit or procurement cards;
- Perform detailed financial analyses to ensure division-wide expenditures and positions are in compliance with approved and amended budgets, School Board policies and division regulations;
- Manage the implementation of all new financial and payroll business systems and provide ongoing system administration and security support;
- Increase dollar savings through best business practices, procurement process standardization, and review of all ACPS contracts and partnership agreements with other organizations for greater business efficiency. Train all staff for accurate decentralized procurement processes; and
- Review and enhance internal controls to safeguard division assets and guarantee fiscal accountability. Implement generally accepted accounting principles to ensure compliance and prevent theft and fraud.

# Financial Services

## Department Goals

Central office departments prepared department goals and strategies in support of meeting division objectives. The following

table represent the department's work plan for the fiscal year as the first phase of establishing long-term Specific, Measurable, Aggressive and Achievable, Results-Driven, Time-Bound (SMART) goals.

### Department Title: Financial Services Department

Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
<b>Financial Services: Accounting Office</b> Goal 1: By June 2018, improve the overall timeliness of paying ACPs vendors by increasing the division-level percentage of total invoices paid within 30 days from 75% to 80%.	Increase school/department awareness of the performance measure and its importance.	Provide period YTD processed invoice aging statistics to schools/departments
	Provide guidance and support to improve schools/department performance.	Identify schools/departments with lowest invoice payment aging score and arrange two meetings during FY17 with school and department staff to review open PO and invoice processing status.
Goal 2: By June 2018, school leaders will have greater knowledge of fiscal procedures and oversight responsibilities.	Develop standard operating procedures for a minimum of two key fiscal functions and provide training to school leaders and business support staff.	Update the Student Activity Fund policies and procedures manual; coordinate training.
		Assist with P-Card Program implementation and coordinate training.
<b>Financial Services: Payroll Office</b> Goal 1: By June 2018, reduce Supplemental Payrolls by 50%. Baseline will be FY 16 total Supplemental Check runs.	Engage with Human Resources, Departments/Schools, Program Managers to increase awareness of issues impacting supplemental payrolls.	Update the Travel Policy and Regulations Manual; coordinate training.
	Evaluate processes to compile TCP hours reporting for payment.	Meetings with Human Resources, Program Managers/Department Heads to reaffirm Payroll deadlines and supplemental payroll cause and effects.
	Review payroll department procedures for handling supplemental payrolls.	Meetings with IT to evaluate the file export process and address issues causing Supplemental Payrolls.
Goal 2: By June 2017, establish a baseline of employee inquiries for routine payroll information to support future inquiries reduction efforts.	Develop method/process to categorize, log and track inquiries to payroll office.	Establish Payroll Department guidelines for supplemental payrolls.
	Identify potential strategies to reduce inquiries for key payroll information.	Monitor inquiries received, by telephone, email and in person office visits.
		Calculate inquiries volume activity to establish a baseline count to provide comparison for effectiveness of future inquiries reduction efforts.
<b>Financial Services: Procurement and General Services Offices</b> Goal 1: By June 2018, improve best practices and benchmark the Procurement office's efficiencies by those agencies who have reached a new level of excellence.	Submitting an application for the Achievement of Excellence in Procurement (AEP) Award.	Engage Schools/Departments to identify ways to provide answers to "frequently asked payroll questions" that are easily accessible to employees.
	Provide in-person and on-demand training regarding procurement requirements for division leaders, and business support staff, including MUNIS requestors and approvers.	Develop responses to all 19 criteria required to apply for the AEP Award. Verifying that Procurement has the proper practices in place to submit an application. Increase the number of passing criteria based on the previous grading matrix by at least two criteria.
	Enhance the centralized contracting database for use by procurement staff and schools/ departments.	Update training materials and presentations; schedule training session and make on-demand material available online. Visit each school, twice a year, at a minimum, to discuss updates and perform individual training on different aspects of the Treasurers roles and responsibilities.
		Work within MUNIS to establish requirements and configuration. Ensure all contracts are uploaded with the proper dates and requirements. Set up a process to notify Procurement 90 – 120 dates prior to renewal or expiration of insurance requirements as an additional action to the actual contract notifications (insurance must remain current for the life of the contract).

# Financial Services

Departmental Goals	Strategies	Major Action Steps
Goal 2: By December 2017, through MUNIS e-Procurement, the Vendor community will have the ability to register electronically to do business with ACPS, providing email addresses and contact information, so stay informed of contracting opportunities.	Develop procedures for vendor registration. Develop written procedures guiding Vendors on how to login, set passwords, and register, posting the documentation to the FSD/Procurement web site page.	Work with Systems in implementing e-Procurement. Setting up on site training for Vendors. Send out letter notifications to vendors to register. Cleaning up current vendor tables.
		Create training materials, creating a voice training demo for vendors to use.
		Establish and coordinate training and guidelines for P-Card users, determine pilot group, train procurement staff.
		Work with schools to procure instructional materials that support academic achievement and implementation of MTSS.
<b>Financial Services: Budget Management Office</b> Goal 1: Plan, manage, monitor and report spending to provide ACPS decision makers and the community with a reliable, accurate, and complete view of the financial performance of the education system at all levels.	Improve long-range fiscal forecasting capabilities to project financial performance over the next five years, identifying key drivers to inform strategic decision making at the ACPS leadership and School Board levels.	Expand existing models to incorporate modeling for all major funds (operating, grants and special projects, school nutrition) and create projections with ACPS leadership input. Use the resulting forecast to establish targets for FY 2019 budget, and to inform long-range budget conversations with the Alexandria City Council.
	Improve monthly reporting and analysis, ensuring that all principals and department heads have a clear picture of their year-to-date financial performance at all times.	Schedule quarterly reviews of the fiscal dashboard with all principals, department heads, treasurers, and other key personnel.
	Improve transparency of information reported to community.	Revise the annual Budget Book, reducing the volume of material and highlighting key information to make the budget more readily understandable.
Goal 2: Improve cost-effectiveness and efficiency of the financial management function.	Streamline the annual budget approval process.	Create budget process rules of engagement that focus budget questions on key budget drivers and high-dollar items.
	Better monitor the position control process, decreasing processing time of requests and creating clear and ongoing documentation of decisions.	Establish bi-weekly meetings with HR to ensure all position changes and approvals are captured and processed. Explore the Munis functionality for position change requests. Develop and institute a reporting process for leadership to view position changes on a monthly basis.
<b>Financial Services: Financial Systems and Reporting Office</b> Goal 1: Improve end-user satisfaction of financial systems by 10%	Measure end-user satisfaction on a regular/semi-annual basis.	Distribute end-user satisfaction survey at the end of FY2018
Goal 2: Continually review and enhance system functions and programs to improve operational efficiency.	Implement software to trace end-user incidents with the ability to categorize requests to observe trends.	Compare issue history to baseline year of FY 2016 data collection to evaluate improvement areas.
	In coordination with the Department of Educational Facilities, implement Project Accounting program in Munis to facilitate the Capital Improvement Program financial management.	Meet with key stakeholders to design project plan.
	Stay abreast of software enhancements related to MUNIS and TimeClock Plus software.	Attend annual user conferences and subscribe to online forums related to MUNIS TimeClock Plus. Participate in user group meetings.
	Establish knowledge base to include procedural documentation for all Financial Service and Human Resource activities.	Collect and review all existing procedural documentation to ensure unity and establish 'official' documentation to be used for all training events. Draft procedural documentation for processes where documentation does not yet exist.

SMART: Specific, Measurable, Aggressive and Achievable, Results-Driven, Time-Bound

## Strategic Plan Goals:

1. Academic Excellence and Educational Equity
2. Family and Community Engagement
3. An Exemplary Staff
4. Facilities and the Learning Environment
5. Health and Wellness
6. Effective and Efficient Operations

# Financial Services

---

## **Budget Summary**

The Financial Services budget consists of two parts: the Financial Services Department and the Division-Wide FSD Reserve. The Financial Services Department budget manages the daily operations of the department, while the Division-Wide FSD Reserve houses the funding for the staffing and enrollment adjustment reserves, as well as lapse salary and benefits. The FY 2019 operating fund budget totals \$4.59 million, an increase of \$1.98 million. Staffing is projected to increase by 2.50 FTEs to 38.00 FTEs.

### **Financial Services Department**

The Financial Services Department budget supports budget and financial planning, financial systems and reporting, procurement and general services, grants management, accounting services, payroll services, and fiscal procedures and compliance. The FY 2019 budget will be \$4.15 million, relatively the same as FY 2018. Staffing levels will remain the same as FY 2018 at 24.00 FTEs.

Salaries and Employee Benefits increases are due primarily to step and health benefit cost increases for current staff. Budget reductions in intermittent and overtime, purchased services and materials and supplies account for an offsetting reduction available to the department.

The FY 2019 budget for internal services account has a credit balance of \$0.10 million to offset the school and department internal services budget.

### **Division-Wide FSD Reserve**

The Division-Wide Reserve budget funds the reserve positions and enrollment adjustment reserve account. These are offset by the lapse salary and benefit accounts which reflect in a department balance of \$0.44 million for the FY 2019 budget. This is an increase of \$1.98 million compared to FY 2018.

The special education reserve is comprised of 2.00 FTE teachers and 2.00 FTE paraprofessionals. The general education teacher reserves will be 10.0 FTE. Including in the FY 2019 final reserve positions are also positions associated with English Learner programs as well as general education teacher reserves related to redistricting enrollment shifts.

ACPS estimates the level of lapse savings as a part of the budget process which is included in the division-wide accounts. This has been reduced to approximately \$0.32 million for FY 2019.

### Responsibilities

The Support Operations Department is led by the Chief Operating Officer and supports the division in achieving goals 4 and 5 of the ACPS strategic plan:

- **Goal 4: Facilities and the Learning Environment:** ACPS will provide optimal and equitable learning environments.
- **Goal 5: Health and Wellness:** ACPS will promote efforts to enable students to be healthy and ready to learn.

These goals are achieved through the collaborative efforts of Educational Facilities, Pupil Transportation, and School Nutrition Services.

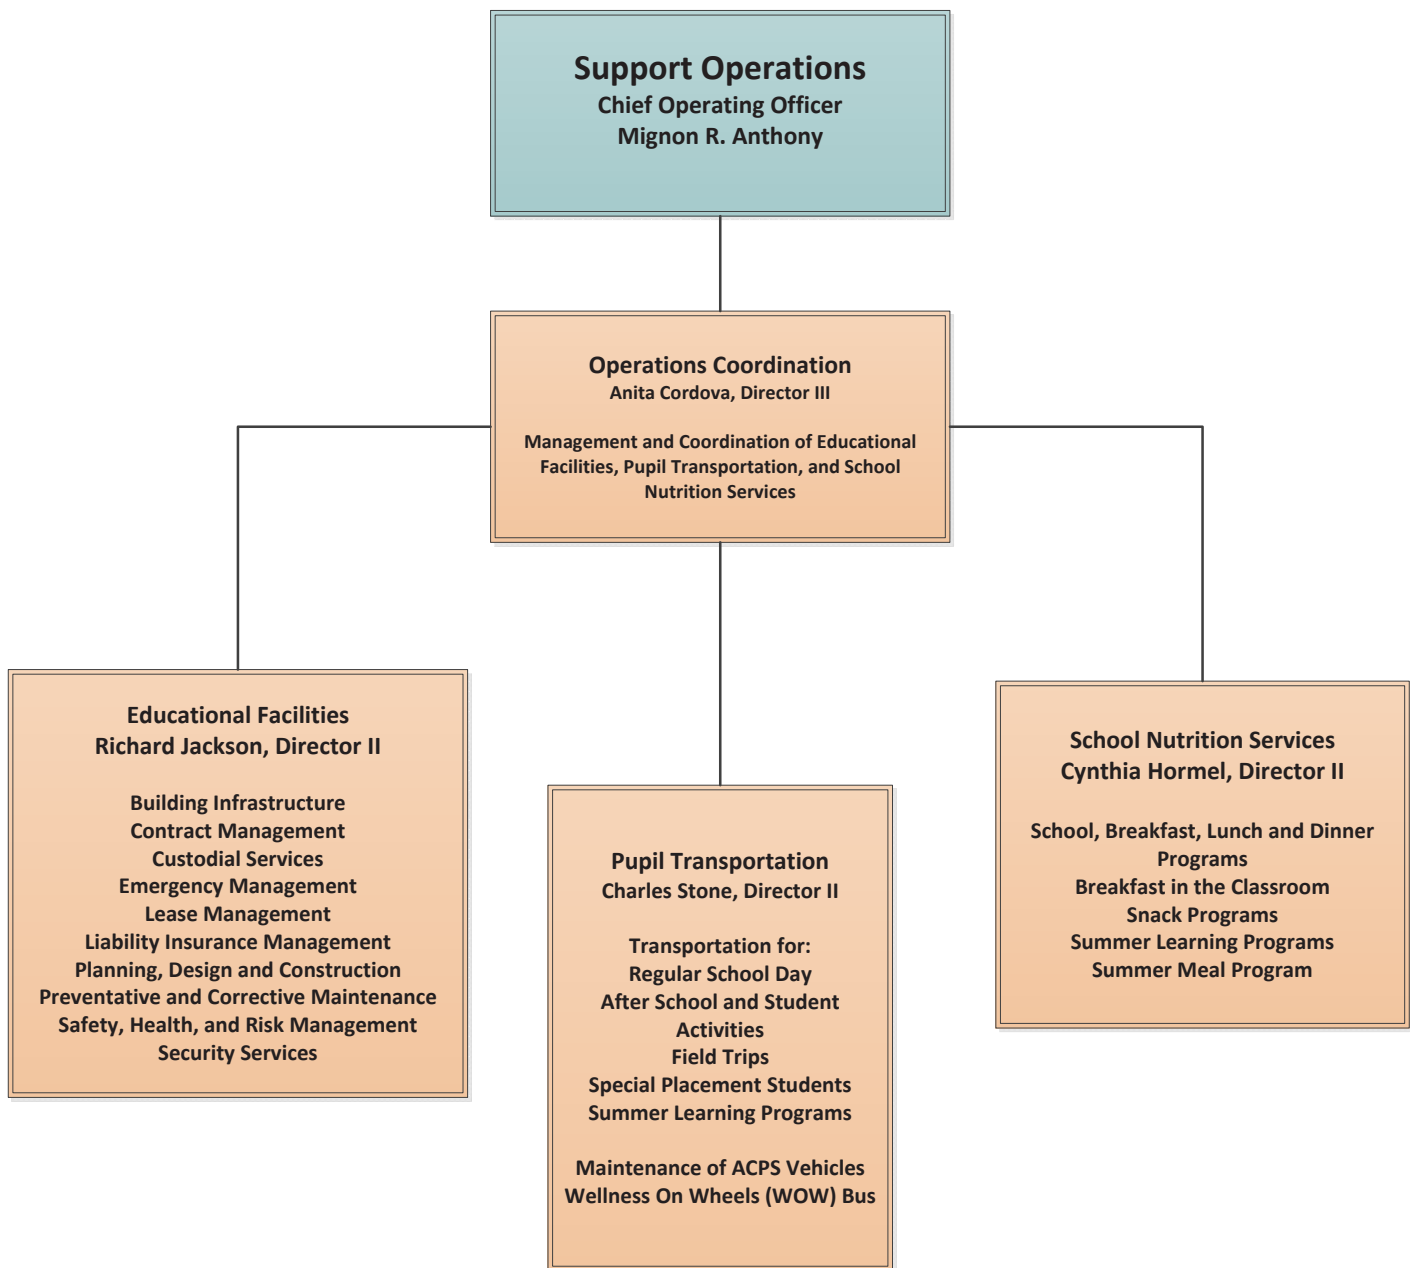

The Department of Educational Facilities manages the Capital Improvement Program budget. The construction of new buildings, as well as the renovation and modernization of existing buildings is accomplished through this budget.

The operations and maintenance program oversees the daily functioning of all ACPS facilities. This includes custodial, maintenance, and lease services, as well as environmental controls within the buildings. Items that fall in this area include painting of facilities, landscaping, and building services.

The health and safety program oversees the division's security services, emergency management, and liability insurance services.

The department also employs a part-time

# Support Operations

schoolyard garden liaison to work with elementary schools in both maintaining the gardens and creating hands-on learning for the students.

The Department of Pupil Transportation transports students to and from school on a daily basis in safe, well-maintained vehicles. The department is also responsible for transporting students from afterschool activities, to and from summer learning programs, private

placement facilities and on field trips. The department maintains the Wellness on Wheels (WOW) bus, a mobile dental unit currently serving John Adams, Patrick Henry, Cora Kelly and William Ramsay elementary school students. In addition, the maintenance and upkeep of all ACPS vehicles resides in this department.

School Nutrition Services (SNS) supports the educational mission and instructional

# Support Operations

programs of ACPS by providing nutritious meals to students and staff. School Nutrition Services provides a variety of choices for meals (breakfast, lunch, dinner, snacks, and summer feeding) that meet the Dietary Guidelines for Americans, 2010. Meals are planned using the USDA mandated criteria for menu patterns as a guide that ensures a focus on whole grains, fruits and vegetables, lean proteins, and low fat dairy. Nutritious meals give ACPS students the opportunity to make educated, healthy food choices that will have positive physical outcomes and contribute to high academic

achievement.

## Department Goals

Central office departments prepared department goals and strategies in support of meeting division objectives. The following table represent the department's work plan for the fiscal year as the first phase of establishing long-term Specific, Measurable, Aggressive and Achievable, Results-Driven, Time-Bound (SMART) goals.

### Department Title: Chief Operating Officer

#### Department Work Plan: 1 Year SMART Goals for SY 2017-2018

Departmental Goals	Strategies	Major Action Steps
Provide optimal learning environments and infrastructure for all ACPS facilities	Develop a defensible FY2017-2026 Capital Improvement Plan (CIP)	Submit the CIP to the School Board (November 2017) and have it approved and funded by the City in the Spring of 2018. The Department of Educational Facilities (DEF) submitted the annual CIP FY2018-2027 on schedule; it currently being reviewed, and will be approved by the School Board in January 2018. Complete the New West End School construction documents and Notice To Proceed for construction by Winter 2017
Ensure well maintained facilities throughout ACPS	Support well maintained facilities throughout ACPS	Implement efficiencies recommended in the recent DEF audits to better maintain ACPS facilities Use newly developed Key Performance Indicators to monitor work order performance Work with Procurement Services to issue additional contracted services to streamline the acquisition of frequently ordered supplies and services Execute the four major HVAC projects (Mt. Vernon, Samuel Tucker, George Washington, Charles Barrett) planned in FY 2018
Provide sustainable facilities throughout ACPS	Promote sustainable environmental practices in existing and planned ACPS facilities	Continue refining the energy conservation program developed by the Facilities Energy/Project Manager. The current KPI goal is 55 KBTU/GSF by 2020. DEF initiatives to reduce consumption include using ESPC's as developed by the Virginia's Department of Mineral and Mines, conversion to LED's throughout ACPS and in new acquisitions, modernizations and renovations as well as identifying systems and areas with good savings-to-investment ratios. Cost saving initiatives include peak demand reduction rebates and continued utility rate reviews. Contact the US Department of Energy for assistance in pursuing Net Zero Building Initiatives
Provide safe and secure facilities	Create system-wide protocols and training for emergency situations, including lock-in and lock-down	By Winter 2017, have protocols developed and schedule regular training. DEF has submitted a comprehensive security/safety program for the Central Office and schools. Training is currently being reviewed by the senior management, we anticipate implementing training dates once the review is complete.
	Ensure that all facilities are properly completing and reporting required drills	By the end of Winter 2016, have an approved system for drill reporting. DEF security/safety has reported on all ACPS properties for meeting annual mandatory building drills. Those schools not in compliance have been reported to senior management for follow-up on corrective action.
	Ensure buildings are ADA accessible	Annually perform inspections/reviews of all elevators, lifts and ramps for ADA accessibility. ACPS is in compliance with ADA requirements based on City and State code inspections on elevators and lifts. During modernization on vertical equipment, all "grandfather" features will be addressed to ensure new revisions based on code.
Provide quality outdoor learning environments throughout ACPS	Create outdoor learning and recreation opportunities at ACPS facilities	Maury Playground is complete and arrangements are underway for the Alexandria City Department of Recreation, Parks and Cultural Activities to assume the maintenance of the synthetic field. The recent recreational improvements are experiencing significant use and community participation.

# Support Operations

**Department Title: Chief Operating Officer**

**Department Work Plan: 1 Year SMART Goals for SY 2017-2018**

Departmental Goals	Strategies	Major Action Steps
Provide efficient school bus transportation while encouraging safe walking and biking to school	Ensure all buses arrive at their secondary schools on time for dismissal	Develop individual dismissal plans for each elementary school
	Reduce overcrowding on the buses	All buses leave elementary school before 2:45pm
		Review routes every month and update
		Improve the use of technology
	Reduce incidents of miscommunication at afternoon drop off	Ensure all buses are mechanically sound and safe for transporting students
		Create check off sheets for all Kindergarten students
Support the financial stability of School Nutritional Services (SNS)	Provide healthy meals and ensure effective financial oversight of SNS	Alternate authorized names on run sheets
		Continue the implementation of Primero-Edge software, which provides the ability to view and analyze profit/loss by site in real time
		Start cafeteria/kitchen upgrades
		Increase the number of food deliveries to individual schools
		Develop a new menu-district marketing calendar that keeps parents and other school stakeholders informed about meal services to increase participation
		Reduce barriers to completing Free And Reduced Meal applications by increasing access points as well as providing applications in several languages that align with our student population groups
		Survey stakeholder groups for future direction regarding the needs of the Department that align to meet the needs of students, parents, and staff (Spring 2018)
		Expand meals services to include Breakfast in the Classroom, Supper Programs, and explore the logistics and needs for offering second chance suppers (Fall 2017)
		Develop student advisory council; host mini district food show
		Explore new food products, taking into consideration the top seven recommendations for ingredient quality
		Provide metrics and goal expectations by building; share with management team
		Procure, install and train on new temperature tracking system
		Identify renovation projects for food service programs
Properly train staff	Ensure all ACPS SNS staff receive appropriate training	Renovate George Washington and explore next steps for the Hammond and Minnie Howard renovations
		Complete Greens and More Bar expansion throughout the K-5 school locations to include Jefferson Houston and Patrick Henry K-8
		Maintain regular in-service training opportunities for SNS staff

SMART: Specific, Measurable, Aggressive and Achievable, Results-Driven, Time-Bound

## Strategic Plan Goals:

1. Academic Excellence and Educational Equity
2. Family and Community Engagement
3. An Exemplary Staff
4. Facilities and the Learning Environment
5. Health and Wellness
6. Effective and Efficient Operations

# Support Operations

---

## Budget Summary

The Support Operations budget supports the Office of the Chief Operating Officer and the Departments of Pupil Transportation, Educational Facilities and School Nutrition Services. The final FY 2019 Support Operations operating fund budget totals \$28.33 million, an increase of \$1.59 million. The final FY 2019 School Nutrition Fund budget totals \$10.68 million, an increase of \$0.47 million. The total number of FTEs for Support Operations is 302 an increase of 3 FTEs from FY 2017.

## Chief Operating Officer

The budget for the Chief Operating Officer supports staff development for all support operations staff, communications and meetings with the community and other stakeholders. The final FY 2019 Chief Operating Officer budget totals \$0.326 million, an increase of \$0.02 million over FY 2018. The increase is due to the full-year step increase for eligible employees and benefit increases.

## Pupil Transportation

The Pupil Transportation budget supports all pupil transportation, including after-school and summer learning programs, the Wellness on Wheels (WOW) bus and maintenance for all ACPS vehicles. The final FY 2019 Pupil Transportation budget totals \$9.59 million, an increase of \$0.313 million over FY 2018. The increase is due to the full-year step increase for eligible employees and benefit increases.

## Educational Facilities

The Educational Facilities budget supports the operations and maintenance of all ACPS schools and facilities, costs associated with non-CIP projects, planning and management of CIP projects, safety, security and risk management and all division-wide insurance. The final FY 2019 Educational Facilities budget totals \$18.41 million, an increase of \$0.12 million. Major changes to this budget include:

- An increase of \$0.36 million for the full-year step increase for eligible employees and

benefit increases;

- An increase of \$0.09 million for custodial support for after hour events
- An increase of \$0.09 million for electrical repair and services
- An increase of \$0.62 million for leasing added in the FY 2019
- Increases totaling \$0.45 million in staff development, environmental services, cleaning services, pest control, general maintenance and repair services, painting, equipment maintenance, and small construction projects.

## School Nutrition Services

The School Nutrition Services budget is a self-supporting enterprise fund and supports all meal and snack programs division-wide. The final FY 2019 budget totals \$10.68 million, an increase of \$0.47 million. The number of FTEs remains the same at 111 FTEs.

Funds for capital outlay increased to \$1.02 million which represents an increase of \$0.01 million for one-time capital costs and an increase of \$0.20 million for on-going capital purchases. The division-wide step increase for eligible employees and benefit changes added \$0.20 million to the School Nutrition Services budget.

The materials and supplies category is comprised mostly of food supplies and food services supplies and the changes to these costs are the result of increased participation, including the Breakfast in the Classroom program, changes to the menu and fluctuations in vendor prices. The major changes to food supplies and food services supplies are wholesale groceries increase by \$0.071 million, dairy products increase by \$0.15 million, fresh produce increases by \$0.08 million, bakery products increase by \$0.04 million, and meat products are increased by \$0.15 million.

# Glossary

---

**Accounts Payable:**

The amounts owed to private persons or organizations for goods and services received by the school system.

**ACPS School Board:**

A nine-member elected body that adopts policy for the daily operation of Alexandria's public schools and ensures school laws are properly explained, enforced, and observed.

**Administrative Compensation:**

Salaries paid to administrators for full-time and part-time work. Administrators include principals, assistant principals, directors, supervisors, coordinators, and managers.

**Adult Education:**

Adult education and English literacy classes assist adults to become literate and obtain the knowledge and skills necessary for employment and self-sufficiency; assist adults who are parents to obtain the educational skills necessary to become full partners in the educational development of their children; and assist adults in the completion of a secondary school education.

**Advanced Placement (AP) Program:**

An intensive program of college-level courses and examinations that provides high school students with an opportunity to earn advanced placement, college credit, or both, at participating universities and colleges across the country. The AP program bridges the transition from secondary school to college by offering students an opportunity to develop their academic strengths through rigorous curricula, challenging national examinations, and by exposing them to academic experiences usually reserved for college students.

**Americans with Disabilities Act (ADA):**

A federal law that prohibits discrimination against individuals with disabilities and requires employers to provide reasonable accommodations to help those with disabilities in performing their jobs. The ADA defines an

individual with a disability as a person with a serious physical or mental impairment that substantially limits a major life activity.

**Annual Measurable Objectives (AMO):**

The AMOs represent the percentage of students within each subgroup that must pass Standards of Learning (SOL) tests in reading and mathematics in order to make acceptable progress over six years. Although the AMOs represent yearly goals for low-performing schools, all schools must meet these objectives. This measurement tool has been eliminated through the Every Student Succeeds Act (ESSA) and will not be reported in the future.

**Appropriation:**

A legislative act authorizing a designated amount of public funds for a specific purpose. The City of Alexandria appropriates funding to the school division to support operations.

**Asset:**

The International Accounting Standards Board defines an asset as a "resource controlled by the enterprise as a result of past events and from which future economic benefits are expected to flow to the enterprise."

**At-Promise Student:**

Any student who is not presently reaching his or her fullest potential, but has the ability to do so with additional resources, additional time, or different instructional strategies.

**Average Daily Membership (ADM):**

The sum of total daily student membership of the school system divided by the number of days school was actually in session. ADM is a factor used in the state funding formulas.

**Base Allocations:**

The dollar amount for materials and supplies for schools, determined by adding per pupil allocations, recurring supplementals, and extended learning allocations, as applicable.

# Glossary

---

**Beginning Balance:**

The dollar amount remaining in a fund at the start of a fiscal year.

**Benefits:**

Job-related benefits provided to employees as part of their total compensation. Fringe benefits include the employer's portion of FICA, retirement, insurance (life, health, disability income, etc.), and employee allowances.

**Budget:**

The Association of School Business Officials (ASBO) defines a budget as "a plan of financial operation embodying an estimate of proposed expenditures for a given period or purpose and the proposed means of financing them." It is a list of estimates of revenues and expenditures for the organization for a specified period of time. Normally a budget describes a period in the present or future, not the past.

**Capital Improvement Program (CIP):**

The primary source of funding for school construction, renovation, and maintenance projects. It provides a 10-year prioritized plan for major facility changes. It is submitted in a separate document to city council and is entirely funded by the City.

**Capital Outlay:**

Includes the purchases of replacement or additional fixed assets valued at more than \$5,000 per unit that have a useful life of at least one year.

**Carryover:**

The process at the end of one fiscal year by which certain funds for previously approved School Board commitments to pay for goods and services are reappropriated in the next fiscal year.

**Categorical Accounts:**

State revenue funds for special student populations or for fulfilling particular state obligations.

**City Appropriation:**

An expenditure level granted by the City Council to the School Board to make expenditures and to incur obligations for specific purposes. Appropriation authorizations expire at the end of the fiscal year.

**Classroom Instruction Compensation:**

Salaries and wages paid to classroom teachers for full-time and part-time work. Classroom teachers include grades Pre-K to 5, core and elective, specialty, reading, special education, English Learners dual language, Talented and Gifted (TAG), and alternative education teachers.

**Combined Funds:**

Includes the Operating Fund, Grants & Special Projects Fund, and the School Nutrition Fund. These three primary funds include appropriated positions including salaries and benefits for eligible full- and part-time employees, along with other revenues and expenditures, unlike the other funds.

**Community Use Fees:**

Funds collected from outside entities for rental of ACPS facilities during non-school hours.

**Cost Center Code:**

Identifies the revenue or expenditure as an elementary, secondary, instructional support, operational support, or administrative activity.

**Department Code:**

Identifies the major and subsidiary organizational units in ACPS. The schools are included in the department code structure.

**Designated Funds:**

Unencumbered, unexpended funds set aside by the School Board for subsequent use.

**Dual Language:**

Program at Mount Vernon and John Adams elementary schools where Spanish-speaking and English-speaking students have the opportunity to learn Spanish and English

# Glossary

---

literacy through content-based instruction in selected core subjects. Science, mathematics, and Spanish literacy are taught in Spanish. English language arts and social studies are taught in English. Dual language students continue to develop language and literacy skills in their primary language while learning the same content in their second language.

**Employee Benefits:**

Job-related benefits provided to employees as part of their total compensation. Fringe benefits include the employer's portion of FICA, pensions, insurance (life, health, disability income, etc.) and employee allowances.

**Encumbrance:**

A commitment to use funds for a specific purpose.

**Encumbered Carryover:**

Funds set aside at the end of a fiscal year to pay for items encumbered during that fiscal year to be received and paid for in the subsequent fiscal year.

**English Learners (EL):**

The EL program helps limited-English-proficient students learn literacy and content concepts in order to function successfully in the general education program.

**Enrollment Adjustment Reserve:**

An amount established in the budget and used to adjust material and supply allocations if an individual school's September enrollment exceeds budgeted student projections.

**Every Student Succeeds Act (ESSA):**

The most recent reauthorization of the Elementary and Secondary Education Act (ESEA) is known as the Every Student Succeeds Act (ESSA). ACPS' Title I funding is designated for the division by this act.

**Exempt:**

A categorization of employees who, because of their positional duties, responsibilities, and level of decision making authority, are exempt

from the overtime provisions of the Fair Labor Standards Act (FSLA).

**Expenditures:**

Total charges incurred, whether paid or unpaid, for current costs.

**Extended Learning:**

Extended learning is instruction is provided outside of the regular school day. It includes summer learning programs, modified school calendar intersession periods, and afterschool tutoring. Funding is provided through the operating and grants budgets.

**Family and Medical Leave Act (FMLA):**

FMLA is a U.S. federal law requiring covered employers to provide eligible employees job-protected and unpaid leave for qualified medical and family reasons. Qualified medical and family reasons include: personal or family illness, family military leave, pregnancy, adoption, or the foster care placement of a child.

**Federal Funds:**

Federal funds are provided through entitlement grants, including Title I, Title II, Title III and IDEA. Funds from entitlement grants may be carried over into future fiscal years, but must be spent within 27 months from inception.

**Fiscal Year (FY):**

The 12-month period used for budgeting and measuring financial performance. ACPS fiscal year begins July 1st and ends June 30th and corresponds to the fiscal years of the City of Alexandria and the Commonwealth of Virginia.

**Fixed Assets:**

Long-lived, tangible assets obtained or controlled as a result of past transactions, events, or circumstances. Fixed assets include buildings, equipment, improvements other than buildings, and land. In the private sector, these assets are referred to most often as property, plant, and equipment.

**Free and Reduced-Price Meals (FRPM):**

# Glossary

---

A program that provides free or reduced-price meals to children whose families are determined to be eligible for the federally funded school lunch program established by the National School Lunch and Child Nutrition Acts.

**Freedom of Information Act (FOIA):**

The Freedom of Information Act establishes the right of the public to obtain information maintained by the federal or state government and their agencies. The FOIA creates a general mechanism designed to ensure that the process for getting that information will be simple, timely, and inexpensive.

**Full-Time Equivalent (FTE):**

The ratio of the total number of paid hours during a period (part-time, full-time, contracted) by the number of working hours in that period Mondays through Fridays. The ratio units are FTE units or equivalent employees working full-time.

**Function Code:**

Defines what type of activity is occurring with the transaction, such as classroom instruction, social work services and building operations. These codes are used to complete the Annual School Report that is submitted annually to the Commonwealth of Virginia.

**Fund:**

A fund is a grouping of related accounts that are used to maintain financial control of resources segregated for specific activities or objectives.

**Fund Balance:**

The Governmental Accounting Standards Board (GASB) defines fund balance as “the difference between assets and liabilities in a governmental fund.”

**Fund Code:**

Identifies the source (Operating, School Nutrition, Grants or Special Projects) of funds for an activity.

**Fund Statements:**

A financial summary indicating sources of funds and payments made during a given time period.

**FY 20XX Actual:**

Terminology used to identify numbers that are actual, audited revenues and expenses for the fiscal year ended June 30, 20XX.

**FY 20XX Approved Budget:**

Terminology used to identify numbers that are the planned revenues and expenditures for the fiscal year ending June 30, 20XX, as approved by the School Board and submitted to the City Council in early March.

**FY 20XX Final Budget:**

Terminology used to identify numbers that are the planned revenues and expenditures for the fiscal year ending June 30, 20XX, as approved by the School Board in May.

**FY 20XX Proposed Budget:**

Terminology used to identify numbers that are the planned revenue and expenditures for the fiscal year ending June 30, 20XX, as presented to the School Board by the Superintendent in January. This budget serves as the tool for discussions leading to the 20XX approved budget.

**Generally Accepted Accounting Principles (GAAP):**

Uniform minimum standards and guidelines for financial accounting and reporting. They govern the form and content of the financial statements of an entity. GAAP encompass the conventions, rules, and procedures necessary to define accepted accounting practice at a particular time. They include not only broad guidelines of general application, but also detailed practices and procedures. GAAP provide a standard by which to measure financial presentations. The primary authoritative body on the application of GAAP to state and local governments is the Governmental Accounting Standards Board

# Glossary

---

(GASB).

**General Education Program:**

The major educational programs that serve students in the core instructional areas, namely elementary, middle, and high school instruction.

**General Ledger:**

A record containing the accounts needed to reflect the financial position and the results of operations of a government.

**Governmental Accounting Standards Board (GASB):**

GASB establishes the standards of state and local governmental accounting and financial reporting.

**Grants and Special Projects:**

A fund grouping of entitlements and competitive grant monies, including federal funds from the Individuals with Disabilities Education Act (IDEA) and the Elementary and Secondary Education Act (ESEA), as well as state and local entitlement monies and competitive grants.

**Head Start:**

A federal grant that provides a comprehensive child development program to children ages three to five years from income-eligible families. The Head Start program in Alexandria is administered by the Campagna Center.

**Incentive Accounts:**

Incentive-based payments from the state are not required by law but are intended to target resources for specific student or school needs statewide.

**Individualized Education Program (IEP):**

A written statement indicating the primary special education placement and related services a student with disabilities will receive. The IEP is developed mutually by the child's parents and a team of ACPS specialists.

**Instruction:**

The activities dealing directly with the teaching of students or improving the quality of teaching.

**Intermittent Pay:**

Compensation to non-contract employees for hours worked or to contract employees for hours worked outside of their contract period. Hours worked are documented through timesheets or the time clock system.

**Internal Services:**

Goods or services provided from one ACPS office or school to another for items such as printing, internal transportation, food services, and planning activities.

**International Baccalaureate (IB):**

An internationally recognized advanced academic program providing college-level course work in six academic areas and offering high school students with an opportunity to earn advanced placement, college credit, or both, at participating universities and colleges.

**Lapse Savings:**

An estimate of savings that occurs when budgeted positions are filled for only a portion of the fiscal year or remain unfilled throughout the fiscal year.

**Liability:**

The International Accounting Standards Board defines a liability as "a present obligation of the enterprise arising from past events, the settlement of which is expected to result in an outflow from the enterprise of resources embodying economic benefits."

**Local Composite Index (LCI):**

The state's measure of local ability to pay. The higher the LCI, the greater the local school division's ability to pay for educational services with local funds. Alexandria holds the highest LCI available at 0.80.

**Local Funds:**

# Glossary

---

Included in this category are revenues received for community use of school facilities, tuition from students who reside outside of the City of Alexandria, revenue from summer learning programs and adult education students, and fees from parking permits and lost textbooks. Other types of revenue include refunds, rebates and insurance claims.

**Materials and Supplies:**

Articles and commodities, including textbooks, that are consumed or materially altered when used and minor equipment that is not capitalized.

**Membership:**

Another term for student enrollment.

**Modified Calendar Program:**

Program held at Samuel W. Tucker Elementary School. The calendar consists of four nine-week sessions of instruction and two intersession periods.

**Modified Zero-Based Budget:**

A bottom up review of all planned expenditures for the upcoming fiscal year – from justifying the need for every position to explaining the use of office supplies.

**Object Code:**

Provides for a detailed classification of expenditures. Codes are based on the Commonwealth of Virginia's object code structure. The object code is the level of the accounting code structure that defines what is purchased, e.g., textbooks, electrical utilities, salaries, computers.

**Open Honors:**

Enrollment program at the middle school level which encourages all students to participate in honors-level courses.

**Operating Fund:**

This fund includes the division's primary revenue sources from the Commonwealth of Virginia, the City of Alexandria, selected federal sources and miscellaneous local fees, and the

expenditures charged against these revenues.

**Other Charges:**

Expenditures to support operations (e.g., utilities, travel, insurance, phone charges, postage, leases/rentals).

**Other Financing:**

Unexpended funds from the fiscal period two years prior that have been approved by the School Board for use in the specified budget year. In previous budget documents, beginning balance has been titled "Fund Balance."

**Other Post-Employment Benefits Trust Fund (OPEB):**

This fund was established to implement the Governmental Accounting Standards Board (GASB) Statement No. 45. This standard addresses how state and local governments should account for and report costs related to post-employment health care and other non-pension benefits.

**Other Uses of Funds:**

This series of codes is used to classify transactions that should not be recorded as expenditures of the school division but require budgetary or accounting control. These include fund transfers and contingency funds. Most federal grants and some state grants allow the school division to charge indirect costs for technical and overhead related to the programs.

**Overtime:**

Compensation to non-exempt employees for hours worked in excess of 40 hours per week.

**Prepaid Items:**

An accounting recognition of amounts paid in advance for future expenses. An example is insurance where premiums are paid upfront to protect against future risk.

**Professional Support Compensation:**

Salaries and wages paid to support teachers and other teacher-scale positions for full-time

# Glossary

---

and part-time work. Support positions include library media specialists, school counselors, social workers, instructional technology support teachers, instructional coaches, nurses, psychologists, and curriculum developers.

**Program Code:**

Consists of 10 major areas as defined by the Code of Virginia and the subsidiary program areas.

**Purchased Services:**

Services acquired from outside sources. These include private vendors, public authorities or other governmental entities, including tuition payments to other school divisions for the education of students with disabilities) Purchase of the service is on a fee basis or fixed-time contract basis.

**Restorative Justice:**

Restorative Justice is a theory of justice that emphasizes repairing the harm caused by negative behavior. It is a cooperative process that can lead to transformation in people, relationships, and communities.

**Revenue:**

The income of a government agency from taxation and other sources.

**Salaries:**

All compensation for the direct labor of persons in the employment of the local government. Salaries and wages paid to employees for full- and part-time work, including overtime, shift differential, and similar compensation. Includes payments for time not worked, including sick leave, vacation, holidays, jury duty, military leave, and other paid absences that are earned during the reporting period.

**School Nutrition Fund:**

A fund grouping of local, state, and federal revenue and related expenditures for the operation of all food services activities.

**Site Code:**

Each site in ACPS has a unique code identifying the physical location of the activity.

**Specialized Instruction Programs:**

Services provided to eligible students in preschool through grade 12, division wide. Specific programs include autism, hearing impairment, emotional disabilities, intellectual disabilities, learning disabilities, physical and occupational therapy, physical disabilities, speech and language, and visual impairment.

**Staffing Reserve:**

An amount established in the budget to cover the cost of salaries and benefits for undesignated staff positions. The reserve is managed centrally and used only in cases of unforeseen need.

**Standards of Learning (SOL):**

The Commonwealth of Virginia's expectations for student learning and achievement in grades K-12. Standards are established for English, mathematics, science, history and social science, technology, fine arts, world languages, health and physical education, and driver education.

**Standards of Quality (SOQ):**

Board of Education Standards prescribed for all public schools in the Commonwealth. Established in the Code of Virginia, these standards are the basis for the Commonwealth's funding of local school divisions.

**State Category:**

The broad expenditure categories for school divisions determined by the State Board of Education. Current state categories are: Instruction, Administration, Attendance and Health, Pupil Transportation, Operation and Maintenance, School Nutrition Services and Other Non-Instructional Operations, Facilities and Technology. The State Category is also called "Function Code".

# Glossary

---

**State Revenues:**

State funding is divided into five tiers: Standards of Quality, School Facilities, Incentive, Categorical Accounts and Lottery Funded. The General Assembly holds budget deliberations during the months of January and February each year and adjustments to state revenues are made as part of the final budget.

**Stipends:**

Funds awarded for work that is in addition to regular duties and performed outside the scope of the regular work day.

**Substitute Pay:**

Compensation for non-contract employees who perform the work of regular full- or part-time employees who are absent. Substitutes may also fill full-time positions on a temporary basis.

**Superintendent of Schools:**

Leader responsible for the day-to-day operations of the entire school division. The Superintendent is hired by the School Board.

**Supplemental Compensation:**

Compensation to full and part-time regular employees for work performed outside of the scope of their positions. May include such pay as shift-premiums, incentives, and extra-duty stipends.

**Support Compensation:**

Salaries and wages paid to clerical, technical, custodial, and maintenance staff members for full- and part-time work. Support staff includes paraprofessionals, administrative assistants, hall monitors, bus drivers and monitors, custodians, and building engineers.

**Title I (ESEA/ESSA):**

Title I, Part A of the Elementary and Secondary Education Act (ESEA), as amended, provides financial assistance to local educational agencies (LEAs) and schools with high numbers or high percentages of children from low-income families to help ensure that all children meet challenging state academic standards.

**Title II, Part A (ESEA/ESSA):**

Title II, Part A of the Elementary and Secondary Education Act/Every Student Succeeds Act aims to increase student achievement by elevating teacher and principal quality through recruitment, hiring, and retention strategies. The program uses scientifically-based professional development interventions and holds districts and schools accountable for improvements in student academic performance.

**Title III (ESEA/ESSA):**

Title III of the Elementary and Secondary Education Act/Every Student Succeeds Act provides language instruction assistance for limited English proficient and immigrant students so they may meet the state Standards of Learning required of all students.

**Turnover Savings:**

Savings from staff retiring or leaving and being replaced by employees coming in at lower steps on the salary scale.

**Unexpended Funds:**

A positive difference between revenues and expenditures in a specific fiscal year. Unexpended funds may be encumbered (tied to commitments to purchase already made) or unencumbered (available for other uses).

**Utilities:**

All expenditures for electrical, heating, water, and sewage services provided to school system-operated buildings and facilities.

**Vacancy Savings:**

Salaries and benefits not paid while positions are vacant. Refer to Lapse Savings for more information.

**Washington Area Boards of Education (WABE) Guide:**

A statistical report comparing area school districts' salaries, budgets, costs per pupil, and class sizes.

# Position Glossary

---

**Administrative Specialist:**

The position provides administrative and system support to ACPs departments and personnel; coordinates and monitors assigned programs and/or projects; and, acts as liaison between the administrator and other parties.

**Application Support Specialist:**

The position provides user support to resolving software and hardware problems encountered by district employees; resolves problems and/or determines appropriate action(s) for resolution; configures validation reports; conducts application training; and, installs program upgrades and service releases.

**Attendance Technician (Secondary):**

The position collects and maintains student attendance information at the assigned site; meets district, state and federal requirements relating to attendance processes including parent notification; prepares and distributes attendance reports and materials; and provides clerical support at school site.

**Coordinator-Transition:**

The position provides leadership and direction for the coordination and implementation of transition plans for all students enrolled in the Northern VA Juvenile Detention Home School Educational Program.

**Dean of Students:**

The position works with teachers and school staff to manage student conduct and behavior in order to achieve positive student growth and development; helps supervise student discipline to assist teachers and staff to carry out the total instructional and student program; develops responsible student behavior and citizenship; promotes positive school climate; and fosters parent and community support.

**English Learner Inclusion Specialist:**

The position provides leadership, training, and staff development to teachers and administrators on the delivery of instructional activities that increase opportunities for EL

students in general education settings.

**Employment Support Specialist:**

The position prepares students for post-secondary outcomes in the areas of competitive employment, post-secondary training and higher education. The position requires community outreach to business leaders, city leaders, non-profit organizations for the purpose of developing potential job placements for our youth ages 14-21 (inclusive). Position manages job coaches.

**Evaluation Assessment Analyst:**

The position performs student testing performance data analysis and program evaluation to support the department's mission of providing decision-makers with valid, reliable, and timely data for making sound choices.

**Instructional Coach - Data:**

The position provides leadership, training, and coaching support to instructional staff and administrators on the development and implementation of education plans for schools, student interventions, offices, and individual students (IAPs). Assists schools and offices in developing systems for continuous improvement: data analysis, plan development and implementation, and progress monitoring.

**Instructional Coach - Improvement:**

The position provides continuous expertise and support via the processes of co-planning, co-teaching, instructional modeling, coaching and reflecting. The goal is to ensure instructional coherence and rigorous learning.

**Instructional Coach - Literacy:**

The position provides leadership, professional learning, and coaching support to teachers on the development of literacy practices (reading, writing, speaking, listening, and metacognitive skill development) that increase opportunities for all students to succeed in general education settings.

# Position Glossary

---

**Instructional Literacy Specialist:**

The position provides reading and writing instructional support and coaching to all ACPS elementary schools. The Specialist's primary role is to work with building leadership and teachers to support data, provide analysis of school-wide trends in instruction and make recommendations to address areas of needs.

**Instructional Mathematics Specialist:**

The position provides math instructional support and coaching to all ACPS elementary or secondary schools. The Specialist's primary role is to work with building leadership and teachers to support using data, provide analysis of school-wide trends in instruction and make recommendations about areas of needs.

**Instructional Science Specialist:**

The position coordinates processes for developing the school division's K-12 Science curriculum to meet Virginia Standards of Learning in Science. This involves developing and monitoring the use of the K-12 science budget and to ensure all required science materials, kits, and equipment are available. An important aspect involves coaching and providing feedback to K-12 science instructors to identify appropriate professional development.

**Instructional Social Studies Specialist:**

The position is responsible for developing and monitoring the K-12 Social Studies curriculum. This involves developing and monitoring the use of the K-12 social studies budget, providing feedback, coaching, modeling, and related instructional services to all social studies instructors and work closely with administrators and teachers to analyze data to improve instruction in all grade levels.

**Instructional Specialist - Cross Curricular Special Education:**

The position is responsible for providing instructional support and coaching to secondary special education science and social studies

teachers. The specialist ensures that each student with a disability is able to reach his or her academic potential by working with school leadership and teachers to support student growth, using the development of standards based IEPs, data analysis, analysis of school wide trends in instruction and making recommendations to address areas of need for students with disabilities.

**Instructional World Language Specialist:**

The position is responsible for developing the curriculum for all world languages and related instruction at all school levels, including comprehensive and Advanced Placement courses, and developing and monitoring the implementation of the world languages budget. This position works closely with world language teachers and administrators to monitor student progress, provide feedback and coaching and develop relevant professional development experiences at all levels.

**Interventionist:**

The position provides staff development to teachers and support staff on the delivery of instructional interventions to increase student achievement and decrease referrals to the child study team. The position also designs appropriate interventions and uses and analyzes student performance data sources.

**Interventionist - Data:**

See **Interventionist**

**Interventionist - Gap:**

See **Interventionist**

**Job Coach:**

The position assists with direct instruction of job tasks and related behavioral skills.

**Library Media Assistant:**

The position maintains library collection and controls audio visual equipment at school site; performs clerical functions related to collection, processing, circulation, maintenance, and

# Position Glossary

---

inventory of library materials; and, provides support for library operations.

**Library Media Specialist:**

The position facilitates efficient operation of the school's library services and provides one period of Encore instruction per elementary class each week.

**Paraprofessional I:**

The position assists the classroom teacher with maintaining classroom order; presents direct instruction of supplied materials primarily in small groups; performs classroom clerical tasks; and, monitors student behavior during non-classroom time.

**Paraprofessional II:**

The position assists in the supervision and instruction of special needs students under the supervision of a certificated teacher in a special education classroom; observes and documents student progress; implements plans for instruction; and, provides clerical support to teacher.

**Paraprofessional III:**

The position assists with the physical and instructional needs of students with disabilities. This support position is responsible for students who demonstrate a need for specialized care and skills. The position observes and documents student progress; implements plans for instruction; attends to the student's personal needs; and, any other duties necessary to support the individual student.

**Program Specialist:**

The position provides on-site management to the Adult Learning Education Center and extends the benefits of ACPS' educational programs to adult learners in the City of Alexandria.

**Reading Specialist:**

The position facilitates student success in academic and interpersonal skills through academic courses of study and by

implementing district approved curriculum, documenting teaching and student progress/activities/outcomes; addressing specific needs of students; providing a safe and optimal learning environment; and providing feedback to students, parents, and administration regarding student progress, expectations, goals, etc.

**School Improvement Coordinator:**

The position oversees the implementation and monitoring of federal and state compliance requirements and best practices in the administration of the Title I section of the Elementary and Secondary Education Act and federal School Improvement grants. They work under broad Federal and State statutes to achieve Title I and State Accountability Office and school division priorities.

**School Nutrition Assistant:**

The School Nutrition Assistant prepares and distributes food items for consumption by students and school personnel, ensures compliance with reporting requirements, and maintains facilities in a sanitary condition.

**School Security Officer:**

The position maintains order and discipline, prevents crime, investigates violations of School Board policies and detains students violating the law or School Board policies on school property, in school-owned vehicles, or at school-sponsored events. The position is responsible for ensuring the safety, security, and welfare of all students, faculty, staff, and visitors to the facility.

**Specialist - Public Relations:**

The position participates in a broad range of activities involving public and employee communications, publications and electronic media describing policies, programs and activities of Alexandria City Public Schools. The position produces publication design and layout as well as writes or edits materials.

# Position Glossary

---

**Technology Integration Specialist:**

The position provides leadership in the implementation of the ACPS vision of effective technology integration in the K-12 instructional programs; and, ensures that all instructional technology practices and resources are aligned and allocated in a manner that reflects the division's mission and instructional goals.

to meet the technology needs of the school division.

**Testing Data Analyst:**

The position assists with administrative duties necessary to carry out the mission of the department and provide decision-makers with valid, reliable, and timely data.

**Technician I:**

The ITS Technician I provides user support in resolving software and hardware problems encountered by district employees, resolves problems and/or determines appropriate action(s) for resolution; conducts application training; and, installs program upgrades and service releases.

**Technician II:**

Technician II provides direct technology support to students in the middle schools, coordinates support activities with other administrative support staff and Technology Services personnel, as well as communicate with school based staff in support of the program. In addition, ensures student supported digital learning community by creating opportunities for students to assist in the support of the computer devices and training for other students.

**Technician III:**

The Technician III provides user support through planning, organizing, managing, and participating in the maintenance, repair and upgrading of district computer hardware and software applications; ensuring that jobs are completed efficiently and within industry guidelines and project deadlines; and, ensuring optimal utilization of personnel and other resources.

**Technician IV:**

The Technician IV leads in the maintenance, repair, and upgrading of technology equipment
