2. For students who are homeless, or who qualify for admission under provisions outlined in Admission Policy JEC consult the Department of Student Services, Alternative Programs, and Equity.

3. Principals are advised that enrollment / registration of kindergarten students and transfer students must include all additional prerequisites and requirements prior to the initiation of address verification procedures. (Reference J Policies)

PROCEDURES:

RE: Verification of Address / Residences of "Continuously Enrolled" Students Using Information / Emergency Data

1. At the start of each school year, principals or their designees will require that parent(s) / guardian(s) submit current information/emergency data for each student enrolled in the school. This process is to be completed by September 30th.

2. Registrars will review the address / residence information to verify location in the City of Alexandria and will refer discrepancies to the principal for subsequent follow-up. Specific attention must be given to student addresses in Zip Codes for which there is a dual city/county location. Note: Some Zip Codes in Alexandria City also apply to residences outside of Alexandria City.

3. The Alexandria City Public Schools online Attendance Zone Locator will serve as a definitive reference for address/residence verification activities at the school level. For questions related to the Attendance Locator, please call Technology Services at 703-619-8005 for assistance.

Registrars and other office personnel are reminded of the importance of using the online Attendance Zone Locator regularly to confirm and verify addresses, particularly when registering Kindergarten students and new students for all other grades.

5. Principals are to notify parents that address verification activities will occur periodically during the school year. Such notification should be included in newsletters and other written communications to parents, as well as through announcements at "Back to School Nights" and PTA meetings. It should be stressed to parents and guardians that review and verification of addresses / residences will become a regular part of the Alexandria City Public Schools enrollment procedures.
